7.0	<p>Hope VI (N/A), Mixed Finance Modernization or Development (N/A), Demolition and/or Disposition (N/A), Conversion of Public Housing (N/A), Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>Homeownership Program: The PHA administers a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982.</p> <p>The PHA will limit the number of families participating in the Section 8 homeownership option to 10 pre-purchase families, although this number may be increased to 20 to allow for a reasonable accommodation to families with persons with disabilities who have the necessary resources to purchase, or to allow the participation of recent Family Self Sufficiency Program graduates with escrow settlement payments and the necessary resources to purchase.</p> <p>The PHA has established the following program eligibility criteria for participants in its Section 8 Homeownership Option program in addition to the HUD criteria:</p> <ul style="list-style-type: none"> • The family has no family-caused violations of HUD housing quality standards within the last year. • The family is not within the initial term of the lease. • The family does not owe money to the HACSD. • Non-Elderly/Disabled families must meet a continuous work requirement. • The family must meet minimum income requirements. • The family has not committed any serious and/or repeated violations of a HACSD-assisted lease within the last five years. • The family has not had any arrests for violent or drug-related criminal activities within the last five years. • The family may not refinance the assisted property for more than they currently owe. • The primary financing must be a fixed rate, fully amortized loan with no change in the monthly payment for principal and interest over the life of the loan. <p>The PHA will refer families to area housing counseling agencies and lenders. The PHA will create a courtesy referral list of interested lenders, realtors, and housing counseling agencies.</p> <p>The PHA has demonstrated its capacity to administer the program by establishing a minimum homeowner downpayment requirement of at least 3 percent of purchase price and requiring that at least 1 percent of the purchase price comes from the family's resources.</p> <p>The PHA has successfully closed on three home purchases.</p> <p>Project-Based Voucher Program: The HACSD intends to use up to 250 Section 8 Housing Choice Vouchers for project-based rental assistance. Consistent with the goals of de-concentration of poverty and expanding housing and economic opportunities, the project-based units will be located within the HACSD's jurisdiction.</p> <p>The HACSD has found that many of those with less than perfect credit and rental history never use the vouchers that are issued to them. This failure to assist those who need help the most has resulted in both a loss of time and effort by the HACSD, and the frustration of those unsuccessful in utilizing their vouchers.</p> <p>The PHA has successfully leased up 25 families</p>

8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p> <p>See Attachment 1 - Capital Fund Program Annual Statement/Performance and Evaluation Report</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p> <p>See Attachment 2- Capital Fund Program Five-Year Action Plan</p>
8.3	<p>Capital Fund Financing Program (CFFP). <u>N/A</u></p> <p><input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>

<p>9.0</p>	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The PHA has analyzed the housing needs of low-income and very low-income families who reside in the PHA’s jurisdiction. The housing needs of these groups continue to be great considering the high cost of rental housing in the PHA’s jurisdiction. Although the vacancy rate has increased a bit over the last year, the rents have not yet declined. According to the 2000 census, over 35,000 families have income at or below 30% of the area median income and almost 77,000 families have income above 30% and at or below 50% of the area median income.</p> <p>The PHA’s jurisdiction encompasses more than one Consolidated Plan jurisdiction. Consolidated Plans for the Cities of Chula Vista, Escondido, El Cajon and San Diego describe the housing needs for those cities. In addition, the County of San Diego has taken a regional approach and developed a Consortium Consolidated Plan which contains a comprehensive affordable housing strategy for the unincorporated areas of San Diego County and the cities of Carlsbad, Coronado, Del Mar, Encinitas, Imperial Beach, La Mesa, Lemon Grove, Poway, Santee, San Marcos, Solana Beach and Vista. The cities of Carlsbad, Encinitas, Oceanside, San Diego and National City operate their own housing authorities.</p> <p>Housing Needs of Families on the Section 8 Tenant-Based Assistance and Public Housing Waiting Lists.</p> <p>See Attachment 4 - Housing Needs of Families on the Section 8 Tenant-Based Assistance and Public Housing Waiting Lists.</p>
<p>9.1</p>	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>See Attachment 5 – Strategy for Addressing Housing Needs.</p>

10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5- Year Plan.</p> <p>See Attachment 6 - Progress in Meeting Mission and Goals.</p> <p>b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>Substantial Deviation from the 5-Year Plan: A change that will substantially negatively impact a majority of Section 8 or Public Housing participants or waiting list applicants is considered a substantial deviation from the 5-Year Plan except when the change is determined to be necessary in order to comply with regulatory requirements, respond to funding constraints, or respond to a federally, state, or locally declared emergency.</p> <p>Significant Amendment or Modification to the Annual Plan: A change that will substantially negatively impact a majority of Section 8 or Public Housing participants or waiting list applicants is considered a significant amendment or modification to the Annual Plan except when the change is determined to be necessary in order to comply with regulatory requirements respond to funding constraints, or respond to a federally, state, or locally declared emergency.</p>
11.0	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <p>See Attachment 11 – Signed Certifications</p> <p>(a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights)</p> <p>(b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only)</p> <p>(c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only)</p> <p>(d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only)</p> <p>(e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only)</p> <p>(f) Resident Advisory Board (RAB) comments. Comments received from the RAB must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the recommendations and the decisions made on these recommendations. See Attachment 7 - Resident Advisory Board (RAB) comments.</p> <p>(g) Challenged Elements</p> <p>(h) Form HUD-50075.1, <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> (PHAs receiving CFP grants only)</p> <p>(i) Form HUD-50075.2, <i>Capital Fund Program Five-Year Action Plan</i> (PHAs receiving CFP grants only)</p>

STRATEGY FOR ADDRESSING HOUSING NEEDS

9.1 Strategy for Addressing Housing Needs

The Housing Authority of the County of San Diego's (HACSD) strategy to address the housing needs of families in the jurisdiction and on the Public Housing and Section 8 Rental Assistance waiting lists is to ensure through appropriate eligibility verification, fraud, and program abuse investigations, that all families currently being assisted are eligible for assistance and are receiving the correct amount of assistance. HACSD is committed to maintaining its voucher utilization at the 100% level while managing its programs within available funding levels.

HACSD's strategy is to ensure that only eligible families receive assistance, therefore, reducing the wait time for families on the waiting list. HACSD will maintain financial solvency by managing all programs within HACSD's budget. The strategy of HACSD is designed to continue assistance for program participants and provide assistance to eligible families on HACSD's waiting lists.

PROGRESS IN MEETING MISSION AND GOALS

Downpayment and Closing Costs Assistance Program (DCCA)

The PHA administers the Urban County of San Diego Downpayment and Closing Costs Assistance (DCCA) program, which provides 3% deferred interest loans to eligible low-income first-time homebuyers. Nine households received assistance in FY 2010-11. The DCCA program is funded through the HOME Investment Partnerships program and the American Dream Downpayment Initiative.

Tenant Based Rental Assistance Programs (TBRA)

The PHA administers several Tenant Based Rental Assistance (TBRA) Programs for low-income and special needs individuals including: the HOME funded Emancipated Foster Youth Program, the HOME funded Dependency Court's Substance Abuse Recovery Management System (SARMS) Program, a HOPWA funded TBRA Program, a Redevelopment Agency funded TBRA Program and a Shelter Plus Care funded TBRA Program. The TBRA programs assisted approximately 260 households during FY 2010-2011.

Residential Rehabilitation

The PHA provides rehabilitation services to low-income homeowners. Eligible properties include single-family homes and mobile homes. During FY 09-10, 47 units were rehabilitated under this program.

Public Housing

On July 1, 2005, the PHA awarded a new Public Housing property management contract. This contract, unlike previous contracts, has a fixed price component for property management and routine maintenance services to limit costs. Unlike the previous property management company, the property management company is handling occupancy duties. The PHA monitors the Public Housing contract by conducting quarterly resident file reviews and annual inspections of the site and all units. The contractor is notified of any deficiencies identified during the review process and monitored for the correction of those deficiencies. On July 1, 2010, the PHA awarded a new Public Housing property management contract.

The PHA administers a scholarship program for Public Housing youth entering or about to enter college. The program provides computers and funds for tuition and other school expenses. The PHA awarded 13 scholarships during FY 07-08, 12 scholarships in FY 08-09, four scholarships FY 09-10 and eight scholarships for FY 10-11.

In September 30, 2009, the PHA achieved a 100 percent reporting rate for its Public Housing Program.

The PHA continues to improve its Public Housing stock with funding from the Capital Fund Program. Among the improvements were upgrades to lighting fixtures, installation of air conditioning units, installation of security doors and irrigation system upgrades.

In 2008, all Public Housing sites were certified Crime Free by local law enforcement.

Section 8 Program

The PHA produces semi-annual Section 8 landlord newsletters, Section 8 participant newsletters, as well as quarterly Public Housing resident newsletters. These newsletters publicize important information such as the Enterprise Income Verification system, the Violence Against Women Act, as well as other information useful to landlords and program participants. The newsletters are mailed directly to participants and landlords and are posted on the PHA's website at www.sdhcd.org. In FY 07-08, a new newsletter for Public Housing residents only was started. This newsletter will pass along important information to residents, including ROSS grant programs, activities, and achievements.

The PHA updated its Section 8 Landlord Handbook and Section 8 Family Handbook in 2009. The updated handbooks have information on the Violence Against Women Act and the Enterprise Income Verification System, as well as program policies, procedures, and regulations. The Family Handbooks are issued to new program applicants at briefing. The Landlord Handbook is provided to landlords at outreach events. The two handbooks are also available on the PHA's website at www.sdhcd.org.

The PHA screens all its families for violent and drug related criminal activities, as well as all applicants for registered sex offender status. The PHA has an active program abuse investigation unit and is diligent in ensuring families comply with program regulations, as well as the PHA's zero tolerance policy for drug and violent criminal activities

The PHA maintains a listing of rental housing in areas of greater opportunity for selection by Section 8 Housing Choice Voucher Program participants. This list is available on the PHA's website and is updated weekly.

The PHA has maintained its high performer status for SEMAP.

The PHA maintains a 98% or greater voucher utilization rate for its Section 8 Housing Choice Voucher Program.

The PHA provides ongoing program information to rental property owners and managers. The PHA conducted quarterly owner education seminars from July 2010 through July 2011. The PHA plans to conduct quarterly owner education seminars during FY 11-12.

Section 8 Homeownership Program

The PHA's Section 8 Homeownership Program offers HOME funds for closing costs and down payment assistance for eligible participants of the Section 8 program. Three (3) Section 8 participants were assisted through the Section 8 Homeownership Program in FY 2010-11.

The PHA conducted a purge of its Rental Assistance Program waiting list of almost 40,000 households in March 2009. The purge was accomplished by allowing waiting list applicants to update their waiting list applications in writing or via the PHA's online waiting list application system.

Family Self Sufficiency Program

In FY 05-06, a Family Self Sufficiency (FSS) Coordinator grant application was requested and received an increase in funding to a full-time position. Prior fiscal years FSS Coordinator grants funded a part-time position. Since 2007 the PHA has applied for and received annual funding for a full time FSS Coordinator.

The PHA operates an FSS program for Section 8 Housing Choice Voucher Program participants. This 5-year program works with participants to develop employment-related goals that will lead them to self-sufficiency. In FY 10-11, 7 families graduated from the program and saved the PHA \$49,170.33 in HAP payments due to their self-sufficiency goals being met and the associated increased earned income. As of June 2011, the PHA had 126 families participating in the FSS program. FSS program staff has created a website and newsletter which inform participants about available resources and opportunities that will help them achieve their goals.

In FY 10-11, the PHA sponsored two financial literacy workshops that focused on credit repair and homeownership preparation; 26 FSS Participants and community members were in attendance. In addition, the FSS program also makes available to all FSS participating families FDIC Money Smart CD-ROMs that provide computer based financial literacy education. During FY 10-11, 133 CDs were distributed.

In FY 08-09, the PHA instituted a pilot FSS Academic Scholarship Program awarding two scholarships to FSS participating families. The purpose of the program is to offer an incentive for program participants to pursue educational opportunities that are offered at accredited institutions of higher learning or vocational schools. Since its inception, the scholarship program has awarded a total of 30 scholarships totaling \$28,400 to FSS participants and members of their household. As a result of the program's success, the PHA extended the program awarding 11 academic scholarships to FSS families in FY 10-11. Five additional scholarships were awarded in the Fall of FY 10-11 with additional scholarship awards planned for the Spring semester of 2012.

Waiting List

The PHA contracts for a web-based on-line waiting list applications system to provide better customer service and to better accommodate applicants with disabilities. The web-based application is available in both English and Spanish.

Questions

Can an individual apply for the FSS program or is it only for families?

- As long as the individual is employed, they can also apply for the program.

How is the VASH program being offered to homeless veterans?

- The VA office handles all outreach events.

What is the main difference between Section 8 and Public Housing?

- Section 8 is a voucher based program and you can take it with you to any state in the U.S. Public Housing is only for certain appointed units and you may not choose where to live.

Attachment 7- CA108

Are tenants being protected from foreclosing homes?

- Section 8 renters do have protection.

Are vouchers being given out to mobile home owners?

- There is no difference between mobile home owners and other applicants; they all have to be eligible. Who handles the rent for federally funded housing?

- HUD funds the programs but our office makes sure all payments are administered correctly. Do you have to wait for the lease to be up to give up your voucher?

- No, the voucher can be given up at any time. If the building is old, can the tenant choose another building?

- For Public Housing, there is not another option. For Section 8, you can move if your lease is up. Are there going to be more senior housing buildings?

- As far as our agency is concerned, that is not going to happen any time in the near future. Why is Public Housing only in Chula Vista?

- The City of Chula Vista was the only city that accepted the proposal. What do you do if you want to move to another state? Who do you tell?

- Contact your worker and they will provide you with the information on the "Port Out" process. If you are under Section 8 and need a wheelchair ramp, who pays for that?

- It is a private expense and the Section 8 participant must take care of that expense. Can a Live-In Aide be added if that person has lived with the Head of Household for a year?

- No, they must be new to the household. Can a spouse obtain Section 8 if the wife or husband passes away?

- Yes but only if they are living together at the time that this occurs.

Next Meeting: December 20, 2011 at 9:30 A.M.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County of San Diego, California (County), as of and for the year ended June 30, 2010, which collectively comprise the County's basic financial statements and have issued our report thereon dated November 22, 2010. Our report was modified to include a reference to other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Other auditors audited the financial statements of the First 5 Commission of San Diego (Commission), the discretely presented component unit, as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the County's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the Board of Supervisors, the County's Audit Committee, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT
COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND
ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB
CIRCULAR A-133, THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS, THE
SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF THE CALIFORNIA EMERGENCY
MANAGEMENT AGENCY GRANT PROGRAMS AND THE COMMUNITY ACTION
PARTNERSHIP SUPPLEMENTAL SCHEDULES OF REVENUE AND EXPENDITURES**

Compliance

We have audited the County of San Diego's, California (County) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2010. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the County's management. Our responsibility is to express an opinion on the County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the County's compliance with those requirements.

In our opinion, the County complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2010. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as items 10-01, 10-02 and 10-03.

Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the County's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards, Supplementary Schedule of Expenditures of the California Emergency Management Agency Grant Programs and the Community Action Partnership Supplemental Schedules of Revenue and Expenditures

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the County, as of and for the year ended June 30, 2010, and have issued our report thereon dated November 22, 2010. Our report was modified to include a reference to other auditors. Other auditors audited the financial statements of the First 5 Commission of San Diego, the discretely presented component unit, as described in our report on the County's financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying schedule of expenditures of federal awards, supplementary schedule of expenditures of the California Emergency Management Agency (CEMA) grant programs and the Community Action Partnership supplemental schedules of revenue and expenditures are presented for purposes of additional analysis as required by OMB Circular A-133, CEMA and the California Department of Community Services and Development, respectively, and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

The County's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the County's response and, accordingly, we express no opinion on the responses.

This report is intended solely for the information and use of management, the Board of Supervisors, the County's Audit Committee, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

COUNTY OF SAN DIEGO, CALIFORNIA
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND
SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF THE
CALIFORNIA EMERGENCY MANAGEMENT AGENCY GRANT PROGRAMS
FOR THE YEAR ENDED JUNE 30, 2010

1. GENERAL

The accompanying Schedule of Expenditures of Federal Awards (SEFA) presents the activity of all federal award programs of the County of San Diego, California (County). Federal awards received directly from federal agencies as well as federal awards passed through other nonfederal agencies, primarily the State of California, are included on the schedule. The County's reporting entity is defined in Note 1 to the County's basic financial statements.

2. BASIS OF ACCOUNTING

The accompanying SEFA and Supplementary Schedule of Expenditures of the California Emergency Management Agency (CEMA schedule) are presented using the modified accrual basis of accounting except for programs recorded in the County's enterprise funds, which are presented using the accrual basis of accounting, which is described in Note 1 to the County's basic financial statements. There are however certain Health & Human Services Agency (HHSA) programs that are reported on a cash basis in accordance with guidance provided by the State of California HHSA.

3. RELATIONSHIP TO BASIC FINANCIAL STATEMENTS

Federal award expenditures agree or can be reconciled with the amounts reported in the County's basic financial statements.

4. RELATIONSHIP TO FEDERAL FINANCIAL REPORTS

Amounts reported in the accompanying Schedule of Expenditures of Federal Awards are in material agreement with the amounts reported in the related federal financial reports for the federal award programs.

5. CALIFORNIA EMERGENCY MANAGEMENT AGENCY (CEMA) GRANT PROGRAMS

At the request of the State of California Emergency Management Agency, a schedule of expenditures of CEMA grants is also included as a supplementary schedule on pages 18 - 20.

6. SOUTHWEST BORDER PROSECUTION INITIATIVE

The County participates in the Southwest Border Prosecution Initiative (SWBPI). The County submitted claims during FY 09-10 in the amount of \$13.6 million. However, in FY 09-10, the County received \$3.4 million in reimbursements related to FY 07-08 (\$2.3 million) and FY 08-09 (\$1.1 million) expenditures, which are reported under the CFDA 16.755.

7. SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP)

The County administered SNAP program is supervised by the State of California. According to guidance provided by the funding agency, no expenditures are reported in the County's SEFA except those related to administration of the program. In FY 09-10 the State distributed \$283,827,047 in federal SNAP benefits on behalf of the County.

Section II Financial Statement Findings

No matters were reported.

Section III Federal Award Findings and Questioned Costs

Finding 10-01:	Reporting
Federal Agency:	Department of Health and Human Services
Program Name:	Supplemental Nutrition Assistance Program (SNAP) Cluster
CFDA # and Program Expenditures	#10.561 \$24,223,016
Award Year	June 30, 2010

Criteria

In accordance with Part 3 of the OMB Circular A-133 compliance supplement for the reporting compliance requirement; Audit Objectives; “..required reports for Federal awards include all activity of the reporting period, are supported by applicable accounting or performance records..”

Condition

During the performance of our procedures over the Reporting compliance requirement, we noted that 2 out of 10 FNS209 reports selected for testing each had an incidence of a data entry error.

Effect

The reports identified that were prepared by the County did not accurately reflect the claims against households who received SNAP benefits. These errors caused an overstatement of \$511,179 in the County’s December 31, 2009 report and an understatement of \$10,000 in the June 30, 2010 report.

Questioned Cost:

Not applicable.

Recommendation

The County should include additional procedures to certify that the FNS209 forms are accurate. A secondary review of each report could include a recalculation of the entirety of each report.

Response

HHSA agrees with the recommendation. We will revise the FNS209 reports for the quarters ended December 2009 and June 2010 and will submit to the State in January 2011. We will also revise our current procedures to ensure that the FNS209 forms are properly completed and reviewed by the senior accountant.

Finding 10-02:	Allowable Costs/Cost Principles
Federal Agency:	Department of Health and Human Services
Program Name:	Child Care and Development Fund Cluster
CFDA # and Program Expenditures	#93.575/93.596 \$3,034,899
Award Year	June 30, 2010

Criteria

In accordance with OMB A-87; Part C. Basic Guidelines “*1. Factors affecting allowability of costs. To be allowable under Federal awards, costs must meet the following general criteria: ... j. Be adequately documented.*”

Condition

During the performance of our testwork on Allowable Costs/Cost Principles, we noted that out of a sample of forty (40) expenditures selected for testing, one (1) of the expenditures was not adequately documented. The amount of expenditure paid was not supported by an attendance sheet that is required to be signed by the Parent and Childcare provider to be acceptable for payment.

Effect

The County is not in compliance with the Allowable Costs/Cost Principles requirements.

Questioned Cost:

\$2,417

Recommendation

We recommend that the County establish procedures such as scanning supporting documentation and storing them electronically to ensure that supporting documentation for all such similar programs will not be lost.

Response

We agree with the recommendation. Unfortunately, we have been unable to locate the attendance sheet for this expenditure. This program was terminated by the County of San Diego after the fiscal year ended and we feel that the attendance sheet was misplaced in the transfer of files to long-term storage.

Finding 10-03: Subrecipient Monitoring

Federal Agency:	Department of Health and Human Services	
Program Name:	Child Welfare Services	
CFDA # and Program Expenditures	#93.645	\$3,365,694
Award Year	June 30, 2010	

Federal Agency:	Department of Health and Human Services	
Program Name:	Child Care and Development Fund Cluster	
CFDA # and Program Expenditures	#93.575/93.596	\$3,034,899
Award Year	June 30, 2010	

Criteria

In accordance with **OMB A-133; Subpart D—Federal Agencies and Pass-through Entities; §__.400 “Responsibilities. (d) Pass-through entity responsibilities;** *A pass-through entity shall perform the following for the Federal awards it makes: (1) Identify Federal awards made by informing each subrecipient of CFDA title and number, award name and number, award year, and name of Federal agency. When some of this information is not available, the pass-through entity shall provide the best information available to describe the Federal award. (2) Advise subrecipients of requirements imposed on them by Federal laws, regulations, and the provisions of contracts or grant agreements as well as any supplemental requirements imposed by the pass-through entity...(4) Ensure that subrecipient expending \$500,000 or more in Federal awards during the subrecipient’s fiscal year have met the audit requirements of this part for that fiscal year. (5) Issue a management decision on audit findings within six months after receipt of the subrecipient’s audit report and ensure that the subrecipient takes appropriate and timely corrective action.*

Condition

Child Welfare Services

During the performance of our procedures testing Subrecipient monitoring, we noted that out of the sample of 5 vendors selected, we noted that for 5 vendors, that there was no evidence that the CFDA number, federal award name and/or federal requirements were communicated prior to June 30, 2010. We did however note that at the time of the award, there was no federal funding related to this grant, but subsequent to the award and prior to June 30, 2010 there was a re-programming of funding that resulted in federal funding being allocated to this grant. We also note that the funding of the subrecipients relating to the grant ended in December 2009.

Child Care and Development Fund

During the performance of our procedures on Subrecipient Monitoring, we noted that out of the sample selected of 2 subrecipients, for both subrecipients, at the time of award the County HHSA department did not send award notification letter to subrecipients to identify Federal award information, including CFDA title and number, award name and number, name of Federal awarding agency and applicable compliance requirements. The County had considered them to be vendors and therefore did not apply the procedures the County has in place for subrecipients.

COUNTY OF SAN DIEGO, CALIFORNIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED JUNE 30, 2010

Effect

The Health and Human Services Agency, Child Welfare Services Program and Child Care and Development fund, were not in compliance with the subrecipient requirements under OMB Circular A-133.

Questioned Cost:

Not applicable

Recommendation

Child Welfare Services

As soon as the County's Health and Human Services department is aware of any re-programming of funds, they should develop a method of communication to all of its subgrantees notifying subrecipients of their re-programmed federal funding.

Child Care and Development Fund

The County's Health and Human Services department should develop additional controls in its procurement function to more accurately distinguish between vendors and subrecipients. This will ensure that required communications will be made to subrecipients.

Response

Child Welfare Services

We agree with the recommendation. Federal funding letters with the CFDA #, award name and award amount will be sent to subrecipients receiving CWS Title IV-B funding prior to the award. This is a part of the policy of HHSA and is followed in normal contract operations and awards. It is monitored both by Financial Services, Contract Support, and program.

In this particular case, we did not originally directly award federal funds to this contractor. We awarded funds to this contractor, which we considered to be State of California General funds. In the second quarter of the fiscal year, in December 2009, we reported the expenditure of the State General funds in our County Expense Claim to the State and the State performed a reallocation of these funds to the Federal funding source. We were not aware of the State's action until mid February of 2010.

We substantially met all of the requirements of monitoring the vendors as subrecipients in the general course of our work that year and we did notify the vendors of the receipt of Federal funds after the year end. We feel that the notification of the receipt of federal funds after the year end is sufficient to satisfy the requirements of A-133 in this case since we felt we were awarding the vendors State General funds at the beginning of the year.

Child Care and Development Fund

We agree with the recommendation. Federal funding letters with the CFDA #, award name and award amount should be sent timely to subrecipients receiving CCDF funding. This is a part of the policy of HHSA and is followed in normal contract operations and awards. It is monitored both by Financial Services, Contract Support, and program.

COUNTY OF SAN DIEGO, CALIFORNIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED JUNE 30, 2010

In this particular case, we did not send the notification letters timely because the contractors were considered vendors instead of subrecipients. After reviewing the subrecipient questionnaire from the auditors, there was a consensus reached between program and fiscal staff that the vendors should be considered subrecipients. This is the reason the award notification letters were sent out late. Also, funding for the CRET program was State funded in prior years. Fiscal Year 09/10 was the first time that the State shifted funding to Federal.

ASSET MANAGEMENT STATEMENT

The Housing Authority of the County of San Diego (HACSD) has established one project for its 121 Public Housing units. The Public Housing units are all of similar age and are all located in close proximity to each other in one corner of the HACSD's jurisdiction. All of the HACSD's Public Housing units have a low vacancy rate. With the exception of waiting list management, the HACSD has contracted out all property management functions including, leasing, lease enforcement, maintenance, repairs, rent collection, eligibility, admission, and occupancy.

The Public Housing Program has become increasingly expensive to operate. The HACSD will continue to address methods to reduce operation expenses including: adopting energy efficiency measures, addressing deferred maintenance, aggressive lease enforcement, upgrading landscaping to reduce water and maintenance costs.

Chapter 1

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Public Housing Program was created by the U.S. Housing Act of 1937.

Administration of the Public Housing Program and the functions and responsibilities of the Public Housing Authority (PHA) staff shall be in compliance with the PHA's Personnel Policy, and this Admissions and Continued Occupancy Policy. The administration of this PHA's housing program will also meet the requirements of the Department of Housing and Urban Development. Such requirements include any Public Housing Regulations, Handbooks, and applicable Notices. All applicable Federal, State and local laws, including Fair Housing Laws and regulations, also apply. Changes in applicable federal laws or regulations shall supersede provisions that conflict with this policy. Federal regulations shall include those found in Volume 24 CFR, Parts 1, 5, 8, 100 and 900-966 (Code of Federal Regulations).

A. HOUSING AUTHORITY MISSION STATEMENT

County of San Diego Housing and Community Development Mission Statement:

"Promoting safe, affordable housing opportunities and improved communities in the San Diego region"

HUD Mission Statement:

"To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination"

B. LOCAL OBJECTIVES

This Admissions and Continued Occupancy Plan for the Public Housing Program is designed to demonstrate that the PHA is managing its program in a manner that reflects its commitment to improving the quality of housing available to its public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, this Admissions and Continued Occupancy Policy is designed to achieve the following objectives:

To provide improved living conditions for very low and low income families while maintaining their rent payments at an affordable level.

To operate a socially and financially sound public housing agency that provides decent, safe, and sanitary housing within a drug free, suitable living environment for tenants and their families.

To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to PHA employees.

To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities that are representative of the range of incomes of low-income families in the PHA's jurisdiction.

To provide opportunities for upward mobility for families who desire to achieve self-sufficiency.

To facilitate the judicious management of the PHA inventory, and to have efficient management of the PHA staff.

To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

C. PURPOSE OF THE POLICY

The purpose of this Admissions and Continued Occupancy Policy (ACOP) is to establish guidelines for the Public Housing Authority (PHA) staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements of the Department of Housing and Urban Development (HUD) with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and the PHA.

The PHA Board of Commissioners must approve the original policy and any changes. Required portions of this Plan will be provided to HUD.

D. FAIR HOUSING POLICY

The Housing Authority will fully comply with all federal, state and local nondiscrimination laws, rules and regulations governing Fair Housing and equal opportunity in housing and employment.

The HACSD will not deny any family or individual the equal opportunity to apply for or receive assistance under the Public Housing program on the basis of race, color, sex, religion, creed, national or ethnic origin, age, familial or marital status, disability, income source, or sexual orientation.

The PHA shall administer the program in compliance with the Violence Against Women Act (VAWA) and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162).

To further the HACSD commitment to full compliance with applicable civil rights laws, at the family briefing, the HACSD will provide federal/state/local information regarding unlawful discrimination, and any recourse to those who believe they are victims of a discriminatory act. All applicable Fair Housing information and discrimination complaint forms will be included in the voucher holder's briefing packet, and will be available upon request.

All HACSD staff members may be required to attend Fair Housing training. These employees, in the overall commitment to quality customer service, are informed of the importance of affirmatively furthering Fair Housing, providing equal opportunity to all families, and providing reasonable accommodations to persons with disabilities. Fair Housing posters may be displayed throughout the Housing Authority office, including in the lobby and interview rooms, and in such a manner as to be readable from a wheelchair.

The equal opportunity logo will be used on all outreach materials. To keep current with new developments, staff may attend local Fair Housing update training sponsored by HUD, or other organizations.

Except as otherwise provided in 8.21(c)(1), 8.24 (a), 8.25, and 8.31 of the regulations, no individual with disabilities shall be denied the benefits of, or be excluded from participation in programs, or otherwise be subjected to discrimination because the HACSD's facilities are inaccessible to, or unusable by persons with disabilities.

The Housing Authority of the County of San Diego is accessible to persons with disabilities. The California Relay Service provides accessibility for the hearing impaired.

E. SERVICE AND ACCOMMODATIONS POLICY

It is the policy of the Housing Authority of the County of San Diego to provide courteous and efficient service to all applicants for housing assistance. In that regard, the PHA will endeavor to accommodate persons with disabilities, as well as those persons with language and literacy barriers.

This policy is applicable to all situations described in this Admissions and Continued Occupancy Policy when a family initiates contact with the PHA, when the PHA initiates contact with a family including when a family applies, and when the PHA schedules or reschedules appointments of any kind.

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within our jurisdiction.

The PHA's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific accommodations will be made known by including notices on PHA forms and letters to all families, and all requests will be verified so that the PHA can properly accommodate the need presented by the disability.

Federal Americans with Disabilities Act of 1990

With respect to an individual, the term "disability," as defined by the 1990 Act means:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual; or

A record of such impairment, or

Being regarded as having such impairment.

Undue Hardship

Requests for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability and they do not create an "undue financial and administrative burden" for the PHA, meaning an action requiring "significant difficulty or expense."

In determining whether accommodation would create an undue hardship, the following guidelines will apply:

The nature and cost of the accommodation needed;

The overall current financial resources of the facility or facilities involved in the provision of the reasonable accommodation; and

The number of persons currently employed at such facility, the number of families likely currently to need such accommodation, the effect on expenses and resources, or the likely impact on the operation of the facility as a result of the accommodation.

Verification of a Request for Accommodation

All requests for accommodation or modification of a unit will be verified with a reliable, knowledgeable professional.

Requests for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability.

Reasonable Accommodation

Reasonable accommodation will be made for persons with a disability who require an advocate or accessible offices. A designee will be allowed to provide some information, but only with the permission of the person with the disability. These requests must be made at least seven days in advance.

All PHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

All requests for a reasonable accommodation must be made at least seven days in advance and specify the type of reasonable accommodation requested. The PHA may ask for medical verification, depending on the nature of the request.

Medical Marijuana

The use of medical marijuana is strictly prohibited at all public housing properties owned by the Housing Authority of the County of San Diego. The use of medical marijuana by public housing residents and/or their guests will result in the termination of the participant from the public housing program regardless of the date of entry into the program.

Reasonable Accommodation (§5.403) (HUD General Counsel Opinion on Medical Marijuana, 1/20/2011)

Federal and state nondiscrimination laws do not require housing authorities to accommodate requests by current or prospective residents with disabilities to use medical marijuana. The PHA may not permit the use of medical marijuana as a reasonable accommodation because such accommodations are not reasonable under the Fair Housing Act and would constitute a fundamental alteration in the nature of the operations of the program (*HUD General Counsel Opinion on Medical Marijuana, 1/20/2011, pgs1-2*).

Medical Marijuana Use as a Reasonable Accommodation

Person(s) seeking a reasonable accommodation to allow the use of medical marijuana are not “individuals with a disability” under Section 504 or the ADA and therefore do not qualify for a reasonable accommodation to allow the use of medical marijuana. Furthermore, because such requests are tantamount to requests to become an illegal drug user, SDHCD is prohibited from granting such a request (*HUD General Counsel Opinion on Medical Marijuana, 1/20/2011, pg 6*).

Recertification by Mail

The PHA may conduct its annual and interim recertifications through the mail. However, the PHA may at any time require the family to attend face-to-face interviews.

The mail-in packet will include notice to the family of the PHA's deadline for returning the completed forms to the PHA.

Home Visits

When requested and where the need for reasonable accommodation has been established, the PHA will perform home visits to conduct annual and interim recertifications.

Other Accommodations

The Housing Authority will refer families to organizations that provide assistance for hearing- and sight-impaired persons, when needed. The PHA has a TDDY telephone number for the hearing-impaired and will assist vision-impaired persons with completion of the necessary forms.

Families will be offered an accessible unit upon request by the family, when an accessible unit is available.

The PHA will refer families who have persons with disabilities to agencies in the community that offer services to persons with disabilities.

F. TRANSLATION OF DOCUMENTS

In determining whether it is feasible to translate documents into other languages, the PHA will consider the following factors:

The availability of local organizations to provide translation services to non-English speaking families.

The PHA has bilingual staff to translate documents and has evaluated its programs and determined that given the number of Limited English Proficiency clientele, additional translation services are not necessary.

G. LANGUAGE ASSISTANCE

The Housing Authority of the County of San Diego will refer persons with literacy barriers to appropriate community literacy programs for assistance with the completion of the application and certification process. The PHA has access to a Language Line telephone service to provide translation services in a multitude of languages.

H. PUBLIC HOUSING ASSESSMENT SYSTEM (PHAS) OBJECTIVES [24 CFR 901 & 902]

The PHA operates its public housing program with efficiency and can demonstrate to HUD or independent auditors that the PHA is using its resources in a manner that reflects its commitment to quality and service. The PHA policies and practices are consistent with the new Public Housing Assessment System (PHAS) outlined in the 24 CFR Parts 901 and 902 final published regulations.

The PHA is continuously assessing its program and consistently strives to make improvements. The PHA acknowledges that its performance ratings are important to sustaining its capacity to maintain flexibility and authority. The PHA intends to diligently manage its current program operations and continuously make efforts to be in full compliance with PHAS. The policies and procedures of this program are established so that the standards set forth by PHAS are

demonstrated and can be objectively reviewed by an auditor whose purpose is to evaluate performance.

I. FAMILY OUTREACH

The PHA will publicize and disseminate information to make known the availability of housing units and housing-related services for very low-income families on a regular basis.

The PHA will communicate the status of housing availability to other service providers in the community. The PHA will advise them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

J. PRIVACY RIGHTS

Applicants and participants, including all adults in their households, are required to sign the form HUD-9886, "Authorization for Release of Information and Privacy Act Notice." This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

The PHA's policy regarding release of information is in accordance with State and local laws that may restrict the release of family information.

Any and all information that would lead one to determine the nature and/or severity of a person's disability will be kept confidential. The personal information will be used only to determine the need for a reasonable accommodation or live-in aide.

The PHA's practices and procedures are designed to safeguard the privacy of applicants and tenants. The PHA will safeguard all Upfront Income Verification (UIV) information in compliance with the applicable regulations and all staff with computer access to the information will have signed User Agreements on file. The UIV information obtained through the Enterprise Income Verification (EIV) system will not be released to any party other than the party the information is pertaining to.

Files will never be left unattended outside the locked office or placed in common areas.

PHA staff will not discuss or access family information contained in files unless there is a business reason to do so. Staff will be required to disclose whether s/he has relatives living in Public Housing. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

K. POSTING OF REQUIRED INFORMATION

The PHA will have available at the central office the following information:

Statement of policies and procedures governing Admissions and Continued Occupancy Policy (ACOP) or a notice of where the policy is available

The PHA 5-year Plan and PHA Annual Plan

Information on application taking

L. REFERRAL OF PUBLIC HOUSING RESIDENTS TO THE PHA'S SECTION 8 HOUSING CHOICE VOUCHER PROGRAM

To enhance the PHA Public Housing Program's operational and fiscal stability while minimizing the impact on the PHA's Section 8 Housing Choice Voucher (HCV) Program's waiting list, a number of Section 8 HCV Program waiting list super preferences were established for the PHA's Public Housing residents in the following circumstances: (1) The Public Housing administrator has determined, after a careful review of the evidence and consideration of alternative options, that a Public Housing resident family must move because a family member is the victim of domestic violence, dating violence, or stalking and the PHA has no alternate Public Housing units appropriate for the family; (2) The Public Housing administrator has determined, after a careful review of the evidence, professional recommendations, and alternative options, that a Public Housing family must be relocated for a significant period of time in order to make repairs to the Public Housing family's Public Housing unit and the PHA has no alternate public housing units available to the family.

If the Public Housing administrator, after a review of all information, recommendations, and evidence, determines that a Public Housing family must move for the above reasons, the Public Housing administrator will prepare a written referral to the PHA's Section 8 HCV Program waiting list. In order for a referral to be issued, the family must be an extremely low, very-low, or low-income family and must meet all other eligibility requirements for admission to the Section 8 HCV Program.

M. TERMINOLOGY

Chapter 2

ELIGIBILITY FOR ADMISSION

INTRODUCTION

This Chapter defines both HUD's and the PHA's criteria for admission and denial of admission to the program. The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the qualifications of families who apply. The PHA staff will review all information provided by the family carefully and without regard to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the PHA pertaining to their eligibility.

A. QUALIFICATION FOR ADMISSION

It is the PHA's policy to only admit qualified applicants. An applicant is qualified if he or she meets the following criteria:

In accordance with this Chapter, meets the definition of a family.

Heads a household where at least one member of the household is either a citizen or eligible non-citizen. [24 CFR Part 5, Subpart E]

Has an annual income at the time of admission that does not exceed the very low-income limit for occupancy established by HUD and posted separately in the PHA offices.

Provides a Social Security number for all family members, age 6 or older, or will provide written certification that they do not have Social Security numbers;

Meets or exceeds the tenant Selection and Suitability Criteria as set forth in this policy.

Timing for the Verification of Qualifying Factors

The qualifying factors of eligibility will not be verified until the family is in a position on the waiting list to be offered a housing unit.

B. FAMILY COMPOSITION

Definition of Family

The applicant must qualify as a Family. A Family may be a single person or a group of persons. Discrimination on the basis of familial status is prohibited, and a group of persons may not be denied solely on the basis that they are not related by blood, marriage or operation of law. For occupancy standards purposes, the applicant may claim a spousal relationship. (See chapter on Occupancy Guidelines)

Elderly, disabled, and displaced families are defined by HUD in CFR 5.403.

The term "Family" also includes, but is not limited to:

A family with or without children;

An elderly family;

A disabled family;

A displaced family;

The remaining member of a tenant family;

A single person who is not elderly, displaced, or a person with disabilities, or the remaining member of a tenant family;

Two or more elderly or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides;

Two or more near-elderly persons living together, or one or more near-elderly persons living with one or more live-in aides.

The temporary absence of a child from the home due to placement in foster care shall not be considered in determining the family composition and family size.

Occupancy by Police Officers

In order to provide an increased sense of security for public housing residents, the PHA may allow public housing units to be occupied by police officers.

Police officers will not be required to be income eligible to qualify for admission to the PHA's public housing program.

Head of Household

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Emancipated minors who qualify under State law will be recognized as head of household if there is a court order recognizing them as an emancipated minor.

Persons who are married are legally recognized as adults under State law.

Spouse of Head of Household

Spouse means the husband or wife of the head of household.

For proper application of the Non-citizen Rule, the definition of spouse is: the marriage partner whom, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads of household.

Co-head of Household

An individual in the household who is equally responsible for the lease with the Head of Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-in Aides

A Family may include a live-in aide provided that such live-in aide:

Is determined by the PHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program:

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the tenant family.

A live-in aide may not become a family member for at least one year after leaving the household.

A family member may not become a live-in aide for at least one year after leaving the household

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit, providing doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member(s) does not overcrowd the unit.

A live-in aide may only reside in the unit with the approval of the PHA. Written verification will be required from a California licensed reliable, knowledgeable professional, such as a California licensed doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is essential for the care and well-being of the family member who is elderly, near elderly (50-61) or disabled, the number of hours a day this care is needed, and that this care cannot be provided any other way.

Verification of the need for a live-in aide must include the hours the care will be provided.

The PHA shall make the live-in aide subject to the agency's normal screening criteria.

The PHA will require the live-in aide to execute a lease rider agreeing to abide by the terms and conditions of occupancy set forth in the lease agreement. If the live-in aide violates provisions of the lease rider, the PHA may take action against the live-in aide separate from action against the assisted family.

If the live-in aides or their family members participate in drug-related or criminal activity, the PHA will rescind the aide's right to occupy the unit. When the agency takes such action against the live-in aide, the aide is not entitled to the grievance hearing process of the agency.

The PHA has the right to disapprove a request for a live-in aide based on the "Other Eligibility Criteria" described in this Chapter.

A live-in aide is not eligible to be admitted to the household as a family member until s/he has been out of the unit for at least one year. Conversely, a family member may not become a live-in aide until s/he has been out of the unit for at least one year, as well.

Over Income Families

The PHA will rent units to over-income families on a month-to-month basis, if there are no eligible families applying for assistance that month.

Over-income families must agree to vacate the unit with at least 30 days notice provided by the PHA, if the unit is needed for an income-eligible family.

C. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218]

Applicants:

Each applicant must provide complete and accurate social security numbers and documentation necessary to verify the SSN as a condition of eligibility for all family members, regardless of age, who have been issued a social security number.

Assistance will be denied if the applicant does not meet the applicable SSN disclosure, documentation, and verification requirements. However, if the family is otherwise eligible to participate in the program, the family may maintain his/her position on the waiting list for 180 days.

Participants:

Each participant, except those age 62 or older as of January 31, 2010, whose initial determination of eligibility begun before January 31, 2010, must provide a complete and accurate social security number and documentation necessary to verify the SSN, as a condition of continued eligibility for all family members, regardless of age, who have been issued a social security number, at their next interim or regularly scheduled reexamination or recertification of family composition or income if the participant has:

- not previously disclosed a SSN;
- previously disclosed a SSN that HUD or the SSA determined was invalid; or

- been issued a new SSN.

The family's assistance will be terminated if the participant does not meet the applicable SSN disclosure, documentation, and verification requirements.

The HACSD may defer termination and grant an extension of additional 90 calendar days to disclose a SSN, but only if the HACSD, in its discretion, determines that the participant's failure to comply was due to circumstances that could not have reasonably been foreseen and were outside the control of the participant; and there is a likelihood that the participant will be able to disclose a SSN by the deadline. If, upon expiration of the provided time period, the participant fails to produce a SSN, the family's assistance will be terminated.

Verification of Social Security Numbers:

Verification of social security numbers will be done through a valid social security card issued by the Social Security Administration. If a family member cannot produce a social security card, the documents listed below may be accepted for verification. The family may be required to certify in writing that the document(s) submitted in lieu of the social security card is/are complete and accurate:

An original SSA-issued document, which contains the name and SSN of the individual

An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

The HACSD may reject documentation of the SSN provided if:

The document is not an original document

The original document has been altered, mutilated, or not legible

The document appears to be a forged document, i.e. does not appear to be authentic.

Additions of New Household Members:

New family members, regardless of age, who have an assigned SSN, will be required to produce their valid social security cards or other acceptable documentation, as outlined above. This information must be provided at the time of the request, or at the time the HACSD adds the new family members to the household. If the family is unable to provide the required documentation of the SSN, the HACSD will not add the new household member until the family provides such documentation.

New family members under the age of six who have not been assigned a SSN will be required to produce their valid social security cards or other acceptable documentation, as outlined above, within 90 calendar days of the child being added to the household. The HACSD may grant an extension of one additional 90-day period to comply with the SSN disclosure and documentation requirement if the HACSD, in its discretion, determines that the participant's failure to comply was due to circumstances that could not have reasonably been foreseen and were outside the control of the family. The child will be included as part of the assisted household and entitled to

all benefits of being a household member during the allotted time for the family to comply with the SSN disclosure and documentation requirements. If, upon expiration of the provided time period, the family has not complied with the SSN disclosure and documentation requirements, the family's assistance will be terminated.

The requirements of this section apply to applicants and participants as described in this section, except that this section is inapplicable to individuals who do not contend eligible immigration status.

If the family member states s/he has not been issued a social security number by the SSA, the family member will be required to make such declaration in writing and under penalties of perjury.

D. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals may elect not to contend that they have eligible immigration status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families. A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed". Such applicant families will be given notice that their income-based assistance (TTP) will be pro-rated and that they may request a hearing if they contest this determination. If such a family chooses flat rent, the flat rent will not be pro-rated if the flat rent is greater than the Public Housing Maximum Rent. If the Public Housing Maximum Rent is greater than the flat rent, and the family chooses flat rent, the flat rent will be pro-rated.

No eligible members. Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students defined by HUD in the non-citizen regulations are not eligible for assistance.

The PHA will establish and verify eligibility no later than the date of the family's annual reexamination following October 21, 1998.

No individual or family applying for financial assistance may receive such financial assistance prior to the affirmative establishment and verification of eligibility of at least one individual or family member.

E. OTHER ELIGIBILITY CRITERIA

All applicants will be processed in accordance with HUD's regulations (24 CFR Part 960) and sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and past behavior the ability:

- to pay rent and other charges as required by the lease in a timely manner;
- to care for and avoid damaging the unit and common areas;
- to use facilities, appliances and equipment in a reasonable way;
- to create no health or safety hazards, and to report maintenance needs in a timely manner;
- not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others;
- not to engage in criminal activity or alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal activity on or off the PHA premises;
- not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed," on the premises of assisted housing;
- not to contain a household member subject to lifetime sex offender registration requirement under a State Sex offender registration program;
- to comply with necessary and reasonable rules and program requirements of HUD and the PHA; and,
- to comply with local health and safety codes.

Denial of Admission for Previous Debts to This or Any Other PHA

Previous outstanding debts to this PHA or any PHA resulting from a previous tenancy in the public housing or Section 8 program must be paid in full prior to admission. No Payment Agreement will be accepted.

Either spouse is responsible for the entire debt incurred as a previous PHA tenant. Children of the head or spouse who had incurred a debt to the PHA will not be held responsible for the parent's previous debt.

F. DENIAL OF ADMISSION FOR DRUG-RELATED AND/OR OTHER CRIMINAL ACTIVITY

Purpose

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of the Housing Authority of the County of San Diego to fully endorse and implement a policy that is designed to:

Help create and maintain a safe and drug-free community;

Keep our program participants free from threats to their personal and family safety;

Support parental efforts to instill values of personal responsibility and hard work;

Help maintain an environment where children can live safely, learn and grow up to be productive citizens; and

Assist families in their vocational/educational goals in the pursuit of self-sufficiency.

Administration

All screening procedures shall be administered fairly and in such a way as not to discriminate on the basis of race, color, nationality, religion, sex, familial status, disability or against other legally protected groups, and not to violate the right to privacy.

To the maximum extent possible, the PHA will involve other community and governmental entities in the promotion and enforcement of this policy.

This policy will be readily available to applicants and tenants upon request.

HUD Definitions

"Drug-related criminal activity" is the illegal manufacture, sale, distribution, use, or possession with intent to manufacture, sell, distribute or use a controlled substance (including Medical Marijuana) (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

Drug-related criminal activity means *on or off the premises, not just on or near the premises*.

"Covered person," means a tenant, any member of the tenant's household, a guest, or another person under the tenant's control.

"Criminal activity" includes any criminal activity that threatens the health, safety or right to peaceful enjoyment of the resident's public housing premises by other residents or employees of the PHA.

"Drug" means a controlled substance as defined in section 102 of the Controlled Substances Act (including Medical Marijuana) (21 U.S.C. § 802).

"Guest" for purposes of this Chapter, means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

"Household" means the family and PHA-approved live-in aide.

"Other person under the tenant's control," for the purposes of the definition of "covered person," means that the person, although not staying as a guest (as defined above) in the unit is, or was at the time of the activity in question, on the premises (as defined in this section) because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

"Premises" means the building or complex or development in which the public housing dwelling unit is located, including common areas and grounds.

"Violent criminal activity" means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Screening for Drug Abuse and Other Criminal Activity

In an effort to prevent drug related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or the right to peaceful enjoyment of the premises by other residents, the PHA will endeavor to screen applicants as thoroughly and fairly as possible.

If in the past the PHA initiated a lease termination, which may or may not have resulted in eviction for any reason cited under the Screening and Eviction for Drug Abuse and Other Criminal Activity Notice, for a family, as a prior resident of public housing, the PHA shall have the discretion to consider all circumstances of the case regarding the extent of participation by non-involved family members. A victim of domestic violence, dating violence, and stalking will not be disqualified from admission for criminal history or other violations due to acts of violence committed by another.

Initial screening will be limited to routine inquiries of the family and any other information provided to the PHA regarding this matter. The inquiries will be standardized and directed to all applicants by inclusion in the application form.

Upon final determination of eligibility, the PHA will check law enforcement records for criminal history for all adult members of the applicant household prior to final determination of eligibility and may require adult household members to be fingerprinted in order to obtain their Department of Justice criminal history.

Law Enforcement Records

The PHA will check criminal history for all applicants who are 18 years of age or older to determine whether any member of the family has engaged in violent or drug-related criminal activity.

Verification of any past activity will be done prior to final eligibility and will include a check of conviction records.

Standard for Violation

Persons evicted from public housing, Indian housing, Section 23, or any Section 8 program because of drug-related criminal activity are ineligible for admission to Public Housing for a five-year period beginning on the date of such eviction.

The PHA will not waive this requirement.

No member of the applicant's family may have engaged in drug related or violent criminal activity within the past five years.

The PHA will deny participation in the program to applicants where the PHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or engages in drug-related or other criminal activity. The same will apply if it is determined that the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the PHA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The PHA will consider the use of a controlled substance or alcohol to be a *pattern* if there is more than one incident during the previous 12 months.

"Engaged in or engaging in or recent history of" drug-related criminal activity means any act within the past five years by applicants or participants, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

"Engaged in or engaging in or recent history of" criminal activity means any act within the past five years by applicants or participants, household members, or guests which involved criminal activity that would threaten the health, safety or right to peaceful enjoyment of the public housing premises by other residents or employees of the PHA, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

The PHA may permit eligibility for occupancy and impose conditions that the involved family member(s) does not reside in the unit. The PHA will consider evidence that the person is no longer in the household such as divorce decree/incarceration/death/copy of a new lease with the owner's telephone number and address/or other substantiating evidence.

Permanent Denial of Admission

The PHA will permanently deny admission to public housing persons convicted of manufacturing or producing methamphetamine on the premises of the assisted housing project in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds. The PHA will not waive this requirement.

Prohibition on Persons Subject to Lifetime Sex Offender Registration Requirement

Public Housing applicants found to be subject to the lifetime sex offender registration requirements under a state sex offender registration program are prohibited from HACSD Public Housing Program participation for life. Current HACSD Public Housing residents who became subject to the lifetime state sex offender registration requirement prior to May 24, 2001 will be allowed to remain in HACSD Public Housing. HACSD Public Housing residents who become subject to the lifetime state sex offender registration while on the Program may be removed based upon the resident's specific behavior.

Other Criminal Activity

"Other criminal activity" means a history of criminal activity involving crimes of actual or threatened violence to persons or property, or a history of other criminal acts, conduct or behavior which would adversely affect the health, safety, or welfare of other residents.

A victim of domestic violence, dating violence, and stalking will not be disqualified from admission for criminal history or other violations due to acts committed by another, providing the perpetrator of said acts will be excluded from the household.

For the purposes of this policy, this is construed to mean that a member of the current family has been arrested of any criminal or drug-related criminal activity within the past five years.

HUD defines violent criminal activity as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member.

Applicants and/or their household members who have been convicted of criminal sexual conduct, including but not limited to sexual assault, incest, statutory sexual seduction, open and gross lewdness, or child abuse, and are required by law to register as a sex offender will be prohibited from participation in the public housing program.

No family member may have engaged in or threatened abusive or violent behavior toward PHA personnel at any time.

No family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

Evidence

The PHA must have evidence of the violation.

"Preponderance of evidence" is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred.

Preponderance of evidence is not to be determined by the number of witnesses, but by the greater weight of all evidence.

"Credible evidence" may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants, evidence gathered by PHA inspectors and/or investigators, and evidence gathered from the PHA Hotline.

The PHA may pursue fact-finding efforts as needed to obtain credible evidence.

Obtaining Information from Drug Abuse Treatment Centers

The PHA will inquire of all applicants whether they are currently using or in the past have ever engaged in the illegal use of a controlled substance.

The PHA will inquire of all applicants who respond in the affirmative whether they are currently receiving treatment or have ever received treatment at a drug abuse treatment facility.

All applicants who respond in the affirmative will be required to sign a written consent authorizing the PHA to receive information from the drug abuse treatment facility stating only whether the facility has reasonable cause to believe that the applicant is currently engaging in the illegal use of a controlled substance.

The authorization will be sent to the drug abuse treatment facility with the PHA postage paid return addressed envelope addressed to the attention of the Chief.

The PHA will maintain such information received from a drug abuse treatment facility in a manner that respects its confidentiality.

Such confidential information will be reviewed by the public housing manager or designee who will make a decision as to the outcome of the review.

Such confidential information will not be misused or improperly disseminated and will be destroyed not later than five business days after the date on which the PHA gives final approval for admission.

If the application is denied, the information will be destroyed immediately following the date on which the statute of limitations for commencement of a civil action from the applicant based upon the denial of admission has expired.

Confidentiality of Information on Domestic Violence, Dating Violence, and Stalking

Information provided regarding victims of domestic violence, dating violence, and stalking will be maintained in a strict confidential manner and will not be recorded on a shared database.

Confidentiality of Criminal Records

The PHA will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished.

All criminal reports, while needed by the PHA staff for screening for criminal behavior, will be housed in a secure area.

If the family is determined eligible for initial or continued assistance, the PHA's copy of the criminal report shall be shredded as soon as the information is no longer needed for eligibility or continued assistance determination or immediately upon completion of the informal review or hearing and a final decision has been made.

The PHA will document in the family's file that the family was denied admission or the tenancy was terminated due to findings in the Criminal History Report.

Disclosure of Criminal Records to Family

Before the PHA takes any adverse action based on a criminal conviction record, the applicant will be allowed to view a copy of the criminal record and given an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an informal hearing. Tenants may contest such records at the grievance hearing or court hearing in the case of evictions.

Hearings

(See Chapter titled "Complaints, Grievances and Appeals.")

If information is revealed that would cause the PHA to deny admission to the household and the person disputes the information, s/he shall be given an opportunity for an informal hearing according to the PHA's hearing procedures outlined in the Chapter on Complaints, Grievances and Appeals.

G. SCREENING FOR SUITABILITY [24 CFR 960.203, 960.204, 960.205]

In developing its admission policies, the aim of the PHA is to have residents composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of the PHA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The PHA will conduct a detailed interview of all applicants. The interview form will contain questions designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers will be subject to third party verification.

An applicant's intentional misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition or rent will result in denial of admission.

Applicants must be able to demonstrate the ability and willingness to comply with the terms of the lease, either all or with assistance that they can demonstrate that they have or will have at the time of admission. (24 CFR 8.3, Definition: Qualified Individual with Handicaps) The availability of assistance is subject to verification by the PHA.

As a part of the final eligibility determination, the PHA will screen each applicant household to assess their suitability as renters.

The PHA will complete a rental history check on all applicants.

The PHA will complete a credit check on all applicants.

The PHA shall rely upon sources of information which may include, but not be limited to, PHA records, personal interviews with the applicant or tenant, interviews with previous landlords, employers, family social workers, parole officers, criminal and court records, clinics, physicians or the police department, and home visits for persons who have had negative landlord reference(s) for poor housekeeping habits.

This will be done in order to determine whether the individual attributes, prior conduct, and behavior of a particular applicant is likely to interfere with other tenants in such a manner as to diminish their enjoyment of the premises by adversely affecting their health, safety or welfare.

The PHA may complete a home visit at the current residence of all applicants who have had landlord verifications returned to the PHA with unfavorable comments concerning their housekeeping habits. Applicants shall have at least two working days advance written notice of home visits.

Factors to be considered in the screening are housekeeping habits, rent paying habits, prior history as a tenant, criminal records, the ability of the applicant to maintain the responsibilities of tenancy, and whether the conduct of the applicant in present or prior housing has been such that admission to the program would adversely affect the health, safety or welfare of other residents, or the physical environment, or the financial stability of the project.

The PHA's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

The applicant's past performance in meeting financial obligations, especially rent.

Eviction or a record of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences which may adversely affect the health, safety, or welfare of other tenants or neighbors.

Any history of criminal activity on the part of any applicant family member involving criminal acts, including drug-related criminal activity.

Any history or evidence of acts of violence on the part of an individual, or conduct constituting a danger to peaceful occupancy by neighbors.

Any history of initiating threats or behaving in a manner indicating intent to assault employees or other tenants.

Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents.

The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the PHA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare. [24CFR 960.203(c)]

Adversely affect the physical environment or financial stability of the project. [24CFR 960.203(c)]

Violate the terms and conditions of the lease. [24CFR 960.203(c)]

An applicant who was evicted or violated a lease agreement due to being the victim of domestic violence, dating violence, or stalking will not be disqualified for prior criminal history.

Require services from PHA staff that would alter the fundamental nature of the PHA's program. [24 CFR 8.3]

Rent Paying Habits

The PHA will examine any Housing Authority records from a prior tenancy, and will request written references from the applicant's current landlord and may request written references from former landlords for up to the past 3 years.

Based upon these verifications, the PHA will determine if the applicant was chronically late with rent payments, was evicted at any time during the past 3 years for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any of these circumstances could be grounds for an ineligibility determination, depending on the amount of control the applicant had over the situation.

Applicants will not be considered to have a poor credit history if they were late paying rent because they provide evidence they were legally withholding rent due to substandard housing conditions. Applicants will not be considered to have a poor credit history if they were delinquent on the payments on medical bills. Applicants will not be considered to have a poor credit history if their delinquencies on credit accounts occurred more than two years before.

The lack of credit history will not disqualify a family, but a poor credit history may, with the exceptions noted above.

Where past rent paying ability cannot be documented, the PHA will check with the utility company(s) to determine whether the family has been current and timely on their payments.

Screening Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, which, when verified would indicate both: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into the PHA's screening assessment of the applicant, mitigating circumstances must be verifiable.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the PHA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The PHA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.

Examples of Mitigating Circumstances

Evidence of successful rehabilitation;

Evidence of the applicant family's participation in and completion of social service or other appropriate counseling service approved by the PHA;

Evidence of successful and sustained modification of previous disqualifying behavior.

Evidence of prior criminal history or other violations of the family occurring due to a family member being a victim of domestic violence, dating violence, or stalking.

Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. The PHA will consider such circumstances in light of:

The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior; and

The applicant's overall performance with respect to all the screening requirements.

Qualified and Unqualified Applicants

Information that has been verified by the PHA will be analyzed and a determination will be made with respect to:

The eligibility of the applicant as a *family*;

The eligibility of the applicant with respect to income limits for admission;

The eligibility of the applicant with respect to citizenship or eligible immigration *status*;

Any local preference to which the family is entitled.

Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals processes to which they are entitled under both INS and PHA procedures, except for a pending PHA hearing.

Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for the denial. The PHA shall provide applicants an opportunity for an informal hearing (see Chapter titled "Complaints, Grievances, and Appeals").

The PHA will make every effort to accurately estimate an approximate date of occupancy.

However, the date given by the PHA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by the PHA, such as turnover rates, and market demands as they affect bedroom sizes and project location.

Documenting Findings

An authorized representative of the PHA shall document any pertinent information received relative to the following:

Criminal Activity - includes the activities listed in the definition of criminal activity in this Chapter.

Pattern of Violent Behavior - includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy of neighbors.

Pattern of Drug Use - includes a determination by the PHA that the applicant has exhibited a pattern of illegal use of a controlled substance that might interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Drug-Related Criminal Activity - includes a determination by the PHA that the applicant has been involved in the illegal manufacture, sale, distribution, use or possession of a controlled substance.

Pattern of Alcohol Abuse - includes a determination by the PHA that the applicant's pattern of alcohol abuse might interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

Initiating Threats - or behaving in a manner indicating intent to assault employees or other tenants.

Abandonment of a Public Housing Unit - without advising PHA officials so that staff may secure the unit and protect its property from vandalism.

Non-Payment of Rightful Obligations - including rent and/or utilities and other charges owed to the PHA or any other PHA.

Intentionally Falsifying an Application for Leasing - including uttering or otherwise providing false information about family income and size, using an alias on the application for housing, or making any other material false statement or omission intended to mislead.

Record of Serious Disturbances of Neighbors, Destruction of Property or Other Disruptive or Dangerous Behavior - consists of patterns of behavior which endanger the life, safety, or welfare of other persons by physical violence, gross negligence or irresponsibility; which damage the equipment or premises in which the applicant resides, or which are seriously disturbing to neighbors or disrupt sound family and community life, indicating the applicant's inability to adapt to living in a multi-family setting. Includes judicial termination of tenancy in previous housing on the grounds of nuisance or objectionable conduct, or frequent loud parties, which have resulted in serious disturbances of neighbors.

Grossly Unsanitary or Hazardous Housekeeping - includes the creation of a fire hazard through acts such as hoarding rags, papers, or other materials; severe damages to premises and equipment, if it is established that the family is responsible for the condition; seriously affecting neighbors by causing infestation, foul odors, depositing garbage in halls; or serious neglect of the premises. This category does not include families whose housekeeping is found to be superficially unclean or due to lack of orderliness, where such conditions do not create a problem for neighbors.

Destruction of Property from previous rentals.

In the event of the receipt of unfavorable information with respect to an applicant, consideration

shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects.

The PHA may waive the policies prohibiting admission in these circumstances if the person demonstrates to the PHA's satisfaction that the person is no longer engaging in illegal use of a controlled substance or abuse of alcohol and has successfully completed a supervised drug or alcohol rehabilitation program.

The PHA may waive the policies prohibiting admission for criminal history or other violations if the person provides evidence that the criminal history or other violations were the direct result of the applicant being the victim of domestic violence, dating violence, or stalking.

Prohibited Criteria for Denial of Admission

Applicants will NOT be rejected because they:

- Have no income;

- Are not employed;

- Do not participate in a job-training program;

- Will not apply for various welfare or benefit programs;

- Have children;

- Have children born out of wedlock;

- Are on welfare;

- Are students.

H. HEARINGS

If information is revealed that would cause the PHA to deny admission to the household and the person disputes the information, s/he shall be given an opportunity for an informal hearing according to the PHA's hearing procedures outlined in the Chapter on Complaints, Grievances and Appeals.

Chapter 3

APPLYING FOR ADMISSION

INTRODUCTION

The policy of the PHA is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the PHA will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Policy.

A. HOW TO APPLY

The application for placement on the waiting list may be taken by telephone, in writing, on-line via a web-based internet applications system, or from an applicant who visits the office. All possible reasonable accommodation will be provided to families with persons with disabilities, if requested in advance per the reasonable accommodation policy. Bilingual staff is available to take waiting list applications of those with limited English proficiency or the services of the language line are utilized to assist applicants of limited English proficiency.

Persons with disabilities may call the PHA to receive an application through the mail or make other arrangements to complete their pre-application.

Applications will be mailed to interested families upon request.

The application process will involve two phases.

1. The first is the "initial" application for admission (referred to as a pre-application). This first phase is to determine the family's placement on the waiting list.

The pre-application, if submitted in writing, will be dated, time-stamped, and referred to the PHA's office where tenant selection and assignment is processed. If the pre-application is submitted over the telephone, the information will be entered on the waiting list as of the date and time the information was received.

2. The second phase is the "final determination of eligibility for admission" (referred as the full application). The full application takes place when the family reaches the top of the waiting list. At this time, the PHA ensures that verification of all HUD and PHA eligibility factors is current in order to determine the family's eligibility for an offer of a suitable unit.

B. "INITIAL" APPLICATION PROCEDURES

The PHA may utilize a preliminary-application form (pre-application) for the initial waiting list application. The pre-application is taken over the phone or in person and the data is entered into the computer. The pre-application may also be mailed to the applicant and, if requested, it will be mailed in an accessible format.

The purpose of the pre-application is to permit the PHA to preliminarily assess family eligibility or ineligibility and to determine placement on the waiting list.

The pre-application may contain questions designed to obtain the following information:

- Names of head and spouse
- Names of adult members and age of all members
- Number of family members (used to estimate bedroom size needed)
- Street address and phone numbers
- Mailing address (if PO Box or other permanent address)
- Annual income
- Sufficient additional information to determine preference qualification
- Social Security Numbers
- Race/ethnicity
- Arrests/Convictions for Drug Related or Violent Criminal Activity
- Previous address(es)
- Names and addresses of current and previous landlords
- Emergency contact person and address
- Questions regarding previous participation in HUD programs

Applicants are requested to inform the PHA in writing or over the phone of changes in family composition, income, and address, as well as any changes in their Preference status. Applicants are also required to respond to requests from the PHA to update information on their application, or to determine their continued interest in assistance.

Failure to provide information or to respond to mailings will result in the applicant being removed from the waiting list. (See Chapter on Complaints, Grievances and Appeals.)

C. NOTIFICATION OF APPLICANT STATUS

After the pre-application is received, the family will be notified in writing of their placement on the public housing waiting list (in an accessible format upon request, as a reasonable accommodation).

This written notification of placement on the waiting list will be mailed to the applicant by first class mail.

If the family is determined to be ineligible based on the information provided in the pre-application, the PHA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal hearing. Persons with disabilities may request to have an advocate attend the informal hearing as an accommodation. See Chapter on "Complaints, Grievances and Appeals."

D. COMPLETION OF A FULL APPLICATION

All preferences claimed on the application or while the family is on the waiting list will be verified:

After the family is selected from the waiting list, and prior to completing the final eligibility determination.

The qualification for preference must exist as of the date the family is selected from the waiting list regardless of the length of time an applicant has been on the waiting list because the preference is based on current status.

Applicants on the waiting list who will be selected in the near future will be sent a letter (see Chapter on Tenant Selection and Assignment Plan). The letter will notify the applicant of an application interview and request the applicant to bring all documents that verify all factors to be verified. Factors to be verified will be listed in the letter.

These documents will be used for verification only if Up Front Income Verification, then third party written verification, and then third party oral verification cannot be obtained.

The full application will be mailed to the applicant in advance to complete.

Requirement to Attend Interview

The PHA may utilize the full application interview to discuss the family's circumstances in greater detail, to clarify information that has been provided by the family, and to ensure that the information is complete. The interview may also be used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other PHA services or programs, which may be available.

If an interview is required, all adult family members must attend the interview and sign the housing application. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

It is the applicant's responsibility to reschedule the interview if s/he misses the appointment. If the applicant does not reschedule or misses one scheduled meeting(s), the PHA will reject the application.

If an applicant fails to appear for their interview without prior approval of the PHA, their application will be denied unless they can provide acceptable documentation to the PHA that an emergency prevented them from calling.

Reasonable accommodation will be made for persons with a disability who require an advocate or accessible offices. A designee will be allowed to provide some information, but only with permission of the person with a disability.

If an application is denied due to failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal hearing. (See Chapter on Complaints, Grievances and Appeals.)

All adult members, and head of household and spouse regardless of age, must sign form HUD-9886, "Release of Information," the declarations and consents related to citizenship/immigration status and any other documents required by the PHA. Applicants will be required to sign specific verification forms for information that is not covered by the HUD-9886. Failure to do so will be cause for denial of the application for failure to provide necessary certifications and releases as required by the PHA.

Information provided by the applicant will be verified, including information related to family composition, identify, age, income, allowances and deductions, assets, eligible immigration status, full time student status and other factors related to eligibility and rent calculation.

If the PHA determines at or after the interview that additional information or document(s) are needed, the PHA will request the document(s) or information in writing. The family will be given 14 working days to supply the information.

If the information is not supplied in this time period, the PHA will provide the family a notification of denial for assistance. (See Chapter on Complaints, Grievances and Appeals.)

E. PROCESSING APPLICATIONS

As families approach the top of the waiting list, the following items will be verified to determine qualification for admission to the PHA's housing:

- Preference verification
- Family composition and type (elderly/non elderly)
- Annual Income
- Assets and Asset Income
- Deductions from Annual Income
- Social Security Numbers of all family members
- Information used in applicant screening
- Citizenship or eligible immigration status
- Criminal History Report

F. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the PHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the PHA, and the tenant suitability determination (see Chapter on Eligibility for Admission).

Because HUD can make changes in rules or regulations and family circumstances may have changed during the review process that affect an applicant's eligibility, it is necessary to make final eligibility determination.

The household is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and may have been listed on the waiting list.

TENANT SELECTION AND ASSIGNMENT PLAN

(Includes Preferences and Managing the Waiting List)

[24 CFR 960.203, 960.204, 960.205, 960.206]

INTRODUCTION

It is the PHA's policy that each applicant shall be assigned an appropriate place on PHA's central waiting list. Applicants will be listed in sequence based upon date and time the application is received, the size and type of unit they require, and factors of preference or priority.

In filling an actual or expected vacancy, the PHA will offer the dwelling unit to an applicant in the appropriate sequence, with the goal of accomplishing deconcentration of poverty and income-mixing objectives. This Chapter describes the PHA's policies with regard to the number of unit offers that will be made to applicants selected from the waiting list.

PHA's Objectives

PHA policies will be followed consistently and will affirmatively further HUD's Fair Housing goals.

It is the PHA's objective to ensure that families are placed in the proper order on the waiting list so that the offer of a unit is not delayed to any family unnecessarily or made to any family prematurely. This chapter explains the policies for the management of the waiting list.

When appropriate units are available, families will be selected from the waiting list in their preference-determined sequence.

By maintaining an accurate waiting list, the PHA will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available to fill unit vacancies in a timely manner. Based on the PHA's turnover and the availability of appropriate sized units, groups of families will be selected from the waiting list to form a final eligibility "pool." Selection from the pool will be based on completion of verification.

A. MANAGEMENT OF THE WAITING LIST

The PHA will administer its waiting list as required by 24 CFR Part 5, Part 945 and Part 960, Subparts A and B. The waiting list will be maintained in accordance with the following guidelines:

The application will be a permanent file.

All applicants in the pool will be maintained in order of date and time of application receipt.

All applicants must meet applicable income eligibility requirements as established by HUD.

Opening and Closing the Waiting Lists

The PHA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part.

The decision to close the waiting list will be based on the number of applications available for a particular size and type of unit, and the ability of the PHA to house an applicant in an appropriate unit within a reasonable period of time.

When the PHA opens the waiting list, the PHA will advertise through public notice in the appropriate newspapers, minority publications and media entities that serve the location(s) and program(s) for which applications are being accepted.

The notices will be made in an accessible format if requested. They will provide potential applicants with information that includes the PHA address and telephone number, how to submit an application, information on eligibility requirements.

Upon request from a person with a disability, additional time will be given as an accommodation for submission of an application after the closing deadline. This accommodation is to allow persons with disabilities the opportunity to submit an application in cases when a social service organization provides inaccurate or untimely information about the closing date.

When Application Taking is Suspended

The waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

During the period when the waiting list is closed, the PHA will not maintain a list of individuals who wish to be notified when the waiting list is open.

The open period shall be long enough to achieve a waiting list adequate to cover projected turnover over the next **24** months. When the period for accepting applications is over, the PHA will add the new applicants to the list by:

Separating the new applicants into groups based on preferences and unit size and ranking applicants within each group by date and time of application.

The PHA will update the waiting list periodically by removing the names of those families who are no longer interested, no longer qualify for housing, or cannot be reached by mail or telephone. At the time of initial intake, the PHA will advise families of their responsibility to notify the PHA when mailing address or telephone numbers change.

Reopening the List

If the waiting list is closed and the PHA decides to open the waiting list, the PHA will publicly announce the opening.

Any reopening of the waiting list is done in accordance with the HUD requirements.

Limits on Who May Apply

When the waiting list is open,

Any family asking to be placed on the waiting list for Public Housing rental assistance will be given the opportunity to complete a pre-application. A family known to be ineligible will not be placed on the waiting list.

When the application is submitted to the PHA:

It establishes the family's date and time of application for placement order on the waiting list.

Multiple Families in Same Household

When families apply that consist of two families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.

B. WAITING LIST PREFERENCES

A preference does not guarantee admission to the program. Preferences are used to establish the order of placement on the waiting list. Every applicant must meet the PHA's Selection Criteria as defined in this policy.

The PHA's preference system will work in combination with requirements to match the characteristics for the family to the type of unit available, including units with targeted populations, and further deconcentration of poverty in public housing. When such matching is required or permitted by current law, the PHA will give preference to qualified families.

The PHA to verify their preference will contact families who reach the top of the waiting list and, if verified, the PHA will complete a full application for occupancy. Applicants must complete the application for occupancy and continue through the application processing and may

not retain their place on the waiting list if they refuse to complete their processing when contacted by the PHA.

Among applicants with equal preference status, the waiting list will be organized by date and time.

C. LOCAL PREFERENCES

The following local preferences are established. When determining equally ranked preferences, the date and time of application is the final deciding factor.

RANKING PREFERENCES

Please refer to the glossary for definitions of the following groups:

SUPER PREFERENCE

Families in good standing participating in the HACSD's Disaster Voucher Program have a super preference to the categories listed below and have first priority for selection off of the Public Housing waiting list.

After families with a super preference are selected, additional applicants are selected out of the following categories with date and time of application a tiebreaker between equal preference holders.

CATEGORY ONE

The HACSD uses equally weighted local preferences for applicants, with priorities for those ***who live or work in the HACSD jurisdiction*** and are in one or more of the following categories:

Families with dependant children

Working Families - (At least one member must have worked at least 32 + hours per week for the previous 12 months. Applicants may combine job training or academic program as part of the previous 12-month requirement. Applicants receiving unemployment, disability, or workman's compensation benefits will be considered qualifying under this preference if those benefits were the result of 12 continuous months of employment at 32 + hours per week up to the start of the above referenced benefits)

Elderly families (head of household or spouse is 62 years of age or older)

Disabled families (head of household or spouse is disabled)

Veterans or surviving spouses of veterans (other than dishonorable discharge)

Homeless

CATEGORY TWO

Applicants who live or work in the HACSD jurisdiction, but who do not fit in Category One.

CATEGORY THREE

Applicants who do not live or work within the HACSD jurisdiction, but are one or more of the following:

Families with dependent children

Working Families - (At least one member must have worked at least 32 + hours per week for the previous 12 months. Applicants may combine job training or academic program as part of the previous 12-month requirement. Applicants receiving unemployment, disability, or workman's compensation benefits will be considered qualifying under this preference if those benefits were the result of 12 continuous months of employment at 32 + hours per week up to the start of the above referenced benefits)

Elderly families (head of household or spouse is 62 years of age or older)

Disabled families (head of household or spouse is disabled)

Veterans or surviving spouses of veterans (other than dishonorable discharge)

Homeless

CATEGORY FOUR

All other applicants not indicated above.

D. ORDER OF SELECTION FOR GENERAL OCCUPANCY (FAMILY) DEVELOPMENTS

The PHA has established the following local admissions preferences for general occupancy (family) developments:

CATEGORY ONE

The HACSD uses equally weighted local preferences for applicants, with priorities those *who live or work in the HACSD jurisdiction* and are in one or more of the following categories:

Families with dependent children

Working Families - (At least one member must have worked at least 32 + hours per week for the previous 12 months. Applicants may combine job training or academic program as part of the previous 12-month requirement. Applicants receiving unemployment, disability, or workman's compensation benefits will be considered qualifying under this preference if those benefits were the result of 12 continuous months of employment at 32 + hours per week up to the start of the above referenced benefits)

Elderly families (head of household or spouse is 62 years of age or older)

Disabled families (head of household or spouse is disabled)

Veterans or surviving spouses of veterans (other than dishonorable discharge)

Homeless

CATEGORY TWO

Applicants who live or work in the HACSD jurisdiction, but who do not fit in Category One.

CATEGORY THREE

Applicants who *do not* live or work within the HACSD jurisdiction, but are one or more of the following:

Families with dependent children

Working Families - (At least one member must have worked at least 32 + hours per week for the previous 12 months. Applicants may combine job training or academic program as part of the previous 12-month requirement. Applicants receiving unemployment, disability, or workman's compensation benefits will be considered qualifying under this preference if those benefits were the result of 12 continuous months of employment at 32 + hours per week up to the start of the above referenced benefits)

Elderly families (head of household or spouse is 62 years of age or older)

Disabled families (head of household or spouse is disabled)

Veterans or surviving spouses of veterans (other than dishonorable discharge)

Homeless

CATEGORY FOUR

All other applicants not indicated above.

E. ORDER OF SELECTION FOR MIXED POPULATION DEVELOPMENTS

A mixed population project is a public housing project, or portion of a project that was reserved for elderly families and disabled families at its inception (and has retained that character).

In accordance with the 1992 Housing Act, elderly families whose head spouse or sole member is at least 62 years of age, and disabled families whose head, co-head or spouse or sole member is a person with disabilities, will receive equal preference to such units.

No limit will be established on the number of elderly or disabled families that may occupy a mixed population property. All other PHA preferences will be applied.

The PHA has established the following local admissions preferences for Mixed Population developments. Per HUD regulations, equal preference must be given to Elderly Families and Disabled Families:

First Priority: elderly families or disabled families who live in the PHA's jurisdiction

Second Priority: near elderly or disabled families who live in the PHA's jurisdiction

Third Priority: elderly families or disabled families who do not live in the PHA's jurisdiction.

F. VERIFICATION OF PREFERENCE QUALIFICATION

The family may be placed on the waiting list upon their certification that they qualify for a preference. When the family is selected from the waiting list for the final determination of eligibility, the preference will be verified.

Change in Circumstances

Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify the PHA in writing when their circumstances change. When an applicant claims an additional preference, s/he will be placed on the waiting list in the proper order of their newly claimed preference.

G. PREFERENCE DENIAL

If the PHA denies a preference, the applicant will be placed on the waiting list without benefit of the preference.

The PHA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal hearing. If the preference denial is upheld as a result of the meeting, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

Any applicant who falsifies documents or makes false statements in order to qualify for any preference will be removed from the waiting list with notification to the family.

H. FACTORS OTHER THAN PREFERENCES THAT AFFECT SELECTION OF APPLICANTS

Before applying its preference system, the PHA will first match the characteristics of the available unit to the applicants available on the waiting lists. Factors such as unit size, accessible features, deconcentration or income mixing, income targeting, or units in housing designated for the elderly/disabled limit the admission of families to those characteristics that match the characteristics and features of the vacant unit available.

By matching unit and family characteristics, it is possible that families who apply later may receive an offer of housing ahead of families with an earlier date and time of application.

I. INCOME TARGETING

The PHA will monitor its admissions to ensure that at least 40% of families admitted to public housing in each fiscal year shall have incomes that do not exceed 30% of area median income of the PHA's jurisdiction.

Hereafter families whose incomes do not exceed 30% of area median income will be referred to as "extremely low-income families."

The PHA shall have the discretion, at least annually, to exercise the "fungibility" provision of the QHWRA by admitting less than 40 percent of "extremely low income families" to public housing in a fiscal year, to the extent that admissions of extremely low income families to the PHA's voucher program during a PHA fiscal year exceeds the 75 percent minimum targeting requirement for the PHA's Section 8 Voucher Program. This fungibility provision discretion by the PHA is also reflected in the PHA's Administrative Plan.

The fungibility credits will be used to drop the annual requirement below 40 percent of admissions to public housing for extremely low-income families by the lowest of the following amounts:

The number of units equal to 10 percent of the number of newly available vouchers in the fiscal year; or

The number of public housing units that 1) are in public housing projects located in census tracts having a poverty rate of 30% or more, and 2) are made available for occupancy by and actually occupied in that year by, families other than extremely low-income families.

The Fungibility Floor: Regardless of the above two amounts, in a fiscal year, at least 30% of the PHA's admissions to public housing will be to extremely low-income families. The fungibility

floor is the number of units that cause the PHA's overall requirement for housing extremely low-income families to drop to 30% of its newly available units.

Fungibility shall only be utilized if the PHA is anticipated to fall short of its 40% goal for new admissions to public housing.

Low Income Family Admissions

Once the PHA has met the 40% targeted income requirement for new admissions of extremely low-income families, the PHA will fill the remainder of its new admission units with families whose incomes do not exceed 80% of the HUD approved area median income.

J. UNITS DESIGNATED FOR THE ELDERLY

In accordance with the 1992 Housing Act, elderly families with a head, spouse or sole member at least 62 years of age will receive a preference for admission to such units or buildings covered by a HUD-approved Allocation Plan, except for accessible units, which may be offered to persons with disabilities.

K. UNITS DESIGNATED FOR THE DISABLED

In accordance with the 1992 Housing Act, disabled families with a head, spouse or sole member who qualifies as a person with disabilities as defined in 24 CFR 945.105 will receive a preference for admission to units that are covered by a HUD-approved Allocation Plan.

The PHA has units designed for persons with mobility, sight and hearing impairments (referred to as accessibility units). These units were designed and constructed specifically to meet the needs of persons requiring the use of wheelchairs and persons requiring other modifications.

Preference for occupancy of these units will be given to families with disabled family members who require the modifications or facilities provided in the units.

L. DECONCENTRATION OF POVERTY AND INCOME-MIXING

Per 24 CFR 982.2, the PHA is not subject to deconcentration and income mixing because it has less than 100 units in each of its four developments (b) (2) (i). In addition, one of its four developments is designated for elderly and disabled (b) (2) ii)

The PHA still has the obligation to meet the income-targeting requirement.

M. PROMOTION OF INTEGRATION

Beyond the basic requirement of nondiscrimination, PHA shall affirmatively further Fair Housing to reduce racial and national origin concentrations.

The PHA shall not require any specific income or racial quotas for any development or developments.

A PHA shall not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status or national origin for purposes of segregating populations.

N. OFFER OF PLACEMENT ON THE SECTION 8 WAITING LIST

The PHA will not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the PHA must offer to place the family on both lists. If the public housing waiting list is open at the time an applicant applies for Section 8, the PHA must offer to place the family on the public housing waiting list.

O. REMOVAL FROM WAITING LIST AND PURGING

The waiting list will be purged periodically to ensure that the waiting list is current and accurate. To purge the waiting list, a mailing will be sent requesting current information and confirmation of continued interest.

If an applicant fails to respond within 14 days s/he will be removed from the waiting list. If a letter is returned by the Post Office without a forwarding address, the applicant will be removed without further notice, and the envelope and letter will be maintained in the file.

If an applicant is removed from the waiting list for failure to respond or in instances where the mail is returned by the post office, they may be entitled to reinstatement for reasonable accommodation, administrative error, if only one notice was issued, or if it appears they never received notice. Absent evidence to the contrary, the benefit of the doubt will be given to the applicant.

P. OFFER OF ACCESSIBLE UNITS

The PHA has units designed for persons with mobility, sight and hearing impairments, referred to as accessible units.

No non-mobility impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Before offering a vacant accessible unit to a non-disabled applicant, the PHA will offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the PHA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible/adaptable unit to a non-disabled applicant, the PHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

See "Leasing" chapter.

Q. PLAN FOR UNIT OFFERS

The PHA plan for selection of applicants and assignment of dwelling units to assure equal opportunity and non-discrimination on grounds of race, color, sex, religion, or national origin is:

Two locations: The applicant must be offered a suitable unit in the location with the higher number of vacancies. If the offer is rejected, a final offer will be made at the other location.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The PHA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

R. CHANGES PRIOR TO UNIT OFFER

Changes that occur during the period between removal from the waiting list and an offer of a suitable unit may affect the family's eligibility or Total Tenant Payment. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an informal hearing when applicable (See Chapter on Complaints, Grievances, and Appeals)

S. APPLICANT STATUS AFTER FINAL UNIT OFFER

When an applicant rejects the final unit offer the PHA will:

Remove the applicant's name from the waiting list.

Removal from the waiting list means:

The applicant must reapply.

T. TIME-LIMIT FOR ACCEPTANCE OF UNIT

Applicants must accept a unit offer within five working days of the date the offer is made and must move-in to the unit within 15 days of the offer.

Applicants Unable to Take Occupancy

If an applicant is willing to accept the unit offered, but is unable to take occupancy within 15 days of the offer for "*good cause*," the applicant will not be removed from the waiting list.

Examples of "*good cause*" reasons for the refusal to take occupancy of a housing unit include, but are not limited to:

An elderly or disabled family makes the decision not to accept occupancy in designated housing. [24 CFR 945.303(d)]

The family demonstrates to the PHA's satisfaction that accepting the offer will result in a situation where a family member's life, health or safety will be placed in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency. The reasons offered must be specific to the family. Refusals due to the location of the unit alone are not considered to be good cause.

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member.

The unit is inappropriate for the applicant's disabilities.

Applicants With a Change in Family Size or Status

Changes in family composition, status, or income between the time of the interview and the offer of a unit will be processed. The PHA shall not lease a unit to a family whose occupancy will overcrowd or underutilize the unit.

The family will take the appropriate place on the waiting list according to the date they first applied.

U. REFUSAL OF OFFER

If the unit offered is inappropriate for the applicant's disabilities, the family will retain their position on the waiting list.

If the unit offered is refused for other reasons, the PHA will follow the applicable policy as listed in the "Plan for Unit Offers" section and the "Applicant Status After Final Offer" section.

Chapter 5

OCCUPANCY GUIDELINES

INTRODUCTION

The Occupancy Guidelines are established by the PHA to ensure that units are occupied by families of the appropriate size. This policy maintains the maximum usefulness of the units, while preserving them from excessive wear and tear or underutilization. This Chapter explains the Occupancy Guidelines used to determine minimum and maximum unit sizes for various sized families when they are selected from the waiting list, or when a family's size changes, or when a family requests an exception to the occupancy guidelines.

A. DETERMINING UNIT SIZE

The PHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom. The PHA's Occupancy Guideline standards for determining unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy standards, an adult is a person 18 years or older.

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

One bedroom will generally be assigned for every two family members. The PHA will consider factors such as family characteristics including sex, age, or relationship, the number of bedrooms and size of sleeping areas or bedrooms and the overall size of the dwelling unit. Consideration will also be given for medical reasons and the presence of a live-in aide.

Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Space will not be provided for a family member who will be absent most of the time, such as a member who is away in the military.

The living room will not be used as a bedroom except for purposes of reasonable accommodation or at the request of the family.

GUIDELINES FOR DETERMINING BEDROOM SIZE

BEDROOM SIZE	MINIMUM NUMBER OF PERSONS	MAXIMUM NUMBER OF PERSONS
0 Bedroom	1	1
1 Bedroom	1	2
2 Bedrooms	2	4
3 Bedrooms	3	6
4 Bedrooms	4	8
5 Bedrooms	6	10
6 Bedrooms	8	12

B. EXCEPTIONS TO OCCUPANCY STANDARDS

The PHA will grant exceptions from the guidelines for a larger unit if the PHA determines the exceptions are justified by the disability of family members, there are no alternate sleeping areas available to the other family members, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply:

Applicants may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until they have occupied the unit for one year.

At the PHA's discretion the family may be offered a unit smaller than the preferred unit size, based on the PHA's occupancy standards, if in doing so the family has an opportunity to be housed earlier, or live in a preferred project.

The PHA may offer a family a unit that is larger than required by the PHA's occupancy standards, if the waiting list is short of families large enough to fill the vacancy.

In all cases, when the family requests an exception to the general occupancy standards, the PHA will evaluate the relationship and ages of all family members and the overall size of the unit.

The family may request to be placed on a larger bedroom size waiting list than indicated by the PHA's occupancy guidelines. The request must explain the need or justification for a larger bedroom size to accommodate a person with disabilities or a live-in aide, and must be verified by the PHA before the family is placed on the larger bedroom size list.

The PHA will consider these requests:

Person with Disability

The PHA will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified **and** the request meets requirements in the Service and Accommodations Policy section of Chapter 1.

Other Circumstances

Circumstances may dictate a larger size than the occupancy standards permit when:

Persons cannot share a bedroom because of the size of medical equipment needed throughout the night.

All members of the family residing in the unit must be pre-approved by the PHA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, return of minor or disabled children to the household, or court-awarded custody, in which case the family must inform the PHA within 14 days. If someone moves into the unit before receiving required PHA approval, that person will be considered an unauthorized person.

To avoid vacancies, the PHA may provide a family with a larger unit than the occupancy standards permit. The family must agree to move to a suitable, smaller unit within 30 days when another family qualifies for the larger unit and there is a suitable smaller unit available. This requirement is a provision of the lease.

C. INCENTIVES TO ATTRACT HIGHER INCOME FAMILIES TO LOWER INCOME DEVELOPMENTS

See Chapter on Tenant Selection and Assignment.

D. ACCESSIBLE UNITS

The PHA has units designed for persons with mobility, sight and hearing impairments. These units were designed and constructed specifically to meet the needs of persons requiring the use of wheelchairs and persons requiring other modifications.

Preference for occupancy of these units will be given to families with disabled family members who require the modifications or facilities provided in the units.

No non-mobility-impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Accessible units will be offered and accepted by non-mobility impaired applicants only with the understanding that such applicants must accept a transfer to a non-accessible unit at a later date if

a person with a mobility impairment requiring the unit applies for housing and is determined eligible.

E. FAMILY MOVES

When a change in the circumstances of a tenant family requires another unit size, the family's move depends upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the Transfer List.

The unit considerations in this section should be used as a guide to determine whether and when the bedroom size should be changed. If an unusual situation occurs, which is not currently covered in this policy, the case should be taken to the Housing Supervisor who will make determination after review of the situation, the individual circumstances, and the verification provided.

See chapter on Recertifications for changes in unit size for tenants.

Chapter 6

DETERMINATION OF TOTAL TENANT PAYMENT

[24 CFR 5.609, 5.611, 5.613, 5.615, 5.628, 5.630]

INTRODUCTION

The accurate calculation of Annual Income and Adjusted Income will ensure that families are not paying more or less money for rent than their obligation under the regulations.

This Chapter defines the allowable deductions from Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. However, the Quality Housing and Work Responsibility Act now give PHAs broader flexibility. The PHA's policies in this Chapter address those areas that allow the PHA discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. MINIMUM RENT

The minimum rent for this PHA is Zero dollars. The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

The Total Tenant Payment is the greater of:

30% of the adjusted monthly income

10% of the monthly income

The Minimum rent as established by the PHA

The Total Tenant Payment does not include charges for excess utility consumption or other charges.

B. INCOME AND ALLOWANCES

Income: The types of money that are to be used as income for purposes of calculating the TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented. (See Income Inclusions and Income Exclusions in the Glossary of Terms of this policy.)

Amounts the PHA has determined do not meet the definition of income

Employer reimbursement for mileage expenses is not considered income as long as the reimbursement is reasonable as compared to a large employer or the Internal Revenue Service mileage allowance. Mileage logs may be requested.

Loans to a participant/applicant from an institution are not considered income. However, “loans” from private parties **are** considered income, if it is apparent there is little likelihood the loan will be repaid within the next three years, loans from the previous year have not been repaid, and if there was no written, well-defined notarized loan agreement executed at the time of the loan.

Repayment of a loan back to the applicant/participant is not considered income if documentation can be presented that the loan was made by the applicant/participant. If no documentation is provided, the “repayments” are considered income.

Employer contributions for medical or childcare expenses are not considered income as long as the money is only accessible by the family as reimbursement for out-of-pocket medical or childcare expenses. However, childcare or medical expenses will not be allowed as a deduction from annual income if they are reimbursable through any source.

Annual Income is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits. (24 CFR 960.201)

Adjusted Income is defined as the Annual income minus any HUD-allowable deductions.

Permissive Deductions

The PHA has no permissive deductions.

Allowable Deductions

HUD has five allowable deductions from Annual Income:

1. Dependent allowance: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled.
2. "Elderly" allowance: \$400 per household for families whose head or spouse is 62 or over or disabled.
3. Allowable medical expenses for all family members are deducted for elderly and disabled families when the expenses exceed 3 percent of the family's annual income.

4. Childcare expenses for children under 13 are deducted when childcare is necessary to allow an adult family member to work, actively seek work, or attend school (including vocational training).
5. Expenses for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work, and if the expenses exceed 3 percent of the family's annual income.

C. TRAINING INCOME EXCLUSIONS [24 CFR 5.609(c)]

The PHA believes that training income exclusions are an important factor in helping public housing participants move from welfare and dependence to greater self-sufficiency.

The PHA will share information regarding new policies governing training income derived from qualifying employment-training programs with applicants, participants and local social service providers. The PHA's objective is to encourage families to move toward self-sufficiency by excluding from their annual income certain amounts earned through participation in various qualifying training programs. These training programs are aimed at offering the resident gainful employment skills. The exclusion of training income, in the calculation of annual income, is meant to be an incentive. It is the PHA's hope that welfare agencies will adopt or modify their programs so that welfare recipients living in Public Housing will receive the maximum benefits from these income exclusions.

In order to be eligible for the exclusion, the resident must actually receive training under the provisions of the program. For purposes of this exclusion, it is not enough for the resident to merely be enrolled.

1. Training Income Exclusions in Accordance with 24 CFR 5.609(c)(8)(v)

Income from training programs is excluded when the training program is in accordance with 24 CFR 5.609 (c) (8)(v) and has features that allow the training income of assisted housing residents to be excluded only while the resident is actively enrolled in the training program.

A training program qualifying under 24 CFR 5.609 (c)(8)(v) is defined as one with goals and objectives designed to lead to a higher level of proficiency, and one which enhances the individual's ability to obtain employment. The training program may have performance standards to measure proficiency. Training may include, but is not limited to:

- Classroom training in a specific occupational skill;
- On-the-job training with wages subsidized by the program, or
- Basic education.

For this purpose, Annual Income does not include the following:

Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs.

At all times the income to be excluded is the incremental income only.

"Incremental income" is defined by HUD as the increase between the total amount of welfare and earnings a family member *is eligible to receive prior* to enrollment in the training program and the total amount of welfare and earnings the family receives member *after* enrollment in the training program.

All other amounts, (such as child support and alimony), are treated in the usual manner in determining annual income. Child support, or other income that is not *earnings or benefits*, is not a factor and will not be considered in regard to training income exclusions, regardless of whether they have increased or decreased.

Who is Eligible for the Exclusion

Any member of the resident's family is eligible for the exclusion, provided the individual is enrolled in the qualifying employment-training program.

If a family has members who enroll in training programs at different times, the exclusion may be taken at different periods. The rules will be applied individually to each member based on which type of program they are enrolled in.

Verification

Upon verification, residents who are actively enrolled in a qualifying training program will have the incremental income from the training program excluded from their annual income.

Other Factors to Be Considered

If a resident has no income the day they enter a training program, but has a history of employment in the past, the PHA will review the resident's wages for the past 18 months and average the income. That averaged income will become the resident's base amount for determining incremental earnings. Exception: If the resident has no income and enrolls in a welfare program which requires participants to be enrolled in a job-training program, the base pay for that resident will be zero.

The resident is required to notify the PHA within 14 working days of enrolling in a qualifying training program.

Residents who have a decrease in income as a result of enrolling in a training program may request an interim examination. The PHA will determine the decrease in incremental income as a result of the training program and adjust the resident's rent accordingly.

Residents who do not notify the PHA within 14 working days of starting a training program, and have a decrease in income, will not have their rent adjusted retroactively.

D. DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS

The annual income for qualified families may not be increased as a result of increases in earned income beginning on the first of the month after the increase in earned income begins and continuing for a cumulative 12-month period. After the family receives 12 cumulative months of the full exclusion, annual income will include a phase-in of half the earned income excluded from annual income.

A family qualified for the earned income exclusion is a family that occupies a dwelling unit in a public housing project, is paying income-based rent; and

1. Whose annual income increases as a result of employment of a family member who was previously unemployed for one or more years prior to employment;
2. Whose annual income increases as a result of increased earnings by a family member during participation in any economic self-sufficiency or other job training program; or
3. Whose annual income increases, as a result of new employment or increased earnings of a family member during or within six months after receiving assistance, benefits or services under any State program for TANF provided that the total amount over a six-month period is at least \$500. The qualifying TANF assistance may consist of any amount of monthly income maintenance, and/or at least \$500 in such TANF benefits and services as one-time payments, wage subsidies, and transportation assistance.

The HUD definition of “previously unemployed” includes a person who has earned in the previous 12 months no more than the equivalent earnings for working ten hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the State or locality.

The HUD definition of economic self-sufficiency program is: any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Amounts to be excluded are any earned income increases of a family member during participation in an economic self-sufficiency or job training program and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment.

The amount that is subject to the disallowance is the amount of incremental increase in income of a family member. The incremental increase in income is calculated by comparing the amount of the family member's income before the beginning of qualifying employment or increase in earned income to the amount of such income after the beginning of employment or increase in earned income.

Initial Twelve-Month Exclusion:

During the cumulative 12-month period beginning on the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the PHA will exclude from annual income any increase in income of the family member as a result of employment over the prior income of that family member.

Second Twelve-Month Phase-in Exclusion:

During the second cumulative 12-month period after the expiration of the initial cumulative 12-month period referred to above, the PHA must exclude from annual income of a qualified family 50 percent of any increase in income of a family member as a result of employment over income of that family member prior to the beginning of such employment.

Maximum Four-Year Disallowance:

The earned income disallowance is limited to a lifetime 48-month period for each family member. For each family member, the disallowance only applies for a maximum of 12 months of full exclusion of incremental increase, and a maximum of 12 months of phase-in exclusion during the 48-month period starting from the date of the initial exclusion.

If the period of increased income does not last for 12 consecutive months, the disallowance period may be resumed at any time within the 48-month period and continued until the disallowance has been applied for a total of 12 months of each disallowance (the initial 12-month full exclusion and the second 12-month phase-in exclusion).

No earned income disallowance will be applied after the 48-month period following the initial date the exclusion was applied.

Applicability to Childcare and Disability Assistance Expense Deductions:

The amount deducted for childcare and disability assistance expenses necessary to permit employment shall not exceed the amount of employment income that is included in annual income. Therefore, for families entitled to the earned income disallowance, the amounts of the full and phase-in exclusions from income shall not be used in determining the cap for childcare and disability assistance expense deductions.

Tracking the Earned Income Exclusion

The earned income exclusion will be reported on the HUD 50058 form. Documentation will be included in the family's file to show the reason for the reduced increase in rent.

Such documentation will include:

Name of the family member whose earned income increased

Reason (new employment, participation in job training program, within 6 months after receiving TANF) for the increase in earned income

Amount of the increase in earned income (amount to be excluded)

Date the increase in income is first excluded from annual income

Ending date of the maximum 48-month (four year) disallowance period (48 months from the date of the initial earned income disallowance)

The PHA will maintain a tracking system to ensure correct application of the earned income disallowance.

Inapplicability to Admission

The earned income disallowance is only applied to determine the annual income of families residing in public housing, and therefore does not apply for purposes of admission (including the determination of income eligibility or any income targeting that may be applicable).

E. INDIVIDUAL SAVINGS ACCOUNTS

The PHA chooses not to establish a system of individual savings accounts for families who qualify for the disallowance of earned income.

F. TRAINING PROGRAMS FUNDED BY HUD

All training income from a HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded.

G. WAGES FROM EMPLOYMENT WITH THE PHA OR RESIDENT ORGANIZATION

Upon employment with the PHA or officially recognized Resident Organization, the full amount of employment income received by the person is counted. There is no exclusion of income for wages funded under the 1937 Housing Act Programs, which includes public housing and Section 8.

H. AVERAGING INCOME

When Annual Income cannot be anticipated for a full twelve months, the PHA will:

Average known sources of income that vary to compute an annual income or,

If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year will be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third party or check-stub verification is not available.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

I. MINIMUM INCOME

There is no minimum income requirement. Families who report zero or minimal income are required to report every 30 days.

A family that earns at or below the following amounts has minimal income:

Family Size	Minimal income
1	\$200
2	\$250
3	\$300
4	\$350
5	\$400
6	\$450
7	\$500
8	\$550

Families that report zero or minimal income will be required to provide information regarding their means of basic subsistence, such as food, utilities, transportation, etc.

The PHA may request credit checks for adult members of families that report zero or minimal income.

Where credit reports show credit accounts open and payments current, the PHA will take action to investigate the possibility of fraud or program abuse.

J. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the PHA may calculate the Total Tenant Payment by:

Excluding the income of the person permanently confined to the nursing home and not giving the family deductions for medical expenses of the confined family member or;

Including the income of the person permanently confined to the nursing home and giving the family the medical deductions allowable on behalf of the person in the nursing home.

K. REGULAR CONTRIBUTIONS AND GIFTS [24 CFR 5.609(a)(7)]

Regular, non-casual contributions and gifts received from persons outside the household are counted as income. This includes rent and utility payments made on a regular basis on behalf of the family and other regular cash or non-cash contributions. It does not include casual contributions or sporadic gifts.

A family benefit that is used almost exclusively by the family, but not titled to the family (i.e., automobile, storage unit), will be counted as income. If an employer provides an automobile that is used for both personal and business purposes, a proration of the expense payments will be counted as income based on the percentage of time the vehicle is used for personal purposes. Evidence of a business vehicle used for personal purposes may include the vehicle being stored overnight at the family's residence five times a week or more and/or the lack of a personal vehicle for that family member.

If the family's expenses exceed its known income, the HACSD will inquire of the family regarding contributions and gifts.

L. ALIMONY AND CHILD SUPPORT [24 CFR 5.609(a)(7)]

Regular alimony and child support payment, including regular payments of alimony and/or child support in arrears, are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the PHA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

The PHA will accept as verification that the family is receiving an amount less than the award if:

The PHA receives verification from the agency responsible for enforcement or collection.

Family notarized certification

It is the family's responsibility to supply a copy of the divorce decree.

M. LUMP-SUM RECEIPTS [24 CFR 5.609(b)(4 and 5), (c)(3 and 14)]

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments that have accumulated due to a dispute will be treated the same as periodic payments that are deferred due to delays in processing. Additionally, any deferred disability benefits that are received in a lump sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income (FR Notice 11/24/08).

In order to determine amount of retroactive tenant rent that the family owes as a result of the lump sum receipt:

The PHA will always calculate retroactively to date of receipt.

Retroactive Calculation Methodology

The PHA will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer.

The PHA will determine the amount of income for each certification period, including the lump sum, and recalculate the tenant rent for each certification period to determine the amount due the PHA.

At the PHA's option, the PHA may enter into a Repayment Agreement with the family.

The amount owed by the family is a collectible debt even if the family becomes unassisted.

Attorney Fees

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered the lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

N. ASSETS

Total combined family assets of \$5000 or less will not be verified due to the negligible impact on family rent.

Due to the administrative burden, if there is a service charge of \$1.00 or more to verify an asset, the PHA will use family documents, such as bank statements, to verify the asset, if

available. If family documents are not available, the PHA will pay the applicable service charge to verify the asset.

Total assets will be counted, even if jointly owned by someone not part of the family, providing a family member has unlimited access to those assets. If the family has restricted access to those assets, the HACSD will prorate the family's asset share based on percentage of ownership. If there is no percentage of ownership, the HACSD will prorate the family's asset share evenly among all owners.

Assets not controlled by or accessible to the family, such as assets held in an irrevocable trust, will not be counted or considered. If there are disbursements to the family from these assets, depending of their regularity, they may either be counted as income or lump sum additions to family assets. Personal property, such as clothing, automobiles, and furniture will not be counted as assets, unless the personal property is an investment, such as a stamp collection, in which case the family's declaration of the investment's value will be used to determine the asset amount.

O. CONTRIBUTIONS TO RETIREMENT FUNDS - ASSETS

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

P. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

The PHA must count assets disposed for \$10,000 or more under fair market value during the two years preceding certification or reexamination. The PHA will count the difference between the market value and the actual payment received in calculating total assets. The difference will be included in calculating total assets for two years.

Assets disposed of as a result of foreclosure or bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

Q. CHILDCARE EXPENSES

Unreimbursed childcare expenses for children under 13 may be deducted from annual income if they enable an adult to work, actively seek work, attend school full time, or attend full-time vocational training.

In the case of a child attending private school, only before or after-hours care can be counted as childcare expenses.

If a tenant is eligible for the earned income disallowance, the amount of deduction for childcare expenses necessary to permit employment shall not exceed the amount of employment income that is included in annual income. Therefore, the disregarded or excluded amounts cannot be used in determining the cap for the childcare expense deduction.

Childcare expenses must be reasonable. Reasonable is determined by what the average childcare rates are in the PHA's jurisdiction.

Allowability of deductions for childcare expenses is based on the following guidelines:

Childcare to work: The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

Childcare for school: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including [one hour/other amount] travel time to and from school).

Amount of Expense: The PHA will survey the local care providers in the community to determine what is reasonable. The PHA will use the collected data as a guideline. If the hourly rate materially exceeds the guideline, the PHA may calculate the allowance using the guideline.

R. MEDICAL EXPENSES [24 CFR 5.603]

Medical expenses are allowed only for elderly or disabled families, with a head of household or spouse who is elderly, disabled, or both. The IRS Publication 502 may be used as a guide to assist in determining allowable medical expenses in instances when the regulations or this Policy are unclear.

Medical expenses are expenses anticipated for the 12 months following certification or recertification, which are not covered by an outside source such as insurance, and which exceed three percent of the gross annual income of the family.

A Medicare Prescription Drug Program subsidy is not counted as income. All actual out-of-pocket expenses for prescription drugs purchased through the Medicare Prescription Drug Program are allowed as a medical expense deduction.

Families, who claim medical expenses, must submit a certification indicating if medical expenses have been, or will be, reimbursed by an outside source. It is the responsibility of the family to provide documentation of expenses in the format required by the HACSD. Expenses supported by confusing, unclear, or non-descriptive documentation will be disallowed. All medical expense claims will be verified by one or more of the methods listed below:

Written verification by a California licensed doctor, hospital, clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) the expenses to be reimbursed by an insurance or a government agency

Written confirmation by the insurance company, or employer, of health insurance premiums to be paid by the family

Written confirmation from the Social Security Administration on Medicare premiums to be paid by the family over the next twelve months. A computer printout, or copy of award letter indicating Medicare deductions, will be accepted

For attendant care:

A reliable, knowledgeable, professional's certification that the assistance of an attendant is necessary as a medical expense with a projection of the number of hours the care is needed

An attendant's written confirmation of the hours of care provided, and the amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or pay stubs or written verification from the agency providing the services.

Receipts, canceled checks, or pay stubs that clearly reflect and describe medical costs and insurance expenses likely to be incurred in the next twelve months will be accepted.

Copies of payment agreements, or most recent invoices to verify payments made on outstanding medical bills will continue over all or part of the next twelve months.

Receipts or other records of medical expenses incurred during the past twelve months that can be used to anticipate future medical expenses may be accepted. The HACSD may use this approach for "general medical expenses," such as non-prescription drugs, and regular visits to doctors or dentists, but not for one time, nonrecurring expenses from the previous year.

Prescribed medicines and drugs: Must be prescribed by a doctor. The family must provide legible pharmacy receipts that clearly indicate the expense amount in U.S. dollars, date, and the type of medicine purchased

Nonprescription medicines: To be allowed, the family must provide a current medical professional's written recommendation for the necessity of their use as a form of

treatment for a specific medical condition, the name of the medicine, and the quantity recommended. The family must also provide legible receipts that clearly indicate the amount in U.S. dollars, date, type and quantity of medicine purchased.

Herbal medicines: To be allowed, the family must provide a medical professional's written recommendation for the necessity of their use as a necessary treatment for a specific medical condition, the name of the herbal medicine, and the quantity recommended. The family must also provide legible receipts that clearly indicate the amount in U.S. dollars, date, type and quantity of herbal medicine purchased.

Vitamins: To be allowed, the vitamins must be prescribed, purchased from a pharmacy, and accompanied by a medical professional's written recommendation for the necessity of their use as a necessary treatment for a specific medical condition. The family must also provide legible pharmacy receipts that clearly indicate the amount in U.S. dollars, date and type of vitamins purchased.

Mileage for San Diego County medical appointments: The HACSD will provide allowances for mileage expenses for medical appointments within San Diego County at the current IRS or departmental standard mileage rate, as long as copies of mileage logs are provided. The mileage logs must indicate the starting address, destination address, date of the trip, beginning and ending odometer readings, and the purpose of the trip. Only standard mileage, bus, cab, or trolley expenses will be allowed. Bus, trolley, or cab fare must be documented with legible receipts that provide the date and cost of the trip along with an explanation of the destination and purpose of the trip. Transportation expenses for medical appointments outside of San Diego County are not eligible medical expenses.

Medical services: To be allowed, the family must provide legible receipts that clearly indicate the medical services, the amount in U.S. dollars, dates of the services, the names and addresses of the medical providers, and if the providers are physicians, surgeons, specialists, or other medical practitioners.

Medical supplements in solid or liquid form: To be allowed, the supplements must be prescribed, purchased from a pharmacy, and accompany a medical professional's written recommendation for the necessity of their use as a treatment for a specific medical condition. The family must also provide legible pharmacy receipts that clearly indicate the amount in U.S. dollars, the date and type of supplements purchased.

Medical Insurance premiums: Must provide receipts or official documentation of current monthly premiums.

Ineligible Medical Expenses

Non-prescription medicines are limited to only those items found in the medicine aisle of a pharmacy and are only those items recommended for the treatment of a specific medical condition. Non-prescription medicines that are not for the treatment of a specific medical

condition, but recommended to maintain general health, or as a preventative treatment, are not eligible expenses. Personal use items are not an eligible expense.

Medical treatments in non-traditional medical settings are not eligible medical expenses unless they are administered or supervised by a medical professional.

Chiropractic services will be considered allowable medical expenses.

Physical Therapy/Exercises to Treat a Specific Disease or Medical Condition

Physical and mental health therapy expenses for treatment at non-traditional¹ settings are allowed as deduction off of annual income for elderly and/or disabled families, providing the treatment is necessary to treat a specific disease or medical condition, is prescribed by a licensed medical professional, and providing the treatment is administered and/or directly supervised by a licensed medical professional.

The expense for the use of recreational facilities (e.g., health club, gym, spa, massage center, tennis court, etc.) not directly administered and/or supervised by a licensed medical professional to ensure the facilities are being used in the prescribed manner, is **not** an allowed medical expense.

A licensed medical professional must provide a written statement indicating the type of therapy that is needed by the patient, whether the therapy is necessary to treat a specific disease or medical condition, the number of hours per week or month the therapy is to be provided, the setting or settings where the therapy may be provided, and whether the therapy is needed on an ongoing basis or the specific period of time the therapy is needed.

A medical professional administering and/or supervising a therapy or treatment for a specific disease or medical condition must provide verification indicating the number of hours per week or month the medically prescribed therapy/treatment is being accessed.

In the case of allowed medical expenses for the use of recreational facilities, if the cost of the use of the facilities includes non-treatment services/activities, the medical expenses portion of the payment will be prorated based on the number of hours necessary to treat the specific disease/medical condition versus the overall number of hours the facility is available to the patient. For example, in the case of membership at a 24-hour/365 day fitness center at which the patient is prescribed one-hour daily/365 days a year of medically supervised exercises/physical therapy that are necessary to treat a specific medical condition or disease, the total allowable expenses would be 1/24th of the overall cost.

S. PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES [24 CFR 5.520]

¹ As opposed to traditional physical or mental health therapy administered by licensed medical personnel at their medical offices, medical facilities, or hospitals.

Applicability

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. (See Chapter titled "Reexaminations.") Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated TTP Calculation for Mixed Families

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Maximum Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family's TTP will be calculated by:

Dividing the Family Maximum Subsidy by the number of persons in the family to determine Member Maximum Subsidy.

Multiplying the Member Maximum Subsidy by the number of eligible family members to determine Eligible Subsidy.

Subtracting the amount of Eligible Subsidy from the applicable Maximum Rent for the unit the family occupies to get the family's Revised Total Tenant Payment.

Prorated Flat Rent for Mixed Families

Effective October 1, 2004, the maximum rents are the same as the flat rents.

T. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The PHA will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

fraud; or

failure to participate in an economic self-sufficiency program; or

non-compliance with a work activities requirement

However, the PHA will reduce the rent if the welfare assistance reduction is a result of:

The expiration of a lifetime time limit on receiving benefits; or

A situation where a family member has complied with welfare agency economic self-sufficiency or work activities requirements but cannot or has not obtained employment; or

A situation where a family member has not complied with other welfare agency requirements.

Imputed welfare income is the amount of annual income not actually received by a family as a result of a specified welfare benefit reduction that is included in the family's income for rental contribution.

Imputed welfare income is not included in annual income if the family was not an assisted resident at the time of sanction.

The amount of imputed welfare income is offset by the amount of additional income a family receives that begins after the sanction was imposed.

When additional income is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

Verification Before Denying a Request to Reduce Rent

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance *before* denying the family's request for rent reduction.

The welfare agency, at the request of the PHA, will inform the PHA of:

amount and term of specified welfare benefit reduction for the family;

reason for the reduction; and

subsequent changes in term or amount of reduction.

Cooperation Agreements

The PHA has taken a proactive approach to culminating an effective working relationship between the PHA and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

The PHA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

U. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Tenant Rent, a utility allowance will be deducted from the total tenant payment. The Utility Allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption of utilities in an energy conservative household, *not* on a family's actual consumption.

When the Utility Allowance exceeds the family's Total Tenant Payment, the PHA will provide a Utility Reimbursement Payment for the family each month. The check will be made out directly to the resident.

Resident-Paid Utilities

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such developments:

When the supplier of utilities offers a "budget" or level payment plan, it shall be suggested to the resident to pay his/her bills according to this plan. This protects the resident from large seasonal fluctuations in the cost of utilities and ensures adequate heat in the winter. If the family is receiving TANF, the PHA will encourage the family to consider a vendor payment plan for rent and utilities.

If a resident or applicant is unable to get utilities connected because of a previous balance owed to the utility company, the resident/applicant will not be permitted to move into a unit with resident paid utilities. This may mean that a current resident cannot transfer to a scattered site or that an applicant cannot be admitted to a unit with resident-paid utilities.

Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for eviction.

V. EXCESS UTILITY PAYMENTS

Residents in units where the PHA pays the utilities may be charged for excess utilities if additional appliances or equipment are used in the unit. This charge shall be applied as specified in the lease. [24CFR 966.4(b)(2)]

W. FAMILY CHOICE IN RENTS

Authority for Family to Select

The PHA shall provide for each family residing in a public housing unit to elect upon initial lease and annually whether the rent paid by such family shall be 1) determined based on family income or 2) the flat rent. The PHA may not at any time fail to provide both such rent options for any public housing unit owned, assisted or operated by the PHA.

Annual choice: The PHA shall provide for families residing in public housing units to elect annually whether to pay income-based or flat rent.

Allowable Rent Structures

Flat Rents

The PHA has established, for each dwelling unit in public housing, a flat rent amount for the dwelling unit, which:

Is based on the rental value of the unit, as determined by the PHA; and

Is designed so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

The PHA has set a flat rent for each public housing unit, based on the reasonable market value of the unit. The PHA's methodology is described in the PHA Agency Plan.

The PHA's flat rents are effective April 1, 2011 are as follows:

The PHA has used the San Diego County MarketPoint Advisors' most recent rental survey to establish flat rents indicated in the following table.

Development	Flat Rent
<u>Towncentre Manor</u>	
1 BR	\$992
<u>Melrose Manor</u>	
2 BR	\$1,288
3 BR	\$1,626
<u>L Street Manor</u>	
3 BR	\$1,626
<u>Dorothy St. Manor</u>	
3 BR	\$1,626

The PHA shall review the income of all families paying flat rent not less than once every three years. The family composition shall be reviewed annually for all families, including those paying flat rent.

Income-Based Rents

The monthly Total Tenant Payment amount for a family shall be an amount, as verified by the PHA that does not exceed the greatest of the following amounts:

30 percent of the family's monthly adjusted income;

10 percent of the family's monthly income; or

The PHA's Minimum TTP of \$0.

Switching Rent Determination Methods Because of Hardship Circumstances

In the case of a family that has elected to pay the PHA's flat rent, the PHA shall immediately provide for the family to pay rent in the amount determined under income-based rent, during the period for which such choice was made, upon a determination that the family is unable to pay the flat rent because of financial hardship, including:

Situations in which the income of the family has decreased because of changed circumstances, loss of or reduction of employment, death in the family, and reduction in or loss of income or other assistance;

An increase, because of changed circumstances, in the family's expenses for medical costs, childcare, transportation, education, or similar items; and

Such other situations as may be determined by the PHA.

All hardship situations will be verified.

Once a family switches to income-based rent due to hardship, the family must wait until the next annual reexamination to elect whether to pay income-based rent or flat rent.

Annual Reexamination

Ninety to One hundred twenty days in advance of the annual reexamination, the family will be sent a form from the PHA, on which the family will indicate whether they choose flat rent or income-based rent. The PHA form will state what the flat rent would be, and an estimate, based on current information, what the family's income-based rent would be.

If the family indicates they choose flat rent, the family will fill out and return a PHA form to certify family composition. This form will be retained in the tenant file.

If the family indicates they choose income-based rent, a reexamination appointment will be scheduled according to PHA policy.

Chapter 7

VERIFICATION PROCEDURES

[24 CFR 960.259, 24 CFR 5.230]

INTRODUCTION

HUD regulations require that the PHA verify the factors of eligibility and Total Tenant Payment. Applicants and program tenants must furnish proof of their statements whenever required by the PHA, and the information they provide must be true and complete. The PHA's verification procedures are designed to meet HUD's requirements and to maintain program integrity. This Chapter explains the PHA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and when there are changes in family members. The PHA will ensure that proper authorization for release of information is always obtained from the family before making verification inquiries.

A. METHODS OF VERIFICATION AND TIME ALLOWED

The PHA will verify information with the highest level of verification techniques acceptable to HUD in the following order:

1. Up Front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
2. Up Front Income Verification using non- HUD system
3. Written Third-party Verification. (An original or authentic document generated by a third party source)
4. Written Third-party Verification Form (A standardized form to collect information from a third party source)
5. Oral Third Party Verification (in person or via telephone directly from the third party)
6. Self-declaration

If UIV or third party verification is not possible to obtain directly from the source, PHA staff will document in the file as to why third party verification was impossible to obtain and attempt to obtain an oral third party, and document this attempt, before another method is used (such as reviewing documents families provide.) (See Chapter on Applying for Admission.)

The PHA will not delay the processing of an application beyond 10 days because a third party information provider does not return the verification in a timely manner.

For applicants, verifications may not be more than 120 days old at the time of a unit offer. For tenants, they are valid for 120 from date of receipt.

Up-front Income Verification

Up-front income verification (UIV) is information provided directly from a central information collection point, which includes the Enterprise Income Verification (EIV) System wage, pension, Social Security and Supplementary Security (SSI) income, the Work Number for wage income information, the local public assistance provider on-line informational link for Cal Works or TANF income, etc. If this income information is received from this source and is reliable, no other verification is required.

A UIV taken from the EIV system will not be disclosed to any party, but the party whom the information pertains to, even if another party provides a release of information. The UIV information taken from the EIV system may not be used to take an adverse action against the family, but must be confirmed with a third-party verification before any action is taken.

If the UIV income information is less than the family's income figure, the PHA will use the family information.

If the UIV income information is more than the family's income figure, the PHA will use the UIV, unless the family provides documentation of a change in circumstances that explain the discrepancy (e.g., a reduction in work hours). Upon receipt of acceptable family-provided documentation of a change in circumstances, the PHA will use the family-provided information.

If the UIV information for particular income sources differs from the information provided by the family by \$200 or more per month, the PHA will follow these guidelines:

Request a written third party verification from the discrepant income source in accordance with (24 CFR 45.236(b) (3)(i).

When the PHA cannot readily anticipate income (e.g., in cases of seasonal employment, unstable working hours, suspected fraud) the PHA will review historical income data for patterns of employment, paid benefits, and receipt of other income.

The PHA will analyze all UIV, third-party, and family-provided data and attempt to resolve the income discrepancy.

The PHA will use the most current income data and, if appropriate, historical income data to calculate the anticipated annual income.

Written Third-Party Verification

Third-party verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information to authorize the source to release the specified information.

Verifications received electronically directly from the source are considered third-party written verifications.

Oral Third-Party Verification

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will be required to complete an oral contact certification form, noting with whom they spoke, the date of the conversation, and the facts provided. If oral third-party verification is not available, the PHA will compare the information to any documents provided by the Family. If provided by telephone, the PHA must originate the call.

Review of Documents

In the event that third-party written or oral verification is unavailable, and/or the written third-party information has not been provided by the third party within ten days, the PHA will utilize documents provided by the family as the primary source, if the documents provide complete information.

All such documents, excluding government checks, will be photocopied and retained in the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will complete a certification form.

The PHA will accept the following documents from the family provided that the document is such that tampering would be easily noted:

- Printed wage stubs

- Computer printouts from the employer

- Signed letters (provided that the information is notarized or confirmed by phone)

- Other documents noted in this Chapter as acceptable verification

The PHA may accept faxed documents.

The PHA may accept legible photocopies.

If third-party verification is received after documents have been accepted as provisional verification, and there is a discrepancy, the PHA will utilize the third party verification.

Self-certification/Self-declaration

When verification cannot be made by third-party verification or review of documents, families will be required to submit self-certification.

Self-certification means a notarized statement under penalty of perjury.

B. RELEASE OF INFORMATION

All adults, and head of house and spouse regardless of age, are required to sign HUD form 9886, Authorization for Release of Information/Privacy Act Notice.

In addition, the family will be required to sign specific authorization forms when information is needed that is not covered by the HUD form 9886.

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of tenancy because it is a family obligation under tenancy to supply any information requested by the PHA or HUD. Family members may not alter or amend required release forms or declarations. To do so would be handled as a failure to provide.

C. COMPUTER MATCHING

HUD has temporarily suspended income matching for years 1998 and forward.

When the PHA receives notification from HUD that a family has been sent an “income discrepancy” letter, the PHA will:

Wait 40 days after the date of notification before contacting tenant.

The PHA will fully document the contact in the tenant’s file, including a copy of the letter to the family.

When the family provides the required information, the PHA will verify the accuracy of the income information received from the family, review the PHA’s interim recertification policy, will identify unreported income, will charge retroactive rent as appropriate, and change the amount of rent or terminate assistance, as appropriate, based on the information.

If the amount of rent owed to the PHA exceeds \$1000, the PHA will seek to terminate assistance.

If tenant fails to respond to PHA:

The PHA will ask HUD to send a second letter.

After an additional 40 days, the PHA will ask HUD to send a third letter.

After an additional 40 days, the PHA will send a letter to the head of household, warning of the consequences if the family fails to contact the PHA within two weeks.

If tenant claims a letter from HUD was not received:

The PHA will ask HUD to send a second letter with a verified address for the tenant.

After 40 days, the PHA will contact the tenant family.

If the tenant family still claims they have not received a letter, the PHA will ask HUD to send a third letter.

After an additional 40 days, the PHA will set up a meeting with the family to complete IRS forms 4506 and 8821.

If the tenant family fails to meet with the PHA or will not sign the IRS forms, the PHA will send a warning letter to the head of household, notifying the family that termination proceedings will begin within one week if the tenant fails to meet with the PHA and/or sign forms.

If tenant does receive a discrepancy letter from HUD:

The PHA will set up a meeting with the family.

If the family fails to attend the meeting, the PHA will reschedule the meeting.

If the family fails to attend the second meeting, the PHA will send a termination warning.

The family must bring the original HUD discrepancy letter to the PHA.

If tenant disagrees with the Federal tax data contained in the HUD discrepancy letter:

The PHA will ask the tenant to provide documented proof that the tax data is incorrect.

If the tenant does not provide documented proof, the PHA will obtain proof to verify the Federal tax data using third party verification.

D. ITEMS TO BE VERIFIED

E. VERIFICATION OF INCOME

This section defines the methods the PHA will use to verify various types of income.

Employment Income

Verification forms request the employer to specify the:

Dates of employment

Amount and frequency of pay

Date of the last pay increase

Likelihood of change of employment status and effective date of any known salary increase during the next 12 months

Year to date earnings

Estimated income from overtime, tips, and bonus pay expected during next 12 months

Acceptable methods of verification include:

1. Employment verification form completed by the employer.
2. Check stubs or earning statements that indicate the employee's gross pay, frequency of pay or year to date earnings.

3. W-2 forms plus income tax return forms.
4. Income tax returns signed by the family may be used for verifying self-employment income, or income from tips and other gratuities.

Applicants and program tenants may be requested to sign an authorization for release of information from the Internal Revenue Service for further verification of income.

In cases where there are questions about the validity of information provided by the family, the PHA will require the most recent federal income tax statements.

Where doubt regarding income exists, a referral to IRS for confirmation will be made on a case-by-case basis.

Social Security, Pensions, Supplemental Security Income (SSI), Disability Income

Acceptable methods of verification include:

1. Benefit verification form completed by agency providing the benefits

Net Income from a Business

In order to verify the net income from a business, the PHA will view IRS and financial documents from prior years and use this information to anticipate the income for the next 12 months. The family must compile the information in a manner acceptable to the PHA, including recording the information in ledger records.

Acceptable methods of verification include:

1. IRS Form 1040, including:
 - Schedule C (Small Business)
 - Schedule E (Rental Property Income)
 - Schedule F (Farm Income)

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

2. Audited or unaudited financial statement(s) of the business.
3. Credit report or loan application.
4. Documents such as manifests, appointment books, cashbooks, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.
5. Family's self-certification/notarized statement as to net income realized from the business during previous years.

The PHA may request the documentation identified in #4 above, regardless of the verification used.

Childcare Business

If an applicant/tenant is operating a licensed day care business, income will be verified as with any other business.

If the applicant/tenant is operating a "cash and carry" operation (licensed or not), the PHA will require the applicant/tenant to complete a form for each customer giving: name of person(s) whose child(ren) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If the family has filed a tax return, the family will be required to provide it.

The person who provides the gifts

The value of the gifts

The regularity (dates) of the gifts

The purpose of the gifts

received by the household.

The PHA may check records of other departments in the jurisdiction (such as government utilities) that have information about income sources of customers.

Full-Time Student Status

Only the first \$480 of the earned income of full time students 18 years of age or older, other than head or spouse, will be counted towards family income.

Financial aid, scholarships and grants received by full time students are not counted towards family income.

Verification of full time student status includes:

Written verification from the registrar's office or other school official.

School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution.

Verification of Income Exclusions

The PHA will attempt third party verification of income exclusions wherever possible.

When third party verification of income exclusions is not possible or practical, a review of documents or notarized self-certification will be obtained.

Exclusions from income that must be verified and reported on the 50058 include the following:

F. INCOME FROM ASSETS

If total family assets total \$5000 or less, no verification will be required due to the negligible impact on family rent.

Acceptable methods of verification include:

Savings Account Interest Income and Dividends

Will be verified by:

1. Account statements, passbooks, certificates of deposit, or PHA verification forms completed by the financial institution.
2. Broker's statements showing value of stocks or bonds and the earnings credited the family. Earnings can be obtained from current newspaper quotations or oral broker's verification.
3. IRS Form 1099 from the financial institution provided that the PHA must adjust the information to project earnings expected for the next 12 months.

Interest Income from Mortgages or Similar Arrangements

1. A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for next 12 months. (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)

Net Rental Income from Property Owned by Family

1. IRS Form 1040 with Schedule E (Rental Income).

4. Lessee's written statement verifying rent payments to the family and family's notarized statement as to net income realized.

G. VERIFICATION OF ASSETS

Family Assets

The HACSD will require the information necessary to determine the current cash value of the family's assets. "Cash value" is the net amount the family would receive if the assets were converted to cash. Assets totaling \$5,000.00 or less will not be verified by third-party verification because of the negligible impact on the HAP amount and family rent, although that asset, as reflected on family-provided documentation, will be reflected in the family's rent calculations.

Due to the added administrative cost, the HACSD will not attempt a third-party verification of any asset in which the source collects a service charge of \$1.00 or more and the family has available original documents, such as bank statements. If the family cannot provide original documents, the HACSD will pay the service charge for the third-party verifications.

Verification forms, letters, or documents from a financial institution or broker.

Passbooks, checking account statements, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.

Quotes from a stockbroker or realty agent as to net amount family would receive if they liquidated securities or real estate.

Real estate tax statements if the approximate current market value can be deduced from assessment.

Financial statements for business assets.

Copies of closing documents showing the selling price and the distribution of the sales proceeds.

Appraisals of personal property held as an investment.

Family's Notarized Statement describing assets or cash held at the family's home or in safe deposit boxes.

Assets Disposed of for Less than Fair Market Value (FMV) during two years preceding effective date of certification or recertification.

For all Certifications and Recertifications, the PHA will obtain the Family's certification as to whether any member has disposed of assets for more than \$10,000 less than fair market value during the two years preceding the effective date of the certification or recertification.

If the family certifies that they have disposed of assets for more than \$10,000 less than fair market value, a certification is required that shows: (a) all assets disposed of for less than FMV, (b) the date they were disposed of, (c) the amount the family received, and (d) the market value of the assets at the time of disposition. Third-party verification will be obtained wherever possible.

H. VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME

Childcare Expenses

Written verification from the person who receives the payments is required. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.

Verifications must specify the child care provider's name, address, telephone number, Tax Identification Number, the names of the children cared for, the number and schedule of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

Medical and Disability Assistance Expenses

Families who claim medical expenses or expenses to assist a person(s) with disabilities will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.

Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted. For attendant care:

Reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. PHA may use this approach for "general medical expenses", such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year. The PHA will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

Assistance to Persons with Disabilities

In all cases:

Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.

Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

Attendant Care:

Attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payments.

Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

I. VERIFYING NON-FINANCIAL FACTORS

Verification of Being the Victim of Domestic Violence, Dating Violence, or Stalking

There must be documentation that indicates the time frame that the violent acts occurred, names the perpetrator of the abuse and whether they were directly attributable to the violations. The documentation must be one of the two following source:

Police or court records

Statement from a professional with expertise in the three categories of violent acts who states under penalty of perjury of knowledge of the violent acts based on working with the victim.

A certified statement from the victim is not in itself sufficient documentation.

Verification of Legal Identity

In order to prevent program abuse, the PHA will require applicants to furnish verification of legal identity for all family members. All adult family members must provide a state picture identification or driver's license.

The documents listed below will be considered acceptable verification of legal identity for adults. If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

Certificate of birth, naturalization papers

Church issued baptismal certificate

Current, valid driver's license

U.S. military discharge (DD 214)

U.S. passport

Voter's registration

Company/agency identification card

Department of Motor Vehicles identification card

Documents considered acceptable for the verification of legal identity for minors may be one or more of the following:

- Certificate of birth
- Adoption papers
- Custody agreement
- Health and Human Services identification card
- School records

If none of these documents can be provided, a third party who knows the person may, at the PHA's discretion, provide verification.

Verification of Marital Status

Verification of divorce status will be a certified copy of the divorce decree, signed by a Court Officer.

Verification of a separation may be a copy of court-ordered maintenance or other records.

Verification of marriage status is a marriage certificate.

Familial Relationships

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will be required if certification is insufficient:

Verification of relationship:

- Official identification showing name
- Birth certificates
- Baptismal certificates

Verification of guardianship is:

- Court-ordered assignment
- Affidavit of parent
- Verification from social services agency
- School records

Evidence of an established family relationship:

Joint bank accounts or other shared financial transactions
Leases or other evidence of prior cohabitation
Credit reports showing relationship

Split Households: Domestic Violence

Verification of domestic violence when assessing applicant split households includes:

Shelter for battered persons
Police reports
District Attorney's office

Verification of Permanent Absence of Adult Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the PHA will consider any of the following as verification:

Husband or wife institutes divorce action.
Husband or wife institutes legal separation.
Order of protection/restraining order obtained by one family member against another.
Proof of another home address, such as utility bills, canceled checks for rent, drivers license, or lease or rental agreement, if available.
Statements from other agencies such as social services that the adult family member is no longer living at that location.
If no other proof can be provided, the PHA will accept a Notarized Statement from the family.
If the adult family member is incarcerated, a document from the Court or prison should be obtained stating how long they will be incarcerated.

Verification of Change in Family Composition

The PHA may verify changes in family composition (either reported or unreported) through letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources.

Verification of Disability

Verification of disability must be receipt of SSI or SSA disability payments under 42 U.S.C. Section 423(d)(1)(A) of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(8)) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehabilitation specialist, or licensed social worker, using the HUD language as the verification format.

Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants.

Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare their status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending, except that assistance to applicants may be delayed while the PHA hearing is pending.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury.

Eligible Immigrants who are 62 or over are required to sign a declaration of eligible immigration status and provide proof of age.

Noncitizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The PHA verifies the status through the INS SAVE system. If this primary verification fails to verify status, the PHA must request within ten days that the INS conduct a manual search.

Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of non-contending family members signed by the head of household or spouse.

Noncitizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of non-contending members.

Failure to Provide. If an applicant or tenant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

Time of Verification. For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility

determination. For tenant families, it is done at the first regular recertification after June 19, 1995. PHAs that previously elected to "opt out" must immediately commence verification of families for whom eligibility status has not been undertaken. For family members added after other members have been verified, the verification occurs at the first recertification after the new member moves in. Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial PHA does not supply the documents, the PHA must conduct the determination.

Extensions of Time to Provide Documents. The PHA will grant an extension of 30 days for families to submit evidence of eligible immigrant status.

Acceptable Documents of Eligible Immigration. The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

Resident Alien Card (I-551)

Alien Registration Receipt Card (I-151)

Arrival-Departure Record (I-94)

Temporary Resident Card (I-688)

Employment Authorization Card (I-688B)

Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept five years.

Verification of Social Security Numbers

Social security numbers must be provided as a condition of eligibility for all family members six and over, if they have been issued a number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration.

If a family member cannot produce a Social Security Card, only the documents listed below showing his/her Social Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted in lieu of the Social Security Card is/are complete and accurate:

A valid driver's license

Identification card issued by a Federal, State or local agency

Identification card issued by a medical insurance company or provider (including Medicare and Medicaid)

An identification card issued by a medical insurance company

Earnings statements or payroll stubs

Bank Statements

IRS Form 1099

Benefit award letters from government agencies

Retirement benefit letter

Life insurance policies

Court records (real estate, tax notices, marriage, divorce, judgment or bankruptcy records)

Verification of benefits or SSN from Social Security Administration

New family members, ages six and older, will be required to produce their Social Security Card or provide the substitute documentation described above, together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the PHA.

If an applicant or tenant is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or tenant must sign a certification to that effect provided by the PHA. The applicant/tenant or family member will have an additional 60 days to provide proof of the Social Security Number. If they fail to provide this documentation, the family's tenancy will be terminated.

In the case of an individual at least 62 years of age, the PHA may grant an extension for an additional 60 days up to a total of 120 days. If, at the end of this time, the elderly individual has not provided documentation, the family's tenancy will be terminated.

If the family member states they have not been issued a number, the family member will be required to sign a certification to this effect.

Medical Need for Larger Unit

A written certification that a larger unit is necessary must be obtained from a reliable, knowledgeable professional.

J. VERIFICATION OF SUITABILITY FOR ADMISSION

Sources to be used to determine suitability include but are not limited to:

Criminal History Reports

Prior landlord references

Physicians, social workers, and other health professionals

Housing Authority of the County of San Diego and Other PHAs (to whom the family may owe debt)

(See chapter on Eligibility.)

Ability to meet financial obligations under the lease

All applicants will be subject to the following procedures to ensure their ability to meet financial obligations under the lease:

All applicants will be interviewed and asked questions about the basic elements of tenancy.

The PHA will access a Credit Report on all applicants prior to selection.

The PHA will determine if applicants owe any monies from previous tenancy or participation in any HUD housing program.

The PHA will independently verify the rent-paying history of all applicants for the previous five years directly with the landlord(s).

Drug-related or violent criminal activity

The PHA will complete a criminal background check of all applicants including other adult members in the household, or any adult member for which criminal records are available.

Housekeeping

The PHA will obtain references from prior landlords for the previous five years to determine acceptable housekeeping standards.

The PHA may conduct a home visit prior to admission.

K. VERIFICATION OF WAITING LIST PREFERENCES [24 CFR 960.206]

Local Preferences

Super Preference for Participants of the Disaster Voucher Program (DVP)

For the family to be given a DVP super preference, it must be verified that the family's 18 month DVP assistance provided through the HACSD is ending within the next 90 days. The verification would be copies of the DVP contracts and a statement from the HACSD caseworker indicating that the family is in good standing under the DVP Program.

1. **Residency Preference:** For families, who live, work or have been hired to work in the jurisdiction of the PHA.

In order to verify that an applicant is a resident, the PHA, with the exception of homeless applicants, will require a minimum of three of the following documents: rent receipts, leases, utility bills, employer or agency records, school records, drivers licenses, voters registration records, credit reports, statement from household with whom the family is residing.

For families who have been hired to work in jurisdiction of the PHA, a statement from the employer will be required.

For homeless applicants, self-declaration and documentation demonstrating they were living in San Diego County are sufficient.

2. **Veterans Preference:** This preference is available to current members of the U.S. Military Armed Forces, veterans, or surviving spouses of veterans.

The PHA will require U.S. government documents, which indicate that the applicant qualifies under the above definition.

3. **Working Preference:** This preference is available for families with at least one member who is employed. The PHA will require a statement from the employer. The PHA will also give the benefit of this preference to families where the head of house or spouse is age 62 or older; and to families where the head of house or spouse meets the disability definition in CFR 5.403.

4. **Educational/Training Tenants:** This preference is available for families who are graduates of or tenants in educational or training programs designed to prepare the individual for the job market. The PHA will require a statement from the agency or institution providing the education or training.

5. **Families with Dependent Children.** This preference is available to families who have dependent children who currently live or will be living with the family in the public housing unit. The PHA will require copies of birth certificates and Social Security Cards of the children, as well as absent parent and child support documentation, if applicable.

6. **Homeless.** This preference is available to those who are either without housing, or are residing in non-residential dwellings. The PHA will require documentation to verify that the family or individual is living in San Diego County, such as a driver's license, pay stub, etc. In addition, if the family or individual cannot provide documentation they were living in the jurisdiction of the PHA, a notarized declaration will be acceptable. Motel, food, or other receipts may be accepted as documentation of the residency preference.

TRANSFER POLICY

INTRODUCTION

The transferring of families is a very costly procedure, both to the PHA and to the families. However, it is the policy of the PHA to permit a resident to transfer within or between housing developments when it is necessary to comply with occupancy standards; or when it will help accomplish the Affirmative Housing goals of the PHA. The transfer policy will be carried out in a manner that does not violate Fair Housing.

For purposes of this transfer policy the "losing development" refers to the unit from which the family is moving and the "gaining development" refers to the unit to which the family is transferring.

A. GENERAL STATEMENT

It is the policy of the PHA to require or permit resident transfers, within and/or between PHA public housing developments for the following reasons:

To abate dangerous and/or substandard living conditions.

To abate emergency life-threatening living conditions caused by third-party criminal activity;

To accommodate verified disability; and

To accommodate resident families that are determined to be over- or under-housed, by virtue of their family size.

If there is an absence of eligible applicants on the waiting list, a family may be approved to transfer for the following reasons:

Live closer to a place of employment; or

Live closer to a relative who will care for children of a working parent; or

Live closer to a required medical treatment center; or

Live in areas providing more opportunity for economic self-sufficiency; or

Move into a lower income public housing development (for a higher-income family).

The PHA will always consider a request to transfer as a reasonable accommodation for a person with a disability, such as a request to move from an upstairs to a downstairs unit for medical or accessibility reasons.

B. ELIGIBILITY FOR TRANSFER

In order to be determined eligible to receive a transfer, residents must submit the requisite documentation to the PHA, to substantiate their request, must pass a criminal history screening, and must be in good standing with the PHA.

Families transferring to another development must have paid the security deposit in full at the losing development. Any move-out charges will be posted to the new unit to be charged to the family.

Except in emergency situations, transfers will be denied when the family is:

Delinquent in their rent;

In the process of reexamination to determine rent and eligibility; or

About to be asked to move for reasons other than non-payment of rent.

Not in good standing with the PHA due to rental history or a history of disturbances.

The PHA will not grant a transfer request solely to accommodate neighbors who "cannot get along."

C. PRIORITY OF TRANSFERS

The Transfer Waiting list will be maintained in rank order according to the following priorities, subject to available vacancies:

Emergency

Executed within 48 hours of documentation, verification and approval.

Transfer will be within the housing development unless emergency transfer cannot be accomplished in this manner.

Medical hardship and accessibility

Executed within 60 days of documentation, verification and approval.

Transfer will be within the housing development unless appropriate unit is not available to meet the family's needs within the development.

Medical hardship and accessibility transfers are initiated by the PHA and/or written family request.

Underhoused (Overcrowded)

Executed when family's name reaches the top of transfer list and authorized unit is available. The family is not considered overcrowded until all sleeping areas, including the living room, are being utilized.

Transfer will be within the housing development unless size and type of unit required does not exist within that development's inventory

Transfers are initiated by the PHA and/or written family request.

Overhoused

Executed within 30 days of notification that an authorized unit will be available.

Transfer will be within the housing development unless the size and type of unit required does not exist within that development's inventory.

Transfers are initiated by the PHA and/or written family request.

Family above the Established Income Range moving into a development below the Established Income Range, or vice versa

Not applicable. The PHA is not subject to deconcentration and income-mixing requirements because each of its developments has less than 100 units

D. EMERGENCY TRANSFER

The PHA will authorize an emergency transfer for a participant family if one of the following conditions occurs:

The resident's unit has been damaged by fire, flood, or other causes to such a degree that the unit is not habitable, provided the damage was not the result of an intentional act, carelessness, or negligence on the part of the resident or a member of the resident's household.

The transfer of a victim of domestic violence, dating violence, or stalking is considered an Emergency transfer, providing there is a restraining order or police report to support the victim's status.

E. SPECIAL CIRCUMSTANCES TRANSFER

The PHA will authorize transfers under special circumstances for a participant family if one of the following conditions occurs:

The resident's unit is being modernized or significantly remodeled.

In such cases the family may only be offered temporary relocation if allowed under Relocation Act provisions and may be allowed to return to their unit once rehabilitation is complete.

There is a reasonable fear of direct violence against the resident. Such transfer requests may include a fear of retaliation for witnessing an incident, or providing testimony or evidence in an eviction or criminal proceeding, or fear of being the victim of a hate crime.

The PHA will seek input from local law enforcement regarding all requests for transfers due to threat of violence.

Transfers due to threat of violence shall have priority over other transfers except for emergency transfers.

The PHA has a need, at the discretion of the Executive Director or designee, to transfer the resident family to another unit and the resident voluntarily agrees to such transfer.

F. MANDATORY TRANSFERS

If there is a required change in the size of unit due to being over-housed or overcrowded, it will be necessary for the resident to move to a unit of an appropriate size and a new lease will be executed.

If an appropriate unit is not available, the resident will be placed on a transfer list and moved to such unit when it does become available.

The PHA will place all families requiring a mandatory transfer due to occupancy standards on a transfer list, which will be reviewed for need-based transfers before any unit is offered to a family on the waiting list.

The family will be offered the next appropriately-sized unit that becomes available after other such families already on the transfer list who are in need of the same size unit.

If a family that is required to move refuses the offered unit, the PHA will evaluate the reason for the refusal and determine if it is one of good cause. If the PHA determines that there is no good cause, the PHA will begin lease termination proceedings.

The PHA will consider the living area for occupancy standards, so that the family may avoid losing their assistance.

The PHA will offer the family an opportunity for an informal conference before terminating the family's lease. The family will have 14 working days from the issue date of the Notice to Terminate to request an informal conference.

G. NON-MANDATORY TRANSFERS

When a unit becomes available, and after the transfer list has been reviewed for families requiring a mandatory transfer based on occupancy standards, the transfer list will be reviewed for other families needing a transfer due to disability or threat of violence. Others desiring a transfer will not be considered if there are eligible applicants on a waiting list.

If there is a participant family waiting for transfer to an available and appropriately sized unit, the participant family will be offered the unit.

If a family is on an inventory-wide transfer list and refuses an offered unit, they will be removed from the transfer list unless the PHA determines that the refusal was made for good cause. If so, the family will be allowed to remain in their unit and will remain on the transfer list until another unit is offered.

Good cause may be any of the following reasons:

The new unit is more than 20 miles from the place of employment, job training program or school of at least one member of the family.

Travel for medical treatment from the new unit would create a hardship for an elderly or disabled person.

The inconvenience or undesirability of changing schools for any minor child will not be considered good cause.

H. MOVING COSTS

The resident, except when the transfer is due to uninhabitability, through no fault of the resident, or when the transfer is due to the need of the PHA, will pay all moving costs related to the transfer. The PHA will bear the transfer costs when the transfer is done as a reasonable accommodation. The PHA will not pay moving costs to transfers that were necessary as a result of changes in family circumstances, such as family size, etc.

I. SECURITY DEPOSITS

The family will be required to pay a new deposit and upon acceptance of a unit will be informed of the manner in which it is to be paid.

The PHA will require a new security deposit of all families that request a transfer for personal reasons.

Security deposits will always be transferred from the losing development to the gaining development, minus any damage or cleaning charges applicable to the losing unit.

The resident will be billed for any charges that occur as a result of the resident moving out of the apartment.

J. PROCESSING TRANSFERS

There will be no lapsed time between move-out and move-in. Effective dates must not overlap, nor will both projects carry the resident on their books at the same time.

The resident's records will show a continuous residence in public housing in one development or the other, but not in both projects at the same time.

K. REEXAMINATION DATE

An interim examination, verifying income only, will be conducted at the time of lease up and the family will have a new reexamination date.

Chapter 9

LEASING

[24 CFR 966.4]

INTRODUCTION

It is the PHA's policy that all units must be occupied pursuant to a dwelling lease agreement that complies with HUD's regulations [24 CFR Part 966]. This Chapter describes pre-leasing activities and the PHA's policies pertaining to lease execution, security deposits, other charges, and additions to the lease.

A. LEASE ORIENTATION

Upon execution of the lease, a PHA representative will provide a lease orientation to the family head and spouse. The orientation may be conducted with more than one family.

Orientation Agenda

When families attend the lease orientation, they will be provided with:

- A copy of the lease;
- A copy of the PHA's lease and grievance procedure;
- A copy of the House Rules;
- A copy of the PHA Newsletter.

Topics to be discussed will include, but are not limited to:

- Applicable deposits and other charges;
- Provisions of the lease;
- Family Choice of rents;
- Orientation to the community;
- Unit maintenance and work orders;
- Explanation of occupancy forms;
- Terms of occupancy;
- Community service;
- Lead-based paint disclosure notice;
- Lead hazard information pamphlet.

B. LEASE REQUIREMENTS

The initial term of the lease will be 12 months. The lease will renew automatically for 12-month terms, except for noncompliance with the community service requirement, as described in the chapter on community service.

Because the lease automatically renews for terms of 12 months, an annual signing process is not required.

C. EXECUTION OF LEASE

The lease shall be executed by the head of household, spouse, and all other adult members of the household, and by an authorized representative of the PHA, prior to admission.

The head of household is the person who assumes legal and financial responsibility for the household, and is listed on the application as head.

An appointment will be scheduled for the parties to execute the lease. One executed copy of the lease will be given to the tenant, and the PHA will retain one in the tenant's file. The lease is incorporated into this policy by reference. The lease document will reflect current PHA policies as well as applicable Federal, State and local law.

The following provisions govern lease execution and amendments:

A lease is executed at the time of admission for all new tenants.

A new lease is executed at the time of the transfer of a tenant from one PHA unit to another (with no change in reexamination date).

If, for any reason, any signer of the lease ceases to be a member of the household, the lease will be amended by drawing a line through the party's name and both parties will be required to initial and date the change.

Lease signers must be persons legally eligible to execute contracts.

If no member of the household is qualified to sign a lease, a legal guardian may co-sign the lease, subject to PHA approval.

The names and date of birth of all household members are listed on the lease at initial occupancy and on the Application for Continued Occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.

Changes to tenant rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by the PHA, which becomes an attachment to the lease. Documentation will be included in the tenant file to support proper notice.

Households that include a Live-In Attendant are required to execute a lease addendum authorizing the arrangement and describing the status of the attendant.

Households that include a Live-In Attendant will contain file documentation that the Live-In Attendant is not a party to the lease and is not entitled to PHA assistance, with the exception of occupancy while serving as the attendant for the participant family member.

The PHA may modify its form of lease from time to time, giving tenants an opportunity to comment on proposed changes and advance notice of the implementation of any changes. A tenant's refusal to accept permissible and reasonable lease modifications, or those modifications required by HUD, is grounds for termination of tenancy.

D. ADDITIONS TO THE LEASE

Except as indicated below, the PHA must approve requests for the addition of new members of the household, prior to the actual move-in by the proposed new member.

Following receipt of a family's request for approval, the PHA will conduct a pre-admission screening, including the Criminal History Report, of the proposed new member. Only new members approved by the PHA will be added to the household.

Unrestricted Admissions

Additions through birth, adoption, court-awarded custody and the return of disabled or minor children to the household do not require prior approval, but the family is still required to report these additions within 14 days, and these additions are still subject to family eligibility requirements, such as criminal history prohibitions.

Partially Restricted Admissions

The addition of foster children is allowed with prior HACSD approval. They may not be added if the family will be overcrowded.

The addition of a live-in aide is allowed with prior HACSD approval. Live-in aides may not be added if the family will be overcrowded, but the family may transfer to accommodate the live-in aide.

Restricted Admissions

All admissions to the household not categorized above are limited to a total of two people in 12 months. However a family may not add a restricted admission for the first 12 months after initial occupancy of the unit. Each adult admission must have current income and steady income for the previous 12 months. If the income is from employment, they are required to be employed a minimum of 32 hours per week for the previous 12 months. They may not be added if the unit is overcrowded, and they will not be approved without the PHA's permission. Exceptions to the income requirement for close blood relatives of the head of household or spouse may be granted based on documented extreme hardship or serious medical reasons, providing the family will not be overcrowded.

Factors determining household additions:

1. Household additions subject to screening:

Resident plans to marry;

Resident is awarded custody of a child over the age for which juvenile justice records are available;

Resident desires to add a new family member to the lease, employ a live-in aide, or take in a foster child(ren).

A unit is occupied by a remaining family member(s) under age 18 (not an emancipated minor) and an adult who was not a member of the original household requests permission to take over as the head of household.

2. Factors determining household additions that are not subject to screening:

Those added through birth, adoption, court-awarded custody, or return of minor or disabled children to the household.

3. Factors determining household additions that may be subject to screening, depending on PHA discretion:

The PHA will request that the public housing tenant provide the PHA with a signed consent form from the parent(s) or legal guardian allowing the PHA to check the juvenile records of the child. Sources to be checked may include any of the following:

School Records (attendance/behavior)

Juvenile Probation/Court Records

Police Records

4. Each adult admission, except those listed above, must have income and a steady income history for the last 12 months. If working, they must have a work history of at least 32-hours a week for the last year. In cases where the addition will affect the bedroom size required by the family, according to the PHA occupancy standards, the PHA will not approve the addition.

5. The PHA will not approve adding a family consisting of more than two members to the lease, nor will the PHA approve more than a total of two people added to the lease in a 12-month period, nor will the PHA approve an addition if the unit will be overcrowded. Such applicants will be encouraged to apply to the waiting list.

6. Residents who fail to notify the PHA of additions to the household, or who permit persons to join the household without undergoing screening, are in violation of the lease. Such persons are considered to be unauthorized occupants by the PHA, and the entire household will be subject to eviction [24 CFR 966.4(f)(2 and 3)].
7. Family members age 18 and over who move from the dwelling unit to establish new households shall be removed from the lease. The tenant must notify the PHA of the move-out within 14 calendar days of its occurrence. If these family members wish to return, they are subject to the limitations prescribed above.
8. The resident may not allow visitors to stay overnight more than 45 days in a twelve-month period.

The resident may not allow visitors to stay overnight more than 14 consecutive days in a twelve-month period.

The manager may authorize overnight visitors provided the visit does not exceed 14 consecutive days.

Visitors who remain beyond the limits stated above are considered trespassers, and their presence constitutes a breach of the lease.

If an individual other than a leaseholder is representing to an outside agency that they are residing in the lessee's unit, the person will be considered an unauthorized member of the household.

9. Roomers and lodgers are not permitted to occupy a dwelling unit, nor are they permitted to move in with any family occupying a dwelling unit.

Residents are not permitted to allow a former tenant of the PHA who has been evicted to occupy the unit for any period of time.

Residents must advise the PHA when they will be absent from the unit for more than 30 days and provide a means for the PHA to contact the resident in the event of an emergency. Failure to advise the PHA of extended absences is grounds for termination of the lease.

E. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES
[24 CFR 8.27(a)(1)(2) and (b)]

Before offering a vacant accessible unit to a non-disabled applicant, the PHA will offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the PHA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

The PHA will require a non-disabled applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

F. UTILITY SERVICES

Tenants responsible for direct payment of utilities must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits.

Failure to maintain utility services during tenancy is a lease violation and grounds for eviction.

Non-payment of excess utility charge payments to the PHA is a violation of the lease and is grounds for eviction.

G. SECURITY DEPOSITS

Security Deposit

New tenants must pay a security deposit to the PHA at the time of admission.

The amount of the security deposit required is \$100 per bedroom and is specified in the lease.

The amount of the Pet Deposit is \$200 for a dog or cat and fish tanks require insurance coverage.

The PHA may permit installment payments of security deposits when a new tenant demonstrates a financial hardship to the satisfaction of the PHA. However, no less than one-half of the required deposit must be paid before occupancy.

The PHA will hold the security deposit for the period the tenant occupies the unit.

The PHA will refund to the Tenant the amount of the security deposit, less any amount needed to pay the cost of:

Unpaid rent;

Damages listed on the Move-Out Inspection Report that exceed normal wear and tear;

Other charges under the lease.

The PHA will refund the Security Deposit less any amounts owed, within the required state law period after move out and tenant's notification of new address.

The PHA will provide the tenant, or the person designated by the former tenant in the event of the former tenant's incapacitation or death, with a written list of any charges against the security deposit and copies of the receipts, including reasonable charges for repairs completed by the PHA's employees. If the tenant disagrees with the amount charged to the security deposit, the PHA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the PHA. All keys to the unit must be returned to the management upon vacating the unit.

The PHA will not use the security deposit for payment of rent or other charges while the tenant is living in the unit.

If the tenant transfers to another unit, the PHA will transfer the security deposit to the new unit. The tenant will be billed for any maintenance or other charges.

Pet Deposit

See chapters on pet policy.

H. RENT PAYMENTS

The tenant rent is due and payable at the PHA-designated location on the 1st of every month. If the 1st of the month falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

If the PHA does not receive payment by the agreed-upon date, a delinquent rent notice will be sent.

If the payment of rent and other charges due under the lease will be delayed beyond the first day of the month, the tenant must notify the management no later than three business days before the payment is due.

The notification must include an explanation of the circumstances that will delay the tenant's payment, and indicate the date on which full payment will be made.

I. FEES AND NONPAYMENT PENALTIES

If the tenant fails to make payment by the 5th day of the month, and the PHA has not agreed to accept payment at a later date, a Notice to Vacate will be issued to the tenant with a 14 day notice period for failure to pay rent, demanding payment in full or the surrender of the premises.

If the tenant fails to make payment by the 5th day of the month, a late fee will be charged.

The PHA will always consider the rent unpaid when a check is returned as NSF or a check is written on a closed account.

If the PHA has not agreed to accept payment at a later date, a Notice to Vacate will be issued for failure to pay rent.

J. SCHEDULES OF SPECIAL CHARGES

Schedules of special charges for services, repairs, utilities and rules and regulations which are required to be incorporated into the lease by reference shall be publicly posted in a conspicuous manner in the project office, and they will be provided to applicants and tenants upon request.

K. MODIFICATIONS TO THE LEASE

Schedules of special charges and rules and regulations are subject to modification or revision. Residents and resident organizations will be provided at least 30 days written notice of the reason(s) for any proposed modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the central office, and:

Posted in at least two conspicuous places within each structure or building in which tenants affected by the modifications or revisions are located.

After the proposed changes have been incorporated into the lease and approved by the Board, each family will be notified of the effective date of the new lease.

Any modifications of the lease must be accomplished by a written addendum to the lease and signed by both parties.

L. CANCELLATION OF THE LEASE

Cancellation of the tenant's lease is to be in accordance with the provisions contained in the lease agreement and as stated in this policy.

M. INSPECTIONS OF PUBLIC HOUSING UNITS

Initial Inspections

The PHA and the family will inspect the premises prior to occupancy of the unit, in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the PHA and the tenant, will be kept in the tenant file.

Any adult member may sign the inspection form for the head of household.

Vacate Inspections

The PHA Inspection Department will access the Vacate Report prepared by housing management staff and will perform a move-out inspection when the family vacates the unit, and will encourage the family to participate in the move-out inspection.

The purpose of this inspection is to determine necessary maintenance and whether there are damages that exceed normal wear and tear. The PHA will determine if there are tenant-caused damages to the unit. Tenant-caused damages may affect part or all of the return of the family's security deposit.

The move-out inspection also assists the PHA in determining the time and extent of the preparation and repairs necessary to make the unit ready for the next tenant.

The resident is encouraged to participate in the move-out inspection.

Annual Inspections

The PHA will inspect all units annually using HUD's Uniform Physical Condition Standards (UPCS) as a guideline. In addition, HUD will conduct random inspections for compliance with UPCS at least bi-annually.

The unit will be considered to have failed HUD's Uniform Physical Condition Standards if there are any *life-threatening* Health and Safety deficiencies.

If a unit fails inspection due to housekeeping or tenant-caused damages, the resident will be given five days to correct noted items, after which a follow-up inspection will be conducted.

Residents will be issued a copy of the inspection report with required corrections.

If necessary to bring the unit into UPCS compliance, needed repairs will be completed by the PHA.

All inspections will include a check of all smoke alarms to ensure proper working order.

Inspection report will indicate whether required corrections are to be charged to the resident or covered by the PHA.

Damages beyond "normal wear and tear" will be billed to the tenant.

Residents who repeatedly "fail" the inspection or cause excessive damage to the unit may be in violation of their lease.

Residents who are in violation of their lease due to repeated failed inspections will be scheduled for a lease violation conference.

Quality Control Inspections

The housing management staff will conduct periodic quality control inspections to determine the condition of the unit and to identify problems or issues in which the PHA can be of service to the family.

The purpose of these quality control inspections is to assure that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.

The property manager will conduct periodic inspections to determine the condition of the unit and to identify problems or issues in which the PHA can be of service to the family.

Special Inspections

Housing management staff may request the inspection supervisor to conduct a special inspection for housekeeping, unit condition, or suspected lease violation.

HUD representatives or local government officials may review PHA operations periodically and as a part of their monitoring may inspect a sampling of the PHA's inventory.

Other Inspections

Playground inspections are conducted quarterly to determine playground safety.

Building exterior and grounds inspections are conducted at all Public Housing properties to determine hazardous conditions as well as to assist in budget preparation.

HUD REAC random inspections will be conducted on a periodic basis.

Emergency Inspections

Housing management staff, including PHA inspectors, may initiate an emergency inspection report to generate a work order if they believe that an emergency exists in the unit or on a Public Housing site. In addition, the inspector may conduct an emergency inspection without a work order and generate a work order after the inspection has been conducted (see Entry of Premises Notice in this chapter.) Repairs are to be completed within 24 hours from the time the work order is issued.

Emergency Repairs to be Completed in Less than 24 Hours

The following items are to be considered emergency in nature and require immediate (less than 24 hour) response:

Lock-out (with proper identification of resident)

Broken lock that affects unit security

Broken window glass that affects unit security, is a cutting hazard, or occurs during inclement weather (to be secured or abated)

Escaping gas

Plumbing leaks that can cause flooding or damage to the unit

Natural gas leaks or smell of fumes

Backed-up sewage

Electrical hazard

Units with elderly residents in which the PHA-owned air conditioner or heater (seasonal) or refrigerator is inoperable

Inoperable smoke detectors will be treated as a 24-hour emergency and will be made operable by the PHA if the smoke detector is in need of repair.

Residents who disengage smoke detectors for convenience purposes will be cited. (See "Housekeeping Citations" in this chapter.)

Entry of Premises Notices

The PHA will give prior written notice for non-emergency inspections. Non-emergency entries to the unit will be made during reasonable hours of the day.

The PHA will provide the family with 48-hour notice prior to entering the unit for non-emergency reasons other than the annual inspection.

An adult family member must be present in the unit during the inspection.

Where the PHA is conducting regular annual examinations of its housing units, the family will receive reasonable advance notice of the inspection to allow the family to prepare and be able to pass the inspection.

Reasons the PHA will enter the unit are:

Inspections and maintenance

To make improvements and repairs

To show the premises for leasing

In cases of emergency

The family must call the PHA at least 24 hours prior to the scheduled date of inspection to reschedule the inspection, if necessary.

The PHA will reschedule the inspection no more than once unless the resident has a verifiable medical reason that has hindered the inspection. The PHA may request verification.

Non-Inspection Emergency Entry

The PHA staff will allow access to the unit to proper authorities when issues of health or safety of the tenant are concerned.

Family Responsibility to Allow Inspection

The PHA must be allowed to inspect the unit at reasonable times with reasonable notice. A not less than 24-hour advance written notice will be considered reasonable advance notice in all cases.

The resident is notified of the inspection appointment in writing. The family must call the PHA at least 24 hours before the inspection date to reschedule the inspection, if necessary.

If the resident refuses to allow the inspection, the resident will be in violation of the lease.

Housekeeping Citations

Residents who "fail" an inspection due to housekeeping will be issued a Housekeeping Citation, and a re-inspection will be conducted within 14 working days by housing management staff.

A family that fails to comply with the re-inspection is considered in violation of the lease.

More than three citations will be considered a violation of the lease.

Tenant Damages

Repeated failed inspections or damages to the unit beyond normal wear and tear may constitute serious or repeated lease violations.

"Beyond normal wear and tear" is defined as items that could be charged against the tenant's security deposit under state law or court practice.

N. No-Smoking Policy

According to the American Lung Association, cigarette smoking is the number one cause of preventable disease in the United States. The elderly and young populations, as well as people with chronic illnesses, are especially vulnerable to the adverse effects of smoking. Because Environmental Tobacco Smoke (ETS) can migrate between units in multifamily housing, causing respiratory illness, heart disease, cancer, and other adverse health effects in neighboring families, U.S. Department of Housing and Urban Development strongly encourages Public Housing Authorities (PHAs) to adopt no smoking policies (PIH-2009-21 (HA)). The PHA has a no-smoking policy at all its public housing sites.

PET POLICY – ELDERLY/DISABLED PROJECTS [24 CFR Part 5, Subpart C]

INTRODUCTION

PHAs have discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains the PHA's policies on the keeping of pets and any criteria or standards pertaining to the policy for elderly/disabled projects. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe, and sanitary living environment for all tenants; to protecting and preserving the physical condition of the property; and the financial interest of the PHA.

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets in elderly and disabled units and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

The PHA chooses not to publish rules governing the keeping of common household pets. Residents will comply with the dwelling lease, which requires that no animals or pets of any kind be permitted on the premises without prior written approval of the PHA. This does not apply to animals that are used to assist, support, or provide service to persons with disabilities.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

Animals that Assist Persons with Disabilities [24 CFR 960.705]

Pet rules will not be applied to animals that assist, support, or provide service to persons with disabilities. This exclusion applies to such animals that reside in public housing and such animals that visit the development. The PHA has the authority to verify the person's disability and the relationship between the disability and the need for the service animal.

A. MANAGEMENT APPROVAL OF PETS

All pets must be approved in advance by the PHA management.

The pet owner must submit and enter into a Pet Agreement with the PHA.

Registration of Pets

Pets must be registered with the PHA before they are brought onto the premises. Registration includes a certificate signed by a licensed veterinarian or State/local authority that the pet has received all inoculations required by State or local law, and that the pet has no communicable disease(s) and is pest-free.

Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Dogs and cats must be spayed or neutered and documentation must be provided to verify this.

Execution of a Pet Agreement with the PHA stating that the tenant acknowledges complete responsibility for the care and cleaning of the pet will be required.

Registration must be renewed and will be coordinated with the annual recertification date.

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal to Register Pets

The PHA may not refuse to register a pet based on the determination that the pet owner is financially unable to care for the pet. If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The PHA will refuse to register a pet if:

- The pet is not a *common household pet* as defined in this policy;

- Keeping the pet would violate any House Pet Rules;

- The pet owner fails to provide complete pet registration information, or fails to update the registration annually;

- The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

The notice of refusal may be combined with a notice of a pet violation.

A resident who cares for another resident's pet must notify the PHA and agree to abide by all of the pet rules in writing.

B. STANDARDS FOR PETS

If an approved pet gives birth to a litter, the resident must remove all pets from the premises except one.

Pet rules will not be applied to animals that assist, support or provide service to persons with disabilities.

Persons with Disabilities

To be excluded from the pet policy, the resident/pet owner must state:

That there is a person with disabilities in the household;
That there must be a relationship between the requested accommodation and the person's disability.

Types of Pets Allowed

No types of pets other than the following may be kept by a resident.

Tenants are permitted to have more than one *type* of pet, except for categories 1 and 2.

1. Dogs

Must have all required inoculations
Must be continually licensed as specified by State law and local ordinance

2. Cats

Must have all required inoculations
Must be trained to use a litter box or other waste receptacle
Must be continually licensed as specified by State law or local ordinance

3. Birds

Maximum number: two

C. PETS TEMPORARILY ON THE PREMISES

Pets that are not owned by a tenant will not be allowed.

Residents are prohibited from feeding or harboring stray animals.

This rule excludes visiting pet programs sponsored by a humane society or other non-profit organization and approved by the PHA.

State or local laws governing pets temporarily in dwelling accommodations shall prevail.

D. ADDITIONAL FEES AND DEPOSITS FOR PETS

The PHA will charge a refundable Pet Deposit of \$200 for each dog or cat and require insurance for fish tanks. This Pet Deposit is intended to cover additional costs not otherwise covered.

Residents with pets prior to the change in the amount of the Pet Deposit will not be required to increase their Pet Deposits.

The PHA will refund the Pet Deposit to the tenant, less any damage caused by the pet to the dwelling unit, upon removal of the pet or the owner from the unit.

The PHA will return the Pet Deposit to the former tenant or to the person designated by the former tenant in the event of the former tenant's incapacitation or death.

The PHA will provide the tenant or designee identified above with a written list of any charges against the pet deposit. If the tenant disagrees with the amount charged to the pet deposit, the PHA will provide a meeting to discuss the charges.

All reasonable expenses incurred by the PHA as a result of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including:

The cost of repairs and replacements to the resident's dwelling unit;

Fumigation of the dwelling unit;

Common areas of the project.

Pet Deposits are not a part of rent payable by the resident.

E. ALTERATIONS TO UNIT

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

F. PET WASTE REMOVAL CHARGE

Pet deposit and pet waste removal charges are not part of rent payable by the resident.

All reasonable expenses incurred by the PHA as the result of damages directly attributable to the presence of the pet will be the responsibility of the resident, including:

The cost of repairs and replacements to the dwelling unit;

Fumigation of the dwelling unit.

If the tenant is in occupancy when such costs occur, the tenant shall be billed for such costs as a current charge.

If such expenses occur as the result of a move-out inspection, they will be deducted from the pet deposit. The resident will be billed for any amount that exceeds the pet deposit.

The pet deposit will be refunded when the resident moves out or no longer has a pet on the premises, whichever occurs first.

The expense of flea de-infestation shall be the responsibility of the resident.

G. PET AREA RESTRICTIONS

Pets must be maintained within the resident's unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried and under the control of the resident or other responsible individual at all times.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building.

H. NOISE

Pet owners must agree to control the noise of pets so that such noise does not constitute a nuisance to other residents or interrupt their peaceful enjoyment of their housing unit or premises. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

I. CLEANLINESS REQUIREMENTS

Litter Box Requirements.

All animal waste or the litter from litter boxes shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin.

Litter shall not be disposed of by being flushed through a toilet.

Litter boxes shall be stored inside the resident's dwelling unit.

Removal of Waste from Other Locations. The resident/pet owner shall be responsible for the removal of waste from the exercise area, immediately, by placing it in a sealed plastic bag and disposing of it in an outside trash bin.

Any unit occupied by a dog, cat, or rodent will be fumigated at the time the unit is vacated and the cost will be deducted from the pet deposit.

The resident/pet owner shall take adequate precautions to eliminate any pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

J. PET CARE

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

Residents/pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

K. RESPONSIBLE PARTIES

The resident/pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

L. INSPECTIONS

The PHA may, after reasonable notice to the tenant during reasonable hours, enter and inspect the premises, in addition to other inspections allowed.

The PHA may enter and inspect the unit only if a written complaint is received alleging that the conduct or condition of the pet in the unit constitutes a nuisance or threat to the health or safety of the other occupants or other persons in the community under applicable State or local law.

M. PET RULE VIOLATION NOTICE

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Rule Policy, written notice will be served.

The Notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

That the resident/pet owner has five days from the effective date of the service of the notice to correct the violation or make written request for a meeting to discuss the violation;

That the resident pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

That the resident/pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

N. NOTICE FOR PET REMOVAL

If the resident/pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The Notice shall contain:

A brief statement of the factual basis for the PHA's determination of the Pet Rule that has been violated;

The requirement that the resident /pet owner must remove the pet within five days of the notice; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

O. TERMINATION OF TENANCY

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

P. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the responsible party designated by the resident/pet owner. In addition, pets that are poorly cared for or have been left unattended for over 72 hours will be removed.

If the responsible party is unwilling or unable to care for the pet, or if the PHA after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate State or local agency and request the removal of the pet.

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

Q. EMERGENCIES

The PHA will take all necessary steps to ensure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the PHA to place the pet in a shelter facility, the cost will be the responsibility of the tenant/pet owner.

Chapter 11

PET POLICY – GENERAL OCCUPANCY (FAMILY) PROJECTS

[24 CFR Part 960, Subpart G]

INTRODUCTION

This Chapter explains the PHA's policies on the keeping of pets in general occupancy projects and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets in general occupancy (family) projects and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

This policy does not apply to animals that are used to assist, support or provide service to persons with disabilities, or to service animals that visit public housing developments.

Animals that Assist Persons with Disabilities [24 CFR 960.705]

Pet rules will not be applied to animals that assist, support, or provide service to persons with disabilities. This exclusion applies to such animals that reside in public housing and such animals that visit the development. The PHA has the authority to verify the person's disability and the relationship between the disability and the need for the service animal.

A. MANAGEMENT APPROVAL OF PETS

All pets must be approved in advance by the PHA management.

The pet owner must submit and enter into a Pet Agreement with the PHA.

Registration of Pets

Pets must be registered with the PHA before they are brought onto the premises. Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Dogs and cats must be spayed or neutered and documentation must be provided to verify this.

Execution of a Pet Agreement with the PHA stating that the tenant acknowledges complete responsibility for the care and cleaning of the pet will be required.

Registration must be renewed and will be coordinated with the annual recertification date.

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal to Register Pets

The PHA may not refuse to register a pet based on the determination that the pet owner is financially unable to care for the pet. If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The PHA will refuse to register a pet if:

Keeping the pet would violate any House Pet Rules;

The pet owner fails to provide complete pet registration information, or fails to update the registration annually;

The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

The notice of refusal may be combined with a notice of a pet violation.

A resident who cares for another resident's pet must notify the PHA and agree to abide by all of the pet rules in writing.

I. CLEANLINESS REQUIREMENTS

Litter Box Requirements.

All animal waste or the litter from litter boxes shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin.

Litter shall not be disposed of by being flushed through a toilet.

Litter boxes shall be stored inside the resident's dwelling unit.

Removal of Waste from Other Locations. The Resident/Pet Owner shall be responsible for the removal of waste immediately from the exercise area by placing it in a sealed plastic bag and disposing of it in an outside trash bin.

Any unit occupied by a dog, cat, or rodent will be fumigated at the time the unit is vacated and the cost deducted from the pet deposit.

The resident/pet owner shall take adequate precautions to eliminate any pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

J. PET CARE

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

Residents/pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

K. RESPONSIBLE PARTIES

The resident/pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

L. INSPECTIONS

The PHA may, after reasonable notice to the tenant during reasonable hours, enter and inspect the premises, in addition to other inspections allowed.

The PHA may enter and inspect the unit only if a written complaint is received alleging that the conduct or condition of the pet in the unit constitutes a nuisance or threat to the health or safety of the other occupants or other persons in the community under applicable State or local law.

M. PET RULE VIOLATION NOTICE

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Rule Policy, written notice will be served.

The Notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

That the resident/pet owner has five days from the effective date of the service of the notice to correct the violation or make written request for a meeting to discuss the violation;

That the resident pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and

That the resident/pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

N. NOTICE FOR PET REMOVAL

If the resident/pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The Notice shall contain:

A brief statement of the factual basis for the PHA's determination of the Pet Rule that has been violated;

The requirement that the resident /pet owner must remove the pet within five days of the notice; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

O. TERMINATION OF TENANCY

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

P. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the responsible party designated by the resident/pet owner. In addition, pets that are poorly cared for or have been left unattended for over 72 hours will be removed.

If the responsible party is unwilling or unable to care for the pet, or if the PHA after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate State or local agency and request the removal of the pet.

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

Q. EMERGENCIES

The PHA will take all necessary steps to ensure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the PHA to place the pet in a shelter facility, the cost will be the responsibility of the tenant/pet owner.

Chapter 12

REEXAMINATIONS

[24 CFR 5.613, 24 CFR 5.615, 24 CFR Part 960 Subpart C]

INTRODUCTION

HUD requires that the PHA offer all families the choice of paying income-based rent or flat rent at least annually. Families who choose to pay flat rent are required to complete a reexamination of income, deductions and allowances at least once every three years. To determine the amount of income-based rent, it is necessary for the PHA to perform a reexamination of the family's income. At the annual reexamination, families who choose to pay income-based rent must report their current household composition, income, deductions and allowances. Between regular annual reexaminations, HUD requires that families report all changes in income, assets, and household composition. This Chapter defines the PHA's policy for conducting annual reexaminations. It also explains the interim reporting requirements for families, and the standards for timely reporting.

A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

Qualify as a family, as defined in this policy;

Are in full compliance with the obligations and responsibilities described in the dwelling lease;

Whose family members, age 6 and older, each have submitted their Social Security numbers, or have certifications on file that they do not have a Social Security number;

Whose family members have submitted required citizenship/eligible immigration status/noncontending documents.

Attend all scheduled interview/conference appointments. The family may reschedule interview/conference appointments in advance once, but if the family fails to attend the rescheduled interview/conference appointment, the family's lease will be terminated. However, an exception may be made for documented family emergencies.

B. ANNUAL REEXAMINATION

The terms *annual recertification* and *annual reexamination* are synonymous.

In order to be recertified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition.

Families who choose flat rent are to be recertified every three years. For families who move in on the first of the month, the annual recertifications will be completed within 12 months of the anniversary of the move-in date. (Example: If family moves in August 1, the annual recertification will be conducted to be effective on August 1, the following year.)

For families who move in during the month, the annual recertifications will be completed no later than the first of the month in which the family moved in, the following year. (Example: If family moves in August 15, the effective date of the next annual recertification is August 1.)

When families move to another dwelling unit:

An annual recertification will be conducted (unless a recertification has occurred 120 days or less prior to the move-in date) and the anniversary date will be changed.

Reexamination Notice to the Family

All families will be notified of their obligation to recertify by first class mail. The notification shall be sent at least 120 days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the PHA will provide the notice in an accessible format. The PHA will also mail the notice to a third party, if requested, as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

The notification shall explain the family choice of income-based or flat rent, with an estimate of what the income-based rent would be and a statement of what the flat rent is.

The family will indicate whether the family chooses income-based or flat rent by checking the appropriate box on the document, signing the document, and returning the document to the PHA.

The family may call the PHA indicating whether the family chooses income-based or flat rent.

If the family chooses flat rent, no reexamination appointment will be necessary.

Methodology

If the family chooses income-based rent, or if the family has paid the flat rent for three (3) years, the PHA will use the following methodology for conducting annual recertifications:

If the PHA is doing face-to-face interviews, the PHA will notify the family of the date and time of the interview appointment. However, the PHA may conduct its recertifications through the mail.

Persons with Disabilities

Persons with disabilities, who are unable to come to the PHA's office, will be granted an accommodation of conducting the interview at the person's home, upon verification that the accommodation requested meets the need presented by the disability.

Collection of Information

The family is required to complete a *Personal Declaration Form* prior to all annual and interim recertification interviews.

Requirements to Attend

When the PHA determines it necessary to have a face-to-face interview, the following family members will be required to attend the recertification interview and sign the application for continued occupancy:

The head of household and/or spouse.

If the head of household and/or spouse is unable to attend the interview:

The appointment will be rescheduled.

Failure to Respond to Notification to Recertify

The written notification will explain which family members are required to attend the recertification interview. The family may call to request another appointment date up to three days prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the PHA, the PHA will not reschedule a second appointment.

If the family fails to appear for the second appointment, and has not rescheduled or made prior arrangements, the PHA will

Terminate tenancy for the family.

The housing representative may give an exception to this policy, if the family is able to document an emergency situation that prevented it from canceling or attending the appointment.

Documents Required from the Family

In the notification letter to the family, the PHA will include instructions for the family to bring the following:

Documentation of income for all family members.

Documentation of liquid and non-liquid assets.

Documentation to substantiate any deductions or allowances.

Personal Declaration form completed by head of household.

Documentation to verify compliance with community service by all non-exempt adults.

Verification of Information

All information, which affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this Policy. Verifications used for recertification must be less than 120 days old. All verifications will be placed in the file, which has been established for the family.

When the information has been verified, it will be analyzed to determine:

The continued eligibility of the resident as a *family*, or as the *remaining member* of a family;

The unit size required by the family;

The amount of rent the family should pay.

Changes in the Tenant Rent

If there is any change in rent, including change in family's choice in rent, the lease will be amended, or a new lease will be executed, or a Notice of Rent Adjustment will be issued [24 CFR 966.4(c)].

Tenant Rent Increases

If tenant rent increases, a reasonable advance notice will be mailed to the family prior to the anniversary date, unless the delay was due to the action or inaction of the family.

If reasonable advance notice is not possible through no fault of the tenant, the tenant rent increase will be effective on the first of the second month following the notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the anniversary date.

Tenant Rent Decreases

If tenant rent decreases, it will be effective on the 1st of the month following the reported and verified change.

If the family causes a delay so that the processing of the reexamination is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the reexamination processing by the PHA.

If tenant rent decreases and the change occurred within a month prior to the recertification appointment, but the family did not report the change as an interim adjustment, the decrease will be effective on the recertification anniversary date.

C. REPORTING INTERIM CHANGES

Families must report all changes in household composition to the PHA between annual reexaminations. This includes additions due to birth, adoption, return of minor or disabled children to the household, and court-awarded custody. The family must obtain PHA approval prior to all other additions to the household.

When there is a change in head of household or a new adult family member is added, the PHA will complete an application for continued occupancy and reverify, using the same procedures the PHA staff would use for an annual reexamination, except for effective dates of changes. In such case, the Interim Reexamination Policy would be used.

Other than the aforementioned additions, the family is limited to no more than a total of two people added in a 12-month period. In addition, all adult additions must have current income and a steady income history for the previous 12 months. If employed, they must be currently employed and have worked at least 32 hours per week for the previous 12 months. No additions, except for the aforementioned categories, may be added if the unit will be overcrowded and the family will not be eligible to transfer to a larger unit.

Family Request for Interim Reexamination

The PHA will conduct an interim reexamination upon family request.

Increases in Income to Be Reported

Families paying flat rent are not required to report any increases in income or assets.

Families choosing income-based rent must report all increases in income/assets of all household members to the PHA in writing within 14 calendar days of the occurrence.

Increases in Income and Rent Adjustments

The PHA will process applicable rent adjustments whenever there are additions to the household. An interim rent adjustment will not be conducted upon income increase, unless there is a pattern of an income declining just before an annual reexamination and

then increasing again right after the annual reexamination is completed.

Rent increases (except those due to misrepresentation or the action or inaction of the family) require a 20-day advance notice.

Decreases in Income and Rent Adjustments

Residents may report a decrease in income and other changes, such as an increase in allowances or deductions, that would reduce the amount of the total tenant payment.

The PHA will process rent adjustments whenever there is a decrease in income that will result in a rent reduction of \$1 or more.

D. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The PHA will not reduce the public housing rent for families whose welfare assistance is reduced due to a "specified welfare benefit reduction," which is a reduction in welfare benefits due to:

- Fraud by a family member in connection with the welfare program; or

- Noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program

A "specified welfare benefit reduction" does not include a reduction of welfare benefits due to:

- The expiration of a lifetime limit on receiving benefits; or

- A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

- The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

- Noncompliance with other welfare agency requirements.

Definition of "Covered Family":

A household that receives benefits for welfare or public assistance from a State or public agency program which requires, as a condition of eligibility to receive assistance, the participation of a family member in an economic self-sufficiency program.

Definition of "Imputed Welfare Income":

“The amount of annual income not actually received by a family as a result of a specified welfare benefit reduction that is included in the family’s income for purposes of determining rent.”

The amount of imputed welfare income is determined by the PHA, based on written information supplied to the PHA by the welfare agency, including:

- The amount of the benefit reduction.

- The term of the benefit reduction.

- The reason for the reduction.

- Subsequent changes in the term or amount of benefit reduction.

Imputed welfare income will be included at annual and interim reexaminations during the term of reduction of welfare benefits.

The amount of imputed welfare income will be offset by the amount of additional income a family receives that begins after the sanction was imposed. When additional income is at least equal to the imputed welfare income, the imputed income will be reduced to zero.

If the family was not an assisted resident of public housing when the welfare sanction began, imputed welfare income will not be included in annual income.

Verification Before Denying a Request to Reduce Rent

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance *before* denying the family's request for rent reduction.

The PHA will rely on the welfare agency’s written notice to the PHA regarding welfare sanctions.

Cooperation Agreements

The PHA has a **written** cooperation agreement in place with the local welfare agency that assists the PHA in obtaining the necessary information regarding welfare sanctions.

The PHA has taken a proactive approach to culminating an effective working relationship between the PHA and the local welfare agency for the purpose of targeting economic self- sufficiency programs throughout the community that are available to public housing residents.

The PHA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

Family Dispute of Amount of Imputed Welfare Income

If the family disputes the amount of imputed income and the PHA denies the family's request to modify the amount, the PHA will provide the tenant with a notice of denial, which will include:

An explanation for the PHA's determination of the amount of imputed welfare income.

A statement that the tenant may request a grievance hearing.

If the tenant requests a grievance hearing, the tenant is not required to pay an escrow deposit pursuant to 966.55(e) for the portion of tenant rent attributable to the imputed welfare income.

E. OTHER INTERIM REPORTING ISSUES

An interim reexamination does not affect the date of the annual recertification.

Families with zero or minimal income must complete and return every 30 days a form indicating how they are meeting their needs, along with the expenditure receipts for the 30-day period.

Any changes reported by residents other than those listed in this section will be noted in the file by the staff person, but will not be processed between regularly scheduled annual recertifications.

PHA Errors

If the PHA makes a calculation error at admission to the program or at an annual or interim reexamination, an interim reexamination will be conducted to correct the error, but the family will not be charged retroactively. If the PHA has made a calculation error in favor of the PHA, the family will receive a rent adjustment back to the family's previous annual reexamination, if appropriate.

F. TIMELY REPORTING OF CHANGES IN INCOME AND ASSETS

Standard for Timely Reporting of Changes

The PHA requires that families report interim changes to the PHA within 14 working days of when the change occurs. Any information, document or signature needed from the family that is needed to verify the change must be provided within **three** working days of the change.

An exception will be made for TANF recipients who obtain employment. In such cases, families will have to submit a report within 14 days of receipt of the Notice of Action from TANF documentation that shows the full adjustment for employment income.

If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation (in the time period requested by the PHA), it will be considered untimely reporting.

Procedures When the Change is Reported in a Timely Manner

The PHA will notify the family of any changes, with the exception of tenant action, inaction, or misrepresentation, in Tenant Rent to be effective according to the following guidelines:

Increases in the Tenant Rent are effective on the first of the month following at least 30-days notice.

Decreases in the Tenant Rent are effective the first of the month following the month in which the change is reported.

Procedures When the Change Is Not Reported by the Tenant in a Timely Manner

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim reexamination processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the date it would have been effective, had it been reported on a timely basis. The family will be liable for any underpaid rent, and may be required to sign a Repayment Agreement.

Decrease in Tenant Rent will be effective on the first of the month following completion of processing by the PHA and not retroactively.

Procedures when the Change is not Processed by the PHA in a Timely Manner

"Processed in a timely manner," means that the change goes into effect on the date it should, when the family reports the change in a timely manner. If the change cannot be made effective on that date, the PHA does not process the change in a timely manner.

Therefore, an increase will be effective after the required reasonable advance notice prior to the first of the month after completion of processing by the PHA.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

G. REPORTING OF CHANGES IN FAMILY COMPOSITION

The members of the family residing in the unit must be approved by the PHA. The family must inform the PHA and request approval of additional family members, other than additions due to birth, adoption, return of minor or dependent children to the household, or court-awarded custody, before the new member occupies the unit.

The PHA will not approve the addition of family members, other than by birth, adoption, return of minor or dependent children, or court-awarded custody, where the occupancy standards would require a larger size unit. The PHA will not approve more than a total of two people added in a 12-month period, unless the addition is due to the aforementioned categories, or a live-in aide. The PHA will not approve the addition of an adult to the household unless the adult has income and steady income for the last 12 months. If working, the adult must be currently working and have worked at least 32 hours per week for the past 12 months. The PHA may grant an exception to this standard for close blood relatives of the head of household or spouse if there is a documented hardship, but not if the addition will overcrowd the unit.

All changes in family composition must be reported within 14 working days of the occurrence in writing.

If an adult family member is declared permanently absent by the head of household, the notice must contain a certification by the head of household or spouse that the member (who may be the head of household) removed is permanently absent.

Increase in Family Size

The PHA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

Return of minor or disabled child to the household.

Addition of a PHA-approved live-in attendant.

Addition due to birth, adoption or court-awarded custody.

Families who need a larger sized unit because of the above additions will have a lower priority on the Transfer List than other families who are required to change unit size and a lower priority than eligible families on the waiting list.

If a change due to birth, adoption, court-awarded custody, return of minor or disabled child to the household or a live-in attendant requires a larger-sized unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately sized unit.

Definition of "Temporarily/Permanently Absent"

The PHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) are counted as income.

It is the responsibility of the head of household to report changes in family composition. The PHA will evaluate absences from the unit in accordance with this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the PHA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families are required to notify the PHA before they move out of a unit, in accordance with the lease, and to give the PHA information about any family absence from the unit.

Families must notify the PHA if they are going to be absent from the unit for more than 15 consecutive days. A person with a disability may request an extension of time as an accommodation.

"Absence" means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, the PHA may:

- Conduct a home visit.
- Write letters to the family at the unit.
- Post letters on exterior door.
- Telephone the family at the unit.
- Interview neighbors.
- Verify if utilities are in service.
- Check with Post Office for a forwarding address.
- Contact emergency contact.

If the entire family is absent from the unit, without PHA permission, for more than 30 consecutive days, the unit will be considered to be vacant and the PHA will terminate tenancy. However, extensions up to 180 consecutive days may be granted when the illness of a family member requires the family to be absent more than 30 consecutive days.

As a reasonable accommodation for a person with a disability, the PHA may approve an extension. (See Absence Due to Medical Reasons for other reasons to approve an extension.) During the period of absence, the rent and other charges must remain current.

Absence of Any Member

Any member of the household will be considered permanently absent if s/he is away from the unit for six consecutive months in a 12 month period, except as otherwise provided in this Chapter.

Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the PHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 180 consecutive days, the family member will not be considered permanently absent, as long as rent and other charges remain current.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the PHA's "Absence of Entire Family" policy.

Absence Due to Incarceration

If the sole member is incarcerated for more than 30 consecutive days, s/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 180 consecutive days. The rent and other charges must remain current during this period. A verification of the reason for incarceration is required and if incarceration is a result of prohibited activities, immediate action will be taken to terminate the lease.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, the PHA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than six months from the date of removal of the child(ren), the family will be required to move to a smaller sized unit. If all children are removed from the home permanently, the unit size will be reduced in accordance with the PHA's occupancy guidelines.

Absence of Adult

If an appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period when both parents are absent, the PHA will treat that adult as a visitor for the first 14 calendar days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability criteria, the lease will be transferred to the caretaker.

If the court has not awarded custody or legal guardianship, but the action is in process, the PHA will secure verification from social services staff or the attorney as to the status.

The caretaker will be allowed to remain in the unit, as a visitor, until a determination of custody is made.

The PHA will transfer the lease to the caretaker, in the absence of a court order, if the caretaker qualifies under the Tenant Suitability criteria and has been in the unit for more than six months and it is reasonable to expect that custody will be granted.

When the PHA approves a person to reside in the unit as caretaker for the child(ren), the income of the caretaker should be counted, pending a final disposition. The PHA will work with the appropriate service agencies to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 days, the person will be considered permanently absent.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home but lives with the family during school recesses may in certain circumstances, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of unit size.

Students going to a public/private elementary or high school and/or living with family or friends (refer to shared custody) or students who have established separate households as indicated by one-year lease agreements must be considered permanently absent.

Visitors (See Chapter on Leasing)

Any adult not included on the HUD 50058 who has been in the unit more than 14 consecutive days, or a total of fifteen cumulative days in the month, will be considered to be living in the unit as unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is an unauthorized household member.

Statements from neighbors and/or PHA staff will be considered in making the determination.

The PHA will consider:

Statements from neighbors and/or PHA staff.

Vehicle license plate verification.

Post Office records.

Driver's license verification.

Law enforcement reports.

Credit reports.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the PHA will terminate the family's lease, since prior approval was not requested for the addition.

Minors and college students who were part of the family, but who now live away from home during the school year and are not considered members of the household, may visit for up to 120 days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than 50% of the year, the minor will be considered to be an eligible visitor and not a family member. If both parents reside in Public Housing, only one parent would be able to claim the child for deductions and for determination for the occupancy standards.

H. REMAINING MEMBER OF TENANT FAMILY - RETENTION OF UNIT

To be considered the remaining member of the tenant family, the person must have been previously approved by the PHA to be living in the unit.

A live-in attendant or foster child will not be considered a remaining member of the Family.

In order for a minor child to continue to receive assistance as a remaining family member:

The court has to have awarded emancipated minor status to the minor, or he/she is legally married; or

The PHA has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the unit to care for the child(ren) for an indefinite period.

A reduction in family size may require a transfer to an appropriate unit size per the Occupancy Standards.

I. CHANGES IN UNIT SIZE

The PHA shall grant exceptions from the occupancy standards, if the family requests and the PHA determines the exceptions are justified, according to this policy.

The PHA will not assign a larger bedroom size due to additions of family members other than by birth, adoption, return of minor or disabled children to the household, or court-awarded custody.

The PHA will consider the size of the unit and the size of the bedrooms, as well as the number of bedrooms, when an exception is requested.

When an approvable change in the circumstances in a tenant family requires another unit size, the family's move depends upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the Transfer List.

(Reference chapter on Occupancy Standards)

J. CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES

Under the Noncitizens Rule, "Mixed" families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

"Mixed" families who were participants on June 19, 1995, shall continue receiving full assistance, if they meet the following criteria:

The head of household, co-head or spouse is a U.S. citizen, or has eligible immigrant status; AND

The family does not include any ineligible immigrants other than the head or spouse, or parents or children of the head, co-head, or spouse.

Mixed families who qualify for continued assistance after 11/29/96, may receive prorated assistance only.

If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance (See Chapter titled "Factors Related to Total Tenant Payment Determination"). The PHA may no longer offer temporary deferral of termination (see Chapter on "Lease Terminations").

Chapter 13

LEASE TERMINATIONS

[24 CFR 966.4]

INTRODUCTION

The PHA may terminate tenancy for a family because of the family's action or failure to act in accordance with HUD regulations [24 CFR 966.4 (l)(2)], and the terms of the lease. This Chapter describes the PHA's policies for notification of lease termination and provisions of the lease.

A. TERMINATION BY TENANT

The tenant may terminate the lease by providing the PHA with a written 30-day (plus one day) advance notice as defined in the lease agreement.

B. TERMINATION BY PHA

Termination of tenancy will be in accordance with the PHA's lease.

The public housing lease is automatically renewable, EXCEPT the public housing lease shall have a 12-month term for community service and will not be renewed in the case of noncompliance with the community service requirements. See Chapter on Community Service.

A victim of domestic violence, dating violence, and stalking will not be subject to lease termination for criminal activities, unless the violent acts can be demonstrated by the PHA or manager to pose an actual and imminent threat to other tenants if that tenant is not evicted. The lease agreement may be bifurcated to allow a resident perpetrator to be evicted, while allowing the victim to remain in the unit.

The lease may be terminated by the PHA at any time by giving written notice for serious or repeated violation of material terms of the lease, such as, but not limited to the following:

Nonpayment of rent or other charges due under the lease, or repeated late payment of rent;

Failure to provide timely and accurate statements of income, assets, expenses and family composition at Admission, Interim, Special or Annual Rent Recertifications;

Assignment or subleasing of the premises or providing accommodation for boarders or lodgers;

Use of the premises for purposes other than solely as a dwelling unit for the Tenant and Tenant's household as identified in this lease, or permitting its use for any other purposes;

Failure to abide by necessary and reasonable rules made by the PHA for the benefit and well being of the housing project and the Tenants;

Failure to abide by applicable building and housing codes, materially affecting health or safety;

Failure to dispose of garbage waste and rubbish in a safe and sanitary manner;

Failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning and other equipment, including elevators, in a safe manner;

Acts of destruction, defacement or removal of any part of the premises, or failure to cause guests to refrain from such acts;

Failure to pay reasonable charges (other than for normal wear and tear) for the repair of damages to the premises, project buildings, facilities, equipment, or common areas; or

Violation of the requirement for the Tenant, any member of the Tenant's household, or a guest not to engage in criminal activity, including drug-related criminal activity, *on or off* public housing premises (as defined in the lease), while the Tenant is a Tenant in public housing, and such criminal activity shall be cause for termination of tenancy. The term "drug-related criminal activity" means the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use, a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

Any other person under the tenant's control shall not engage in such activity on public housing premises.

If contraband or a controlled substance is seized on the above premises, incidental to a lawful search or arrest, the PHA will be notified by the County Attorney's Office that it is to bring an unlawful detainer action against that Tenant. The PHA will then commence unlawful detainer procedures to terminate the Lease.

Alcohol abuse that the PHA determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Non-compliance with Non-Citizen Rule requirements.

Failure of a family member to comply with community service provisions, as grounds only for non-renewal of the lease and termination of tenancy at the end of the 12-month lease term;

Discovery after admission of facts that made the tenant ineligible;

Discovery of material false statements or fraud by the tenant in connection with an application for assistance or with reexamination of income;

Failure to accept the PHA's offer of a lease revision to an existing lease that is on a form adopted by the PHA in accordance with HUD regulations, with written notice of the offer of the revision at least 60 calendar days before the lease revision is scheduled to take effect; and with the offer specifying a reasonable time limit within that period for acceptance by the family.

Other good cause.

C. NOTIFICATION REQUIREMENTS

The PHA's written Notice of Lease Termination will state the reason for the proposed termination, the date that the termination will take place, and it will offer the resident all of the rights and protections afforded by the regulations and this policy. (See Chapter on Complaints, Grievances and Hearings.)

Notices of lease termination shall be in writing and delivered to tenant or adult member of the household or sent by first class mail properly addressed to the tenant, return receipt requested.

The return of the certified mail receipt, whether signed or unsigned, shall be considered to be proof that the resident received proper notification.

Disclosure of Criminal Records to Family

Before the PHA terminates the lease based on a criminal conviction record, the tenant and subject of record will be provided information regarding his/her criminal record. Tenants may dispute the accuracy and relevance of that record at the grievance hearing or court hearing.

Timing of the Notice

If the PHA terminates the lease, written notice will be given as follows:

At least 14 calendar days prior to termination in the case of failure to pay rent;

A reasonable time, according to State law, considering the seriousness of the situation but not to exceed 30 days:

If the health or safety of other residents, PHA employees, or persons residing in the immediate vicinity of the premises is threatened; or

If any member of the household has engaged in any drug-related criminal activity or violent criminal activity; or

If any member of the household has been convicted of a felony.

At least 30 days prior to termination in all other cases.

The PHA shall notify the Post Office that mail should no longer be delivered to the person who was evicted for criminal activity, including drug-related criminal activity.

Criminal Activity

The PHA will immediately terminate tenancy of persons convicted of manufacturing or producing methamphetamine on the premises of the assisted housing project in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.

The PHA will terminate assistance of participants in cases where the PHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or engages in drug-related or other criminal activity. The same will apply if it is determined that the person abuses alcohol in a way that interferes with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the PHA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The PHA will consider the use of a controlled substance or alcohol to be a *pattern* if there is more than one incident during the previous 12 months.

"Engaged in or engaging in or recent history of" drug related criminal activity means any act within the past five years by applicants or participants, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

"Engaged in or engaging in or recent history of" criminal activity means any act within the past five years by applicants or participants, household members, or guests which involved criminal activity that would threaten the health, safety or right to peaceful enjoyment of the public housing premises by other residents or employees of the PHA, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

The PHA will not waive this policy.

D. RECORD KEEPING

A written record of every termination and/or eviction shall be maintained by the PHA at

the development where the family was residing, and shall contain the following information:

Name of resident, number and identification of unit occupied;

Date of the Notice of Lease Termination and any other notices required by State or local law; these notices may be on the same form and will run concurrently;

Specific reason(s) for the Notices, citing the lease section or provision that was violated, and other facts pertinent to the issuing of the Notices described in detail

Date and method of notifying the resident;

Summaries of any conferences held with the resident including dates, names of conference participants, and conclusions.

Records for persons whose leases were terminated for any reason will be kept by the PHA indefinitely.

E. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS

If the PHA determines that a family member has knowingly permitted an ineligible individual to reside in the family's unit on a permanent basis, without the permission of the PHA, the family's lease will be terminated for allowing an unauthorized person to reside in the unit. This provision does not apply to a family if the eligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

Chapter 14

COMPLAINTS, GRIEVANCES AND APPEALS

[24 CFR Part 966 Subpart B]

INTRODUCTION

The informal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision, or inaction of the PHA. This Chapter describes the policies to be used when families disagree with a PHA decision. It is the policy of the PHA to ensure that all families have the benefit of all protections due to them under the law.

Grievances shall be handled in accordance with the PHA's approved Grievance Procedures. The written grievance procedure is incorporated into this document by reference and is the guideline to be used for grievances and appeals.

A. COMPLAINTS

The PHA will respond promptly to all complaints.

Each complaint regarding physical condition of the units may be reported by phone to the Property Manager.

Complaints from families. If a family disagrees with an action or inaction of the PHA, complaints will be referred to the Property Manager. Complaints regarding physical condition of the units may be reported by phone to the Property Management Supervisor.

Complaints from staff. If a staff person reports a family is violating or has violated a lease provision or is not complying with program rules, the complaints will be referred to the Chief.

Complaints from the general public. Complaints or referrals from persons in the community in regard to the PHA or a family will be referred to the Chief, designee or Fraud Hotline.

Anonymous complaints will be checked whenever possible.

B. APPEALS BY APPLICANTS

Applicants who are determined ineligible, who do not meet the PHA's admission standards, or where the PHA does not have an appropriate size and type of unit in its inventory will be given written notification promptly, including the reason for the determination.

Ineligible applicants will be promptly provided with a letter detailing their individual status, stating the reason for their ineligibility, and offering them an opportunity for an informal hearing.

Applicants must submit their request for an informal review in writing to the PHA within 14 working days from the date of the notification of their ineligibility.

If the applicant requests an informal review, the PHA will provide an informal hearing within 30 working days of receiving the request. The PHA will notify the applicant of the place, date, and time.

Informal hearings will be conducted by an impartial hearing officer. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility or a subordinate of that person.

The applicant may bring to the hearing any documentation or evidence s/he wishes and the evidence along with the data compiled by the PHA will be considered by the hearing officer.

Within 30 working days, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

The grievance procedures for Public Housing tenants do not apply to PHA determinations that affect applicants.

C. APPEALS BY TENANTS

Grievances or appeals concerning the obligations of the tenant or the PHA under the provisions of the lease shall be processed and resolved in accordance with the Grievance Procedure of the PHA, which is in effect at the time such grievance or appeal arises.

(See the PHA's Grievance Procedure contained in this chapter.)

D. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the PHA hearing is pending but assistance to an applicant may be delayed pending the PHA hearing.

INS Determination of Ineligibility

If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the PHA notifies the applicant or tenant within 10 days of their right to appeal to the INS within 30 days or to request an informal hearing with the PHA, either in lieu of, or subsequent to the INS appeal.

If the family appeals to the INS, they must give the PHA a copy of the appeal and proof of mailing or the PHA may proceed to deny or terminate. The time period to request an appeal may be extended by the PHA for good cause.

The request for a PHA hearing must be made within 14 days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within 14 days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in the "Grievance Procedures" section of this chapter for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the PHA will:

Deny the applicant family.

Terminate the participant.

If there are eligible members in the family, the PHA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or terminated for failure to provide.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible, or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above), the family is entitled to a hearing based on the right to a hearing regarding determinations of Tenant Rent and Total Tenant Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

E. GRIEVANCE PROCEDURES

See the Public Housing Lease Attachment B.

Any criminal activity that resulted in felony conviction of a household member.

Chapter 15

FAMILY DEBTS TO THE PHA

INTRODUCTION

This Chapter describes the PHA's policies for the recovery of monies, which have been underpaid by families. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the PHA's policy to meet the informational needs of families, and to communicate the program rules in order to avoid family debts. Before a debt is assessed against a family, the file must contain documentation to support the PHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for hearing by the family or other interested parties.

When families owe money to the PHA, the PHA will make every effort to collect it. The PHA will use a variety of collection tools to recover debts including, but not limited to:

- Requests for lump sum payments;

- Civil suits;

- Payment agreements;

- Collection agencies;

- Credit bureaus;

- Income tax set-off programs;

A. PAYMENT AGREEMENT FOR FAMILIES

A Payment Agreement as used in this Plan is a document entered into between the PHA and a person who owes a debt to the PHA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of payment, any special provisions of the agreement, and the remedies available to the PHA upon default of the agreement.

The maximum length of time the PHA will enter into a payment agreement with a family is one year. However, if the payment plan is not affordable to the family, the Chief may grant extensions of longer duration.

Late Payments

A payment will be considered to be in arrears if:

The payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's payment agreement is in arrears, the PHA will:

Require the family to pay the balance in full.

If the family requests a transfer to another unit and has a payment agreement in place and the payment agreement is not in arrears:

The family will be required to pay the balance in full prior to the unit transfer.

Payment Schedule for Monies Owed to the PHA

Initial Payment Due will be 10% of the total amount owed.

There are some circumstances in which the PHA will not enter into a payment agreement. They are:

If the family already has a payment agreement in place.

If the PHA determines that the family has committed program fraud or failed to provide true and complete information

If the PHA determines that the debt, due to fraud or failure to report income, is so large that it would take more than one year to repay.

Guidelines for Payment Agreements

Payment agreements will be executed between the PHA and the head of household and spouse.

Monthly payments may be decreased in cases of hardship with the prior notice of the family, verification of the hardship, and the approval of the Chief.

No transfer will be approved until the debt is paid in full unless the transfer is the result of the following causes, and the payment agreement is current:

Family size exceeds the maximum occupancy guidelines.

A natural disaster.

Additional Monies Owed

If the family has a payment agreement in place and incurs an additional debt to the PHA:

The PHA will not enter into more than one payment agreement at a time with the same family.

B. DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION.

HUD's definition of program fraud and abuse is a single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead.

Non-reporting of information is the failure to fully and/or accurately report true and complete information regardless of whether this failure was deliberate.

Family Error/Late Reporting

Families who owe money to the PHA due to the family's failure to report increases in income will be required to repay in accordance with the guidelines in the Payment Section of this Chapter.

Program Fraud

Families who owe money to the PHA due to program fraud will be required to repay in accordance with the guidelines in Section A of this Chapter.

If a family owes an amount, which equals or exceeds \$5,000 as a result of program fraud, the lease will be terminated and the case will be referred to the Inspector General. Where appropriate, the PHA will refer the case for criminal prosecution.

Payment Procedures for Program Fraud

Families who commit program fraud or untimely reporting of increases in income will be subject to the following procedures:

The maximum time period for a payment agreement will be 12 months.

The PHA may take terminate the family's lease as a result of fraud

C. WRITING OFF DEBTS

Debts may be written off by the Director of HCD when determined uncollectable. In determining whether a debt is uncollectable several factors will be considered including the following:

Whether the debtor's whereabouts are unknown and the debt is more than one year old.

Whether the debtor is judgment proof.

Whether the debtor is deceased.

The debtor is confined to an institution indefinitely.

The amount is less than \$250 and the debtor cannot be located.

However, the PHA will maintain records of the debt until paid and the family is ineligible to receive assistance in any Federally funded housing program while the debt remains.

Chapter 16

COMMUNITY SERVICE

[24 CFR Part 960 Subpart F and 24 CFR 903.7(l)]

INTRODUCTION

A. REQUIREMENT

Each adult resident of the PHA shall:

Contribute eight hours per month of community service (not including political activities) within the community in which that adult resides; or

Participate in an economic self-sufficiency program (defined below) for eight hours per month; or

Perform eight hours per month of combined activities (community service and economic self-sufficiency program)

B. EXEMPTIONS

The PHA shall provide an exemption from the community service requirement for any individual who:

Is 62 years of age or older;

Is a blind or disabled individual, as defined under section 216[i][I] or 1614 of the Social Security Act, and who is unable to comply with this section, or is a primary caretaker of such individual;

Is engaged in a work activity as defined in section 407[d] of the Social Security Act;

Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located, including a State-administered welfare-to-work program; or

Is in a family receiving assistance under a State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State in which the public housing agency is located, including a State-administered welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such program.

The PHA will re-verify exemption status annually, except in the case of an individual who is 62 years of age or older.

The PHA will permit residents to change exemption status during the year if status changes.

C. DEFINITION OF ECONOMIC SELF-SUFFICIENCY PROGRAM

For purposes of satisfying the community service requirement, participating in an economic self-sufficiency program is defined, in addition to the exemption definitions described above, by HUD as: Any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families.

These economic self-sufficiency programs can include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

In addition to the HUD definition above, the PHA definition includes any of the following:

Participating in the Family Self-Sufficiency Program and being current in the steps outlined in the Individual Training and Services Plan.

Participating in the Family Self-Sufficiency Program and attending at least three FSS events annually.

Other activities as approved by the PHA on a case-by-case basis.

The PHA will give residents the greatest choice possible in identifying community service opportunities.

The PHA will consider a broad range of self-sufficiency opportunities.

D. ANNUAL DETERMINATIONS

For each public housing resident subject to the requirement of community service, the PHA shall, at least 30 days before the expiration of each lease term, review and determine the compliance of the resident with the community service requirement.

Such determination shall be made in accordance with the principles of due process and on a nondiscriminatory basis.

The PHA will verify compliance annually. If qualifying activities are administered by an organization other than the PHA, the PHA will obtain verification of family compliance from such third parties.

Family members will not be permitted to self-certify that they have complied with community service requirements.

E. NONCOMPLIANCE

If the PHA determines that a resident subject to the community service requirement has not complied with the requirement, the PHA shall notify the resident of such noncompliance, and that:

The determination of noncompliance is subject to the administrative grievance procedure under the PHA's Grievance Procedures; and

Unless the resident enters into an agreement to comply with the community service requirement, the resident's lease will not be renewed; and

The PHA may not renew or extend the resident's lease upon expiration of the lease term and shall take such action as is necessary to terminate the tenancy of the household, unless the PHA enters into an agreement with the resident before the expiration of the lease term, providing for the resident to cure any noncompliance with the community service requirement by participating in an economic self-sufficiency program for, or contributing to, community service as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease.

The head of household and the noncompliant adult must sign the agreement to cure.

Ineligibility for Occupancy for Noncompliance

The PHA shall not renew or extend any lease, or provide any new lease, for a dwelling unit for any household that includes an adult member who was subject to the community service requirement and failed to comply with the requirement.

F. PHA RESPONSIBILITY

The PHA will ensure that all community service programs are accessible for persons with disabilities.

The PHA will ensure that:

The conditions under which the work is to be performed are not hazardous;

The work is not labor that would be performed by the PHA's employees responsible for essential maintenance and property services; or

The work is not otherwise unacceptable.

G. PHA IMPLEMENTATION OF COMMUNITY SERVICE REQUIREMENT

The PHA will administer its own community service program, with cooperative relationships with other entities.

Chapter 17

PROGRAM REVIEW ADDENDUM

INTRODUCTION

The U.S. Department of Housing and Urban Development (HUD) conservatively estimates that 600 million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental subsidy than they are entitled to under the law. HUD further estimates that 12% of all HUD-assisted families are either totally ineligible or are receiving benefits that exceed their legal entitlement. The PHA is committed to assure that the proper level of benefits is paid to all tenants and that housing resources reach only income-eligible families so that program integrity can be maintained.

The PHA will take all steps necessary to prevent fraud, waste, and mismanagement so that program resources are utilized judiciously.

This chapter outlines the PHA's policies for the prevention, detection and investigation of program abuse and tenant fraud.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will the PHA undertake an inquiry or an audit of a tenant family arbitrarily. The PHA's expectation is that tenant families will comply with HUD requirements, provisions of the lease, and other program rules. The PHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the PHA has a responsibility to HUD, the community, and to eligible families in need of housing assistance to monitor tenants for compliance with their lease obligations and, when indicators of possible abuse come to the PHA's attention, to investigate such claims.

The PHA will initiate an investigation of a tenant family only in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips. The PHA will follow up on referrals received by mail, by telephone, or in person from other agencies, companies, or persons alleging that a tenant family is in noncompliance with or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the tenant file.

Internal File Review. A follow-up will be made if PHA staff discovers (as a function of a [re]certification, an interim redetermination, or a quality control review) information or facts that conflict with previous file data, the PHA's knowledge of the family, or statements made by the family.

Verification or Documentation. A follow-up will be made if the PHA receives independent verification or documentation that conflicts with representations in the tenant file (such as public record information or reports from credit bureaus or other agencies).

B. STEPS THE PHA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

The management and occupancy staff will utilize various methods and practices (listed below) to prevent program abuse, noncompliance, and willful violations of program rules by applicants and tenant families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by tenant families.

Things You Should Know (HUD-1140-OIG). This program integrity bulletin (created by HUD's inspector general) will be furnished and explained to all applicants to promote understanding of program rules and to clarify the PHA's expectations for cooperation and compliance.

Program Orientation Session. Mandatory orientation sessions will be conducted by the site manager for all prospective tenants either prior to or upon execution of the lease. At the conclusion of all program orientation sessions, the family representative will be required to sign a program-briefing certificate to confirm that all rules and pertinent regulations were explained to them.

Resident Counseling. The PHA may routinely provide tenant counseling as a part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Review and Explanation of Forms. Staff may explain all required forms and review the contents of all (re)certification documents prior to signature.

Use of Instructive Signs and Warnings. Instructive signs may be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

Tenant Certification. All family representatives will be required to sign a tenant certification form.

C. STEPS THE PHA WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

The PHA Staff will maintain a high level of alertness to indicators of possible abuse and fraud by assisted families.

Quality Control File Reviews. Prior to initial certification and at the completion of all subsequent recertifications, each tenant file will be reviewed. At a minimum, such reviews shall examine:

Changes in reported Social Security numbers or dates of birth

Authenticity of file documents

Ratio between reported income and expenditures

Consistency of signatures with previously signed file documents

Observation. The PHA management and occupancy staff (to include maintenance personnel) will maintain high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

Public Record Bulletins. These bulletins may be reviewed by management and staff.

State Wage Data Record Keepers. Inquiries to state wage and employment record-keeping agencies, as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.

Credit Bureau Inquiries. Credit bureau inquiries may be made (with proper authorization by the tenant) in the following circumstances:

At the time of final eligibility determination

When an allegation is received by the PHA wherein unreported income sources are disclosed.

When a tenant's expenditures exceed his/her reported income and no plausible explanation is given.

D. THE PHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

The PHA staff will encourage all tenant families to report suspected abuse to the Program Review Division. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the tenant file. All allegations, complaints, and tips will be carefully evaluated to determine whether they warrant follow-up. Program Review will not follow up on allegations that are vague or otherwise non-specific. They will only review allegations that contain one or more independently verifiable fact(s).

File Review. An internal file review will be conducted to determine if the subject of the allegation is a tenant of the PHA and, if so, whether the information reported has been previously disclosed by the family. The PHA will then determine whether it is the most appropriate authority to do a follow-up (as compared to police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review. If at the conclusion of the preliminary file review there are facts contained in the allegation that conflict with file data and that are independently verifiable, the Housing Specialist will initiate an investigation to determine if the allegation is true or false.

E. HOW THE PHA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If the PHA determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file or a person designated by the Executive Director to monitor program compliance will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include the items listed below. In all cases, the PHA will secure the written authorization from the program participant for the release of information.

Credit Bureau Inquiries. In cases involving previously unreported income sources, a credit bureau inquiry may be made to determine whether the financial activity of a family conflicts with the family's reported income.

Verification of Credit. In cases where the financial activity conflicts with file data, a verification of credit form may be mailed to the creditor to determine the source of unreported income.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages that may have been previously undisclosed or misreported.

Witnesses. Neighbors and/or other witnesses who are believed to have direct or indirect knowledge of facts pertaining to the PHA's review may be interviewed.

Other Agencies. Investigators, caseworkers, or representatives of other benefit agencies may be contacted.

Public Records. The PHA will review any relevant public records kept in a jurisdictional courthouse. Examples of public records that may be checked are real estate records, marriage and divorce records, uniform commercial code financing statements, voter registration rolls, judgments, court or police records, state wage records, utility records, and postal records.

Interviews with Head of Household or Family Members. The PHA will discuss the allegation (or details thereof) with the head of household or family members by scheduling appointments at the appropriate PHA office. A high standard of courtesy and professionalism will be maintained by the PHA staff person who conducts such interviews. Under no circumstances will inflammatory language, accusations, or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

F. PLACEMENT OF DOCUMENTS, EVIDENCE, AND STATEMENTS OBTAINED BY THE PHA

Documents and other evidence obtained by the PHA during the course of an investigation will be considered "work product" and will be kept either in the tenant file or in a separate "work file." In either case, the tenant file or work file will be kept in a secure area. Such cases under review will be discussed only among PHA staff who are involved in the process or have information that may assist in the investigation.

G. CONCLUSION OF THE PHA'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the executive director or designee. It will then be determined whether the facts are conclusive and, if so, whether a violation has or has not occurred.

H. EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the PHA will review the facts to determine:

What type of violation has occurred (procedural noncompliance or fraud).

Whether the violation was intentional or unintentional.

What amount of money (if any) is owed by the tenant.

Whether the family is eligible for continued occupancy.

I. ACTION PROCEDURES FOR VIOLATIONS THAT HAVE BEEN DOCUMENTED

Once a program violation has been documented, the PHA will propose the most appropriate remedy based upon the type and severity of the violation.

Procedural Noncompliance

This category applies when the tenant "fails to" observe a procedure or requirement of the PHA but does not misrepresent a material fact and there is no retroactive rent owed by the family. Examples of noncompliance violations are:

Failure to appear at a prescheduled appointment.

Failure to return verification in the time period specified by the PHA.

Warning Notice to the Family. In such cases a notice containing the following will be sent to the family:

A description of the noncompliance and the procedure, policy, or obligation that was violated.

The date by which the violation must be corrected or the procedure complied with.

The action that will be taken by the PHA if the procedure or obligation is not complied with by the date specified by the PHA.

The consequences of repeated (similar) violations.

Procedural Noncompliance - Retroactive Rent

When the tenant owes money to the PHA for failure to report changes in income or assets, the PHA will issue a notice of underpaid rent. This notice will contain the following:

A description of the violation and the date(s).

Any amounts owed to the PHA.

The number of days within which a response must be received.

Acknowledgment of the tenant's right to disagree and to request an informal hearing, along with instructions for requesting such a hearing.

Tenant Fails to Comply with PHA's Notice. If the tenant fails to comply with the PHA's notice and a material provision of the lease has been violated, the PHA will initiate termination of tenancy.

Tenant Complies with PHA's Notice. When a tenant complies with the PHA's notice the staff person responsible will meet with him/her to explain and discuss the obligation or lease provision that was violated. The staff person will complete a tenant counseling report, give one copy to the family, and retain a copy in the tenant file.

Intentional Misrepresentations

When a tenant falsifies, misstates, omits, or otherwise misrepresents a material fact that results (or would result) in an underpayment of rent by the tenant, the PHA will evaluate whether or not:

The tenant had knowledge that his/her actions were wrong.

The tenant willfully violated the lease or the law.

Knowledge. This will be evaluated by determining whether the tenant was made aware of program requirements and prohibitions. The tenant's signature on various certifications, the briefing certificate, and the personal declaration are adequate to establish knowledge of wrongdoing.

Willful Intent. Any of the following circumstances will be considered adequate to demonstrate willful intent:

An admission by the tenant of the misrepresentation.

Repetition of the misrepresentation.

Use of a false name or Social Security number.

Admission of the illegal action or omission by the tenant to others.

Omission of material facts known to the tenant (e.g., employment of the tenant or other household member).

Falsification, forgery, or altering of documents.

Uttering and certifying to statements at a rent (re)determination that are later independently verified to be false.

The Tenant Conference for Serious Violations and Misrepresentations

When the PHA has established that a material misrepresentation has occurred, a tenant conference will be scheduled with the family representative and the PHA staff person who is most knowledgeable about the circumstances of the case.

This conference will take place prior to any proposed action by the PHA. The purpose of such a conference is to review the information and evidence obtained by the PHA with the tenant, and to give the tenant an opportunity to explain any document findings that conflict with representations in the tenant file. Any documents or mitigating circumstances presented by the tenant will be taken into consideration by the PHA. The tenant will be given 14 days to furnish any mitigating evidence.

A secondary purpose of the tenant conference is to assist the PHA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the PHA may consider:

The duration of the violation.

The number of false statements.

The tenant's ability to understand the rules.

The tenant's willingness to cooperate and to accept responsibility for his/her actions.

The amount of money involved.

The tenant's history.

The presence or absence of criminal intent.

Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover monies owed, the PHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Criminal Prosecution: If the PHA has established criminal intent and the case meets the criteria for prosecution, the PHA may:

Refer the case to the local state or district attorney, notify HUD's regional inspector general for investigation (RIGI), and terminate rental assistance.

Administrative Remedies: The PHA may:

Terminate tenancy and demand restitution in full.

Terminate tenancy and execute an administrative repayment agreement in accordance with the PHA's repayment policy.

Terminate tenancy and pursue restitution through civil litigation.

Permit continued occupancy at the correct rent and execute an administrative repayment agreement in accordance with the PHA's repayment policy.

Notification to Tenant of Proposed Action

The PHA will notify the tenant of the proposed action by certified mail, with a return receipt, no later than 30 days after the tenant conference.

When the HACSD is required to afford the Resident the opportunity for a grievance hearing, the notice shall also inform the Resident of the Resident's right to request a hearing in accordance with the HACSD's grievance procedure.
 - E. When the HACSD is required to afford the Resident the opportunity for hearing under the HACSD's grievance procedure for a grievance concerning the Lease termination, the residency shall not terminate (even if any notice to vacate has expired) until the time for the Resident to request a grievance hearing has expired, and (if a hearing was requested in a timely manner by the Resident) the grievance process has been completed.

The Resident shall be allowed to copy any such documents, records, and regulations at the Resident's expense. If the HACSD does not make documents available for examination upon request by the Resident in accordance with this, HACSD may not proceed with the eviction.

27. **DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING:** The following provisions are applicable to situations involving incidents involving actual or threatened domestic violence, dating violence, or stalking, as those terms are defined in Section 6(u)(3) of the United States Housing Act of 1937, as amended, (42 U.S.C. §1437d(u)(3)) and in the Housing Authority of the County of San Diego Violence Against Women Act (VAWA) Policy. To the extent any provision of this section shall vary from or contradict any other provision of the lease, the provisions of this section shall prevail.

A. Termination of tenancy.

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking shall not constitute a serious or repeated violation of the lease by the victim of such violence; and
2. Criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of the tenant's household, a guest, or other person under the tenant's control, shall not be cause for termination of tenancy or occupancy rights, if the Tenant or any member of the Tenant's family is a victim of that domestic violence, dating violence, or stalking.
3. Notwithstanding anything to the contrary contained in paragraphs A.1. and A.2. above, the Housing Authority of the County of San Diego may terminate Tenant's tenancy under

this lease if it can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the development in which the unit is located.

4. Further, nothing in this section shall prohibit the Housing Authority of the County of San Diego from terminating tenancy under this lease based on a violation of this lease not premised on an act or acts of domestic violence, dating violence, or stalking against the tenant or a member of the tenant's household for which protection against termination of tenancy is given in paragraphs A.1. and A.2. above.
 5. The Housing Authority of the County of San Diego may evict a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the Housing Authority of the County of San Diego does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than is applied in other situations in determining whether to evict or terminate. A victim tenant who allows a perpetrator to violate a court order relating to the act or acts of violence is subject to eviction. A victim tenant who allows a perpetrator who has been barred from Housing Authority of the County of San Diego property to come onto Housing Authority of the County of San Diego property, including but not limited to the victim's apartment and any other area under the victim tenant's control, is subject to eviction.
 6. None of these provisions shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault, or stalking.
- B. Bifurcation of Lease. Under the authority provided in Section 6(l)(6)(B) of the United States Housing Act of 1937, as amended (42 U.S.C. §1437d(l)(6)(B)), the Housing Authority of the County of San Diego may bifurcate the lease in order to evict, remove, or terminate assistance to any individual who is a Tenant or a lawful occupant under this lease and who engages in criminal acts of physical violence against family members or others. The Housing Authority of the County of San Diego may take such action without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such violence who is the Tenant or a lawful occupant under this lease.
- C. Certification. If the Tenant or a lawful occupant, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, the Housing Authority of the County of San Diego will request the individual to deliver to the Housing Authority of the County of San Diego a certification. The certification may be delivered in one of the following forms:
1. A HUD-approved form attesting that the individual is a victim of domestic violence, dating violence, or stalking and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements of this section, or
 2. Documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation, or
 3. A federal, State, tribal, or local police report or court record, describing the incident or incidents in question.

The certification must be delivered to the Housing Authority of the County of San Diego within 14 days after the request for certification is received from the Housing Authority of the County of San Diego. If the certification is not delivered to the Housing Authority of the County of San Diego within the 14-day period allowed, the provisions of this section will not apply and the Housing Authority of the County of San Diego may elect to terminate tenancy and evict without regard to the protections provided in this section.

- D. Confidentiality. The law requires that information provided to the Housing Authority of the County of San Diego concerning an incident of incidents of domestic violence, dating violence, or stalking be retained in confidence, not placed in any shared data base nor provided to a related entity, except to the extent disclosure requested or consented to by the individual supplying such information, or required for use in an eviction proceeding, or otherwise required by applicable law.

Definitions. The following definitions apply to this Lease Amendment:

“Domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitation with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under domestic or family violence laws, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws;

“Dating violence” is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship;

“Stalking” is defined as following, pursuing, or repeatedly committing acts with the intent to kill, injure, harass, or intimidate another person; or placing under surveillance with the intent to kill, injure, harass, or intimidate another person; and, in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, placing a person in reasonable fear of the death of, or serious bodily injury to, or causing substantial emotional harm to that person; a member of the immediate family of that person; or the spouse or intimate partner of that person.

“Bifurcate” is defined, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

“Smoking” is defined as inhaling, exhaling, breathing, carrying, or possessing any lighted cigar, cigarette, pipe, other tobacco product or similar lighted product in any manner or in any form.

B. **Informal Conference**

If the grievance is not determined by the HACSD to fall within one of the two exclusions mentioned in section 2A(1) and 2A(2) above, then the HACSD shall within five business days, after the initial presentation of the grievance, informally discuss the grievance with the Complainant or his representatives in an attempt to settle the grievance without the necessity of a hearing. If the informal conference cannot occur at the time the grievance is initially presented by the Complainant, then the Complainant shall be promptly notified in writing of the time and place for the informal conference.

C. **Written Summary**

Within 30 business days after the informal conference, a summary of the discussion shall be prepared by the HACSD and a copy thereof shall be provided to the Complainant. Complainant's written request for a grievance hearing must specify:

- (1) The reason(s) for the grievance; and
- (2) The action or relief sought by the Complainant; and
- (3) If the Complainant so desires, a statement setting forth the times at which the Complainant shall be available for a hearing during the next 30 business days; and
- (4) If the Complainant has failed to attend an informal conference, a request that the hearing officer or panel waive this requirement.
- (5) Complainant must inform and request arrangements to accommodate a handicap prior to the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

If the Complainant fails to request a hearing within 14 business days after receiving the written summary of the informal conference, the HACSD's decision rendered at the informal conference becomes final and the HACSD is not thereafter obligated to offer the Complainant a hearing.

B. Selection of Hearing Officer or Panel

A grievance hearing shall be conducted by an impartial person or persons appointed by the HACSD, other than a person who made or approved the HACSD action under review or a subordinate of such person.

- (1) The HACSD shall appoint a person or persons (who may be an officer or employee of the HACSD).

- (2) The HACSD may consult with resident organizations before the appointment of each hearing officer or panel member. Any comments or recommendations submitted by the tenant organizations shall be considered by the HACSD before the appointment.

C. Scheduling of Hearings

- (1) **Hearing Prerequisites:** A Complainant does not have the right to a grievance hearing unless the Complainant has satisfied the following prerequisites to such a hearing:
 - a. The Complainant has requested a hearing in writing.
 - b. The Complainant has completed the informal conference procedure or has requested a waiver for good cause.
 - c. If the matter involves the amount of rent which the HACSD claims is due under the Complainant's lease, the Complainant shall have paid to the HACSD an amount equal to the amount due and payable as of the first of the month preceding the month in which the complained of act or failure to act took place. And, in the case of situations in which reviews are for any reason delayed, the Complainant shall thereafter deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the hearing officer or hearing panel. Unless waived by the HACSD in writing, no waiver shall be given by the HACSD except in cases of extreme and undue hardship to the Complainant, determined in the sole and absolute discretion of the HACSD.
- (2) **Time, Place and Notice:** Upon Complainant's compliance with the prerequisites to the review set forth above, and unless there are extenuating circumstances, a review shall be scheduled by the hearing officer for a time not less than seven (7) business days, nor more than 30 business days after the Complainant has completed such compliance.

A written notice specifying the time, place, and the procedures governing the hearing shall be delivered to the Complainant and the HACSD.

SECTION 6. PROCEDURES GOVERNING HEARINGS

A. Hearing

The hearing shall be held before a hearing officer or hearing panel as described above in Section 5. The Complainant shall be afforded a fair hearing, which shall include:

- (1) The opportunity to examine before the hearing any HACSD documents, including records and regulations that are directly relevant to the hearing.

The Complainant shall be allowed to copy any such document at no expense. If the HACSD does not make the document available for examination upon request by the complainant, the HACSD may not rely on such document at the grievance hearing.

- (2) The right to be represented by counsel or other person chosen as the Complainant's representative and to have such person makes statements on the Complainant's behalf.
- (3) The right to a private hearing unless the Complainant requests a public hearing. The right to present evidence and arguments in support of the Complainant's complaint, to controvert evidence relied on by HACSD and to confront and cross examine witnesses upon whose testimony or information the HACSD relies; and
- (4) A decision based solely and exclusively upon the facts presented at the hearing.

B. Prior Decision in Same Matter

The hearing officer or panel may render a decision without proceeding with the hearing if they determine that the issue has been previously decided in another proceeding.

C. Failure to Appear

If the Complainant or HACSD fails to appear at a scheduled hearing, the hearing officer/panel will make a determination that the party failing to attend has waived the right to a hearing. In such event, the hearing officer shall notify the Complainant and the HACSD of the determination. A complainant may be allowed to reschedule a hearing for a documented emergency.

The failure to attend a grievance hearing shall not constitute a waiver of any right the Complainant may have to contest the HACSD's disposition of the grievance in an appropriate judicial proceeding.

D. Required Showing of Entitlement to Relief

At the hearing, the Complainant must first make a showing of an entitlement to the relief sought and, thereafter, the HACSD must sustain the burden of justifying the HACSD's action or failure to act against which the complaint is directed.

E. Informality of Hearing

The hearing shall be conducted informally by the hearing officer or hearing panel, and oral or documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to a judicial proceeding.

F. Orderly Conduct Required

The hearing officer or hearing panel shall require the HACSD, the Complainant, counsel, and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer or hearing panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

G. Transcript or Audio Tape of Hearing

The Complainant may arrange in advance, and at the expense of the party making the arrangement, for a transcript or audio tape of the hearing. Any interested party may purchase a copy of such transcript or audiotape.

H. Accommodations to Handicapped Persons

The HACSD must provide reasonable accommodation for persons with disabilities to participate in grievance hearings. Complainant must inform and request arrangements to accommodate a handicap prior to the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

SECTION 7. DECISION OF THE HEARING OFFICER OR HEARING PANEL

At or subsequent to the completion of the grievance hearing, the hearing officer or panel shall make a determination as to the merits of the grievance and the following provisions shall govern:

A. Written Decision

The hearing officer or panel shall prepare a written decision, together with the reasons for the decision within 30 business days after the completion of the hearing.

- (1) A copy of the decision shall be sent to the Complainant and the HACSD. The HACSD shall retain a copy of the decision in the Complainant's Resident folder.
- (2) A copy of such decision, with all names and identifying references deleted, shall also be maintained on file by the HACSD and made available for inspection by any prospective Complainant, his representative, or hearing officer or hearing panel.

B. Binding Effect

The written decision of the hearing officer or panel shall be binding upon the HACSD, which shall take all actions, or refrain from any actions, necessary to carry out the decision unless the HACSD Chief decides, within a reasonable time, and properly notifies the Complainant of its determination, that:

- (1) The grievance does not concern an HACSD action or failure to act in accordance with or involving the Complainant's lease, or the HACSD's regulations, which adversely affect the Complainant's rights, duties, welfare or status, or
- (2) The decision of the hearing officer or panel is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the annual contributions contract between HUD and the HACSD

C. Continuing Right of Complainant to Judicial Proceedings

A decision by the hearing officer or panel or by HACSD Chief in favor of the HACSD or which denies the relief requested by the Complainant, in whole or in part, shall not constitute a waiver of, nor effect in any way the rights of the Complainant to a trial or judicial hearing in any judicial proceedings, which may thereafter be sought in the matter.

SECTION 8. NOTICES

All notices under this grievance shall be deemed delivered: (1) upon personal service therefore upon the Complainant or an adult member of the Complainant's household, (2) upon the date receipted for or refused by the addressee, in the case of certified or registered U.S. Mail, or (3) on the second day after the deposit thereof for mailing, postage prepaid, with the U.S. Postal Service, if mailed by first class mail, other than certified or registered mail.

If a Resident is visually impaired, any notice hereunder delivered to such Resident shall be in an accessible format.

SECTION 9. MODIFICATION

This grievance procedure may not be amended or modified except by approval of a majority of the Board of Commissioners of the HACSD, present at a regular meeting or a special meeting called for such purposes. Further, in addition to the forgoing, any changes proposed to be made to this grievance procedure must provide for at least 30 days advance notice to Residents and Resident organizations, setting forth the proposed changes and providing an opportunity to present written comments. The comments submitted shall be considered by the before final adoption of any amendments hereto.

SECTION 10. HOUSING AUTHORITY EVICTION ACTIONS

If a Resident has requested a hearing in accordance with Section 5 on a complaint involving a HACSD notice of termination of tenancy and the Hearing Officer or Hearing Panel upholds the HACSD's action to terminate the tenancy, the HACSD shall not commence an eviction action in a State or local court until it has served a notice to vacate on the Resident, and in no event shall the notice to vacate be issued prior to the decision of the Hearing Officer or the Hearing Panel having been mailed or delivered to the Complainant. Such notice to vacate must be in writing and specify that, if the Resident fails to quit the premises within the applicable statutory period, appropriate action shall be brought against him/her and he/she may be required to pay court costs and attorney fees.

STATEMENT OF POLICIES AND OBJECTIVES

The Section 8 Program was enacted as part of the Housing and Community Development Act (Act) of 1974, which re-codified the U.S. Housing Act of 1937. The Act has been amended from time to time, and its requirements, as they apply to the Section 8 Tenant-Based Assistance Program, are described, as implemented, throughout this Administrative Plan. The Section 8 rental assistance programs are federally funded and administered for the County of San Diego by the Housing Authority of the County of San Diego (HACSD). The current program that provides tenant-based assistance is entitled the Housing Choice Voucher Program.

Administration of the Section 8 Program and the functions and responsibilities of the housing staff shall be in compliance with the County of San Diego personnel policy and the Department of Housing and Urban Development's (HUD) Section 8 regulations as well as all federal, state and local fair housing laws and regulations.

JURISDICTION

The jurisdiction of the HACSD includes the cities of Chula Vista, Coronado, Del Mar, El Cajon, Escondido, Imperial Beach, La Mesa, Lemon Grove, Poway, San Marcos, Santee, Solana Beach, Vista, and the unincorporated county areas.

MISSION STATEMENT

The HCD Mission Statement:

Promoting safe, affordable housing opportunities and improved communities in the San Diego region.

HUD Mission Statement:

"To increase homeownership, support community development and increase access to affordable housing free from discrimination"

OTHER RENTAL ASSISTANCE PROGRAMS

In addition to the Housing Choice Voucher Rental Assistance Program, the HACSD operates the following housing assistance programs:

- Moderate Rehabilitation Program
- Mobilehome Demonstration Program
- Preservation/Enhanced Voucher Program
- Public Housing
- Housing Opportunities for Persons with AIDS (HOPWA)
- Shelter Plus Care (TRA)
- Redevelopment Local Rental Subsidy Program
- HOME Tenant Based Rental Assistance Programs
- Homeless Prevention and Rapid Re-Housing Program (HPRP)
- Veterans Affairs Supportive Housing (VASH)

These programs are administered in conformance with Section 8 rules and regulations, unless indicated otherwise in the special program plans or the specific program regulations and guidelines published by HUD. The HACSD Administrative Plan policies and procedures constitute the policies and practices for these special housing assistance programs.

CORE VALUES AND ETHICAL STANDARDS

All officers or employees of the HACSD will comply with the Code of Ethics of the County of San Diego, as well as those mandated under the Housing Choice Voucher Program. This includes compliance with the conflict of interest requirements of the Housing Choice Voucher Program under 24 CFR 982.161. The conflict of interest provision prohibits the PHA, or any of its contractors or subcontractors, from entering

into any contract or arrangement in connection with the tenant-based programs in which any of the following classes or persons have any interest, direct or indirect, during tenure or for one year thereafter. The classes or persons include: (1) any present or former member or officer of the PHA (except a participant commissioner); (2) any employee of the PHA, or any contractor or subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs; (3) any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs; and, (4) any member of the Congress of the United States. Any members of the classes described in this section must disclose their interest or prospective interest to the PHA and HUD. The HUD field office may waive for good cause the conflict of interest prohibition under this section.

All HACSD officers, employees, contractors, subcontractors or agents will comply with all requirements that prohibit the solicitation or acceptance of gifts or gratuities, in excess of a nominal value.

All HACSD officers, employees, contractors, subcontractors or agents will conduct business with integrity and in an honest and professional manner.

Any violations of code of ethics, core values and ethical standards policies will result in disciplinary action ranging from letter(s) of warning to termination of employment and/or contract. Opportunity may be offered, on a case-by-case basis, to correct a conflict of interest. Code of ethics, core values and ethical standards policies will be communicated to the above groups upon initial employment, prior to execution of a contract, and at least annually.

PURPOSE OF THE PLAN

[24 CFR 982.54]

The purpose of this Administrative Plan (Plan) is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives outlined in the agency plan. All pre-merger regular tenancy contracts, Housing Voucher contracts, and over fair market rent tenancy contracts have been transitioned to the Housing Choice Voucher Program as of October 1, 2001. This administrative plan is a supporting document to the HACSD agency plan, and is available for public review as required by CFR 24 Part 903.

The HACSD is responsible for complying with all changes in HUD regulations pertaining to the HUD programs it administers. If such changes conflict with this Plan, HUD regulations will have precedence. The HACSD Board of Commissioners must approve the original Plan, and any significant changes. The pertinent sections must be included in the agency plan with a copy provided to HUD.

Applicable regulations include:

24 CFR Part 5: General Program Requirements

24 CFR Part 8: Nondiscrimination

24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program

24 CFR 984: Family Self-Sufficiency Program

24 CFR 985: Section 8 Management Assessment Program (SEMAP)

Local rules incorporated in this Plan are intended to promote local housing objectives consistent with the intent of federal housing legislation.

ADMINISTRATIVE ERROR

If the HACSD discovers an administrative error that resulted in an underpayment of housing assistance payments, it will correct the error back to the previous action taken, and issue a payment to the owner or participant, if appropriate. If the HACSD discovers an administrative error resulted in an overpayment of assistance, the error will be corrected with a 30-day advance notice.

ADMINISTRATIVE FEE RESERVE

[24 CFR 982.155]

The HACSD must maintain an administrative fee reserve for the program to pay program administrative expenses in excess of administrative fees paid by HUD.

If the HACSD has not adequately administered any Section 8 program, HUD may prohibit use of funds in the administrative fee reserve and may direct the HACSD to use funds in the reserve to improve administration of the program or to reimburse ineligible expenses. HUD may also prohibit the use of funds for certain purposes.

HUD requires the PHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the administrative fee reserve without specific approval.

Expenditures from the administrative fee reserve will be made in accordance with all applicable Federal requirements. Expenditures from the administrative fee reserve will not exceed \$100,000 per occurrence without prior approval of the HACSD Board of Commissioners.

RULES AND REGULATIONS

[24 CFR 982.52]

This Plan defines the HACSD's local policies for operation of the housing programs in the context of federal laws and regulations. Generally, not fully addressed in this document are Section 8 issues governed by federal regulations, HUD memos, notices, guidelines, or other applicable law. If any issue is not found in this plan or

in the resources named above, the HACSD may address the issue with a policy notice to HACSD staff and post on the HACSD website, unless the new policy is a significant program change as defined in the Agency Plan. The policies in this Plan have been designed to ensure compliance with the consolidated annual contributions contract (ACC) and all HUD–approved applications for program funding.

TERMINOLOGY

The Housing Authority of the County of San Diego is referred to as the "HACSD" or "PHA" or "Housing Authority" throughout this document.

"Family" is used interchangeably with "Applicant" or "Participant" or "Tenant" or "Household" and can refer to a single person family.

"Tenant" is usually used to refer to participants in terms of their relation to landlords.

"Landlord" and "owner" are used interchangeably.

"Disability" is used where "handicap" was formerly used.

"Non-citizen Rule" refers to the regulation effective June 19, 1995, restricting assistance to U.S. citizens and eligible immigrants.

"HQS" means the Housing Quality Standards required by regulations as enhanced by the PHA.

"Failure to Provide" refers to all requirements of the Family Obligations of the program as outlined elsewhere in the Plan.

"Merger" date refers to October 1, 1999, which is the effective date of the merging of the Section 8 Certificate and Voucher programs into the Housing Choice Voucher Program.

See Glossary for other terminology.

FAIR HOUSING POLICY

The Housing Authority will fully comply with all federal, state and local nondiscrimination laws, rules and regulations governing fair housing and equal opportunity in housing and employment.

The HACSD will not deny any family or individual the equal opportunity to apply for or receive assistance under the Section 8 programs on the basis of race, color, sex,

religion, creed, national or ethnic origin, age, familial or marital status, disability, income source, or sexual orientation.

The PHA shall administer the program in compliance with the Violence Against Women Act (VAWA) and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162).

To further the HACSD commitment to full compliance with applicable civil rights laws, at the family briefing, the HACSD will provide federal/state/local information regarding unlawful discrimination, and any recourse to those who believe they are victims of a discriminatory act. All applicable fair housing information and discrimination complaint forms will be included in the voucher holder's briefing packet, and will be available upon request.

All HACSD staff members may be required to attend fair housing training. These employees, in the overall commitment to quality customer service, are informed of the importance of affirmatively furthering fair housing, providing equal opportunity to all families, and providing reasonable accommodations to persons with disabilities. Fair housing posters may be displayed throughout the Housing Authority office, including in the lobby and interview rooms, and in such a manner as to be readable from a wheelchair.

The equal opportunity logo will be used on all outreach materials. To keep current with new developments, staff may attend local fair housing update training sponsored by HUD or other organizations.

Except as otherwise provided in 8.21(c)(1), 8.24(a), 8.25, and 8.31 of the regulations, no individual with disabilities shall be denied the benefits of, or be excluded from participation in programs, or otherwise be subjected to discrimination because the HACSD's facilities are inaccessible to, or unusable by persons with disabilities.

The Housing Authority of the County of San Diego is accessible to persons with disabilities. The California Relay Service provides accessibility for the hearing impaired.

REASONABLE ACCOMMODATIONS POLICY

[24 CFR 8.4(b) (i), 8.24 and 8.33]

When a family member requires an accessible feature(s) or policy modification to accommodate a disability, PHAs must provide such feature(s) or policy modification unless doing so would result in a fundamental alteration in the nature of the program, or an undue financial and administrative burden. It is the policy of the HACSD to be service oriented, and to exercise and demonstrate a high level of

professionalism. The HACSD shall make reasonable accommodations, upon request, to the reported physical or mental limitations of an otherwise qualified person with disabilities.

A participant with a disability must ask for a specific change to a policy or practice as an accommodation of his or her disability before the HACSD will treat him or her differently than anyone else. The HACSD's policies and practices are designed to, upon request, provide reasonable accommodations to persons with disabilities, so they may fully access and utilize the housing program and related services. The availability of reasonable accommodation is made known by including the information on the Housing Authority's forms and letters. This policy will afford persons with disabilities an equal opportunity to obtain the same result, gain the same benefit, or reach the same level of achievement as those who do not have disabilities. This policy is applicable to all situations described in this Plan, including when a family initiates contact with the HACSD, or when the HACSD initiates contact with a family. This policy is applicable when a family applies for assistance, as well as when the HACSD schedules or reschedules appointments of any kind.

In order to process a request for a reasonable accommodation, the requester must make the request in advance and may be required to certify (if apparent) or verify (if not apparent) to be an individual with a disability under the following definition:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual

A record of such impairment; or being regarded as having such an impairment

Does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs (including medical marijuana) prevents the individual from participating in the program

Note: This is not the same as the HUD definition used for purposes of determining allowances.

Rehabilitated former drug users and alcoholics are covered under the Americans with Disabilities Act (ADA). However, a current drug user is not covered. In accordance with 24 CFR Part 8.3, individuals are not considered disabled for eligibility purposes solely on the basis of any drug (including medical marijuana) or alcohol dependence. Individuals whose drug (including medical marijuana) or alcohol addiction is a material factor to their disability are excluded from the definition. Individuals are considered disabled if disabling mental and physical limitations would persist if drug or alcohol abuse discontinued.

The HACSD will require at least annually that a professional third party competent to make the assessment of disability provide written verification that the individuals need a specific accommodation due to their disability, exactly what accommodation is recommended, exactly how this accommodation will allow them to fully access the program, and that the change is required for them to have equal access to the housing program.

If the HACSD finds that the requested accommodation creates an undue administrative or financial burden, then it will either deny the request and/or present an alternate accommodation that will still meet the need of the person.

An undue administrative burden is one that requires a fundamental alteration of the essential functions of the HACSD (i.e., waiving a family obligation or criminal history prohibition).

An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a severe financial hardship on the HACSD

The HACSD will provide a written decision to the person requesting the accommodation within a reasonable time. If a person is denied the accommodation, or feels that the alternative suggestions are inadequate, s/he may request an informal meeting with a supervisor to discuss the HACSD's decision.

Reasonable accommodation will be made for persons with a disability who require an advocate or accessible offices. In addition, a designee may represent the individual with a disability, but only with written permission of the disabled person.

VERIFICATION OF DISABILITY

The HACSD will verify disabilities under definitions in the Fair Housing Amendments Act of 1988, Section 504 of the 1973 Rehabilitation Act, and Americans with Disabilities Act.

LIMITED ENGLISH PROFICIENCY (LEP)

The HACSD conducted a 2011 survey of its program that indicates the "number or proportion" of its LEP clients at 8% or 840 persons (or households) for all language groups is above the "threshold" of 5% but below the 1,000 persons in any language-specific group. The HACSD has low frequency of contact with LEP clients regarding its program. The "nature" of the Section 8 program in providing housing assistance to the needy is "important" enough to have "serious or even life-threatening implications for the LEP individual," which is the very reason the HACSD monitors any "denial or delay of access" to its program, and provides language services when requested. The HACSD provides appropriate assistance to its clients at a reasonable

expense due to the recruitment of multi-lingual staff and availability of outside resources to provide a mixture of LEP services for interpretation and translation. The HACSD will continue to develop and implement a more accurate system of tracking “proportion” of LEP to the general population on the program, to better anticipate the need of any growing LEP language group. Staff will be trained to be well aware of all potential LEP issues.

TRANSLATION OF DOCUMENTS

In determining whether it is feasible to provide translation of documents written in English into other languages, the HACSD will consider the following factors:

The availability of local organizations to provide translation services to non-English speaking families.

Bilingual staff available to provide translation for non-English speaking families.

The need of clientele for translated documents. Any documents already translated by HUD will be used as needed.

Staff can utilize the AT&T Translation Services by calling 1-800-843-8420.

APPLYING FOR ADMISSION

All persons who wish to apply for any of the HACSD's programs must submit pre-applications, which may be written or verbal.

All pre-applications and applications will be made accessible upon request from a person with a disability. To provide specific reasonable accommodation to persons with disabilities, upon request, the information may be mailed to the applicant, mailed to the applicant's contact person, completed by a designee, or any other specified reasonable accommodation.

The full application is completed in the applicant's own handwriting, unless the applicant is a disabled person who requests assistance or other accommodation. The HACSD staff may interview applicants to review the information on the full application form. Verification of disability as it relates to 504, Fair Housing, or ADA reasonable accommodation may be requested at that time, or mailed to the applicant.

MEDICAL MARIJUANA

No person who engages in illegal drug use, including medical marijuana, shall be admitted to the Housing Choice Voucher Program. The use of medical marijuana is strictly prohibited and will result in termination of participation from the Housing Choice Voucher Program for all participants that engage in the use or possession of medical marijuana. Participants who were admitted to the program prior to February 1, 2011, who can demonstrate documentary evidence that a valid medical marijuana card was issued to the participant, as allowed for under California state law, prior to March 14, 2012, shall not be subject to termination for using or possessing medical marijuana. Acceptable documentary evidence shall be a medical marijuana card with an issuance date showing it was issued prior to March 14, 2012. In the event a medical marijuana card does not have issuance date on the card, the participant must provide a copy of the medical marijuana card and additional written documentation which demonstrates the card was issued prior to March 14, 2012. Nothing in this section shall prohibit termination for violating any lease provision, which may include a prohibition of using or possessing marijuana.

MANAGEMENT ASSESSMENT OBJECTIVES

The HACSD can demonstrate to HUD auditors that it applies resources in a manner that reflects its commitment to quality and service. The HACSD policies and practices are consistent with following HUD and SEMAP requirements:

- Selection from the waiting list
- Reasonable rent
- Determination of adjusted income
- Utility allowance schedule
- HQS quality control inspections
- HQS enforcement
- Expanding housing opportunities
- FMR/exception rent and payment standards
- Annual reexaminations
- Correct tenant rent calculations
- Pre-contract HQS inspections

Annual HQS inspections

Lease rate

Family self-sufficiency enrollment and escrow account balances

De-concentration of families from areas of high poverty

A supervisor or other qualified person, other than the person who performed the work, will perform supervisory quality control reviews, as required by HUD, on the following SEMAP factors:

Selection from the waiting list

Rent reasonableness

Determination of adjusted income

HQS enforcement

HQS quality control

The annual sample of files and records is drawn randomly from computer-generated lists or other reports, such as field logs, which leave a clear audit trail.

The SEMAP required minimum sample size is reviewed for all SEMAP indicators that require a random sample.

INSUFFICIENT FUNDING

[24 CFR 982.314(e), 982.454]

The regulations allow the HACSD to deny families permission to move and to terminate HAP Contracts if funding under the consolidated ACC is insufficient to support annual program HAP expenses. If the HACSD determines that it has insufficient funding to support its active contracts, it may take any or all of the following actions that it deems appropriate and necessary to reduce its HAP costs:

1. Reduce payment standards, if payment standards exceed 90% of the current FMR;
2. Reduce its subsidy standards;
3. Eliminate exceptions to its subsidy standards;
4. Terminate HAP contracts;
5. Deny permission to move to higher cost units;
6. Deny permission to move.

If the HACSD determines that the necessary action to reduce HAP costs within the funding level is to terminate HAP contracts, it may take action to terminate HAP contracts based on one or more of the following criteria:

1. Terminate HAP contracts on units with gross rents that exceed the new payment standards and offer landlords new contracts under the current subsidy standards and payment standards.
2. Terminate HAP contracts for program participants who have violated program requirements as evidenced by repayment agreements or signed counseling documents.
3. Terminate HAP contracts for non-disabled, non-elderly households that have been on the program the longest.

RECORDS FOR MONITORING PERFORMANCE

In order to demonstrate compliance with HUD and other pertinent regulations, the HACSD will maintain and retain records, reports and other documentation in accordance with HUD requirements. These records will be maintained in a manner that will allow an auditor, housing professional, or other interested party, to follow, monitor and/or assess the HACSD's operational procedures objectively, with accuracy, and in accordance with SEMAP requirements, and internal management controls.

In addition to the required SEMAP documentation, supervisory staff will monitor the following functions:

All annual recertifications will be monitored for completion at least 30 days before the re-exam due date.

All annual inspections will be monitored for completion at least 30 days before the due date

All new applications will be monitored for compliance with the regulations.

RECORD KEEPING

[24 CFR 982.158]

The HACSD must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the HACSD must ensure that all applicants and participant files are maintained in a way that protects an individual's privacy rights.

During the term of each assisted lease, and for at least three years thereafter, the HACSD must keep:

A copy of the executed lease.

The HAP contract

The application from the family

The HACSD must keep the following records for at least three years:

Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants.

An application from each ineligible family and notice that the applicant is not eligible.

HUD required reports

Unit inspection reports

Lead-based paint records as required by 24 CFR 35, Subpart B

Accounts and other records supporting PHA budget and financial statements for the program.

Records to document the basis for HACSD determination that rent to owner is reasonable rent (initially and during the term of the HAP contract)

Other records specified by HUD

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents.

All HACSD applicant and participant files and information will be kept in secure locations with access restricted to authorized personnel.

CRIMINAL RECORDS

The HACSD may only disclose criminal conviction records received from a law enforcement agency to officers or employees of the HACSD, or to authorized representatives of the HACSD, who have a job-related need to access the information. [24-CFR 5.903]

The HACSD maintains such criminal records in secure areas that are accessible only to authorized personnel. Staff is instructed to not misuse or improperly disseminate these records, which are destroyed once they are no longer needed. [24 CFR 5.905.]

This requirement does not apply to information that is public information, or is obtained by the HACSD under 24 CFR 5.905.

MEDICAL/DISABILITY RECORDS

The HACSD will not inquire about the specific nature or extent of a person's disability. The HACSD will not inquire about a person's diagnosis or details of treatment for a disability or medical condition.

CHILDREN WITH ENVIRONMENTAL BLOOD LEAD LEVELS

The PHA has certain reporting requirements, data collection and record-keeping responsibilities relative to children with environmental intervention blood lead levels that are receiving HCV assistance.

The HACSD is required to report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within five business days of being so notified by any other medical health care professional.

Data Collection

At least quarterly, the HACSD must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than six years old with an identified environmental blood lead level and match this information with the names and addresses of families receiving HCV assistance.

The public health department has stated it does not wish to receive a quarterly report of an updated list of addresses of Section 8 units. Therefore, the HACSD will not provide this report.

PRIVACY RIGHTS

[24 CFR 982.551 and CFR 5.212]

Applicants and participants, including all adults in their households, are required to sign the HUD 9886 Authorization for Release of Information. This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD/HACSD will release family information.

The HACSD's policy regarding release of information is in accordance with state and local laws that restrict the release of family information.

The HACSD will not request specific information regarding a person's disability. The HACSD will ask that a health professional to confirm that a person's disability indicates a need for specified services or accommodation. If specific information is received regarding the disabled person's disability, the information will be kept

confidential, and be destroyed in a confidential manner after a determination has been made.

The HACSD's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files are stored in a secure location, only accessible to authorized staff.

HACSD staff will not discuss or disclose family information contained in files, upfront income verification (UIV) information, or third-party verifications, except for a business reason. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action. Security access for the Enterprise Income Verification (EIV) systems will be reviewed quarterly and all users will have a signed user agreement on file. The HACSD will not disclose information obtained through the EIV system to any person other than the person to whom the income information pertains, even if another person has a release of information. In addition, the HACSD will not take any adverse action against the family as a result of information obtained from the EIV system, but may take action if the information is confirmed by the family member or a third party.

Unauthorized persons may not remove files from secure storage areas.

The collection, maintenance, use and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of federal, state, and local law.

FAMILY OUTREACH

[24 CFR 982.206]

The HACSD will, on a regular basis, publicize and disseminate information to make known the availability of housing assistance, and related services for very-low-income families. If the HACSD's waiting list is closed and then reopened, the HACSD will publicize the availability and nature of housing assistance for very-low-income families in a newspaper of general circulation, minority media, or by other suitable means.

To reach persons who cannot read newspapers, the HACSD will distribute fact sheets to the broadcasting media, and may initiate personal contacts with members of the news media and community service personnel. The HACSD may also utilize public service announcements.

The HACSD will communicate the status of housing assistance availability to other service providers in the community, and advise them of housing eligibility factors and guidelines so they can make proper referrals to those in need of housing assistance.

OWNER OUTREACH

[24 CFR 982.54(d)(5)]

The HACSD makes a concerted effort to keep private owners informed of applicable legislative changes in program requirements.

The HACSD encourages owners of decent, safe and sanitary housing units to lease to Section 8 families.

The HACSD encourages participation by owners of suitable units located outside areas of high poverty or minority concentration.

The HACSD conducts periodic meetings with owners, upon request, to improve owner relations and to recruit new owners.

The staff of the HACSD initiates personal contact with private property owners and managers by telephone, or, upon request, at informal discussions and meetings.

Printed material is offered to acquaint owners and managers with the opportunities available under the program.

The HACSD actively participates in community-based organizations comprised of private property and apartment owners and managers.

The HACSD may periodically:

- Develop working relationships with owners and real estate broker associations.

- Establish contact with civic, charitable and neighborhood organizations, and public agencies which have an interest in housing for low-income.

ISSUANCE OF VOUCHERS

[24 CFR 982.204(d), 982.54(d)(2)]

When funding is available, the HACSD issues vouchers to eligible applicants. The HACSD strives to issue enough vouchers to maintain a 100 percent lease-up rate, while managing within the available funding. The HACSD performs a monthly calculation to determine whether applications should be processed, the number of vouchers that can be issued, and to what extent vouchers can be over-issued (issue more vouchers than the budget allows to achieve maximum lease-up rate).

The HACSD may over-issue vouchers to the extent necessary to meet leasing goals, if funding is available. All over-issued vouchers will be honored, unless the HACSD has insufficient funds to support the voucher, in which case the voucher will be suspended until there is sufficient funding. If the HACSD finds it is over-leased, it must adjust its future issuance of vouchers so as not to exceed the Annual Contributions Contract (ACC) fiscal year budget limitations.

PAYMENT STANDARDS

The payment standard is the basis for calculating the maximum subsidy a family may receive. In accordance with HUD regulation, and at the HACSD's discretion, the voucher payment standard amount is between 90 percent and 110 percent of the HUD published FMR. This is considered the basic range. The HACSD reviews the appropriateness of the payment standard annually upon publication of the new FMRs. The HACSD may at any time make the administrative decision to adopt a payment standard that is from 90 percent to 110 percent of the most recently published FMR, unless HUD approves an exception payment standard.

The HACSD will establish a single voucher payment standard amount for rental assistance, unless HUD has published more than one FMR area for its jurisdiction. For each FMR area, the HACSD will establish payment standard amounts for each unit size. The HACSD may, subject to available funding, adopt a FMR of up to 110 percent of FMR if needed to expand housing opportunities outside areas of minority or poverty concentration. The HACSD may request an exception payment standard or adopt a higher payment standard for its Section 8 Homeownership participants.

The HACSD may, if funding is available, also approve a higher payment standard up to 110 percent of FMR if required as a reasonable accommodation for a family that includes a person with disabilities.

Upon release of FMRs, the HACSD must update its payment standards, if the payment standards are no longer within the basic range of 90-110 percent of the current FMR.

The HACSD may review its payment standards in the following situations:

- Upon release of new FMRs

- Upon funding changes

- Upon management directive

The HACSD may also review its payment standards to determine if a payment standards change could alleviate participants excessive rent burden, improve the quality of assisted units, increase unit availability, decrease lease-up time, or improve voucher utilization or success rate.

The payment standards may be changed at anytime and payment standards increases will not be applied retroactively to completed recertifications.

ADJUSTMENTS TO PAYMENT STANDARDS

[24 CFR 982.503]

Payment standards may be adjusted, depending on available funding, within HUD regulatory and financial limitations, to increase housing assistance payments to keep family rents affordable. The HACSD will not raise payment standards solely to make "high end" units available to voucher holders. The HACSD may use some or all of the measures below in making its determination of whether an adjustment should be made to the payment standards.

Assisted Families' Rent Burdens

If it is determined that there is a decline in the number of families successfully leasing into an eligible unit prior to the expiration of their vouchers, the HACSD may review its voucher payment standard amounts to determine whether more than 40 percent of families in a particular unit size are paying more than 30 percent of their annual adjusted income for rent.

If it is determined that the rents of particular unit sizes in the HACSD's jurisdiction are creating rent burdens for families, the HACSD may modify its payment standards for those particular unit sizes.

The HACSD may establish a separate voucher payment standard, within the basic range, for designated parts of its jurisdiction, if it determines that a higher payment standard is needed in these designated areas to provide families with quality housing choices, and to give families an opportunity to move outside areas of high poverty or into neighborhoods with greater opportunity.

Quality of Units Selected

The HACSD may review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are needed to reach the mid-range of the market.

Families Rent Burden Analysis

The HACSD may review the average percent of income that families on the program are paying for rent. If more than 40 percent of families are paying more than 30 percent of monthly-adjusted income for a particular unit size, the HACSD may evaluate the number of families renting units larger than their voucher size, or luxury or high-end units.

If families are paying more than 30 percent of their income for rent due to the selection of larger bedroom size units or luxury units, the HACSD will decline to increase the payment standard. If this is not the primary reason for families' rent burden, the HACSD will continue increasing the payment standard within HUD regulatory limitations.

Rent to Owner Increases

The HACSD may review a sample of the units to determine how often owners are increasing rents and the average percent of increase by bedroom size.

Time to Locate Housing

The HACSD may consider the average time period for families to lease up under the voucher program. If voucher holders are unable to locate suitable housing within their voucher term due to unaffordable rents, the payment standard may be adjusted, if funding permits.

Lowering of the Payment Standard

Lowering of the FMR may require an adjustment of the payment standard. Additionally, statistical analysis may reveal that the payment standard should be lowered. In any case, the payment standard will not be set below 90 percent of the FMR without authorization from HUD.

Financial Feasibility

Before increasing the payment standard, the HACSD may review its budget to determine the impact of projected subsidy increases on funding available for the program, and the number of families served.

For this purpose, the HACSD will compare the number of families served under higher payment standards, to the number assisted under current payment standards.

EXCEPTION PAYMENT STANDARDS

If the dwelling unit is located in an exception area, the HACSD must use the appropriate payment standard amount established for the exception area in accordance with regulation 24 CFR 982.503(c).

SUBSIDY STANDARDS

[24 CFR 982.402 (a)(b)]

The HACSD may take the administrative action at any time, if warranted by HUD funding limitations and/or reductions, to reduce its subsidy standards to two people per bedroom and living area with no exceptions. The HACSD may take the administrative action at any time to increase its subsidy standards, if funding allows and if necessary to improve or maintain the viability of the program.

UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

CFR 5.632, 982.517]

The same utility allowance schedule is used for all tenant-based programs. Changes in utility allowances will be applied at the family's first annual reexamination that is being processed after the effective date of the utility allowance change.

The utility allowance is intended to cover the cost of essential utilities not included in the rent, including the cost of tenant-provided/paid refrigerators, ranges, trash collection, water, sewer, gas and electricity. The allowance is based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. Allowances are not based on an individual family's actual energy consumption.

A person with a disability who provides medical verification of higher utility costs due to the disability may receive a higher utility allowance of 10 percent over the standard utility allowance for the utility that is more costly due to that person's disability.

The utility allowance schedule must include essential utilities and services that are necessary in the locality to provide housing that complies with the housing quality standards. However, the HACSD may not include allowances for non-essential utility costs such as cable, satellite television, telephone, or Internet connection.

The HACSD must classify utilities in the utility allowance schedule according to the following general categories: space heating, cooking, air conditioning, water heating, water, sewer, trash collection, other electric, refrigerator (for tenant-supplied refrigerator), and range (for tenant-supplied range).

An allowance for tenant-paid air conditioning will be provided in those cases where the majority of housing units in the market have central air conditioning, or are wired for tenant installed air conditioners [24 CFR 982.517].

Given the often lower amount of the utilities than for other dwelling types, separate "flat rate" utility allowances for certain utilities may be allowed for mobilehomes in parks. Flat rate utilities are utility expenses charged to a mobilehome owner by the mobilehome park based on either sub-metering, or total park costs divided amongst the residents by a set formula.

Complexes of five or more units may charge flat rate utilities based on the above formula. However, owners of houses, townhouses, duplexes, three-plexes, or four-plexes are not allowed to charge the tenants for shared-meter utilities.

The HACSD will review and revise the utility allowance schedule annually. Revised utility allowances will be applied in a participant family's rent calculation at the next reexamination.

The approved utility allowance schedule is given to families along with their voucher. The utility allowances are based on the actual unit size selected.

When families, including mobilehome owners and Section 8 Homeownership participants, provide their own range and refrigerator, the HACSD will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate new or used appliance over a twelve-month period.

Utility allowances for family-provided stove/and or refrigerator will not be given if the owner has available a stove and/or refrigerator, but it is the family's preference to provide its own appliances.

When the calculation on the HUD 50058 results in a utility reimbursement payment due the family [24 CFR 5.632], the HACSD will provide a utility reimbursement payment for the family each month. The check will be issued to the family.

WAITING LIST

[24 CFR Ch IX, Subpart E; 982.54(d)(1); 982.202, 982.203, 982.204, 982.205, 982.206]

INTRODUCTION

The HACSD's objective is to ensure that families are placed in the proper order on the waiting list and selected from the waiting list for admission in accordance with the policies in this Administrative Plan.

This chapter explains the local preferences that the HACSD has adopted to meet local housing needs, defines the eligibility criteria for the preferences, and explains the HACSD's system of applying them.

By maintaining an accurate waiting list, the HACSD is able to perform the activities in a manner that ensures an adequate pool of qualified applicants is available for the timely use of program funds.

The policy of the HACSD is to ensure that all families interested in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This chapter describes the policies and procedures for completing an initial application for assistance, the placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the HACSD will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made.

ORDER OF SELECTION

[24 CFR 982.204]

The HACSD will select families according to date and time of application within preference groups. The HACSD will skip over families to select families that meet specific criteria if it receives targeted funding for those specific families. The HACSD

cannot select families for admission to the program in an order different from the order on the waiting list for the purpose of selecting lower-cost families for admission to the program.

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with the HACSD's hierarchy of preferences. Within each targeted funding or preference category, families will be selected according to the date and time their waiting list application is received.

LOCAL PREFERENCES

[24 CFR982.207 and 982.202]

The following local preferences are established. When determining equally ranked preferences, the date and time of application is the final deciding factor.

RANKING PREFERENCES

Please refer to the glossary for definitions of the following groups.

Special Local Preferences

The HACSD has established special local preferences for three groups: (1) HACSD Public Housing residents referred by the Public Housing administrator who must move due to being the victim of domestic violence, dating violence, or stalking; (2) HACSD Public Housing residents referred by the Public Housing administrator who must move out of their units for a significant period of time, as determined by the Public Housing Administrator, in order for repairs to be made to their HACSD Public Housing units; (3) Eligible homeless applicants referred by the San Diego County Continuum of Care who are exiting federally-assisted transitional housing programs with no other permanent housing placement options.* These selection preferences are superior to the following ranking preferences. The HACSD will not process waiting list applications in a subordinate category before all waiting list applications in a superior category have been processed.

***Note:** Special local preference (3) is a pilot program; a maximum of 200 vouchers will be made available to those who meet the criteria.

Category One

The HACSD uses equally weighted local preferences for applicants, with priorities for those **who live or work** (see definition of working families on page 2-3) **in the HACSD jurisdiction** and are in one or more of the following categories:

Families with dependent children.

Working Families - (At least one household member must have worked an average of at least 32+ hours per week with no more than a two-week break for the previous 12 months. Applicants may combine job training or academic program participation as part of the previous 12-month requirement. Applicants receiving unemployment, disability, or worker's compensation benefits will be considered qualifying under this preference if those benefits were the result of 12 continuous months of employment at 32+ hours per week up to the start of the above referenced benefits.)

Elderly families (Head of household or spouse is 62 years of age or older.)

Disabled families (Head of household or spouse is disabled.)

Veterans or surviving spouses of veterans (Other than dishonorable discharge.)

Homeless.

Category Two

Applicants who live or work in the HACSD jurisdiction, but who do not fit in Category One.

Category Three

Applicants who *do not live or work within the HACSD jurisdiction*, but are one or more of the following:

Families with dependent children.

Working Families - (At least one member must have worked an average of at least 32+ hours per week with no more than a two-week break for the previous 12 months. Applicants may combine job training or academic program participation as part of the previous 12-month requirement. Applicants receiving unemployment, disability, or worker's compensation benefits will be considered qualifying under this preference if those benefits were the result of 12 continuous months of employment at 32+ hours per week up to the start of the above referenced benefits.)

Elderly families (Head of household or spouse is 62 years of age or older.)

Disabled families (Head of household or spouse is disabled.)

Veterans or surviving spouses of veterans (Other than dishonorable discharge.)

Homeless.

Category Four

All other applicants not indicated above.

GENERAL WAITING LIST MANAGEMENT

[24 CFR 982.204]

The HACSD uses a single waiting list for admission to its Section 8 tenant-based assistance program. The HACSD will not merge its waiting lists [24 CFR 982.20]. However, if the Section 8 waiting list is open when the applicant is placed on the Public Housing Program, another project-based voucher program, or the Moderate Rehabilitation Program waiting list, the HACSD must offer to place the family on the tenant-based assistance list.

Moderate Rehabilitation Program applicants may be taken from the Section 8 waiting list. Mainstream Program applicants are taken from the Section 8 waiting list.

A family who lives in the jurisdiction of another cooperative housing authority, named below, will be advised of the benefit of being placed on the appropriate housing authority's waiting list, and the information will be forwarded to the appropriate cooperative housing authority upon verbal permission of the family.

COOPERATIVE AGREEMENT

The HACSD and the PHAs of the cities of San Diego, Oceanside, National City, Encinitas, and Carlsbad have a cooperative agreement to accept transfers from a cooperating PHA of like-program applications, providing the applicant resides or works in the receiving PHA's jurisdiction.

The PHAs will transfer, upon request, to the appropriate cooperating PHA, the waiting list applications of applicants who are residing or working in the jurisdiction of the cooperating PHA. Upon receipt of the application, the receiving PHA will preserve the original date, time, and requested program, providing the receiving PHA has an open waiting list. If the receiving PHA's waiting list is closed when the application is transferred, the application will reflect the earliest date that the waiting list is reopened.

The HACSD will not accept the transfer of waiting list applicants who do not live or work in the HACSD's jurisdiction or whose assistance was denied or terminated by

the HACSD. The HACSD will not accept the transfer of waiting list applicants who do not have an active waiting list status.

The HACSD may limit the number of cooperative PHA applications it processes during a 30-day or 12-month period.

An applicant who moves out of the jurisdiction of the HACSD may remain on the HACSD waiting list with the appropriate preference.

APPLICATIONS FOR PROGRAM ADMISSION

All applicants will be selected from the waiting list in accordance with policies and preferences and income targeting requirements defined in this Administrative Plan.

Special Admissions

The HACSD may admit up to 10 percent of its annual admissions as special admissions [24 CFR 982.54(d)(3), 982.203]. However, these special admissions must be funded by special HUD-targeted funding. Examples of this special funding follow:

- A family displaced because of demolition or disposition of a public housing project.

- A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project.

- For housing covered under the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (41 U.S.C. 4101, et seq).

- A non-purchasing family residing in a project subject to a homeownership program (under 24 CFR 248.173).

- A family displaced because of mortgage prepayment or voluntary termination of a mortgage insurance contract (as provided in 24 CFR 248.165).

- A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term.

- A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

Targeted Funding

Under 24 CFR 982.204 (e), HUD may award the HACSD funding for a specified category of families on the HACSD waiting list. The HACSD will use this funding to

assist the families who have been on the HACSD waiting list the longest, who reside in the jurisdiction of the HACSD, and who are determined to fall in the specified category required by the funding source.

Taking Applications to the Waiting List

The HACSD, at the time of preliminary application, will collect the following information necessary for proper selection from the waiting list:

Applicant name.

Applicant Address.

Date and time of application.

Qualification for any local preference.

Gross annual income.

Disabled or Elderly household.

Racial or ethnic designation of the head of household.

Other targeted program qualifications.

The application for placement on the waiting list may be taken by telephone, in writing, on-line via a web-based internet applications system, or from an applicant who visits the office. All possible reasonable accommodations will be provided to families with persons with disabilities, if requested in advance per the reasonable accommodation policy. Bilingual staff is available to take waiting list applications of those with limited English proficiency or the services of the language line are utilized to assist applicants of limited English proficiency.

In most cases, the applicant will not be interviewed, the information will not be verified, and eligibility will not be fully evaluated, until the applicant's name has reached the top of the waiting list. Preferences will not be verified until selection from the waiting list [24 CFR 982.207].

All applicants will be treated equally on the waiting list in accordance with the preferences, policies, and the regulations.

An applicant to the waiting list may, at the discretion of the waiting list supervisor, be required to provide verification of eligibility, such as proof of residence or proof of income.

Applicants will not be placed on the waiting list, if the HACSD has information that indicates that they are ineligible, such as computer notes or alerts, or statements from the applicants. Applicants who have been, or are in the process of being terminated from the Section 8 Rental Assistance Program or other federal housing programs for violent or drug-related criminal activities that involve sales or production, will not be placed on the waiting list for five years from the date of termination. For all other violations, applicants will not be placed on the waiting list for three years from the date of termination. Applicants who owe money to a housing authority will not be placed on the waiting list until the debt is paid. If the applicant challenges the denial of placement on the waiting list, the applicant will be advised of his/her right to request an informal review.

Applicants are required to inform the HACSD of changes in address. Applicants are also required to respond to requests from the HACSD to update information on their application, or to determine their continued interest in assistance. Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference.

When an applicant claims an additional preference, s/he will be placed on the waiting list in the appropriate order determined by the newly claimed preference.

Applicants in the waiting list with equal preference status will be organized by date and time of their applications.

Pulling Applicants from the Waiting List

Applicants will not be pulled from the waiting list for eligibility processing unless funding is available. Once funding is available, applicants will be pulled by preference group and income targeting guidelines and in proper order as determined by their date and time of placement on the waiting list. The method of selection from the waiting list will be clearly documented [24 CFR 982.207(e)].

Pre-screening Applications

Applicants pulled from the waiting list may be mailed a pre-screening application for the purpose of obtaining the applicants' self-certification of eligibility. In addition to the pre-screening application, the applicant may be asked to provide supporting documents, such as pay stubs and bank statements. The pre-screening applications serve as a preliminary evaluation of the eligibility of waiting list applications. If the pre-screening application indicates the applicant is eligible, the applicant will then be issued a full-eligibility application. The full application includes Form HUD-90026, Supplement to Application for Federally Assisted Housing. In evaluating the pre-screening applications, the HACSD generally will determine income eligibility based on the higher annual income calculated, although the HACSD will review the

information in its entirety to make its determination. Those denied based on the pre-screening application will be offered the opportunity to request an informal review.

RETURN TO THE WAITING LIST

Applicants who Must Reapply

Applicants who reapply to be placed back on the waiting list will be positioned on the waiting list as of the date and time they reapply.

If the family declines the offer of a voucher, the family will not be eligible to be returned to the waiting list. The family must reapply to the waiting list.

A family whose application is denied for failure to provide information must reapply to be placed back on the waiting list.

A family found ineligible for assistance must reapply to be placed back on the waiting list.

Applicants found ineligible for assistance because they exceed the current HUD published Section 8 income limits must reapply to be placed back on the waiting list.

Applicants Reinstated at Original Date and Time of Application

Applicants removed from the waiting list will be given the benefit of the doubt if there is a reasonable possibility they were removed from the waiting list through no fault of their own. These applicants may be reinstated on the waiting list if there is a reasonable possibility they were not notified, such as in the case of only one notice being issued or that they had reported an address change that was not entered in the system through no fault of their own. In order to be reinstated, applicants must request reinstatement and declare under penalty of perjury that they had either submitted changes of address to the HACSD in a timely manner, that they had not changed their address, that they had not received the notice issued by the HACSD, or that they should be reinstated as a reasonable accommodation.

Applicants Returned to the Waiting List at Original Date and Time of Application

If the family requests its name be returned to the waiting list at its former date and time of application prior to the completion of the eligibility process, the family may be returned to the waiting list as inactive unless it has been determined the family is ineligible.

Otherwise eligible applicants pulled from the waiting list and found not to meet preference or income-targeting requirements will be returned to the waiting list at original date/time of application.

CHANGE OF HOUSEHOLD WHILE ON THE WAITING LIST

While the applicant is on the waiting list, the HACSD will not change the head of household unless it receives either: (1) notarized statement from the head of household requesting the head of household be changed and documentation indicating the replacement was residing with the head of household at the time of the original application; (2) death certificate, if head of household died **and** proof that the person requesting to become head of household was a significant other who resided with that person at the time of that person's death (utility bills and lease agreement reflecting address on record, marriage certificate, joint bank account statements, jointly-owned property, etc.). However, once the applicant is selected from the waiting list, the listed head of household must be included in the eligibility determination.

An estranged significant other may be allowed to take the place of the head of household if s/he can provide documentation indicating s/he resided with the head of household at the address reflected on the waiting list records and was part of the head of household's family unit (lease agreement, notarized statement from property owner, joint bank account or other property). Before this change is made, a letter must be mailed to the head of household advising him/her that a request has been made to change his/her status on the waiting list. S/he will be advised that s/he will be dropped from the waiting list if s/he does not respond within 14 days. If there is no response by the deadline, a phone call will be attempted and documented. After that, providing the requester provides adequate documentation, the head of household may be changed to the remaining significant other. All documentation of this action must be retained for five years.

Information regarding a person's waiting list status may only be provided to the applicant. The HACSD must receive a written release of information from the applicant before information will be provided to a third party.

POINT IN TIME THAT FAMILY MUST BE ELIGIBLE FOR PROCESSING

A family selected off the waiting list is determined eligible or not eligible for eligibility processing based on the information provided on the eligibility declaration, the supporting documents submitted and independent verification by the HACSD. The family must be eligible for the preferences it has claimed, income limits and targeting, and jurisdiction priority as of the date it was pulled off the waiting list.

A family change in circumstances after the date the family was pulled off the waiting list for eligibility processing will not be evaluated for a possible change in preference status, jurisdiction, income limits and targeting, unless the family change in circumstances, prior to voucher issuance, results in the family's income exceeding 50% of area median income, in which case, the family must be denied program admission.

The following scenarios are handled as follows:

Scenario Number One

A family met admission preferences and income targeting requirements as of the point of time of being pulled from the waiting list, but during the full application process, the family moved outside of the HACSD's jurisdiction. The family may continue to be processed for admission.

Scenario Number Two

A family was over 50 % AMI at the time it was pulled from the waiting list, but then the income was reduced as a result of termination of employment. The family must be denied as being over income at the time it was pulled off the waiting list and must reapply.

Scenario Number Three

A family was at or below 30% of area median income at the time it was pulled from the waiting list, and then its income increased to over 30% of AMI but at or below 50% of AMI prior to completion of the full application and issuance of the voucher. The family met the income targeting requirements when it was pulled off the waiting list and is still income-eligible at completion of the full application and issuance of the voucher, so the family may be processed for admission.

Scenario Number Four

The family was income-eligible at the time it was pulled from the waiting list, but started working prior to the completion of the full application, which resulted in the family's income exceeding 50% of the AMI. The family must be denied as over-income and future changes in the family's circumstances cannot be considered; e.g., the family member quits his/her job. The family must reapply to the waiting list.

Scenario Number Five

The family's income increases after it was issued a voucher. The income increase will be handled in accordance with the HACSD's current interim policy, (See Page 6-8).

INCOME TARGETING

In accordance with the Quality Housing and Work Responsibility Act of 1998, each

fiscal year the HACSD will reserve a minimum of 75 percent of its Section 8 new admissions for families whose income does not exceed 30 percent of the area median income. HUD refers to these families as extremely low-income families. The HACSD will admit families who meet the HACSD preferences and who qualify under the extremely low-income limit to meet the income-targeting requirement. The HACSD's income-targeting requirement does not apply to low-income families continuously assisted as provided for under the 1937 Housing Act. The HACSD is also exempted from this requirement when providing assistance to low income or moderate-income families entitled to preservation assistance under the tenant-based program as a result of a mortgage prepayment or opt-out. The HACSD may, at least annually, exercise the "fungibility" provision of the QHWA. This provision allows the HACSD to admit less than the required minimum 40 percent of extremely low-income families in a fiscal year to its public housing program, if the admission of extremely low-income families in the tenant-based assistance program exceeds seventy-five percent (75%) of all admissions during the fiscal year. Upon exercising this option, the HACSD will follow the fungibility threshold limitations as set forth in QHWA legislation. The HACSD-determined fungibility procedures are reflected in its Public Housing Admissions and Continued Occupancy Policy.

OTHER HOUSING ASSISTANCE

[24 CFR 982.205(b)]

Other housing assistance means: a federal, state, or local housing subsidy, as determined by HUD, including public housing.

If an applicant has applied for, received, or refused other housing, the HACSD will not [24 CFR 982.205(b)]:

- Refuse to list the applicant on the HACSD waiting list for tenant-based assistance.

- Deny appropriate admission preferences to a qualified applicant.

- Change the applicant's appropriate ranking order on the waiting list.

- Remove the applicant from the waiting list.

However, the HACSD may remove the applicant from the waiting list for tenant-based assistance, if the applicant has refused voucher program assistance.

PURGING

The waiting list will be purged periodically to ensure that it is current and accurate. In order to purge the waiting list, a notice will be mailed asking applicants for confirmation of continued interest. All notices requiring a response will state that failure to respond within 14 days will result in the applicant's name being inactivated

on the waiting list. If the applicant provides information that s/he did not respond to the notice because of a family member's disability, the HACSD will reinstate the applicant at the original date and time of application. The family will also be reinstated if there is a reasonable possibility that the family was not notified due to circumstances that were beyond the family's control, as notated in the reinstatement policy outlined elsewhere in this Plan. Purge letters returned by the post office will be retained for 90 days and then destroyed.

OPENING/CLOSING THE WAITING LIST

[24 CFR 982.206, 982.54(d)(1)]

It is generally the policy of the HACSD to not close the waiting list. However, the HACSD may stop accepting applications, if it is determined that the existing waiting list contains an adequate pool of applicants to utilize the program funding that is available. The HACSD will give at least 30 days notice prior to closing the list. The waiting list will not be closed if it has a discriminatory effect inconsistent with applicable civil rights laws. If the HACSD closes its waiting list, it will advertise reopening its waiting list through public notices in the following suitable media outlets including, but not limited to: the HACSD website, a Spanish language general circulation publication, and an English language general circulation publication.

The notice will contain:

The dates, times, and the locations where families may apply.

The programs for which applications will be taken.

A brief description of the program.

A statement that public housing residents must submit a separate application if they want to apply for Section 8.

Limitations, if any, on who may apply.

HACSD address.

HACSD telephone number.

Location/information on submitting applications.

Local Preferences.

The notices will be provided in an accessible form. The HACSD also may issue news releases to radio and/or television stations, and provide presentations to

organizations that provide assistance to special population groups, such as the elderly, or the disabled.

Upon request from a person with a disability, additional time will be given as a reasonable accommodation for submission of an application after the closing deadline, if there is a closing deadline. This reasonable accommodation is to allow persons with disabilities the greatest possible opportunity to submit an application.

RESERVED

ELIGIBILITY FOR ADMISSION AND PARTICIPATION

[24 CFR Part 5, Subparts B, D & E; Part 982, Subpart E]

INTRODUCTION

This chapter defines both HUD and the HACSD's criteria for admission and ongoing participation to the program. The policy of the HACSD is to strive for objectivity and consistency in applying program requirements to evaluate the eligibility of families who apply. The HACSD staff will review all information provided by the family carefully. In all cases, families will receive an explanation of the basis for any decision by the HACSD regarding eligibility.

SCREENING APPLICANTS/PARTICIPANTS

PURPOSE OF SCREENING APPLICANTS AND PARTICIPANTS

All federally-assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell a controlled substance illegally, or terrorize neighbors. It is the intention of the HACSD to fully endorse and implement a policy designed to:

Help create and maintain a safe and drug-free community.

Keep program participants and their families free from threats to their personal safety.

Support parental efforts to instill values of personal responsibility and hard work.

Help maintain an environment where children can live safely, learn and grow up to be productive citizens.

Assist families in their vocational/educational goals in the pursuit of self-sufficiency.

Not tolerate or enable families to act irresponsibly, or in a manner that negatively affects others

SCREENING PROCESS

All screening and termination of assistance procedures shall be administered fairly, and in such a way as not to violate rights to privacy or discriminate on the basis of race, color, nationality, age, religion, familial status, disability, gender, or other legally protected groups.

To the maximum extent possible, the HACSD will involve other community and governmental entities in the promotion and enforcement of this policy.

This policy will be provided to applicants and participants upon request.

ELIGIBILITY FACTORS

[982.201; 982.551]

DEFINITIONS

Covered person, for purposes of 24 CFR Part 982 and this chapter, means a tenant, any member of the tenant's household, a guest or another person under the tenant's control.

Drug means a controlled substance as defined in section 102 of the Federal Controlled Substances Act (21 U.S.C. 802) and its illegal use, as defined under federal guidelines, is prohibited. This includes medical marijuana.

Drug-related criminal activity means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug (includes medical marijuana).

Guest, for purposes of this chapter and 24 CFR part 5, subpart A and 24 CFR Part 982, means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

Household, for the purposes of 24 CFR Part 982 and this chapter, means the assisted family and PHA-approved live-in aide and foster children.

Other person under the tenant's control, for the purposes of the definition of *covered person* and for 24 CFR Parts 5 and 982 and for this chapter, means that the person, although not staying as a guest (as defined in this chapter) in the unit, is, or was at

the time of the activity in question, on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not *under the tenant's control*.

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Other Criminal Activity is criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or persons residing in the immediate vicinity of the premises which may include but is not limited to: theft, vandalism, gang affiliation, prostitution or soliciting for prostitution, extortion, disturbing the peace, unlawful entry, etc.

"*Engaged in or engaging in*" criminal activity is a criminal act as defined in this Plan by an applicant or participant or household member, which may or may not have resulted in the arrest and/or conviction of the applicant, participant, or household member.

ELIGIBILITY FOR ADMISSION

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional eligibility criteria established by the HACSD in an effort to prevent future criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity of the premises. As required by 24 CFR 982, Subpart L, and CFR Part 5, Subpart J, the HACSD will screen applicants as thoroughly and fairly as possible for illegal drug-related activities (including use of medical marijuana), alcohol abuse activities, sex-offender registration requirements, violent criminal behavior, and other activities that may negatively impact others.

Such screening will apply to any member of the household who is 18 years of age or older; however, evidence of prohibited criminal activities conducted by minors in the household will also be cause for denial of assistance.

Admission to the program is *never* based on [982.202(b)]:

Where a family lives within the jurisdiction prior to admission to the program.

Where the family will live with assistance under the program.

Discrimination of a family, because it includes unwed parents, recipients of public assistance, or children born out of wedlock.

Discrimination of a family, because it includes children.

A family's participation in a family self-sufficiency program.

Other reasons as listed in under the "Fair Housing and Reasonable Accommodations" sections.

Eligibility criteria include:

The applicant's income [24 CFR 982.201(b), 982.353] must be within the appropriate income limits as follows:

The applicant must have an annual income at the time of admission that does not exceed the income limits for occupancy established by HUD.

The head or spouse is at least 18 years of age, or an emancipated minor under state law.

The family must be taken from the waiting list in order of preference and income targeting guidelines.

The family is composed of one or more persons.

The HACSD will not admit families whose income exceeds 50 percent of the area median income, except those families included in 24 CFR 982.201(b) as described below.

To be income eligible, the family may be under the low-income limit in any of the following categories [24 CFR 982.201(b)]:

A very-low-income family.

A low-income family that is continuously assisted under the 1937 Housing Act, such as a Public Housing family. An applicant is continuously assisted if the family had received federal assistance under the 1937 Housing Act within 120 days of voucher issuance.

A low-income family physically displaced by rental rehabilitation activity under 24 CFR Part 511.

A low-income non-purchasing family residing in a HOPE 1 or HOPE 2 project.

A low-income non-purchasing family residing in a project subject to homeownership programs under 24 CFR 248.173.

A low-income family or moderate-income family that is displaced as a result of the prepayment of a mortgage, or voluntary termination of mortgage insurance contract under 24 CFR 248.165.

A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a project subject to a resident homeownership program.

Criminal Activity

Persons **evicted** from federally-assisted housing because of drug-related criminal activity (including medical marijuana) are ineligible for admission to the Section 8 program for a three-year period beginning on the later of the dates of the act, arrest, eviction, or termination from a federal assistance program, and ending on the date of the eligibility interview or receipt of the eligibility booklet, whichever occurs first.

The household may be admitted, after considering the individual circumstances of the household, if the HACSD determines that the following applies:

Full restitution, including the cost of eviction, was made to the landlord, if lease violations occurred as a result of the criminal activity; and

The evicted household member who engaged in drug-related criminal activity for personal drug use (including use of medical marijuana) has successfully completed a supervised drug rehabilitation program approved by the HACSD; or

The circumstances leading to eviction no longer exist because:

The criminal household member has died.

The criminal household member is no longer in the household and the head of household has certified that the criminal family member will never be allowed to return to visit the family. The head of household must certify that s/he understands that if the criminal family member is allowed to return to visit, the family's program participation will be terminated.

Applicants will be denied assistance and not admitted to the program:

If any member of the family has engaged in violent criminal activities, illegal drug sales, illegal drug-trafficking, illegal drug production, or any other related illegal drug activities for a five-year period beginning on the later of the dates of the act, arrest, conviction, eviction, or termination from a federally-assisted program and ending on the date the family was pulled off the waiting list.

If any member of the family has been evicted from federally-assisted housing for serious violations of the lease, or drug-related criminal activities for personal use (including use of medical marijuana) for a three-year period beginning on the later of the dates of the act, arrest, conviction or eviction from federally-assisted housing and ending on the date the family was pulled off the waiting list [982.552(b)].

If any member of the family is subject to a lifetime registration requirement under a state sex-offender registration program [982.552(b)].

If any member of the family has been convicted of production or manufacture of methamphetamine on federally-assisted property [982.552(b)].

If any member of the family has engaged in any criminal activity within the past three years that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity [982.553(2)(3)].

If any member of the family has engaged in any criminal activity within the last five years which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the HACSD (including a PHA employee, contractor, subcontractor or agent).

If the family fails to meet the preference and income targeting requirements at the time of selection

If the family exceeds the income limits

If, as a past Section 8 program participant, any member violated an important family obligation, other than for illegal drug or criminal activities, within three years prior to the current eligibility interview.

A family will be given seven calendar days to pay in full an outstanding debt to a PHA before the family is denied admission. The family must be in compliance with any payment agreement with a PHA for a previous debt.

Other criteria as outlined in the next section.

ADMISSION AND PARTICIPATION ELIGIBILITY FACTORS

24 CFR 982.551, 982.552, 982.553

The HACSD will deny program participation or admission in cases where the HACSD determines there is reasonable cause to believe that a household member was or is illegally using a controlled substance, committing violent criminal acts as defined by

HUD or the PHA, or engaging in any criminal activity that may threaten the health, safety or right to peaceful enjoyment of other residents or persons residing in the immediate vicinity of the premises.

The HACSD will deny program participation or admission if there has been a pattern of alcohol abuse, which involves four or more serious incidents during the previous 12 months. It is considered "serious" if the party is driving while intoxicated or if the party is arrested or detained due to public intoxication.

Applicants or participants who engaged in violence, or illegal drug activities that involve, sales, trafficking, manufacture, or possession for sales, are prohibited from program participation for five years from the later of the date of the act, conviction, eviction, or termination from federally-assisted housing. The term illegal drug is includes medical marijuana.

Applicants or participants who engaged in threatening, abusive or violent behavior or who routinely use vulgar, demeaning, or hostile language and/or gestures and body movement that denotes an implied threat, excessive hostility, or intimidation are prohibited from program participation for five years from the later of the date of the act or termination from federally-assisted housing.

"Abusive or violent behavior" is direct physical abuse, violence or verbal abuse, including the use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, as well as aggressive or hostile gestures and body movement.

"Threatening" refers to oral or written threats or physical gestures that communicate the intent to abuse or commit violence.

The HACSD may waive or reduce the prohibition period depending on the severity of the incident and if the behavior was caused by a disability. However, the PHA will NEVER waive the prohibition period if there was physical violence, the threat of physical violence, or if more than one incident occurred.

Applicants or participants involved in the personal use of illegal drugs (including use of medical marijuana) are prohibited from the program for one year from the later of the dates of the act, arrest or the conviction, unless documentation is provided of successful rehabilitation. However, those who engaged in illegal drug use (including use of medical marijuana) while participating in a federal housing program are ineligible for assistance for three years from the later of the dates of the conviction, eviction, or termination of assistance.

Applicants or participants involved in other criminal activities that threaten the health, safety or right to peaceful enjoyment of other residents or persons residing in the immediate vicinity of the premises are ineligible for assistance for three years from the later of the dates of the act, conviction, eviction, or termination of assistance.

Applicants or participants convicted of manufacturing or producing methamphetamine on the premises of federally-assisted housing are prohibited from program participation for life.

Applicants found to be subject to the lifetime sex-offender registration requirements under a state sex-offender registration program are prohibited from HACSD Program participation for life. Current HACSD Program participants who became subject to the lifetime state sex-offender registration requirement prior to May 24, 2001, will be allowed to remain on the Program. Program participants who become subject to the lifetime state sex-offender registration while on the Program may be subject to termination based upon the participant's specific behavior.

Live-in aides or foster adults/children who are found to be subject to a state sex-offender registration requirement of a state sex-offender registration program or who have currently or previously engaged in any criminal activities as described above, or other activities that may pose a risk will be disapproved for occupancy of the assisted unit.

The existence of prohibited behavior by any household member, regardless of the applicant or participant's knowledge of the behavior, shall be grounds for denial or termination of assistance.

For participants, "currently engaging" means anytime while the participant was on the program a member or members of the household engaged in prohibited activities.

The HACSD may waive the prohibition of program admission for drug-related criminal activity for personal use or a pattern of alcohol abuse, if:

The person demonstrates successful completion of a credible rehabilitation program approved by the HACSD, and the violation did not occur while the family was being assisted.

The HACSD may waive the prohibition of program admission for illegal drug-related, or violent criminal activities if:

The circumstances leading to the violation no longer exist because the person who engaged in the illegal drug-related criminal activity or violent criminal

activity is no longer in the household due to death or incarceration. Unless the violator is deceased, the family must sign a certification that states that they understand that the violator must not return to the household and that they may be subject to the termination of benefits if the violator returns to the household.

If there is inconclusive evidence that the act occurred, the HACSD may request additional evidence, such as a police report.

With the exception of the violations occurring as a direct result of a household member being the victim of domestic violence, dating violence, or stalking that do not pose a imminent threat to other tenants or those employed at or providing service to the property, the HACSD will **always**, upon receipt of adequate evidence, terminate program participation for drug-related (including use of medical marijuana) or violent criminal activities, a pattern of alcohol abuse, or any other criminal activities that may threaten the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

If any applicant/participant deliberately misrepresents information or provides untrue or incomplete information on which eligibility or tenant rent is established, the HACSD may deny or terminate assistance, set-up a collection account, and refer the family file/record to the proper authorities for appropriate disposition.

The family must provide verification of social security numbers [24 CFR 5.216, 5.218], prior to admission, for all family members age six and older, including live-in aides and foster children, who have been issued a social security number by the Social Security Administration. Failure to furnish verification of social security numbers is grounds for denial or termination of assistance. A person not issued a social security number must sign a certification of not being issued a social security number. Persons who disclose their social security numbers, but cannot provide verification, must sign a certification, and provide verification within 60 days. Elderly persons must provide verification within 120 days.

A family will be denied admission to the program, if any member of the family, including a live-in aide, fails to sign and submit consent forms for obtaining information required by the HACSD, including Form HUD-9886.

In order to receive assistance, at least one family member must be a United States citizen, or eligible immigrant [24 CFR Part 5, Subpart E]. The HACSD will not provide assistance to families prior to the determination of the eligibility of at least one family member, pursuant to this section.

The family will be denied admission or continued assistance if it is found a member of the family has committed fraud, bribery, or any other corrupt or criminal act in

connection with any federal housing program. The family will not be allowed to reapply to the waiting list for three years after the later of the date of discovery or termination of program participation.

Prohibition Periods for Some Offenses for Applicants and Participants

Lifetime	Indefinitely	Five Years	Three Years	One Year
Program participants and applicants subject to lifetime sex-offender registration under the state sex-offender registration program. Exception are current HACSD Program participants who were on the program prior to 5/24/2001 who were registered sex offenders prior to 5/24/2001	Currently engaging in illegal drug activities including: use, production, or sales. Includes medical marijuana	Previous violent criminal activity	From date of eviction from any federally-assisted housing for illegal drug activities for personal drug use (includes use of medical marijuana). (Does not apply with evidence of rehabilitation or violator absent.)	Illegal drug use, or possession for personal use, (including use of medical marijuana) unless a family obligation was violated at the same time, then the three- year prohibition period applies. (One year does not apply, if proof of completing rehabilitation program is provided.)
Program participants and applicants convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.	Pattern of abuse, or abuse of alcohol that interferes with the health, safety, or right to peaceful enjoyment of others.	Previous illegal drug-related criminal activity, that involves: sales, transportation, manufacture, or possession for sale.	From date of termination of federal assistance for a violation of an important family obligation, except drug-related or violent criminal activities.	
	Currently engaging in violent criminal activity.	Violent or hostile behavior towards PHA personnel.	From date of eviction from federally-assisted property for lease violations.	
	Actively engaging in other criminal activity that would threaten the health, safety, or right to peaceful enjoyment of the premises of others.	Previous other criminal activity that would threaten the health or safety of the PHA, owner, employee, contractor, subcontractor or agent of the PHA	From date of discovery for having committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.	
	Actively engaging in other criminal activity that would threaten the health or safety of the PHA, owner, employee, contractor, subcontractor or agent of the PHA		From date of the later of the act or termination of assistance for any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises or others.	
	Owes money or rent to any PHA.		Three years from the breach of an agreement under the Section 8 or Public Housing Program with a PHA.	

The family will be denied admission or continued assistance if it currently owes rent or other amounts to the HACSD or to another PHA in connection with Section 8 or Public Housing assistance under the 1937 Act, or if it is found that the family owes any money to a housing agency or that an active repayment agreement is in arrears.

The family will be denied admission or continued assistance for three years from the date of the breach of any agreement with the HACSD or another PHA in connection with Section 8 or Public Housing assistance under the 1937 Act.

OTHER ONGOING PARTICIPATION ELIGIBILITY FACTORS

The HACSD must terminate assistance for participants, if the family is under contract and 180 days (or 12 months, depending on the HAP contract used) have elapsed since the HACSD's last housing assistance payment was made. The HACSD may not enter into a HAP contract if the family is ineligible for assistance.

If the HACSD determines that a family member has knowingly permitted an individual, who is not a legal resident, to reside permanently in the family's unit, the family's assistance will be terminated for 24 months, unless the family's assistance was already being prorated due to the ineligible family member. However, the family's program participation will be permanently terminated if it is found the family provided false, misleading, incomplete or untrue information regarding this person's residency status or violated their family obligations by allowing an unauthorized person to reside in the assisted unit.

The HACSD will terminate program participation of participants found to have engaged in drug-related (includes medical marijuana) or violent, or other criminal activities while participating in the program, unless the violations occurred as a direct result of domestic violence, dating violence, or stalking. On a case-by-case basis, the offender may be allowed to leave the household so that the remaining family may continue to receive assistance if the head of household signs a statement indicating that they understand that the violator must not return to the household to live or visit and that, if the violator does return, the family will be subject to termination of participation, providing the family has no history of violating program or lease obligations, and only if full restitution is made to all parties who incurred expenses as a result of the criminal activities.

The HACSD must terminate program assistance if the family is evicted for serious or repeated violations of the lease, or if there is evidence the family has committed serious or repeated lease violations.

The family's program assistance may be terminated for a violation of family obligations [24 CFR 982.551]. The deciding factors will be any history of previous violations, if the violation was intentional, the impact on the HACSD, the owner, other residents and the surrounding community, the family's speed in correcting the

violation and/or making restitution, and other mitigating circumstances, such as the violation(s) occurring as a direct result of a family member being the victim of domestic violence, dating violence, or stalking. Family obligations include:

The family must supply any information that the HACSD or HUD determines is necessary to administer the program, including submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR 982.551). "Information" includes any requested certification, release or other documentation.

The family must supply any required information requested by the HACSD or HUD, for use in a regularly scheduled reexamination or interim reexamination of family income and composition.

The family must disclose and verify social security numbers (as provided by 24 CFR 5.216), and must sign and submit consent forms for obtaining information in accordance with 24 CFR 5.230.

The PHA will terminate program participation of participants who become subject to lifetime state sex-offender registration requirements after May 24, 2001.

All information supplied by the family must be true and complete.

The family is responsible for an HQS breach caused by the family for failure to pay tenant-provided utilities or maintain appliances, or for damages to the dwelling unit beyond normal wear and tear caused by any member of the household or guest. Damages beyond normal wear and tear will be considered damages, which could be assessed against the security deposit.

The family must allow the HACSD to inspect the unit at reasonable times and after reasonable notice.

The family may not commit any serious or repeated violations of the lease. The HACSD will determine if the family has committed repeated/serious violations of the lease based on available evidence including, but not limited to, court-ordered eviction, an owner's notice to evict, or witness statements. Serious/repeated lease violations will include, but are not limited to, nonpayment of rent, disturbance of neighbors, destruction of property, criminal activity, or living or housekeeping habits that cause damage to the unit or premises.

The family must notify the owner and, at the same time, notify the HACSD before the family moves out of the unit or terminates the lease. The family must comply with lease requirements regarding written notice to the owner.

The family must provide written notice to the HACSD at the same time the owner is notified.

The family must promptly give the HACSD a copy of any owner eviction notice.

The family must use the assisted unit for residence by the family. The unit must be the family's only residence.

The HACSD must approve the composition of the assisted family residing in the unit. The family must promptly inform the HACSD of the birth, adoption, return of a disabled or minor child to the family, or court-awarded custody of a child. The family must request prior HACSD approval to add any other family member as an occupant of the unit. The request to add a family member must be submitted in writing and approved **prior** to the person(s) moving into the unit.

The family must promptly notify the HACSD if a family member moves.

A family must not receive Housing Choice Voucher assistance while residing in a unit owned by a parent, grandparent, grandchild, sister or brother of any member of the family, unless the HACSD has determined prior to approval of the unit, and has notified the owner and family in writing of such determination, that approving rent of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

If the HACSD has given prior approval, a foster child or a live-in aide may reside in the unit. If the family does not request approval or the HACSD approval is rescinded or denied, the family may not allow a foster child or live-in aide to reside with the assisted family.

Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to the primary use of the unit as a residence by members of the family, do not cause damage or a nuisance, and the property owner has given permission for such activities. If the HACSD determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a program violation. If the owner legally disallows the profit-making activity in the unit, it will be considered a program violation. If the HACSD determines the business is not legal, it will be considered a program violation.

The family must not sublease or let the unit. Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is

not listed as a family member.

The family must not assign the lease or transfer the unit.

The family must promptly notify the HACSD when the family is expected to be absent from the unit more than 14 days.

The family must supply any information or certification requested by the HACSD to verify that the family is living in the unit, or to document a family absence from the unit. The family must cooperate with the HACSD for this purpose. The family must notify the HACSD, within 14 days, of temporary absence from the unit. The family must notify the HACSD prior to moving from the unit.

The family must not own or have any interest in the unit regardless of whether s/he is a member of the family, with the exception of a mobilehome owner renting the pad or a Section 8 Homeownership Program participant.

The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

The household members may not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety, or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, state or local housing assistance program.

For PHAs that have a Section 8 welfare-to-work program, assistance will be terminated if the family has failed to fulfill its obligation under that program. The HACSD does not currently have a welfare-to-work voucher program.

No assistance shall be provided under Section 8 of the United States Housing Act of 1937, to any individual who is a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002) unless the student is in at least one of the following categories: (1) over the age or 23, (2) a veteran, (3) has or is responsible for a dependent child,

(4) is married, (5) is otherwise eligible or has a parent, or parents if both parents are together, or is living with someone acting as a parent, who is/are receiving or eligible to receive Section 8 assistance, or, (6) was a person with disabilities receiving assistance before November 30, 2005, when the regulations first changed.

VERIFICATION PROCEDURES and CALCULATION OF TTP AND FAMILY RENT

[24 CFR Part 5, Subparts B, D, E and F; 982.54; 982.153; 982.551; 982.158; 24 CFR 5.617]

INTRODUCTION

The HACSD must verify eligibility, total tenant payment, and family share in accordance with HUD regulations. The HACSD staff will obtain written documentation from independent sources whenever possible. If written third party verifications are not obtained, the HACSD will attempt to obtain oral third party verifications, and will always document why third-party verifications were not used.

Applicants and program participants must provide true and complete information to the HACSD whenever information is requested, and must supply any information that the HACSD determines is necessary in the administration of the program, including consenting to the HACSD's verification of that information.

This chapter explains HACSD's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in family composition. This chapter also reviews key guidelines for the correct determination of the family's portion of the rent.

METHODS OF VERIFICATION AND TIME ALLOWED

[24 CFR 982.516]

The HACSD will verify information with the highest level of verification techniques acceptable to HUD, utilizing the following hierarchy:

1. Up Front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
2. Up Front Income Verification using non- HUD system

3. Written Third-party Verification. (An original or authentic document generated by a third party source)
4. Written Third-party Verification Form (A standardized form to collect information from a third party source)
5. Oral Third-Party Verification (in person or via telephone directly from the third party)
6. Tenant Certification/Self-declaration

The HACSD will allow 10 days for the return of written third-party verification form before going to the next method, which is oral verification. The HACSD will document the file as to why Up Front Income Verifications or third party written verifications were not used.

For verification of those subject to the Violence Against Women Act, the certification must be received 14 working days from applicant's/participant's receipt of the HACSD request.

For applicants, verifications may not be more than 60 days old at the time of voucher issuance. For participants, verifications are valid for 120 days from date of receipt.

The family may be required to certify that they do not have a particular type of income or benefit, or asset. If this is required, the certification must be written in the presence of a HACSD staff person and notarized.

1. **Up-front Income Verification (Level 6/5):** The PHA's first choice is up-front income verification (UIV) which includes sources of information taken directly from on-line systems, such as from the Enterprise Income Verification System (EIV), direct on-line information from the local welfare system, the WorkNumber, etc.
2. **Written Third-Party Verification (Level 4):** The PHA's second choice is a written third party verification to substantiate claims made by an applicant or participant. Examples of acceptable tenant provided documentation (generated by a third party source) include: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letters and/or printouts and unemployment monetary benefit notices.
3. **Written Third Party Verification Form (Level 3):** The PHA's third choice is traditional third party verification. A standardized form to collect information from a third party source.
4. **Oral Third-Party Verifications (Level 2):** The PHA's fourth choice is to use telephone verifications to substantiate the claim of an applicant or participant.

5. **Non-Third-Party Verification (Tenant Declaration) (Level 1)**: The tenant submits an affidavit or notarized statement of reported income and/or expenses to the PHA. This is the verification method of last resort and should be used when the PHA has not been successful in obtaining information via all other verification techniques.

If UIV or third-party verification is not possible to obtain directly from the source, PHA staff will document the file as to why UIV and third-party verification were impossible to obtain and attempt to obtain an oral third-party, and document this attempt, before another method is used, such as reviewing family-provided documents.

The PHA will not delay the processing of an application beyond 10 days because a third-party information provider does not return the verification in a timely manner.

For applicants, verifications may not be more than 60 days old at the time of the issuance of the voucher. For participants, verifications are valid for 120 days from the date of receipt. The HACSD will accept documents dated within the last 12 months, if they are the most recent scheduled report from a given source (e.g., last quarter's quarterly money market account statement).

UP-FRONT INCOME VERIFICATION (MANDATORY)

Up-front income verification (UIV) is information provided directly from a central information collection point, which includes the EIV System wage, pension, social security and supplementary security (SSI) income, the WorkNumber for wage income information, the local public assistance provider on-line informational link for CalWorks or TANF income, etc. If this income information is received from this source and is reliable, no other verification is required.

The HACSD will not disclose information obtained through the EIV system to any person other than the person the income information pertains to, even if another person has a release of information. The HACSD will restrict access and safeguard EIV data in accordance with HUD guidance on security procedures, as issued and made available by HUD. EIV information will be retained in the confidential applicant/participant file and will be destroyed when the file is destroyed, in accordance with the HACSD's records retention policies.

The HACSD will not take any adverse action against the family as a result of information obtained from the EIV system, but may take action if the information is confirmed by the family member or a third party.

If the EIV report reveals an income source that was not reported by the tenant or a substantial difference in the reported income information (this is defined as an amount equal or greater than \$200 or more per month) the PHA is required to take the following actions:

1. Discuss the income discrepancy with the tenant;
2. Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/or income sources;
3. In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the PHA is required to request from a third-party source, any information necessary to resolve the income discrepancy;
4. If applicable, determine the tenant's underpayment of rent as a result of unreported or underreported income retroactively;
5. Take any other appropriate action as directed by HUD or the PHA's administrative policies.

When the HACSD cannot readily anticipate income (e.g., in cases of seasonal employment, unstable working hours, suspected fraud) the PHA will review historical income data for patterns of employment, paid benefits, and receipt of other income.

The HACSD will analyze all UIV, third party, and family-provided data and attempt to resolve the income discrepancy.

The HACSD will use the most current income data and, if appropriate, historical income data to calculate the anticipated annual income.

WRITTEN THIRD-PARTY VERIFICATION

An original or authentic document generated by a third-party source dated either within the 60-day period preceding the reexamination or PHA request date. Such documentation may be in the possession of the tenant (or applicant) and is commonly referred to as tenant-provided documents. The PHA may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

The PHA may reject documentation provided by the tenant for the following HUD-approved reasons:

1. The document is not an original
2. The original document has been altered, mutilated, or is not legible; or
3. The document appears to be a forged document (i.e., does not appear to be authentic).

If at any time, the tenant is unable to provide acceptable documentation that the PHA deems necessary to complete the income determination process, the PHA is required to submit a traditional third-party verification form to the third-party source for completion and submission to the PHA.

Written third-party verifications are mandatory to supplement EIV-reported income sources and when EIV has no data. Mandatory for non-EIV reported income sources. Mandatory when tenant disputes EIV reported employment and income information **and** is unable to provide acceptable documentation to support dispute.

WRITTEN THIRD-PARTY VERIFICATION FORM

Written third-party verification form is also known as the traditional third-party verification. It is a standardized form to collect information from a third party source. The form is completed by a third-party by hand (in writing or typeset). PHAs send the form directly to the third-party source by mail, fax, or email.

The written third-party verification form is mandatory if written third-party verification documents are not available or rejected by the PHA and when the applicant or tenant is unable to provide acceptable documentation.

ORAL THIRD-PARTY VERIFICATION

Oral third-party verification is independent verification of information by contacting the individual income/expense source(s) as identified through the UIV technique or identified by the family, via telephone or in-person visit. PHA staff should document in the tenant file the date and time of the telephone call (or visit to the third party), the name of the person contacted and telephone number, along with the confirmed information.

The oral third-party verification is mandatory if written third party verification is not available.

SELF-CERTIFICATION/SELF-DECLARATION

The tenant submits an affidavit or notarized statement of reported income and/or expenses to the PHA. This verification method should be used as a last resort when the PHA has not been successful in obtaining information via all other verification techniques. The PHA must document in the tenant file why third-party verification was not available.

A notarized self-certification means a family-signed and dated affidavit/ certification/ statement under penalty of perjury in the presence of a notary public.

RELEASE OF INFORMATION

[24 CFR 5.230]

All required releases must be completed “as is” by all adult family members, live-in aides and adult foster children. These forms may not be crossed out, amended, added to, or in any way altered. To do so is a program violation.

Adult family members, live-in aides and adult foster children must sign the *HUD 9886 Release of Information/Privacy Act* form.

Adult family members are those who are expected to be 18 years of age or older at the time of annual recertification, transfer, or final eligibility determination.

In addition, adult family members, live-in aides and adult foster children must sign additional release of information authorization forms, not covered by the above HUD required form.

Adults who are required to sign forms to release specific information will be provided copies of the forms for their review and signature.

A family's refusal to cooperate with the HUD prescribed verification requirement will result in denial of admission or termination of assistance, for violation of the family obligation to supply any information, and to sign consent forms requested by the HACSD or HUD. A live-in aide or adult foster child who refuses to cooperate with the verification requirement will be denied admission to the assisted household.

CRIMINAL RECORDS

The HACSD verifies the criminal history of all adults, live-in aides and adult foster children at the time of program admission; adults, live-in aides, and adult foster children admitted to the assisted household; adults, live-in-aides, and adult foster children who port into the jurisdiction of the HACSD; adults, live-in aides, and adult foster children transferring to another assisted unit, and may verify the criminal history of all adults in the household on a regular basis. The verification is conducted by researching criminal history, including status of a family member subject to a sex offender registration requirement of a state sex offender registration program, by accessing the database of the San Diego County Sheriff's Department or sending written inquiries to states where the HACSD will screen all incoming portability admissions and participants for criminal history and registered sex offender status

The criminal history of participants/applicants, live-in aides, and adult foster children may be verified through the Department of Justice, and these applicants/participants may be required to provide fingerprints.

The HACSD will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which it was requested is accomplished, although the HACSD form may be retained in the file.

All criminal reports, while needed, will be housed in a secure area with access limited to individuals responsible for screening and determining eligibility for initial and continued assistance, as well as management.

The HACSD will document in the family's file the circumstances of the criminal activities.

COMPUTER MATCHING

HUD has conducted a computer matching initiative to independently verify resident income. HUD can access income information, and compare it to information submitted by the HACSD on the 50058 forms. HUD can disclose social security information to PHAs, but is precluded by law from disclosing federal tax return data to PHAs. If HUD receives information from federal tax return data indicating a discrepancy in the income reported by the family, HUD will notify the family of the discrepancy. The family is required to disclose the information to the PHA (24 CFR 5.240). HUD's letter to the family will also notify the family that HUD has notified the PHA in writing that the family has been advised to contact the PHA. HUD will send the PHA a list of families who have received "income discrepancy" letters.

When the HACSD receives notification from HUD that a family has been sent an "income discrepancy" letter, the HACSD will:

Wait 40 days after the date of notification before contacting the tenant.

After 40 days, the HACSD will contact the tenant by mail, requesting the letter or other notice from HUD concerning the amount or verification of family income.

The HACSD will place a copy of the letter to the family in the tenant file

When HACSD receives the required information, it will verify the accuracy of the income information provided by the family, review the HACSD interim recertification policy, identify unreported income, and, if appropriate, charge retroactive rent, change the rent, or terminate assistance.

If the amount of overpaid rent owed to the HACSD exceeds \$1000, the HACSD may seek to terminate assistance.

If the participant fails to respond to the HACSD:

The HACSD will ask HUD to send a second letter with a verified tenant address.

After an additional 40 days, the HACSD will ask HUD to send a third letter.

After an additional 40 days, the HACSD will send a warning letter, advising the family of the action to be taken if it does not contact the HACSD within two weeks.

If the participant claims a letter from HUD was not received:

The HACSD will ask HUD to send a second letter with a verified tenant address.

After 40 days, the HACSD will contact the family.

If the family claims it has not received a HUD letter, the HACSD will ask HUD to send a third letter.

After an additional 40 days, the HACSD will set up a meeting with the family to complete IRS forms 4506 and 8821.

If the family fails to meet with the HACSD, or refuses to sign the IRS forms, it will be issued a warning letter indicating that termination proceedings will begin in one week, if the family fails to meet with the HACSD and/or sign IRS forms.

If the participant does receive a discrepancy letter from HUD:

The HACSD will schedule a family meeting.

If the family fails to attend the meeting, the HACSD will reschedule the meeting.

If the family fails to attend the second meeting, the HACSD will send a termination warning.

The family must bring the original HUD discrepancy letter to the HACSD.

If tenant disagrees with the federal tax data in the HUD discrepancy letter, the family must provide documented proof of incorrect tax data.

If the family does not provide document proof of incorrect tax data, the HACSD will obtain proof of tax data using third-party verifications.

VERIFICATION OF WAITING LIST PREFERENCES

[24 CFR 982.207]

Residency Preference: This preference applies to: families who live, work or have been hired to work in the jurisdiction of the HACSD. Acceptable documentation includes two or more of the following documents that indicate the current reported resident or employment address:

Rent receipts, leases, utility bills, employer or agency records, school records, drivers licenses, voter's registration records, credit reports, bank statements, benefits award letter, or statement from household with whom the family is residing. If homeless, a lesser standard of documentation is acceptable.

Families who claim to work in the jurisdiction of the HACSD must provide an employer's verification and copies of pay stubs.

Families with Dependent Children Preference: To be eligible for this preference, the family must provide documentation that there are dependent children in the household or dependent children will be in the household once assistance is approved. A pregnant single person is no different than any other single applicant and is **not** considered a family with dependent children for admission preference purposes.

In most instances, self-certification is acceptable, unless there is reasonable doubt, in which case the HACSD will ask for further documentation of the placement of the children. This documentation of residence of the children may include:

School records
Court custody documents
Leases
Welfare agency information
Medical records

Veterans Preference: This preference is available to current members of the U.S. military armed forces, veterans, or surviving spouses of veterans.

The HACSD will require U.S. government documents that indicate that the applicant qualifies under the above definition.

Working Preference: This preference is available to families with at least one member who is employed at the time of selection from the waiting list and has been employed an **average** of at least 32 hours per week for the last twelve months, or to families whose head or spouse is receiving income based on their inability to work.

The HACSD will require a statement from the employer, and may require copies of pay stubs, federal income tax returns, or other documentation.

Education/Training: Participation in educational or training programs may be used to augment a shortage in the working requirement. The HACSD will require a statement from the agency or institution providing the education or training, indicating the time committed to the educational or training program for the last twelve months.

Disability Preference: This preference is available to families with a head of household or spouse who is a person with disabilities as defined by HUD.

The HACSD will request appropriate documentation from a knowledgeable professional. The HACSD will not inquire as to the nature of the disability, but will ask a knowledgeable health professional to confirm that the person meets the HUD definition of disability.

Other acceptable documentation of disability is either an award letter, or proof of eligibility for social security disability or supplemental security income.

The HACSD may accept as a reasonable accommodation other credible evidence that the person meets the disability definition.

Elderly Preference: This preference is available to families with a head of household or spouse who is age 62 years or older.

The HACSD will require appropriate proof of age as verified by submittal of one or more of the following documents:

Birth Certificate

Passport

Driver's License

Resident Alien Card

Homeless Preference: The documentation requirement is less stringent for homeless households, given the absence of a permanent residence. A notarized self-certification is required if the homeless household cannot provide documentation of employment/ residence in the jurisdiction of the HACSD. In addition to the notarized self-certification, documentation must be provided to demonstrate residence in San Diego County around the time of selection from the waiting list. Acceptable documentation includes the following:

Driver's License

Automobile Registration

Documentation from San Diego County benefit provider

Receipts from stores, restaurants, motels, etc.

Super-preference for Homeless applicants referred by the County of San Diego's Continuum of Care:

The documentation is significantly more stringent for homeless households claiming a super-preference. In addition to the applicable documents listed above, documentation must include the PHA approved referral documentation outlined in the Memorandum of Understanding between the Housing Authority of the County of San Diego and the San Diego County Continuum of Care.

Super-preference for Victims of Domestic Violence in the HACSD's Public Housing: Verification is an original signed and dated referral letter from the HACSD's Public Housing administrator advising the intake supervisor that the HACSD Public Housing family is eligible for a super-preference for selection from the HACSD's waiting list because a family member has been determined to be the victim of domestic violence.

Super-preference for families that must be relocated from the HACSD's Public Housing unit: Verification is an original signed and dated referral letter from the HACSD's Public Housing administrator advising the intake supervisor that the HACSD Public Housing family is eligible for a super-preference for selection from the HACSD's waiting list because the family must be relocated for a significant period of time.

VERIFICATION OF NON-FINANCIAL FACTORS

[24 CFR 5.617(b)(2)]

VERIFICATION OF A VICTIM OF DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING

The Violence Against Women Reauthorization Act of 2005 (VAWA) provides that "innocent" family members cannot be denied admission or terminated from the program for criminal activity, lease violations, or other good cause if the violations were as a direct result of a family member being the victim of domestic violence, dating violence, or stalking, unless the housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

VAWA gives PHAs the authority to terminate assistance to any individual who is a participant or lawful occupant who engages in criminal acts of physical violence against family members or others without evicting, removing, terminating assistance or otherwise penalizing the victim of such violence who is also a participant or lawful occupant. The PHA will, upon appropriate verification, terminate or deny the offender's program eligibility while allowing the victim to continue to be eligible for assistance. The victim must agree in writing to exclude the offender from the assisted unit and certify that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Definitions

The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.

The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; the frequency of interaction between the persons involved in the relationship.

The term *stalking* means to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate, or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and, in the course of, or as a result of such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to that person, a member of the immediate family of that person, or the spouse or intimate partner of that person.

The term *immediate family member* means, with respect to a person: a spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or any other person living in the household of that person and related to that person by blood or marriage.

Verification

To verify the party is a victim in one of the above categories, the HACSD must receive a completed certification form **and** third-party documentation to support the certification. The certification and documentation must be received by the HACSD within 14 calendar days of receipt of the HACSD's request. The following supporting documentation is acceptable as long as it includes the period of time the violent act(s) occurred and if the act(s) were directly related to the violations:

Police reports or court records documenting the domestic violence, dating violence, or stalking.

Statement from a professional with expertise in working with victims of domestic violence who was working with the program participant.

A certification from the victim by itself is not sufficient documentation, but must accompany one of the above sources of documentation.

The deadline for return of documentation of victim status will be 14 days from the date the request is received by the family.

All information provided to the HACSD regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database, nor provided to any related entity, except to the extent that the disclosure is requested or consented to by the individual in writing, required for use in an eviction proceeding, or is otherwise required by applicable law.

To verify that the acts pose an actual and imminent threat to other tenants or those employed at or providing service to the property, the HACSD would collect any one of the following:

A statement under penalty of perjury

A restraining order

An arrest record

VERIFICATION OF LEGAL IDENTITY

In order to prevent program abuse, the HACSD will require all household members, including live-in aides and adult foster children, to furnish verification of legal identity. All adult family members and live-in aides must provide picture identification. Acceptable picture identification may be a driver's license, California

identification card, or school picture identification. Family members who turn 18 years of age must provide picture identification as of the next annual reexamination.

Copies of the birth certificates, Naturalization Certificates or Eligible Immigration documents for all family members must be on file. The following documents will be temporarily accepted as proof of identify, birth, and residency of assisted family members:

- Church-issued baptismal certificate
- Hospital birth certificate
- Department of Motor Vehicles identification card
- Current, valid driver's license
- U.S. military discharge (DD 214)
- U.S. passport
- Voter's registration
- Company/agency identification card
- Hospital records

For a live-in aide, the birth certificate or another document listed above must be provided to verify legal residency.

If a minor cannot provide a birth certificate, one of the following may be substituted temporarily:

- Adoption papers
- Hospital birth certificate
- Custody agreement
- Health and Human Services Identification
- School records

If none of these documents can be provided, a third party who knows the person may, at the HACSD's discretion, provide a notarized verification.

The family must take steps to order a birth certificate, provide proof that these steps were taken, and be given a deadline to provide a birth certificate. If the birth certificate cannot be obtained, the family must provide documentation as evidence as to why the birth certificate cannot be obtained, in which case the secondary documents will be accepted permanently.

If a document submitted by a family is illegible or otherwise questionable, more than one of the above documents may be required, original documents must be brought in for review and verification, or a SAVE request may be made for questionable naturalization documents.

VERIFICATION OF AGE

[24 CFR 982.516(a)(2)(iv)]

It may be necessary to verify age in order to determine eligibility for program admission, as well as to determine income and deductions. The HACSD will accept any official document that indicates age including:

- Birth certificate
- Proof of social security retirement benefits
- School records
- Drivers' license

VERIFICATION OF MARITAL STATUS

Marital status could affect the determination of total or adjusted income. For example, a working person under age 18 designated the spouse of the head of household would not have exempt wage income, or if a non-elderly or disabled head of household has a elderly or disabled spouse, that family would be designated an elderly or disabled household.

Generally, certification by the family is sufficient verification. However, if there is reasonable doubt about a marital relationship, the HACSD will require the following documentation:

Verification of divorce status will be a certified copy of the divorce decree, signed by a court officer.

Verification of a court-ordered separation; may be a copy of court-ordered maintenance, or other records.

Verification of marriage status may include a marriage certificate, marriage license, or on-line data confirmation from public records.

FOSTER CHILDREN/ADULTS

The HACSD will verify the status and placement of temporary and permanent foster children/adults in the household by obtaining the following document:

Third-party verification from the state or local government agency responsible for the placement of the individual with the family.

The verification must include: name, address, telephone number and contact name and telephone number of the placement agency, and, name, date of birth, social security number, the estimated length of placement, the residency status, and type and monthly amount of benefits of the foster adult/child.

A foster adult must sign the necessary consent forms to verify criminal history.

FAMILIAL RELATIONSHIPS

24 CFR 982.516(A)(2)(IV)

The relationship of household members may affect the determination of adjusted income and must be verified. A family certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will always be required, if applicable:

Verification of relationship:

Official identification showing names

Birth certificates

Baptismal certificates

Verification of guardianship is:

Court-ordered assignment

Notarized affidavit of parent

Verification from social services agency

School records

VERIFICATION OF PERMANENT ABSENCE OF FAMILY MEMBER

If an adult member, formerly a member of the household, is reported permanently absent by the family, the HACSD will generally accept certification by the family of that family member's absence. If the HACSD has reasonable doubt about the absence of the family member, one or more of the following documents will be required as verification:

Documentation of legal separation (required in order to exclude income of absent spouse)

Order of protection/restraining order obtained by one family member against another

Proof of another home address, such as utility bills, canceled checks for rent, driver's license, lease, rental agreement, automobile registration, mail at new address, or credit report reflecting new address, if available

Statements from other agencies, such as social services, or a written statement from the landlord or manager, that the adult family member is no longer living at that location

If a family member is incarcerated, a document from the court or correctional facility stating how long s/he will be incarcerated

The HACSD will accept a notarized self-certification, signed under penalty of perjury, from the head of household, or the spouse or co-head, if the head is the absent member.

VERIFICATION OF CHANGE IN FAMILY COMPOSITION

The HACSD may verify changes in family composition, either reported or unreported, through letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school or Department of Motor Vehicles (DMV) records, and other sources.

VERIFICATION OF DISABILITY

Verification of disability may be obtained from documentation of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7)), or verified by the appropriate diagnostician, such as, California-licensed physician, psychiatrist, psychologist, nurse, therapist, rehabilitation specialist, or licensed social worker. As a reasonable accommodation to a person with disabilities, other credible evidence may also be accepted if it is determined that, due to the nature of the disability, the disabled person is unable to seek or maintain a relationship with a knowledgeable professional for sufficient time to allow the professional to develop an opinion or diagnosis.

VERIFICATION OF CITIZENSHIP/ELIGIBLE IMMIGRANT STATUS

[24 CFR 5.508, 5.510, 5.512, 5.514]

A live-in aide's legal residency will be confirmed through documents. The legal residency of foster children/adults will be verified with the placement agency.

The HACSD will require citizens to provide documentation of citizenship, such as a birth certificate, passport, or naturalization papers.

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals, who cannot demonstrate legal residency, may elect not to contend their status. Eligible immigrants are persons who are in one of the HUD-specified immigrant categories and must have their status verified by Immigration and Naturalization Service (INS).

For the citizenship/eligible immigration requirement, the status of each member of the family, except live-in aides and foster children, is considered individually before the family's status is defined. Each family member must declare his/her status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending; except that assistance to applicants may be delayed while the HACSD hearing is pending.

For this eligibility requirement only, the applicant is entitled to an informal hearing and not an informal review. The following determinations are made based on the verification of family status:

Mixed Families. A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

All members are ineligible. Applicant families that include no eligible members are ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury.

Eligible Immigrants aged 62 or over are required to sign a declaration of eligible immigration status and provide proof of age.

Non-citizens with eligible immigration status must sign a declaration of status and verification consent form, with the exception of live-in aides and foster children/adults, and all household members including live-in aides, must provide original immigration documents. Front and back copies are retained and the original immigration documents are returned to the family. The HACSD verifies the eligible immigration status through the INS SAVE system. If the initial search fails to verify status, the HACSD will request, within 10 days, that the INS conduct a second manual search. If the documents have

an expiration date, the applicants/participants must provide either a current document or an INS screen print of their current status.

Ineligible assisted family members, who do not claim to be citizens or eligible immigrants, must be listed on a statement of ineligible family members signed by the head of household or spouse.

Non-citizen students on student visas as described in 24 CFR 5.522 are ineligible members, even though in the country lawfully. They must provide their student visa, but their status will not be verified. They do sign a declaration, but they are listed on the statement of ineligible members.

Failure to Provide. If an applicant or participant family member fails to sign required declarations and consent forms and/or provide current documents or an INS status screen print, as required, s/he must be listed as an ineligible member. If the entire family fails to provide and sign documents as required, the family may be denied or terminated for failure to provide required information. A live-in aide will be prohibited admission to the household to serve as a live-in aide if the live-in aide fails to provide documentation of legal residency.

Time of Verification

For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other eligibility factors.

The HACSD will not provide assistance to any family prior to the affirmative establishment and verification of the eligibility of at least one member of the family.

The HACSD will verify the U.S. citizenship/eligible immigration status of all participants, no later than the date of the family's first annual reexamination following the enactment of the Quality Housing and Work Responsibility Act of 1998.

For family members added after other members have been verified, the verification must take place prior to the new member's addition to the household.

Once verification of eligible immigration status has been completed for any program participants, it need not be repeated, except for port-in families, if the initial PHA does not supply the documents.

Extensions of Time to Provide Documents

The HACSD will grant an extension of 30 days for families to submit evidence of eligible immigrant status.

Acceptable Documents of Eligible Immigration

The regulations stipulate only the following current documents are acceptable, unless changes are published in the Federal Register. These documents must be current and are subject to the limitations and additional requirements described in Chapter 5 of the HUD Housing Choice Voucher Guidebook.

A birth certificate is not an acceptable verification of eligible immigration status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept five years.

The HACSD will verify the eligibility of a family member at any time such eligibility is in question, without regard to the position of the family on the waiting list.

VERIFICATION OF SOCIAL SECURITY NUMBERS

[24 CFR 5.216]

Applicants:

Each applicant must provide complete and accurate social security numbers and documentation necessary to verify the SSN as a condition of eligibility for all family members, regardless of age, who have been issued a social security number.

Assistance will be denied if the applicant does not meet the applicable SSN disclosure, documentation, and verification requirements. However, if the family is otherwise eligible to participate in the program, the family may maintain his/her position on the waiting list for 180 days.

Participants:

Each participant, except those age 62 or older as of January 31, 2010, whose initial determination of eligibility was begun before January 31, 2010, must provide a complete and accurate social security number and documentation necessary to verify the SSN, as a condition of continued eligibility for all family members, regardless of age, who have been issued a social security number, at their next interim or regularly scheduled reexamination or recertification of family composition or income if the participant has:

- Not previously disclosed a SSN;
- Previously disclosed a SSN that HUD or the SSA determined was invalid; or
- Been issued a new SSN.

The family's assistance will be terminated if the participant does not meet the applicable SSN disclosure, documentation, and verification requirements.

The HACSD may defer termination and grant an extension of additional 90 calendar days to disclose a SSN, but only if the HACSD, in its discretion, determines that the participant's failure to comply was due to circumstances that could not have reasonably been foreseen and were outside the control of the participant; and there is a likelihood that the participant will be able to disclose a SSN by the deadline. If, upon expiration of the provided time period, the participant fails to produce a SSN, the family's assistance will be terminated.

Verification of Social Security Numbers:

Verification of social security numbers will be done through a valid social security card issued by the Social Security Administration. If a family member cannot produce a social security card, the documents listed below may be accepted for verification. The family may be required to certify in writing that the document(s) submitted in lieu of the social security card is/are complete and accurate:

An original SSA-issued document, which contains the name and SSN of the individual

An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

The HACSD may reject documentation of the SSN provided if:

The document is not an original document

The original document has been altered, mutilated, or not legible

The document appears to be a forged document (i.e., does not appear to be authentic)

Additions of New Household Members:

New family members, regardless of age, who have an assigned SSN, will be required to produce their valid social security cards or other acceptable documentation, as outlined above. This information must be provided at the time of the request, or at the time the HACSD adds the new family members to the household. If the family is unable to provide the required documentation of the SSN, the HACSD will not add the new household member until the family provides such documentation.

New family members under the age of six who have not been assigned a SSN will be required to produce their valid social security cards or other acceptable documentation, as outlined above, within 90 calendar days of the child being added to the household. The HACSD may grant an extension of one additional 90-day period to comply with the SSN disclosure and documentation requirement, if the HACSD, in its discretion, determines that the participant's failure to comply was due to circumstances that could not have reasonably been foreseen and were outside the control of the family. The child will be included as part of the assisted household and entitled to all benefits of being a household member during the allotted time for the family to comply with the SSN disclosure and documentation requirements. If, upon expiration of the provided time period, the family has not complied with the SSN disclosure and documentation requirements, the family's assistance will be terminated.

The requirements of this section apply to applicants and participants as described in this section, except that this section is inapplicable to individuals who do not contend eligible immigration status.

If the family member states s/he has not been issued a social security number by the SSA, the family member will be required to make such declaration in writing and under penalties of perjury.

NEED FOR LARGER UNIT OR A LIVE-IN AIDE

The family request for a larger voucher must be in writing and must clearly explain the need or justification for a larger voucher. If the request is for a reasonable accommodation, it must explain what about the additional bedroom will allow the person with disabilities better access to the program. If the request is for a live-in aide, it must explain why a live-in aide will be essential for the care and well being of an elderly, near elderly person or a person with disabilities. The live-in aide must provide at least 12 hours of care per day.

The HACSD may require at anytime an update on the medical documentation, on HACSD forms, verifying the need or justification for a larger unit.

A State of California licensed doctor, or other State of California licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional must provide a certification of the need for an extra bedroom or live-in aide. The certification must specific the amount of hours per day that care would be required. Live-in Aide requests that require less than 12 hours of care per day will be denied.

The HACSD will require only that information necessary to determine the need for an additional bedroom and not to determine the nature of the disability.

INCOME

The HACSD will verify and anticipate monetary and in-kind income as accurately as possible by reviewing all verifications and using the most accurate reflection of income for the next 12 months.

For admission, an unborn child is not considered when determining the income limits. For example, a pregnant single person is considered a one-person household when determining the income limits. To determine if the family is income-eligible for admission, the HACSD compares the annual income of the family to the applicable income limit for the family's size. Newly admitted families who exercise portability prior to receiving initial assistance must be within the applicable income limit of the receiving PHAs. This requirement does not include those who had been participants with the initial PHA.

Families, whose annual income exceeds the income limit, will be denied admission, removed from the waiting list, and offered an informal review.

Income: Includes all amounts, monetary or not, received on behalf of the family. HUD defines what is counted and excluded in determining the total tenant payment (TTP). In accordance with this definition, all income meeting the customary definition of income, not specifically excluded in the regulations, is counted.

Annual Income: Includes all amounts, monetary or not, which go to or on behalf of the family head or spouse (even if temporarily absent) or to any other family member; or are anticipated to be received during the 12 months following admission or annual reexamination effective date; and which are not specifically excluded. Annual income also means amounts derived during the 12-month period from assets available to any family members.

Annual income includes, but is not limited to:

The full amount, before any payroll deductions, of wages, salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

The net income from the operation of a business or profession.

Interest, dividends, and other net income of any kind from real or personal property.

The full amount of periodic amounts from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, or any other similar types of periodic receipts.

Payments in lieu of earnings, such as unemployment, disability, workers' compensation, and severance pay.

Welfare assistance payments (Please note that the amount specifically designated for shelter and utilities is excluded.)

Periodic and determinable allowances such as alimony and child support payments, and regular contributions or gifts received by organizations or persons not residing in the dwelling.

All regular pay, special pay and allowances of a member of the Armed Forces (except as excluded)

Financial assistance received by persons in certain categories.

Gross income is the amount of income prior to any HUD allowable expenses or deductions or state and local taxes and deductions, and does not include income excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits. Wages for full-time employment are anticipated for a full 52 weeks, unless documentation is provided that wages will not be earned for the full year.

Annual income may be anticipated using the previous year's income, rather than

current income, if that is the most accurate reflection of the next year's income. A clear rationale must be documented to support the methodology used for the calculation of income.

AVERAGING INCOME

When annual income cannot be anticipated for a full 12 months, the HACSD may use one of the following methods to calculate annual income:

Average known sources of income that vary to eliminate interim adjustments

Annualize current income and conduct an interim adjustment when it goes down

Use prior year's income information to anticipate the following year

Average employer's year-to-date income information

For regularly received bonuses and/or commissions, the HACSD will verify and then average amounts received for the previous year, unless the family can provide credible documentation indicating the historical information is incorrect.

CalWorks benefits shall be anticipated as follows: use the higher of either a six-month average (from the current month back) vs. the current month's benefit, which is then multiplied by 12. The future month's benefit is not considered, as it may change.

The method used depends on the regularity, source and type of income.

AMOUNTS THE HACSD HAS DETERMINED DO NOT MEET THE DEFINITION OF INCOME

Employer Reimbursement of Mileage Expenses

Employer reimbursement for mileage expenses for use of a personal vehicle is not considered income as long as the reimbursement is reasonable as compared to the Internal Revenue Service (IRS) mileage rate. Mileage logs may be required. The amount of the mileage reimbursement that exceeds the standard rate will be counted as income.

Loans

Loans to a participant/applicant from an institution are not considered income. However, "loans" from private parties **are** considered income if it is apparent there is little likelihood the loan will be repaid within the next three years, loans from the previous year have not been repaid, and if there was no written, well-defined notarized loan repayment agreement executed at the time the "loan" began.

Repayment of a loan back to the applicant/participant is not considered income if documentation can be presented that the loan was made by the applicant/participant to the person repaying the loan. If no documentation is provided, the "repayments" are considered income. Repayments back of a loan made by the assisted household must be documented as follows in order to not count the payments as regular contributions to the family:

Bank statement withdrawals indicating the assisted household made the loan.

Cancelled checks indicating the amount of the loan and to whom the loan was paid.

Notarized loan repayment agreement executed around the time the loan was made, with the terms and amount of the loan.

Employer Contributions to a Flexible Spending Account

Employer contributions to a flexible medical or childcare expense account are not considered income as long as the money is only accessible to the family as reimbursement for out-of-pocket medical or childcare expenses. However, childcare or medical expenses will not be allowed as a deduction if they are reimbursable through a flexible employer contribution account.

Documentation regarding the requirements of the account may be required.

EXCLUDED INCOME

[24 CFR 5.609(c)]

Excluded income need only be verified to the extent necessary to determine whether the income is to be excluded, such as in the case of an employed 16-year old family member, or a full-time student. In this case, the amount of excluded income is based on information provided by the family. However, earned income disallowance income must be verified because it is only partially excluded, and the income amount must be correct to determine the amount of the incremental income increase.

Exclusions include the following:

- Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member.
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses (special equipment, transportation, child care, etc.) incurred and which are made solely to allow participation in a specific program.
- Temporary, non-recurring, or sporadic income (including gifts). Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS).
- Amounts received under a resident service stipend. A resident service stipend is an amount not to exceed \$200 per month received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one service stipend during the same period of time.
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era.
- The full amount of Student Financial Assistance paid directly to the student or to the educational institution, unless the student is in a category that requires the financial assistance to be counted as income.
- Income of a live-in aide.
- Adoption assistance payments in excess of \$480 per adopted child.
- Refunds or rebates on property taxes paid on the dwelling unit.
- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home.
- Earned income from employment of children (including foster children) under the age of 18.
- The special pay to a family member serving in the Armed Forces who is exposed to hostile fire.

- Amounts received under HUD-funded training programs.
- Incremental earnings and benefits increase as a result of participation in a state or local training program.
- Payments received for the care of foster children or foster adults. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2008-30].
- Amounts specifically excluded by any other federal statute. HUD publishes an updated list of these exclusions periodically. It includes:
 - (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b))
 - (b) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)

- (r) Allowances, earnings and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

EARNED INCOME TAX CREDIT

[24 CFR 5.609 (c)(17)]

Earned income tax credit refund payments are excluded from annual income. This tax credit may be paid once a year upon filing federal income tax forms, or it may be reflected on the employee's payroll check throughout the year.

LUMP SUM PAYMENTS

[24 CFR 5.609]

The policy of the HACSD is to not calculate retroactive tenant rent the family owes as a result of the lump sum receipt, as long as the family reported the income in a timely manner. With the exception of lump sum retroactive social security/supplemental security income, if the family fails to report the income within 14 days, the HACSD may calculate an overpayment, and/or hold a tenant integrity conference to advise the family of possible repercussions if it fails to abide by the HACSD program obligations.

Lump-sum payments caused by delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income; however, the HACSD generally (except for zero/minimal income families) evaluates income increases at annual reexamination, and any lump sum income received prior to the annual reexamination would not be counted. The remaining balance would be counted as an asset.

Lump sum payments from Social Security or Supplemental Security Income (SSI) are excluded from income, but any amount remaining will be considered an asset. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [FR Notice 11/24/08]. Deferred periodic payments, which have accumulated due to a dispute, will be treated the same as periodic payments, which are deferred due to delays in processing.

Attorney Fees

The family's attorney fees may be deducted from lump sum payments, when computing annual income, if the attorney's efforts have recovered the compensation, and the recovery paid to the family does not include an additional amount to cover attorney fees.

DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS FOR PERSONS WITH DISABILITIES

[24 CFR 5.617; 982.201(b)(3)]

This benefit is allowed once per family member in a lifetime. The benefit is for program participants – not new admissions.

The annual income for qualified families may not be increased as a result of increases in earned income of a family member who is a person with disabilities, beginning on the date on which the increase in earned income begins and continuing for a cumulative 12-month period. After the disabled family member receives 12 cumulative months of the full exclusion, annual income will include a phase-in of half the earned income excluded from annual income.

A family member qualified for the earned income exclusion is receiving tenant-based rental assistance under the Housing Choice Voucher Program; and one of the three conditions apply:

Whose annual income increases are a result of employment of a family member who is a person with disabilities, and who was previously unemployed for one or more years prior to employment; *or*

Whose annual income increases are a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; *or*

Whose annual income increases are a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for TANF provided that the total amount over a six-month period is at least \$500. The qualifying TANF assistance may consist of any amount of monthly income maintenance, and/or at least \$500 in such TANF benefits and services as one-time payments, wage subsidies and transportation assistance.

The HUD definition of "previously unemployed" includes a person with disabilities who has earned in the previous 12 months no more than the equivalent earnings for working 10 hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the state or locality.

The HUD definition of economic self-sufficiency program is: any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program

necessary to ready a participant to work (such as substance abuse or mental health treatment).

Qualifying increases are any earned income increases of a family member who is a person with disabilities during participation in an economic self-sufficiency or job-training program, and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment.

The amount of TANF received in the six-month period includes monthly income and such benefits and services as one-time payments, wage subsidies and transportation assistance.

The amount that is subject to the disallowance is the amount of incremental increase in income of a family member who is a person with disabilities. The incremental increase in income is calculated by comparing the amount of the family member with disabilities' income before the beginning of qualifying employment or increase in earned income to the amount of such income after the beginning of employment or increase in earned income. Exempt income may never exceed the amount of employment income.

The disallowance is initially applied as of the first of the month following the income increase. An interim may be necessary to properly apply the initial and phase-in exclusion periods and to remove the exclusion.

Initial 12-Month Exclusion

During the cumulative 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed, or the family first experiences an increase in annual income attributable to employment, the HACSD will exclude from annual income of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over the prior income of that family member.

Second 12-Month Exclusion and Phase-in

During the second cumulative 12-month period after the expiration of the initial cumulative 12-month period referred to above, the HACSD must exclude from annual income of a qualified family 50 percent of any increase in income of a family member who is a person with disabilities, as a result of employment, over income of that family member prior to the beginning of such employment.

Maximum Four-Year Disallowance

The earned income disallowance is limited to a lifetime 48-month period for each family member who is a person with disabilities. For each family member who is a person with disabilities, the disallowance only applies for a maximum of 12 months of full exclusion of incremental income increase, and a maximum of 12 months of phase-in exclusion during the 48-month period starting from the date of the initial exclusion.

If the period of increased income does not last for 12 consecutive months, the disallowance period may be resumed at any time within the 48-month period, and continued until the disallowance has been applied for a total of 12 months of each disallowance (the initial 12-month full exclusion and the second 12-month phase-in exclusion). No earned income disallowance will be applied beyond 48-months following the initial date the exclusion was applied.

Applicability to Child Care Expense Deductions

Child care expenses allowed may not exceed the portion of the person's earned income that is actually included in annual income.

Tracking the Earned Income Exclusion

The earned income exclusion will be reported on the HUD 50058 form. Documentation will be included in the family's file to show the reason for the reduced increase in rent. Interims will be performed if necessary to accurately calculate full, phase-in, and end of exclusion periods.

A form in the tenant file will track:

- The date the increase in earned income was reported by the family

- The effective date the income was first excluded from annual income for the initial cumulative 12-month period of exclusion

- The name of the family member whose earned income increased

- The reason (new employment, participation in job training program, within six months after receiving TANF) for the increase in earned income

- The amount of the increase in total income due to earned income (amount to be excluded)

- The date(s) earned income ended and resumed during the initial cumulative 12-month period of exclusion (if any)

- The date the family member has received a total of 12 months of the initial exclusion

The date the second 12-month phase-in period began

The date(s) earned income ended and resumed during the second cumulative 12-month period (phase-in) of exclusion (if any)

The date the family member has received a total of 12-months of the second phase-in exclusion

The ending date of the maximum 48-month (four year) disallowance period (48 months from the date of the initial earned income disallowance)

The earned income disallowance is only applied to determine the annual income of family members with disabilities in families who are participants in the Housing Choice Voucher Program and, therefore, does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

DISALLOWANCE OF INCOME RESULTING FROM LOCAL, STATE OR HUD-FUNDED TRAINING PROGRAM

[24 CFR 5.609(c)(8) (i)]

All amounts received under training programs funded by HUD are excluded, as are amounts received by a family member for resident manager training. Eligible sources of funds for HUD-funded training programs include: Public Housing operating subsidy, Section 8 administrative fees, Public Housing Capital/modernization funds, Community Development Block Grants (CDBG), HOME program funds, or other grant funds distributed by HUD.

The incremental increase in earnings and benefits is exempt income if the income is a result of any family member participating in a qualifying State or local employment-training program, including programs not affiliated with a governmental agency, as long as they have clearly defined goals and objectives.

A training program (for HUD-funded, state or local programs) is defined as "a learning process with goals and objectives generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual's ability to obtain employment. It may have performance standards to measure proficiency. It will also include on-the-job training programs that provide participants "real life" job experiences. Training may include, but is not limited to: (1) classroom training in a specific occupational skill; (2) on-the-job training with wages subsidized by the program; or, (3) basic education."

Incremental earnings and benefits are defined as, "the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings after and as a result of enrollment in the program."

Documentation to verify these exclusions includes third-party verification or documentation describing the program and the funding source.

Pre-enrollment income will be the income received prior to receipt of income from the training program.

FOSTER CARE INCOME

[24 CFR 5.609 (C) (2)]

All income received for the care of foster children or foster adults is excluded from annual income.

KIN-GAP INCOME

California Kinship Guardian Assistance Payments (Kin-GAP) income is excluded from annual income (August 10, 2005 email from Cecilia Ross, HUD Director of Public Housing in Los Angeles). These children are considered regular family members and not foster children.

ADOPTION ASSISTANCE

The first \$480.00 of Adoption Assistance is included in annual income. The remaining Adoption Assistance is excluded income. The dependent for whom the adoption assistance is paid is given a \$480 dependent allowance.

STUDENTS

The "Student Eligibility Checklist" must be completed and retained in the file for all students 18 years of age and older.

With the exception of the head, spouse or co-head, only the first \$480 of earned income of each household member, 18 years of age or older who is a full-time student, will be counted towards family income. All earned income of the head, spouse, or co-head full- or part-time student is included in annual income.

School expenses, including mileage are not allowable deductions.

Verification of full-time student status includes:

Written verification from the registrar's office or other school official.

School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution.

Copy of student's registration information, indicating the semester, and the number of credits taken.

The family may be required to provide verification of completion of classes to verify that the student maintained his/her full-time student status. If the full-time student did not maintain his/her full-time status and assistance was overpaid, an overpayment agreement will be calculated and executed.

School financial assistance, scholarships, work-study (federal, state, or local), and grants received by full- or part-time students are excluded income unless the income must be counted as family income as indicated below:

Athletic Scholarship

The housing costs component of an athletic scholarship is counted as income.

Student Eligibility and Financial Aid Included in Annual Income

In accordance with 24 CFR 5.609 (b)(9), unless a student applying for assistance or receiving assistance on his/her own, including the head of household, spouse, or co-head, is over the age of 23 with a dependent child, or residing with parents receiving or eligible to receive Section 8 assistance, all financial aid (excluding loans) that exceeds the cost of tuition, is **counted** as income if it is from the following sources: (a) amounts received under the Higher Education Act of 1965, such as Pell Grants and Federal Work Study; (b) amounts received from a private source, such as an individual, a trust, or a corporation; (c) amounts received from an institution of higher education, as defined under the Higher Education Act of 1965; (d) other financial aid, such as amounts received for veterans under the G.I. Bill.

A student, including the head of household, spouse, or co-head, enrolled as a student at an institution of higher education, as defined under Section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002) is not eligible for initial or continued assistance, unless s/he is:

Married

Residing with parents applying for or receiving Section 8 assistance

A handicapped person receiving assistance on or before November 30, 2005.

A veteran

Responsible for a dependent child

Over the age of 23

Independent Student

Definitions for Student Rule:

Married

Refer to definition elsewhere in this plan.

Parents

For purposes of student eligibility restrictions, the definition of parents includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc.)

Veteran

A veteran is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

Responsible for a dependent child

A dependent child means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of dependent in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children/adults are not considered dependents.

Independent Student

The student is of legal contract age under state law

The student has established a household separate from his/her parents for at least one year prior for application to Section 8 or the individual meets the U.S. Department of Education's definition of independent student.

To be considered an independent student according to the Department of Education, a student must meet one or more of the following criteria:

Be at least 24 years old by December 31 of the award year for which aid was sought.

Be an orphan or ward of the court through the age of 18.

Be a veteran of the U.S. Armed Forces

Have one or more legal dependents, other than a spouse, (for example: dependent children or elderly dependent parents)

Be a graduate or professional student

Be married

The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided

Determining Parental Income

The income of the parents of a non-independent student will be counted to determine income eligibility based on a written certification, under penalty of perjury, completed by the parents. The HACSD will determine the income eligibility of the non-independent student's parents as follows:

If the student's parents are married and living together, the HACSD will obtain a joint income declaration and certification of joint income from the parents.

If the student's parent is widowed or single, the HACSD will obtain an income declaration and certification of income from that parent.

If the student's parents are divorced or separated, the HACSD will obtain an income declaration and certification of income from each parent.

If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, the HACSD will require the student to submit a certification describing the circumstances and stating that the student does not receive financial assistance from the other parent. The HACSD will then obtain an income declaration and certification of income from the parent with whom the student has been living.

The HACSD will use the income limits that apply where the highest income parent lives.

EMPLOYMENT INCOME

Verification forms may request the employer specify the:

Dates of employment.

Amount and frequency of earnings.

Date of last pay increase.

Earning history.

Year-to-date earnings.

Expected change in employment status.

Effective date of any anticipated wage increase during next 12 months.

Estimated income from overtime, tips, and bonus pay expected during next 12 months.

Anticipated unpaid time off.

Acceptable methods of verification include:

Employment verification form completed by the employer.

Check stubs or earning statements, which indicate the employee's gross pay, frequency of pay or year-to-date earnings.

W-2 forms or 1099 forms, plus income tax return forms.

Self-certifications or income tax returns signed by the family may be used for verifying self-employment income, or income from tips and other gratuities.

Applicants and program participants may be requested to sign an authorization for release of information from the Internal Revenue Service (IRS) for verification of income, if there is evidence income has not been reported.

In cases with questions about the validity of information provided by the family, the HACSD may require the most recent federal income tax statements or send a referral to the IRS.

BONUSES AND/OR COMMISSION

For regularly received bonuses and/or commission, the HACSD will verify and average amounts received for one year preceding admission or reexamination,

unless the family can provide credible documentation indicating the historical information is incorrect.

MINIMAL OR ZERO INCOME

There is no minimum income requirement. However, families who report zero or minimal income are required to complete a written certification every 30 days, and provide copies of expense receipts for the 30-day period. The HACSD will conduct an interim to increase the family's rent share upon reinstatement of income.

The family may be required to provide documentation to prove that income, such as unemployment benefits, TANF, SSI, etc., are not being received.

The HACSD may request information from the state employment development department.

The HACSD may run a credit report on the family.

The HACSD may require a family's notarized self-certification, signed under penalty of perjury, stating that it has no income, and explaining how it expects to meet its needs.

REGULAR CONTRIBUTIONS AND GIFTS

[24 CFR 5.609]

Regular, non-casual contributions and gifts received from persons outside the assisted household are counted as income. This includes regular contributions from a live-in aide or foster child residing with the family. This includes rent and utility payments made on a regular basis on behalf of the family and other regular cash or non-cash contributions. It does not include casual contributions or sporadic gifts.

A family benefit that is used exclusively by the family, but not titled to the family (i.e., automobile, storage unit), will be counted as in-kind income. The income would include insurance, car payments, maintenance, and other vehicle expenses that are regularly paid by someone outside of the assisted household.

If an employer provides an automobile that is used for both personal and business purposes, a prorated amount of the vehicle expense payments (insurance, registration, car payments, etc.) will be counted as income. This proration will be based on the percentage of time the vehicle is used for personal purposes. Evidence of a business vehicle used for personal purposes may include the vehicle being stored overnight at the family's residence at least five days a week and the lack of a personal vehicle for that family member.

If the family's expenses exceed its reported income, the HACSD will inquire of the family regarding contributions and gifts.

The family must furnish a self-certification with the following information:

The person who provides the gifts

The value of the gifts

The regularity (dates) of the gifts

The purpose of the gifts

SOCIAL SECURITY, PENSIONS, SUPPLEMENTARY SECURITY INCOME (SSI), DISABILITY INCOME

Social Security and Supplemental Security Income

In compliance with PIH 2004-18 (HA) issued on September 17, 2004, the HACSD will no longer request third-party benefit income for the Social Security Administration. The HACSD will verify income in the following ranking order:

EIV Systems

Benefit notice dated within the last 60 days

To verify the SS/SSI benefits of applicants, the HACSD will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the PHA will help the applicant request a benefit verification letter from SSA's web site at www.socialsecurity.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter, they will be required to provide it to the PHA.

To verify the SS/SSI benefits of participants, the PHA will obtain information about social security/SSI benefits through the HUD EIV System. If benefit information is not available in HUD systems, the PHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the PHA will help the participant request a benefit verification letter from SSA's web site at www.socialsecurity.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the participant has received the benefit verification letter they will be required to provide it to the PHA.

If the social security statement indicates a reduced social security benefit due to rounding, the rounded amount shall be counted. If the social security statement

indicates a deduction for Medicare, add the Medicare payment amount to the net benefit for the countable income.

Other Benefit Income

Acceptable methods of verification include:

- Benefit verification form completed by agency providing the benefits

- Award or benefit notification letters prepared and signed by the providing agency

- Computer report electronically obtained or in hard copy

- Pay stubs

- Bank statements that reflect direct deposits

UNEMPLOYMENT COMPENSATION

Acceptable methods of verification include:

- Unemployment compensation agency verification form.

- Unemployment office computer report e-mailed, faxed, or in hard copy.

- Payment stubs.

- Agency award letter.

ALIMONY AND CHILD SUPPORT

[24 CFR 5.609]

Regular alimony and child support payments are counted as income. Not generally included in annual income are irregular or lump sum child support payments, as is the case with other irregular or lump sum income.

If the amount of child support or alimony received is less than the amount awarded by the court, the HACSD will use the amount awarded by the court, unless the family can verify it is not receiving the full amount and can demonstrate that an effort was made to collect the amount awarded. Child support or alimony payments in arrears that are being received on a regular basis are included in annual income.

The HACSD will accept verification that the family is receiving an amount less than the award if:

The family furnishes documentation of a child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

The HACSD may accept a notarized family certification in writing, under penalty of perjury, that states it is not receiving the full amount of alimony or child support, explains why it cannot provide the documentation outlined in the previous paragraph, and describes a reasonable effort to collect.

It is the family's responsibility to supply a certified copy of the divorce decree.

Acceptable methods of verification include:

Copy of a separation, or settlement agreement, or a divorce decree, stating amounts and types of support and payment schedules.

A signed and dated letter from the person paying the support.

Copy of latest check and/or payment stubs from court trustee. HACSD must record the date, amount, and number of the check.

Family's notarized self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If payments are irregular, the family must provide:

A copy of the separation, or settlement agreement, or divorce decree, stating the amount, type, and payment schedule of the settlement

A statement from the agency responsible for enforcing payments to show that the family has filed for enforcement

A notarized affidavit from the family, signed under penalty of perjury, indicating the amount(s) received

A welfare notice of action showing amounts received by the welfare agency for child support

SELF EMPLOYMENT INCOME

[24 CFR.5.609 (b) (2)]

Net income from a business or profession must be included in annual income. However, capital expenditures, such as the purchase of a vehicle, are not allowed as an expense deducted off of gross business income. The principal part of loan

repayments for a capital expense is not an allowable deduction off of income. Interest payments are an allowed business expense. If the business has a loss, that loss may not be deducted from other income. Loans or contributions to the business will not be counted as income, nor will the repayment of a loan from the family be counted as income.

If the business is co-owned with someone outside the family, the family must provide documentation demonstrating its share of the business as a percentage of the business partnership agreement.

In order to verify the net income from self-employment/business ownership, the HACSD will view the IRS federal income tax return, and financial documents from prior years, and use this information to anticipate the income for the next 12 months.

The family **must** provide a copy of its prior year's federal income tax return, if it was filed.

Acceptable methods of verification include:

- IRS Form 1040, including:

 - Schedule C (Small Business).

 - Schedule E (Rental Property Income).

 - Schedule F (Farm Income).

- Financial statement(s), either audited or not audited, of the business.

- Credit report or loan application.

- Business Ledgers

- Family's self-certification as to net income realized from the business during previous years.

The HACSD may also request documents to support submitted financial statements, such as completed manifests, appointment books, cash journals, or bank statements.

It is the family's responsibility to provide documentation of income and expenses in good order with everything organized, recorded and totaled. The HACSD will reject documentation that has not been organized and totaled, e.g., an unorganized bundle of receipts.

CHILD CARE BUSINESS

If an applicant/participant is operating a licensed day care business, income will be verified as for any other type of business.

If the applicant/participant is operating a "cash and carry" operation, which may or may not be licensed, the HACSD may require that the applicant/participant complete a form for each customer. The form must indicate the name of person(s) whose child (children) is/are being cared for, phone number, number of hours the child is being cared for, method of payment (check/cash), amount paid, and signature of person who receives the services.

The family **must** provide a copy of its federal income tax return, if it was filed.

The family must indicate if it is receiving a food allowance or other compensation to offset business expenses. Third-party verification will be requested if another public entity, such as HHSA, is providing compensation to the childcare provider.

If none of the above documents is available, the family may provide a notarized self-certification, signed under penalty of perjury, as to gross income received the previous year, as well as anticipated gross income for the next year.

WELFARE PAYMENTS OR GENERAL ASSISTANCE

Acceptable methods of verification include:

HACSD verification form completed by payment provider:

- Written statement from payment provider indicating the amount of grant/payment, start date of payments, and anticipated changes in payment in the next 12 months.

- Computer-generated, faxed, or hard copy notice of action

- Computer-generated list of recipients from welfare department.

- Direct on-line access to welfare department database.

INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

[5.615]

The HACSD will impute (count) welfare income not received by the family, if the welfare assistance was reduced specifically because of:

- Fraud by a family member in connection with the program

Failure to participate in an economic self-sufficiency program

Noncompliance with a work activities requirement

Imputed welfare income is annual income the family would have received, had its benefits not been reduced due to the above circumstances. This imputed income would be counted in determining the TTP.

Imputed welfare income is not included in the family's annual income, if the family was not assisted at the time of the welfare sanction.

The amount of imputed welfare income is offset by the amount of additional family income received after a sanction was imposed.

If the additional family income equals the imputed welfare income, imputed welfare income is not counted.

The HACSD will not impute welfare income, if the welfare assistance reduction is the result of:

The expiration of a lifetime time limit on receiving benefits

The family has not complied with other welfare agency requirements not outlined above

The family member has complied with welfare agency economic self-sufficiency requirements or work activities requirements, but cannot, or has not, obtained employment. For example, the family member has complied with welfare program requirements, but the family has exceeded the maximum time it is allowed to receive benefits, resulting in a loss of benefits.

Verification Before Denying a Request to Reduce Family Rent

The HACSD will obtain a written, faxed, computer, or telephone verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance with economic self-sufficiency/work activities requirements, before denying a family's request for reduction of family rent. The requested verification from the welfare agency must state the amount, term, and reason for the benefit reduction.

Cooperation Agreements

The HACSD has a cooperation agreement in place with the local welfare agency. The HACSD has access to the welfare agency's database and can search welfare

participant records. In addition, the HACSD has a verbal cooperation agreement with the local welfare agency for verbal confirmation of a family's sanction status.

Family Dispute of Amount of Imputed Welfare Income

If the family disputes the amount of imputed income and the HACSD denies the family's request to modify the amount, the HACSD will provide the tenant with a notice of denial, which will include:

An explanation for the HACSD's determination of the amount of imputed welfare income

Opportunity to request an informal hearing

ASSETS

[24 CFR 5.609; 982.516]

There is no asset limitation for participation. However, all interest, dividends and other net income of assets, which include real or personal property, must be included in annual income [24 CFR 5.609(b)(3)]. The family must sign a declaration form initially and at least annually declaring all assets under the control of the family and those assets disposed for \$10,000 or more under fair market value during the last two years.

The HACSD will generally use current circumstances to determine both the value of an asset and the anticipated income from the asset. If current circumstances are not used to determine the asset income, a clear rationale for the decision will be documented in the file. The family may present information and documentation to show why the asset income determination does not represent the family's anticipated asset income.

Total assets will be counted, even if jointly owned by someone not part of the family, providing a family member has unlimited access to those assets. If the family has restricted access to those assets, the HACSD will prorate the family's asset share based on percentage of ownership. If there is no percentage of ownership, the HACSD will prorate the family's asset share evenly among all owners.

Fifty percent of the assets held by the absent spouse of a family member will be considered family assets, unless there is legal documentation that indicates that the assisted family has no current or future legal right to the assets of the absent spouse.

Assets not controlled by or accessible to the family, such as assets held in trust by an outside trustee, will not be counted or considered. If there are disbursements to the family from these assets, depending on their regularity, they may either be counted as income or lump sum additions to family assets. Personal property, such as clothing, automobiles, and furniture will not be counted as assets, unless the personal property is an investment, such as a stamp collection, in which case the family's declaration of the investment's value will be used to determine the asset amount.

The HACSD will request third-party verification to determine the current cash value of the family's assets, if the total value of those assets exceeds \$5,000. "Cash value" is the net amount the family would receive if the assets were converted to cash. Assets totaling \$5,000 or less will not be verified with third-party verification because of the negligible impact on the HAP amount and family rent, although that asset, as reflected on family provided documentation, will be reflected in the family's asset calculations.

Due to the added administrative cost, the HACSD will not attempt a third-party verification of any asset in which the source collects a service charge and the family has available original documents, such as bank statements. If the family cannot provide original documents, the HACSD will pay the service charge for the third-party verifications.

Acceptable verification may include any of the following:

- Verification forms, letters, or documents from a financial institution or broker.

- Passbooks, bank account statements, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.

- Quotes from a stockbroker or realty agent as to the net amount family would receive if they liquidated securities or real estate

- Real estate taxes statements, if the approximate current market value can be deduced from assessment

- Financial statements for business assets

- Closing documents showing the selling price, and the distribution of the sales proceeds

- Appraisals of personal property held as an investment

- Family's self-certification describing assets or cash held at the family's home or in safe deposit boxes

INTEREST INCOME FROM MORTGAGES OR SIMILAR ARRANGEMENTS

Acceptable methods of verification include:

A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for next 12 months. (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown).

Amortization schedule showing interest for the 12 months following the effective date of the certification or recertification.

Copies of the deed of trust and note that indicate the beginning principal, interest rate, term of loan, payment schedule, and principal and interest payment.

Copy of ledger reflecting the posting of payments and application of interest and principal.

Copy of year's end statement to borrower.

Copies of the escrow papers and contract.

EQUITY IN REAL PROPERTY OR OTHER CAPITAL INVESTMENTS

Equity is the estimated current market value of an asset (such as a house) less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset. The residence of the family is not considered an asset in cases of manufactured homeowners receiving assistance on the spaces, or Section 8 Homeownership participants receiving assistance on the purchase of their residences.

If the capital investment is owned jointly with others not in the household, a prorated share of the property's cash value will be counted as an asset.

NET RENTAL INCOME FROM PROPERTY

The family must provide adequate documentation for the HACSD to anticipate net rental income.

Acceptable methods of verification include:

IRS Form 1040 with Schedule E (Rental Income).

Copies of latest rent receipts, leases, or other documentation of rent amounts.

Documentation of allowable operating expenses of the property including: tax statements, insurance invoices, and bills for reasonable maintenance and

utilities, and bank statements or amortization schedules showing monthly interest expense.

Lessee's written statement verifying rent payments to the family and family's self-certification as to net income realized.

Copies of ledgers indicating rent payments.

CHECKING AND SAVINGS ACCOUNTS, STOCKS, BONDS, CERTIFICATES OF DEPOSIT, AND MONEY MARKET FUNDS

The HACSD will count as assets amounts in the family's checking, savings, certificate of deposit (CD), and money market accounts, including those accounts held by children. The HACSD will count the current value, unless there is evidence provided by the family that an average of the balance for the last 2-6 months is a better reflection of anticipated assets. The HACSD will calculate interest income based on the interest rate reflected on the most current statement, or on the CD set rate, unless third party verification reflects a higher interest rate. For stocks, the HACSD will calculate asset income based on the earnings for the most recent reporting period, and may average the earnings for the prior 12 months.

Acceptable methods of verification include:

Written third-party verification from the institution handling the asset.

Account bank statements, passbooks, certificates of deposit, or HACSD verification forms completed by the financial institution.

Broker's statements showing value of stocks or bonds and the earnings credited the family, or copies of bonds. Earnings can be obtained from current newspaper quotations, bank, or oral broker's verification.

IRS Form 1099 from the financial institution provided that the HACSD must adjust the information to project earnings expected for the next 12 months.

LUMP SUM

Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included in income, but are included in assets.

Lump sum payments from Social Security or Supplemental Security Income (SSI) are excluded from income, but any amount remaining will be considered an asset.

Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

ANNUITIES

An "annuity" is a contract between a person and a life insurance company. An annuity accumulates and invests money and pays it out as income over time. An annuity may have a cash value countable as an asset or is providing income. An annuity may be either an asset or it may be providing income but an annuity *is never* both income and an asset at the same time.

Annuities are considered long term (for example, more than five to 10 years) accumulation instruments and have two distinct phases: the first is the accumulation phase (money is deposited in a lump sum or contributed over time in regular installments and grows through investment) and the second phase is the payout (or "annuitization") period during which regular payments are made to the owner of the annuity usually for a specific period of time or the life of the annuity's owner, whichever is longer.

A payout example is "10CC," which means "ten years certain and continuous." This means that the owner of the annuity (the person receiving the payments (or his/her heir)) will receive payments for at least 10 years or the lifetime of the owner, whichever is longer.

The insurance company can verify the annuity's cash value or payment amounts.

Once the contract is "annuitized," and payments begin, it no longer has a "cash value" and it cannot (under any circumstance) be "cashed in."

Some of the words associated with annuities include "immediate or deferred," "fixed or variable," and "lump sum or periodic contribution."

Payments are usually monthly, but they can also be quarterly or annual.

Insurance companies may mail an annual statement regarding the cash value of the accumulation account.

An "annuitant" is a person receiving a regular payment from a retirement account or pension, which may be an annuity but can also be from a labor union, government agency, or company pension plan. A payment receipt or third-party letter that identifies somebody as an "annuitant" does not mean that person owns an "annuity."

CONTRIBUTIONS TO RETIREMENT FUNDS

[24 CFR 5.603(d)]

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment. In addition, count only the amount the family would actually receive after any costs or fees involved with liquidating the asset have been deducted.

After retirement or termination of employment, count as an asset any amount the employee is eligible to receive as a lump sum, after any costs or fees involved with liquidating the asset have been deducted.

Verification of retirement/pension funds is as follows:

Before retirement, the HACSD will use the most current statement from the entity holding the account.

Upon retirement, the HACSD will accept the most current statement from the entity holding the account that reflects any distributions of the account balance, any lump sum withdrawals, and any regular payments.

After retirement, the HACSD will accept the most current statement from the entity holding the account dated no earlier than 12 months prior to retirement. The statement must reflect any distribution of the account balance, any lump sum withdrawals, and any regular payments.

ASSETS DISPOSED FOR LESS THAN FAIR MARKET VALUE

[24CFR 5.603(d)(3)]

At certification and recertification, the HACSD will obtain the family's self-certification as to whether any member has disposed of assets for \$10,000 or more under fair market value during the two years preceding the effective date of the certification or re-certification. Assets disposed as a result of foreclosure or bankruptcy are not considered to be assets disposed for less than fair market value. Assets disposed as a result of a divorce or separation are not considered assets disposed of for less than fair market value, providing some monetary consideration was received and there is a separation or divorce settlement agreement established through arbitration, mediation, or court order.

If the family certifies it has disposed of assets for \$10,000 or more under fair market value, documentation is required that shows: (a) the type of assets disposed of, (b) the date they were disposed of, (c) the amount the family received, and (d) the FMV

of the assets at the time of disposition. Third-party verifications will be obtained wherever possible.

Assets to be considered include: real property, savings, stocks, bonds, and other forms of capital investments.

Excluded assets are: the value of personal property such as furniture and automobiles, as well as a trust fund or asset not under the control of any member of the assisted family.

DEDUCTIONS AND ALLOWANCES

[24 CFR 5.611; 982.516]

Adjusted Income is defined as the annual income minus any HUD allowable expenses and deductions.

Deductions must be anticipated for the following year, and the family eligibility for those deductions must be evaluated. Generally, the HACSD will use current circumstances to anticipate expenses, but will take into consideration known future costs and expenses expected to fluctuate during the year (e.g., child care expenses for school-aged children), as well as look at historical data (e.g., prior year's prescription expenses) to anticipate annual expenses.

If the family has an accumulated debt for an eligible expense not previously allowed as a deduction, the HACSD may allow as a deduction the amount anticipated to be repaid on the debt during the next year. The HACSD may use historical information as a basis for anticipated repayment of the debt.

HUD has five allowable deductions from annual income:

Dependent allowance: \$480 each for family members (other than the head, spouse, or co-head, foster children, or live-in aides) who is a minor under 18 years old, an adult full-time student, or a family member with disabilities. An unborn child is not eligible for this allowance.

Elderly/disabled allowance: \$400 per family for families whose head, spouse or co-head is 62 years old, or over, or disabled.

Allowable Medical Expenses: Deducted for all family members, except for foster children or live-in aides, of an eligible elderly/disabled family in which the head of household or spouse is 62 years old or more, or disabled. Allowed only if not reimbursed from another source and only the amount that exceeds three percent of the total gross non-excluded annual household income.

Child care expenses: Reasonable child care expenses deducted for the care of the assisted family's children under age 13 when child care is necessary to allow an adult member to work, attend school, or actively seek employment. Allowed only if not reimbursed from another source. Childcare expenses for the care of foster children are not allowable expenses.

Allowable disability assistance expenses: Deducted for attendant care or auxiliary apparatus for persons with disabilities, only if needed to enable the disabled individual or an adult family member work and is not reimbursed from another source.

PREGNANT APPLICANT/PARTICIPANT

No dependant allowances for an unborn child.

EXPENSES DEDUCTED OFF OF ANNUAL INCOME

CHILDCARE EXPENSES

[24 CFR 5.603]

The regulations define child care expenses as "amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his/her education and only to the extent such amounts are not reimbursed." However, childcare expenses for foster children are not allowed.

The HACSD may not decline to allow childcare expenses when there is an adult in the household who appears to be available to provide childcare. However, the HACSD may request a statement from the family outlining the reason why the family has a need for outside childcare.

In the case of child care expenses to allow an adult family member to actively seek employment, the family member must provide documentation in the form of a written log indicating the date, beginning and ending times, and the names and addresses where s/he went to actively seek employment.

Childcare expenses do not include child support payments made to another on behalf of a minor not living in the assisted household.

In the case of a child attending private school, only after-hours care will be allowed as childcare expenses.

Childcare expense deductions are allowed based on the following guidelines:

Childcare to work: The maximum childcare expense allowed cannot exceed the amount earned by the person enabled to work whose income is actually included in the family's annual income. The "person enabled to work" will generally be the adult member of the household who earns the least amount of income from working, unless the family provides documentation that justifies the designation of another family member as the person enabled to work. The number of hours of allowable childcare cannot exceed the number of hours worked plus reasonable transportation time not to exceed one hour per day, of the person enabled to go to work.

Childcare for school: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school, plus reasonable transportation time not to exceed one hour per day. To be eligible for the deduction, the family member must provide proof of enrollment in an academic or vocational school or a formal training program and the hours of classes or training.

Childcare to actively seek employment: The number of hours claimed for childcare may not exceed the time taken to actively seek employment as indicated on the family member's written log.

Amount of Expense:

The HACSD will only allow necessary and reasonable childcare expenses and only those expenses attributed directly to childcare. If only a portion of the expenses is for childcare, the HACSD will prorate the expenses based on the number of hours spent on childcare compared with the total number of hours services are provided. The HACSD may survey local childcare providers in the community for information on average childcare costs. If the childcare expense information submitted by the participant materially exceeds comparable reasonable childcare cost, the HACSD will calculate childcare expenses using an average of reasonable comparable childcare cost, and not the amount submitted by the participant.

The family must certify if any childcare expenses have been, or will be, paid or reimbursed by outside sources.

The HACSD will not provide a deduction for non-child care services provided by the childcare provider such as housekeeping, shopping, or cooking, nor for childcare services provided by a family member residing in the assisted unit. The HACSD will not allow childcare costs for the care of school-aged children during normal school hours when school is in session.

Written verification from the recipient of the childcare payments is required. If the childcare provider is an individual, s/he must provide a statement of the amount charged the family for the services.

Verifications must specify the childcare provider's name, address, telephone number, social security number or tax identification number, the names of the children cared for, the number of hours the childcare occurs, the rate of pay, and the typical yearly amount paid, including adjusted figures for school and vacation periods.

The HACSD will compare the hours of childcare with the activities engaged in by the adult household member requiring the childcare in order to actively seek work, pursue education or be gainfully employed. A copy of the schedule of classes, employer verification of work hours, or log indicating job-seeking activities may be requested to verify the need for childcare.

MEDICAL EXPENSES

[24 CFR 5.609(a)(2), 5.603]

Medical expenses are allowed only for elderly or disabled families, with a head of household or spouse who is elderly, disabled, or both. The IRS Publication 502 will be used as a guide to assist in determining allowable medical expenses in instances when the regulations or HACSD policies are unclear. If an expense is eligible as both a medical and a disability assistance expense, the expense will be considered a medical expense.

Medical expenses are expenses anticipated for the 12 months following certification or recertification, which are not covered by an outside source such as insurance, and which exceed three percent of the gross annual income of the family.

Families, who claim medical expenses, must submit a certification indicating if medical expenses have been, or will be, reimbursed by an outside source. It is the responsibility of the family to provide documentation of expenses in the format required by the HACSD. Expenses supported by confusing, unclear, or non-descriptive documentation will be disallowed. All medical expense claims will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital, clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) the expenses to be reimbursed by an insurance or a government agency.

Written confirmation by the insurance company, or employer, of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration on Medicare premiums to be paid by the family over the next 12 months. A computer printout, or copy of award letter indicating Medicare deductions, will be accepted.

For attendant care:

A reliable, knowledgeable, professional's certification that the assistance of an attendant is necessary as a medical expense with a projection of the number of hours the care is needed.

An attendant's written confirmation of the hours of care provided, and the amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments), or pay stubs, or written verification from the agency providing the services.

Receipts, canceled checks, or pay stubs that clearly reflect and describe medical costs and insurance expenses likely to be incurred in the next 12 months will be accepted.

Copies of payment agreements, or most recent invoices to verify payments made on outstanding medical bills will continue over all or part of the next 12 months.

Receipts or other records of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses may be accepted. The HACSD may use this approach for "general medical expenses," such as non-prescription drugs, and regular visits to doctors or dentists, but not for one time, nonrecurring expenses from the previous year.

Prescribed medicines and drugs: Must be prescribed by a doctor (does not include medical marijuana). The family must provide legible pharmacy receipts that clearly indicate the expense amount in U.S. dollars, date, and the type of medicine purchased.

Nonprescription medicines: Refer to IRS Publication 502 guidelines for the handling of nonprescription medicines. Items that are taken to maintain your ordinary health, and are not for medical care will not be allowed as a medical expense, except for insulin; medical expense amounts paid for a drug that is not prescribed is generally not an eligible medical expense. For example, the doctor recommends that the participant takes aspirin, but aspirin is a drug that does not require a physician's prescription, so the cost is not an eligible medical expense.

As a reasonable accommodation, non-prescription medical items recommended by a medical professional as a treatment may be allowed medical expenses if there is a

direct relationship between the specific medical condition and the need for the non-prescription medical item(s) and, that without the non-prescription medical items, the person's medical condition would deteriorate. Medical marijuana is excluded.

Herbal medicines: To be allowed, the family must provide a medical professional's written recommendation for the necessity of their use as a necessary treatment directly administered or supervised by a licensed medical professional for a specific medical condition. To be allowed, the name of the herbal medicine and the quantity recommended should be established. The family must also provide legible receipts that clearly indicate the amount in U.S. dollars, date, type and quantity of herbal medicine purchased. Medical marijuana is excluded.

Vitamins: To be allowed, the vitamins must be prescribed, purchased from a pharmacy, and accompanied by a medical professional's written recommendation for their use as a necessary treatment for a specific medical condition. The family must also provide legible pharmacy receipts that clearly indicate the amount in U.S. dollars, date and type of vitamins purchased.

Mileage for San Diego County medical appointments: The HACSD will provide allowances for mileage expenses for medical appointments within San Diego County at the lower of the current IRS standard mileage rate, as long as copies of mileage logs are provided. Mileage logs must be documented with starting address and destination address, odometer readings with beginning and ending mileage, and purpose and date of visit. Bus, trolley, or cab fare must be documented with legible receipts that provide the date and cost of the trip along with destination address and purpose of the trip. Transportation expenses for medical appointments outside of San Diego County are not allowed.

Medical services: To be allowed, the family must provide legible receipts that clearly indicate the medical services, the amount in U.S. dollars, dates of the services, the names and addresses of the medical providers, and that the providers are physicians, surgeons, specialists, or other medical practitioners.

Medical Devices: To be allowed as a medical expense, a medical device must be directly related and created to treat or assist in treating a specific disease or medical condition. For example, a blood tester for a person with diabetes is an eligible medical expense, as is a blood pressure device for a person with high blood pressure, or an oxygen unit for a person with emphysema.

Medical supplements in solid or liquid form: To be allowed, the supplements must be prescribed, purchased from a pharmacy, and accompany a medical professional's written recommendation for their use as a treatment for a specific medical condition.

The family must also provide legible pharmacy receipts that clearly indicate the amount in U.S. dollars, the date and type of supplements purchased.

Medical Insurance premiums: Must provide receipts or official documentation of current monthly premiums.

Standards for Physical Therapy/Exercises at Non-Traditional Settings

Physical and mental health therapy expenses for treatment at non-traditional¹ settings are allowed medical expenses, providing the treatment is necessary to treat a specific disease or medical condition, is prescribed by a licensed medical professional, and providing the treatment is administered and/or directly supervised by a licensed medical professional.

The expense for the use of recreational facilities (e.g., health club, gym, spa, massage center, tennis court, etc.) not directly administered and/or supervised by a licensed medical professional to ensure the facilities are being used in the prescribed manner, is **not** an allowed medical expense.

A licensed medical professional must provide a written statement indicating the type of therapy at a non-traditional setting needed by the patient, whether the therapy is necessary to treat a specific disease or medical condition, the number of hours per week or month the therapy is to be provided, the setting or settings where the therapy may be provided, and whether the therapy is needed on an ongoing basis or the specific period of time the therapy is needed.

A medical professional administering and/or supervising a therapy or treatment for a specific disease or medical condition at a non-traditional setting must provide verification indicating the number of hours per week or month the medically prescribed therapy/treatment is being accessed.

In the case of allowed medical expenses for the use of recreational facilities, if the cost of the use of the facilities includes non-treatment services/activities, the medical expenses portion of the payment will be prorated based on the number of hours necessary to treat the specific disease/medical condition versus the overall number of hours the facility is available to the patient. For example, in the case of an individual membership at a 24-hour/365 day fitness center at which the patient is prescribed one-hour daily/365 days a year of medically supervised exercises/physical therapy that are necessary to treat a specific medical condition or disease, the total allowable expenses would be 1/24th of the overall cost.

¹ As opposed to traditional physical or mental health therapy administered by licensed medical personnel at their medical offices, medical facilities, or hospitals.

Medicare Prescription Drug Plan – Part D

The permanent Medicare Prescription Drug Plan benefit took effect January 1, 2006. This plan makes prescription drug coverage available to all Medicare beneficiaries. Medicare beneficiaries with low income and limited assets are eligible for additional assistance to pay for Medicare Prescription Drug Plan costs.

In calculating annual income for a family, the low-income subsidy received to assist low-income persons in paying for their Medicare Prescription Drug Plan costs must be excluded as annual income for the purpose of calculating any rent or assistance.

The amount of out-of-pocket expenses for prescription drugs is treated as a standard medical expense. The premiums some plan participants may pay for this plan will be treated as a medical expense.

Ineligible Medical Expenses

Medicines and other items and treatments that are not for the treatment for a specific medical condition, but recommended to maintain general health, or as a preventative treatment, including medical marijuana are not eligible medical expenses. Personal use items are not eligible medical expenses. Treatment in a non-traditional, non-medical setting is not an eligible medical expense unless it is directly administered or supervised by a licensed medical professional. Proof of direct administration or supervision will be required documentation for the specific medical condition.

DISABILITY ASSISTANCE EXPENSES

[24 CFR 5.603(b) and 5.611(a)(3)(ii)]

Disability assistance expenses, not reimbursed from another source, may be deducted to the extent the total expenses plus medical expenses exceed three percent (3%) of annual income. Disability assistance expenses are only allowable to the extent they allow a family member, including the disabled family member, to work, and the expenses may not exceed the gross income of that family member allowed to work.

The family must identify the family members enabled to work as a result of disability assistance expenses. In evaluating the family's request, the HACSD will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with the disabilities.

If the disability assistance expenses allow multiple family members to work, the expenses will be capped by the combined gross employment income of those family members.

Eligible Disability Expenses

Auxiliary Apparatus

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible disability expenses. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations, but not the cost of the apparatus itself, is an eligible expense. In order for the cost of a service animal to be an eligible disability expense, the family must provide documentation from the agency that trained the service animal that describes the type of animal and the animal's unique skills and abilities, as well as a verification from a medical professional regarding the need for the service animal to provide disability assistance services. The cost of an approved service animal, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care will be eligible disability expenses.

Auxiliary Apparatus expense verifications include:

Receipts for purchases, or proof of monthly payments, and maintenance expenses for auxiliary apparatus

In the case where the person with disabilities is employed, required documentation includes a statement from the employer stating that the auxiliary apparatus is necessary for employment. In the case where the auxiliary apparatus allows another adult to work, required documentation includes a statement from the family that the apparatus is necessary to allow an adult family member to work.

Eligible Attendant Care

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be allowed for the period that person enabled to work is employed, plus reasonable transportation time. The cost of general housekeeping and personal services are not eligible expenses. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person to work are eligible.

The HACSD will allow a prorated expense deduction if the attendant provides other services not related to disability assistance, such as housekeeping or childcare. The proration will be based on the number of hours spent on eligible activities as compared with the total hours worked.

Attendant care verifications include:

An attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided

Certification of family and attendant and/or copies of canceled checks the family used to make payments

Necessary and Reasonable Expenses

The HACSD will only allow reasonable disability expenses and may verify the reasonableness of those expenses by obtaining information from organizations that provide services to persons with disabilities.

In all cases, required documentation includes:

A written certification from a reliable, knowledgeable professional, stating that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus, to permit him/her to be employed, or to enable another family member to be employed.

The family must certify whether it receives reimbursement for any of the expenses of disability assistance, and the amount of any reimbursement received.

TOTAL TENANT PAYMENT AND TENANT RENT

PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES

[24 CFR 5.520]

Applicability

Proration of assistance for mixed families must be offered to any "mixed" applicant or participant family. A "mixed" family includes at least one U.S. citizen or eligible immigrant, and any number of ineligible members.

Prorated Assistance Calculation

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible. Calculations are performed on the HUD 50058 form.

MINIMUM RENT

[24 CFR 5.630]

1. Minimum Rent Amount

The HACSD "minimum rent" is \$50. Minimum rent refers to the total tenant payment and includes the combined minimum amount a family must pay towards rent and/or utilities. "Subject to minimum rent" means the minimum rent was the greatest of either 30 percent of the monthly-adjusted income, 10 percent of the monthly gross income, or the minimum rent.

2. Financial Hardship Requests for an Exemption to Minimum Rent

HACSD recognizes that in some circumstances even the minimum rent may create a financial hardship for families. HACSD will review all relevant circumstances brought to HACSD's attention regarding financial hardship as it applies to the minimum rent. The following section states HACSD's procedures and policies concerning minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998.

3. Criteria for Financial Hardship Exemption

In order for a family to qualify for a financial hardship exemption, the family's circumstances must fall under one of the following HUD hardship criteria:

- The family has lost eligibility or is awaiting an eligibility determination for federal, state, or local assistance.
- The family would be evicted because of the imposition of the minimum rent requirement.
- The income of the family has decreased because of changed circumstances, such as loss of employment.
- Death in the family, which means the immediate family listed on the lease.
- Other circumstances as determined by HACSD or HUD.

Temporary hardship is defined as lasting three months or less.

Long-term hardship is defined as lasting four months or more.

4. Notification to Families of Right to Hardship Exception

HACSD will notify all families subject to minimum rents of their right to request a minimum rent hardship exception and keep a copy in the family's file. "Subject to minimum rent"

means the minimum rent was the greatest figure in the calculation of the TTP, which is the greatest of 30% of monthly adjusted income, 10% of monthly income, or minimum rent.

HACSD notification will advise families that hardship exception determinations are subject to HACSD informal review procedures.

HACSD will review all family requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent hardship exceptions are required to be in writing. HACSD will request documentation as proof of financial hardship. HACSD will use its standard

verification procedures to verify circumstances that have resulted in financial hardship. Requests for minimum rent exception must include a statement of the family hardship that qualifies the family for an exception.

5. Suspension of Minimum Rent

HACSD will suspend the minimum rent for all families whose requests meet the criteria, effective the first day of the month after the request is received by the HACSD.

The minimum rent will be suspended until HACSD completes the verification process and determines if the hardship is temporary or long term.

"Suspension" means that HACSD will not impose a minimum rent calculation until HACSD has made this decision.

During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly. If HACSD determines that the suspension of minimum rent is not covered by statute, HACSD will impose a minimum rent retroactive to the date of suspension.

6. Temporary Hardship

If HACSD determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

HACSD will offer a Payment Plan Agreement to the family for any such rent not paid during the temporary hardship period.

7. Long-Term Duration Hardships

If HACSD determines that there is a qualifying long-term financial hardship, HACSD must exempt the family from the minimum rent requirements.

ZERO HAP

A family determined to be ineligible for assistance because its TTP exceeds the lower of the gross rent or payment standard will continue on the program for 180 days after the determination of zero HAP. A notice of intended action will be issued to the family effective the initial date of the zero HAP status.

A family that requests to transfer during the 180-day period will be issued a transfer packet and a voucher, providing that family is eligible to move. However, the HACSD may not enter into a HAP contract if the family would be in zero HAP at the new unit.

UTILITY REIMBURSEMENT PAYMENT

[24 CFR 982.514(b)]

The utility reimbursement payment will be issued directly to the family. (Refer to the interim policy on zero or minimal income families.)

VOUCHER, SUBSIDY STANDARDS, HOUSEHOLD COMPOSITION

[24 CFR Part 982.303, 982.402, 982.551, 982.54(d)(9)]

INTRODUCTION

HUD guidelines require PHAs to establish a term for issued vouchers. In addition, a PHA must establish subsidy standards for the determination of family unit size that provide for a minimum commitment of subsidy, while avoiding overcrowding. The standards used for the unit size must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS). This chapter explains the established term for voucher utilization, subsidy standards that HACSD will use to determine the voucher size (family unit size) for families when they are selected from the waiting list, the HACSD's procedures for a family size change, and for family selection of a unit of a different size than the voucher size.

VOUCHER PROVISIONS

[24 CFR 982.302, 982.303, 982.54(d)(11)]

During the briefing session or upon approval of participant's transfer of unit, a household will be issued a Housing Choice Voucher (HCV) form HUD-52646. The voucher represents a contractual agreement between the HACSD and the family specifying the rights and responsibilities of each party. It does not by itself constitute admission to the program, which occurs after a family is selected off the Section 8 waiting list, found eligible, attends a briefing, the initial unit passes inspection, and the initial lease and contract become effective.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and the initial date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence the PHA has determined the family to be eligible for the program and that

the PHA expects to have money available to subsidize the family, if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA's Housing Choice Voucher Program. If the HACSD determines there is insufficient funding after a voucher to an applicant is issued, the HACSD may rescind the voucher and place the affected family back on the waiting list.

EXPIRATIONS

The voucher is valid for a period of 90 calendar days from the date of issuance. The family must submit a Request for Tenancy Approval (RFTA) within the 90-day period. An extension may or may not be granted, depending on current departmental policy. If the voucher has expired, the family will be denied assistance and must reapply to the HACSD waiting list. The family is not entitled to a review or hearing.

SUSPENSIONS

When a RFTA is received, the HACSD will add the number of days taken to process the RFTA to the term of the voucher. This is called "tolling."

EXTENSIONS

If the HACSD is allowing extensions, a family must request an extension to the initial term of the voucher in writing prior to voucher expiration. The program manager or designee must approve all voucher extensions beyond the initial 90 days. An initial extension will be for a period of no more than 90 days.

Extensions are permissible if funding is available, and at the discretion of the HACSD.

An extension, upon verification, may be granted based on the following factors:

The family suffered an illness, injury, hospitalization or a family emergency for an extended period of time, which has affected the family's ability to find a unit.

The family is a large, hard-to-house family.

The family has a need for reasonable accommodation for a disabled household member.

The Division Chief has authorized extensions.

The HACSD must be satisfied that the family has made a reasonable effort to locate a unit, including seeking the assistance of the HACSD, throughout the initial 90-day period. A written family search record may be required.

ASSISTANCE TO VOUCHER HOLDERS

Families who require additional assistance during their search may call the HACSD to request assistance.

The HACSD will assist families on lease negotiations with owners, and provide other assistance related to the families' search for housing.

After the first 30 days of the search, the family should maintain a search record. The search record may be required for any voucher extension requests. The search record must include a list of the units visited. This list must include the dates the units were examined, the landlords' names and telephone numbers, the unit addresses, the rents, and why the voucher holder was not able to rent the unit.

VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS

[24 CFR 982.315]

When an assisted family or a family who has been issued a voucher divides into two otherwise eligible families, and cannot agree as to which new family unit should retain the assistance and/or the voucher, and there is no determination by a court, the HACSD, to determine which family will receive the voucher, will consider the following factors in ranking order of importance, with one representing the greatest importance and six the least importance:

1. Whether domestic violence, defined as actual or threatened physical violence against family members by a member of the household was involved in the breakup.
2. Which of the two new family units has legal custody/guardianship of the dependent children.
3. The composition of the new family units, and which unit contains elderly or disabled members.
4. Recommendations of social service professionals.
5. Which family member was the head of household when the voucher was initially issued, as indicated on the initial application.
6. Which family members are remaining in the assisted unit.

Documentation of these factors will be the responsibility of the requesting parties.

The decision on who will be assigned the voucher will be issued in writing to both parties within 30 days of the request for assignment. The party not assigned the

voucher may request an administrative review of the decision within 14 days of the date of the notice. The decision will be reviewed by a Housing Specialist II (or above) who was not a party to the original decision.

PAYMENT STANDARDS

[24 CFR 982.4]

The HACSD's schedule of payment standards is used to calculate housing assistance payments. A payment standard is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)."

When the payment standards change, the HACSD will apply the change in accordance with the regulations as follows:

Decreases

If the payment standards decreased during the term of the HAP contract, the lower payment standard generally will be used beginning on the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standards.

Increases

An increase in the payment standards will be applied beginning on the effective date of the family's first regular reexamination that is being processed after the effective date of the payment standards increase.

A family's payments standard will not be updated at interim reexamination.

DETERMINING VOUCHER SIZE (FAMILY UNIT SIZE)

[24 CFR 982.402]

The HACSD may change its subsidy standards at any time without prior notice to its participants should the circumstances warrant it, such as in the case of funding reductions.

The voucher size is determined prior to the briefing by comparing the family composition to the HACSD subsidy standards.

The applicable subsidy standards relate to the number of bedrooms on the voucher, not the family's actual living arrangements. After initial voucher issuance, the voucher size may be increased or decreased in accordance with the HACSD's policies.

SUBSIDY STANDARDS

The HACSD does not concern itself with who shares a bedroom/sleeping room. The HACSD's subsidy standards for determining voucher size shall be applied in a manner consistent with fair housing guidelines.

Generally, upon voucher issuance to new program admissions and incoming ports, the HACSD will issue a voucher within the following guidelines:

One bedroom is assigned for the head of household/spouse or head/co-head, and one bedroom is awarded to each additional two household members, including permanent foster children/adults, regardless of sex, age or relationship. A live-in aide is entitled to a separate bedroom.

Permanent foster children/adults are defined as those expecting to reside with the family for at least one year.

No additional voucher bedrooms are provided for a live-in aide's family. A family member may have only one live-in aide.

Space will not be provided for a family member, other than a spouse, who will be absent most of the time, such as a member absent due to military service.

A pregnant woman (with no other persons) is eligible for a two-bedroom voucher.

A two person household consisting of a pregnant woman is eligible for a two-bedroom voucher.

For incoming portability, the above standards apply to family members listed on the HUD-50058. Any additional family members to be added to those listed on the HUD-50058 will require HACSD approval and are subject to the limitations to household additions applied to program participants.

Increases in Voucher Unit Size for Participants

The HACSD may increase the voucher size upon the approval of additional household members including permanent foster children/adults, the addition of a live-in aide, or as a reasonable accommodation for a person with disabilities. The family must request a review of its voucher size in writing.

Decreases in Voucher Unit Size for Participants

The HACSD will not reduce the voucher unit size for participants unless there is a change in household composition; the family is no longer entitled to a reasonable accommodation or a live-in aide; the subsidy standards change; or it is found the

current subsidy standards were never applied or were applied in error. A reduction in voucher size will be applied at the next family recertification, or as soon as possible thereafter. The family must receive at least a 60-day advance notification of a reduction in voucher size.

EXCEPTIONS TO SUBSIDY STANDARDS

[24 CFR 982.402]

The HACSD may grant exceptions to its subsidy standards, upon request, providing the HACSD determines the exceptions are justified and documented.

REASONABLE ACCOMMODATION

A reasonable accommodation request will not be considered if there is bedroom space available to other family members, such as a shared bedroom that, if utilized, would free up a separate bedroom for the disabled family member. Non-bedroom areas will not be considered in making this determination.

The HACSD will not approve an additional bedroom for non-living purposes, such as the placement of equipment/supplies, unless the equipment/supplies are necessary for a person with disabilities and are necessary to meet that person's immediate needs. Medical equipment/supplies that are not currently being used, or may not be used within the next six months, are not considered in the determination of need for an extra bedroom.

The disability **must** meet the HUD definition of disability that requires a reasonable accommodation. Refer to the glossary for the HUD definition of a person with disabilities.

LIVE-IN AIDE

A live-in aide is entitled to a separate bedroom. If a live-in aide is added to the household, the family is entitled to a one-bedroom increase in voucher size, providing they are living in or transferring to an appropriately-sized unit.

A live-in aide's family members may reside in the unit as long as the unit is not overcrowded, but they are not entitled to additional bedrooms.

REQUEST FOR EXCEPTIONS TO SUBSIDY STANDARDS

The family must request in writing a larger voucher than warranted under the HACSD subsidy standards as a reasonable accommodation for a family member with disabilities or for a live-in aide. The family request must justify the need for a larger voucher. A family request for a reasonable accommodation must also explain what about the additional bedroom will allow the person with disabilities better access to

the program. A reasonable accommodation will only be given to the person with disabilities – not the family member without disabilities.

A State of California licensed doctor, or other State of California licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional must provide a certification, initially and upon family transfer, of the need for additional bedrooms as a reasonable accommodation for a family member with disabilities, or the need for a live-in aide. In addition, the health professional must explain why the extra bedroom is needed to provide a reasonable accommodation for that family member and/or why the live-in aide is necessary to provide care to the elderly or near-elderly household member or a household member with disabilities. The HACSD will require only the information necessary to determine the needs that warrant an additional bedroom or live-in aide, and not to determine the type of disability.

DETERMINATION OF HOUSEHOLD STATUS AND COMPOSITION

FAMILY COMPOSITION

[24 CFR 982.201]

The family must obtain HACSD approval of any additional family member prior to that person moving into the assisted unit, unless the addition is by birth, adoption, return of disabled or minor children to the family, or court-awarded custody.

In cases where there is no court-awarded custody of a minor child or children due to the absence of the parent or legal guardian of the child and the child is living with the assisted family, the HACSD will apply the preponderance of evidence standard to determine if the family has physical custody of the minor child or children. The HACSD will accept documentation including, but not limited to, school records, public assistance payments and notarized sworn statements that demonstrate that the assisted family has actual physical custody of the minor child or children.

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Unrestricted Admissions

Additions through birth, adoption, court-awarded custody and the return of disabled or minor children to the household do not require prior approval, but the family is still

required to report these additions within 14 days, and these additions are still subject to family eligibility requirements, such as criminal history prohibitions.

Partially Restricted Admissions

The addition of foster children/adults is allowed with prior HACSD approval. They may not be added if the unit will be overcrowded, but the family may transfer to add. The family may receive a larger voucher to add permanent foster children/adults in accordance with the subsidy standards.

The addition of a live-in aide is allowed with prior HACSD approval. Live-in aides may not be added if the unit will be overcrowded, but the family may transfer to accommodate the live-in aide. A live-in aide is entitled to a separate bedroom.

Restricted Admissions

All admissions to the household not categorized above are limited to a total of two persons in a 12-month period based on the time of the recertification and may not be admitted to the household for the first 12 months after program admission (for 12 months from the date of initial lease-up). Each restricted adult admitted must currently have income and have a steady income history over the last 12 months. If the income is from employment, the adult is required to be employed a minimum of 32 hours per week for the previous 12 months. If otherwise eligible to be added, the adult may not be added if the unit will be overcrowded, but the family may transfer to add. If eligible for admission to the household, the voucher size may be increased in accordance with the subsidy standards. The addition will not be approved without the owner's written permission.

Exceptions to the income requirement for blood relatives of the head of household or spouse may be granted based on a reasonable accommodation to a family member who is a person with disabilities. This restriction may also be waived in certain situations where it would not be feasible to require the person being added to the household to satisfy the 12-month work requirement. These cases will be evaluated on a case by case basis. In addition, the family has the option of a shared housing arrangement with the person or persons not eligible to be a part of the assisted household.

Qualifying Family

A qualifying family may be a single person or a group of persons.

A family may include a child or children. A family may consist of one or more elderly or disabled persons living together, or one or more elderly or disabled persons living

with one or more live-in aides. The HACSD determines if any other group of persons qualifies as a family.

A single-person family may be:

- An elderly person.

- A person with a disability. (Individuals may not be considered disabled for eligibility purposes solely on the basis of any drug (including medical marijuana or alcohol dependence.)

- Any other single person.

A child who is temporarily away from home because of **temporary** placement in foster care is considered a member of the family.

A family also includes:

- Two or more persons residing together using their combined income and resources to meet their needs.

- Two or more elderly or disabled persons residing together sharing income and resources.

- One or more elderly, near-elderly or disabled persons residing together, with one or more live-in aides.

Head of Household

Head of household means, "the adult member of the family who is considered the head for purposes of determining income eligibility and rent." The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a co-head or spouse. The head of household is the adult member of the household designated by the family as the person wholly or partly responsible for paying the rent and with the legal capacity to enter into a lease under state/local law. Emancipated minors who qualify under state law may be recognized as head of household.

Spouse of Head of Household

Spouse means the marriage partner of the head of household.

For proper application of the non-citizen rule, the definition of spouse is: the marriage partner from whom, in order to dissolve the relationship, an individual must be legally divorced. In addition, the partner in a common law marriage, as defined under state law, is also considered a "spouse." The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

A co-head is an individual in the household who is equally responsible for the lease with the head of household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

A co-head is designated only upon admission to the program or admission to the household. An adult household member identified by the family on the eligibility booklet as the significant other of the head of household will be designated the co-head. A significant other is a household member who is identified as the "boyfriend," "girlfriend," "fiancée," or by other similar terms that indicate the person's significant relationship to the head of household. At the time of admission to the program/household, the family may request that another adult family member be designated co-head. Once a family member is designated co-head, that designation does not change unless someone is subsequently designated a spouse, the co-head moves out of the household, or the co-head becomes the head of household. A minor who is emancipated under state law may be designated a co-head.

In the application of subsidy standards and calculation of benefits, a co-head is handled the same as a spouse. For example, a family with a disabled or elderly co-

head is considered a "disabled/elderly family" and is entitled to all "elderly/disabled family" deductions and allowances.

Other Adult

Other adult means a family member, other than head, spouse, or co-head, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults. The admission of other adults to the household is restricted.

Elderly and Near-Elderly Persons, Elderly Family

[24 CFR 5.100 and 5.403]

An elderly person is at least 62 years of age. A near-elderly person is at least 50 years of age. An elderly family is one in which the head, spouse, co-head, or sole member is an elderly person.

Persons with Disabilities and Disabled Family

[24 CFR 5.403]

Special rules apply to persons with disabilities and to any family whose head of household, spouse, or co-head is a person with disabilities. A disabled family is one in which the head of household, spouse or co-head is a person with disabilities. Persons with drug or alcohol dependencies are considered persons with disabilities for protection against discrimination, although these persons must comply with all eligibility criteria, including not engaging in illegal drug activities (including use of medical marijuana) or a pattern of alcohol abuse.

The term "person with disabilities" means a person who has any of the following types of conditions:

Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

(d) "Disability" defined

(1) The term "disability" means –

(A) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; or

(B) In the case of an individual who has attained the age of 55 and is blind (within the meaning of "blindness" as defined in section 416(i)(1) of this title); inability by reason of such blindness to engage in substantial gainful activity

requiring skills or abilities comparable to those of any gainful activity in which he or she has previously engaged with some regularity and over a substantial period of time.

Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act [42 U.S.C.6001(8)], which defines developmental disability in functional terms as:

A severe, chronic disability of a person five years of age or older which:

Is attributable to a mental or physical impairment or combination of mental and physical impairments;

Is manifested before the person attains age 22;

Is likely to continue indefinitely;

Results in substantial functional limitations in three or more of the following areas of major life activity: (1) self-care, (2) receptive and responsive language, (3) learning, (4) mobility, (5) self-direction, (6) capacity for independent living, and (7) economic self-sufficiency; and

Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services which are of lifelong or extended duration and are individually planned and coordinated; except that such term, when applied to infants and young children, means individuals from birth to age five, inclusive, who have substantial developmental delay or specific congenital or acquired conditions with a high probability of resulting in developmental disabilities if services are not provided.

Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

Individual with Handicaps

[24 CFR 8.3]

For the purposes of reasonable accommodation and program accessibility for

persons with disabilities, the term persons with disabilities refers to an individual with handicaps.

An individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment. The term does not include any individual who is an alcohol or drug abuser whose current use of alcohol or drugs (including medical marijuana) prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse (including medical marijuana use), would constitute a direct threat to the property or safety of others.

A physical or mental impairment includes:

Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organ; cardiovascular; reproductive; digestive; genito-urinary, hemic and lymphatic; skin; and endocrine; or

Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

Has a record of such impairment means has a history of, or has been classified as having, a mental or physical impairment that substantially limits one or more major life activities.

Is regarded as having an impairment means:

Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;

Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such

impairment; or

Has none of the impairments defined under physical or mental impairment, but is treated by a recipient as having such an impairment.

Dependent

Under 24 CFR 5.603, a member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age or is a person with a disability, or is a full-time student". A dependent can never be the head of household, spouse, co-head, foster children/adults, or live-in aides. Identifying each dependent in the household is important because they qualify the family for deductions from annual income.

Children Receiving Kin-GAP

All of Kin-GAP assistance paid by the State of California is excluded from the family's annual income per the guidance issued by the HUD LA office. The children are considered regular family members and are treated like any other dependents.

Children Receiving Adoption Assistance

Adoption Assistance payments in excess of \$480 per adopted child are excluded from the family's annual income. The children are regular family members and are treated like any other dependents.

Foster Children/Adults

A family may include foster children/adults. Foster adults are usually persons with disabilities, unrelated to the assisted family, who are unable to live alone [24 CFR 5.609]. A foster child is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

Documentation must be submitted to verify the identity of the foster children/adults, to confirm they are foster children/adults, to confirm the foster children/adults are legal U.S. residents and the benefits are paid on behalf of the foster children/adults. A streamlined documentation process is acceptable for foster children/adults expected to be in the household for a short period of time. Foster children/adults expected to be in the household at least one year are considered a part of the family in determining the subsidy standards and income limits.

The criminal history of adult foster children must be verified prior to admission to the household and whenever the criminal history of adult family members is reviewed. Adult foster children must sign release of information forms so that criminal history can be verified.

Foster children/adults are considered household members, but not family members. They are treated differently than family members:

- The income paid on behalf of foster children/adults is not counted in determining the rental subsidy.

- No dependent allowances for foster children/adults.

- No childcare expense deductions for foster children/adults.

- Foster children/adults are not subject to non-citizen rule requirements but the placement agency must confirm they are legal U.S. residents.

- Foster children/adults may not be considered remaining members of the tenant family.

Live-in Aides

A family may include a live-in aide provided that such live-in aide:

- Is determined by the HACSD to be essential to the care and well being of a near-elderly (at least 50 years of age) or elderly person, or a person with disabilities, and will provide services that cannot be provided any other way.

- Must provide at least 12 hours of care per day.

- Not obligated for the support of the person(s).

- Would not be living in the unit, except to provide care for the person(s).

- Was not a member of the assisted household as a family member for at least one year prior to being admitted as a live-in aide.

- Is the only live-in aide providing services to that family member.

- Will not overcrowd the unit

A live-in aide is treated differently than family members:

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to non-citizen rule requirements.

Live-in aides **may not** be considered a remaining member of the tenant family.

A live-in aide may not have an ownership interest in the dwelling unit.

A live-in aide must be out of the assisted household for at least one year before the live-in aide is eligible to be admitted to the assisted unit as a family member.

A household member must be out of the assisted household for at least one year before the live-in aide is eligible to be admitted to the assisted unit as a live-in aide.

A live-in aide must be available to the family member the required number of hours prescribed on the medical professional's verification.

Relatives are not automatically excluded from being live-in aides, but they must meet the elements of the live-in aide definition described above.

A live-in aide may only reside in the unit with the approval of the HACSD. Written verification will be required from a state of California licensed professional, such as a doctor, social worker, or caseworker. The verification must certify that a live-in aide is needed for the care of the family member who is near elderly, elderly, or disabled; the number of hours of daily care necessary; and that the services provided by the live-in aide cannot be provided any other way.

Live-in aides must sign all consent forms including the personal declaration and the release of information forms. Live-in aides' criminal history must be verified prior to admission to the household and whenever the criminal history of adult family members is reviewed. The live-in aide must provide identification information including picture identification and a copy of his/her social security card. A live-in aide must be a legal resident and provide documentation, such as a birth certificate or current resident alien card as verification of legal residency and the HASCD will confirm the legal residency of non-citizens through the INS SAVE system. The income, asset, and expense information of live-in aides will not be requested, verified, or included in the calculation of the family's TTP and need not be declared on the eligibility booklet. However, the regular contributions from the live-in aide to the family would be counted as family income.

A participating family has 30 days from the date a live-in aide vacates the unit to obtain another eligible live-in aide. After 30 days, a 60-day notice of action will be issued reducing the voucher size. If an eligible live-in aide is approved prior to the effective date of the notice of action, the notice of action will be rescinded. An applicant or transferring family must identify an eligible live-in aide prior to execution of the HAP contract.

In accordance with 24 CFR 982.316(b), the HACSD will refuse to approve a particular person as a live-in aide, or may withdraw such approval if:

- The person commits or has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

- The person commits or has committed drug-related criminal activity, uses medical marijuana or violent criminal activity; or

- The person is subject to the sex-offender registration requirement of a state sex-offender registration program; or

- The person is obviously not capable or not available to fully meet the needs of the person requiring a live-in-aide; or

- The person is not approved by the landlord; or

- The person has a history of disturbance or other occupancy problems; or

- The person is unwilling to provide proof of identification or unwilling to sign the necessary releases of information; or

- The person currently owes rent or other amounts to the HACSD or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act; or

- The person refused to sign consent or release of information forms or to provide requested verifications to establish identity or legal residency.

The HACSD will deny the admission of a live-in aide as outlined in 24 CFR Part 982.553 in accordance with the prohibition period outlined in Chapter 3. In particular, the HACSD will deny admission of a live-in aide for criteria outlined under 24 CFR Part 982.553(a)(ii)(3) for permissive prohibitions to prohibit program admission for "other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity."

The family members of a live-in aide may reside in the unit with approval of the HACSD. However, the HACSD reserves the right to rescind the approval or disapprove the addition of family members of a live-in aide if it is determined that they may negatively impact the assisted household, or because they are not the dependants or the spouse of the live-in aide.

Remaining Member of the Family

[24 CFR 982.315]

A remaining member of the tenant family is the person remaining in the household when the head of household, spouse/co-head are absent. Authorized family members are eligible for remaining member status and the family's voucher.

A live-in aide, the family of a live-in aide, or foster children/adults are not eligible for remaining member status.

In order for a minor child to continue to receive assistance as a remaining family member, HACSD must receive one of the following:

Documentation that a court has awarded emancipated minor status to the minor; or

The HACSD has verified that social services and/or the juvenile court has arranged for another adult to be brought into the assisted unit to care for the child for an indefinite period.

A reduction in family size may require a reduction in the voucher size.

Guests

A guest is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent. A guest, except as noted below, who is in the unit more than 14 consecutive days without HACSD approval, or a total of 30 days in a 12-month period, will be considered to be living in the unit as an unauthorized household member. The family may request an exception to this guest policy for medical reasons, providing the family submits documentation of medical need and the guest's permanent residence.

Use of the unit address as the guest's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

Absence of evidence of any other permanent address will be considered evidence that the guest is a member of the household.

The burden of proof that the individual is a guest rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the household, and the HACSD will terminate assistance.

The limitation on guests is not applicable to minors and college students who were once part of the household, children under a joint custody agreement, and adult caretakers, not included on the HUD 50058. Minors and college students who were part of the family, but who now live away from home during the school year and are no longer on the lease, may visit, with the owner's and the HACSD's permission, for up to 120 days per year without being considered a member of the household. An adult caretaker may remain in the unit as a guest for up to 180 days.

The HACSD may have entered into an agreement with the family to remove a person from the assisted household in lieu of denial or termination of program participation. In such case, the agreement may require that the excluded person not visit the household. Therefore, if it is found that said person has visited the household in violation of the agreement, the family is subject to termination of program participation per the provisions of the agreement

"Mixed Families"
[24 CFR 5.518]

Under the non-citizens rule, "mixed" families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

The non-citizens rule was implemented prior to November 29, 1996, and "mixed" families who were participants as of June 19, 1995, shall continue receiving full assistance if they meet all of the following criteria:

The head of household or spouse is a U.S. citizen or has eligible immigrant status; and

All members of the family other than the head, the spouse, parents of the head or the spouse, and children of the head or spouse, are citizens or eligible immigrants. The family may change the head of household to qualify for this provision.

TEMPORARILY/PERMANENTLY ABSENT FAMILY MEMBERS
[CFR 982.54(d)(10), 982.551]

The HACSD must count all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the HACSD must count the income of the spouse, co-head or the head of the household, if that

person is temporarily absent, even if that person is not on the lease. The income of a permanently absent spouse who was previously in the assisted household will be counted unless the family has filed for a divorce or legal separation.

"Temporarily absent" is defined as a family member away from the unit for no more than 180 consecutive days.

Income of persons permanently absent, except a spouse who is not legally separated, will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other HUD-defined exceptions to military pay) are counted as income.

It is the responsibility of the head of household to report changes in family composition. The HACSD will evaluate absences from the unit using the policies in this Chapter.

Absence of Any Member

A member of the household is considered permanently absent if the household member is away from the unit for six consecutive months or more in a 12-month period, except as otherwise provided in this Chapter. A sole member is considered permanently absent if absent from the unit for 30 consecutive days. A sole member may be granted an extension of up to 180 consecutive days for medical reasons, as a reasonable accommodation to a disability, or a family emergency.

If a member of the household is subject to a court order that restricts him/her from the home for more than six months, the person will be considered permanently absent.

Absence Due to Medical Reasons/Confined to Nursing Home

CFR 982.54(d)(10)]

If a family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the HACSD will require verification from a reliable, qualified source as to the likelihood of his/her return, and the anticipated length of his/her absence.

Sole Family Member

If the verification indicates the sole family member is permanently confined to a nursing home, s/he will be considered permanently absent and assistance will be terminated. If the verification indicates the sole family member may return in less

than 180 consecutive days, or is unsure when the sole family member will return, the family member may be considered temporarily absent.

Remaining Household Member

If a family member is confined to a hospital or nursing home for an indefinite duration, and there is a family member left in the household, the HACSD will calculate the lower family rent by comparing the following methods:

Exclude the income of the person confined to the nursing home, give the family no deductions for the medical expenses of the confined family member, and review and reduce the family's voucher size, if appropriate; or

Include the income of the person confined to the nursing home and give the family the medical deductions allowable on behalf of the person in the nursing home.

Absence due to Military Service

In cases where a military member is a single head of household with minor children and the family moves out of the assisted unit due to a verifiable overseas military deployment of the head of household, the HACSD will allow the family to resume participation in the rental assistance program when the head of household returns from deployment if the deployment is 24 months or less.

Absence Due to Full-time Student Status

Full-time students who attend school away from the home will be treated in the following manner:

A student (other than head of household, spouse or co-head) who attends school away from home, but lives with the family during school recesses may, depending on the circumstances, be considered either temporarily or permanently absent. If the family member is considered permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of voucher size.

Students who are out of the home more than 50 percent of the year are considered permanently absent, unless they are in boarding school, school dormitories, or temporarily staying with family or friends without a lease or rental agreement.

Absence due to Incarceration

If a household member is incarcerated for more than 180 consecutive days, s/he will be considered permanently absent.

The HACSD will request documentation necessary to determine if the reason for incarceration is for prohibited activities, and take the appropriate action.

Absence of Children due to Placement in Foster Care

The HACSD will verify with the appropriate agency when a child or children, temporarily absent from the home due to placement in foster care will return. In addition, the HACSD will determine why the children were placed in foster care for purposes of determining if a family member had engaged in violent or drug-related criminal activities including use of medical marijuana that may be cause for denial or termination of assistance.

If the time period in foster care is to be greater than six months from the date of removal of the children, or the children have been removed permanently, the voucher size will be reviewed and reduced, if appropriate.

Absence of Entire Family

In cases where the family has moved out of the unit, the HACSD will terminate assistance in accordance with appropriate termination procedures contained in this Plan.

Families are required to notify the HACSD before they move, or are absent for more than 30 consecutive days from a unit.

If the entire family is absent from the assisted unit for more than 30 consecutive days, the unit will be considered vacated, and the assistance will be terminated. However, the HACSD may grant an extension for absences of up to 180 consecutive days for a family emergency or medical reason.

HUD regulations require the HACSD to terminate assistance when the entire family is absent from the unit for a period of more than 180 consecutive calendar days.

"Absence" means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, the HACSD may:

Write letters to the family at the unit;

Telephone the family at the unit;

Verify if utilities are in service;

Check with the post office;

Visit the unit;

Schedule an appointment with the family;

Contact the neighbors;

Contact the manager.

Absence of Parents and Assignment of Caretaker for Children

When the courts or a social service agency have determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, in instances when the parents have vacated, the HACSD will treat that adult as a visitor for the first 180 days. During the time the caretaker is considered a visitor, the caretaker's income will not be counted, or deductions allowed.

After 180 days, if the court awards custody or legal guardianship to the caretaker, the voucher will be transferred to the caretaker, providing the caretaker meets all eligibility criteria for household additions.

If there is court action to award custody or legal guardianship is in process, the caretaker will be approved to continue in the unit as a visitor beyond 180 days.

The HACSD will transfer the voucher to the caretaker, in the absence of a court order, if the caretaker has been in the unit for more than 12 months, and it is reasonable to expect custody to be granted.

If custody is awarded for a limited time, the HACSD will state in writing that the transfer of the voucher is for a limited time, and as long as the caretaker has the custody of the children.

Once the caretaker is approved by the HACSD and no longer considered a visitor, the income of the caretaker will be counted and deductions will be allowed.

Court-Ordered Temporary Absence

When a court order restricts someone who has been considered a family member from living in the home, the PHA must determine whether the member is temporarily

or permanently absent. This policy applies to circumstances such as temporary restraining orders, but not jail or prison incarceration, which are covered separately. If the court order permanently restricts the return of the absent family member for more than 180 days, that family member will be considered permanently absent.

There must also be a review for prohibited activities, such as domestic violence, that may disqualify the family or the absent family member from program participation.

Joint Custody of Children

Children, who are subject to a joint custody agreement but live with the applicant/participant more than 50 percent of the time, will be considered members of the household. More than 50 percent of the time is 183 or more cumulative days during the year.

In cases where separated parents are trying to claim the child as a member of the household, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

In a joint custody arrangement, if the minor is in the household less than six months per year, the minor will be considered to be an eligible visitor and not a family member.

INITIAL APPROVAL and BRIEFING

[24 CFR 982.301, 982.302]

INTRODUCTION

The HACSD provides families selected to participate with all the tools necessary to locate an acceptable housing unit. The HACSD provides families the necessary information regarding the program and how they can achieve maximum program benefits, while complying with program requirements. When eligibility has been determined, the HACSD conducts a mandatory briefing designed to ensure that families know how the program works. The briefing provides a broad description of owner and family responsibilities, the HACSD procedures, and the steps the families must take to lease a unit. In addition, families receive briefing packets which provide more detailed information about the program, including the benefits of moving outside areas of poverty and minority concentration. This chapter describes how briefings will be conducted, the information that will be provided to families, and the policies for changes in family composition.

INITIAL ELIGIBILITY APPROVAL

All preferences claimed on the pre-application, or while the family is on the waiting list, will be verified as follows:

After the family is selected from the waiting list

The family's preference should exist at the time the preference is claimed, and must exist at the time of selection from the waiting list, because the claim of a preference determines the family's placement on the waiting list. The family's preference will be determined at the time the full application is completed, but the family must meet the preference at the date of selection from the waiting list.

After a family is selected from the waiting list, applicants will be required to:

Complete a full application and provide all requested documentation and information. The HACSD staff may interview the applicant to clarify and review the information on the full application.

The full application will be mailed to the applicant. The applicant must complete the full application.

REQUIREMENT TO ATTEND INTERVIEW

The HACSD may require a full application interview attended by all adult family members. The purpose of the interview is to discuss the family's circumstances in greater detail, to clarify information that has been provided by the family, and to ensure that the information is true and complete.

All adult family members must sign all appropriate areas of the housing application.

It is the applicant's responsibility to reschedule the interview if she/he misses the appointment. If the applicant does not reschedule or misses two scheduled meetings, the HACSD may reject the application. The interview may be held in the office, by telephone, or at the applicant's home, as a reasonable accommodation to a person with disabilities.

Applicants who fail to appear and want to reschedule a missed appointment must make the request in writing to reschedule no later than seven days after the original appointment date.

Reasonable accommodation, such as accessible offices, inclusion of an advocate, or a home visit, will be provided to a disabled family upon request. The disabled family's designee will be allowed to participate in the interview process at the family's request.

If an application is denied due to a failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal review.

All adult members must sign the HUD Form 9886, Release of Information; the application form; all HACSD-required supplemental documents; the declarations and consents related to citizenship/immigration status; a consent form to release criminal conviction records and to allow HACSD to receive and use records in accordance with HUD regulations; as well as any other documents required by the HACSD. Applicants may be required to sign additional release of information forms for information not covered by the HUD form 9886.

Applicants may not amend these documents or write notes of disclaimers on them. A family who alters any HACSD documents invalidates the documents and the family's application will be denied.

Failure to complete required forms or provide requested information will be cause for denial of the application for failure to provide necessary certifications, releases, and documents, as required by HUD or the HACSD.

The HACSD will request additional documents or information in writing, if it determines, at or after the interview, that they are needed.

If the requested information is not supplied by the due date, the HACSD will provide the family a notification of denial for assistance.

VERIFICATION

[24 CFR 982.201(e)]

Applicant information is verified using the verification procedures outlined in this Plan. Family composition, income, allowances and deductions, assets, full-time student status, eligibility and rent calculation factors, eligible citizenship, criminal history, and other pertinent information will be verified. Verifications may not be more than 60 days old at the time of issuance of the voucher.

PRIOR TO THE BRIEFING

Families determined to be ineligible will be notified in writing of the reason for denial, and given an opportunity to request an informal review (an informal hearing for a family denied because the family has no legal residents).

If the HACSD denies the applicant a preference [24 CFR 982.207] or for not meeting income targeting, it will notify the applicant in writing, indicating why and advising him/her of the opportunity to request a informal review with a departmental representative. If the preference or income targeting denial is upheld as a result of the review or the applicant does not request a review, the applicant will be returned to the waiting list without benefit of the preference or income category. Applicants may exercise other rights if they believe they have been discriminated against.

Applicants who falsify documents, or make false statements in order to qualify for any preference or income requirements, will be removed from the waiting list.

MULTIPLE FAMILIES IN THE SAME HOUSEHOLD

Applicants consisting of two families living together who apply together, (such as a mother and father with a daughter and her husband and/or children) will be treated as a family unit and are eligible for one voucher.

DETERMINATION OF ELIGIBILITY

After the verification process is completed, the HACSD will make a final determination of eligibility [24 CFR 982.201]. This decision is based on information provided by the family, third-party documents, HACSD research, and the current eligibility criteria in effect. If the family is determined to be eligible, the HACSD will mail a notification of a scheduled briefing. The purpose of the briefing is to issue the voucher, and orient the family to the program.

SPLIT HOUSEHOLDS PRIOR TO VOUCHER ISSUANCE

When an applicant family divides into two otherwise eligible families, cannot agree as to which new family unit should be processed for eligibility, and there is no determination by a court, the HACSD, to determine which family will be processed for assistance, will consider the following factors, in ranking order of importance, with one (1) being of the greatest importance, and six (6) of the least importance:

1. Whether domestic violence, defined as actual or threatened physical violence against family members by a member of the household, was involved in the breakup.
2. Which of the two new family units has legal custody/guardianship of the dependent children.
3. The composition of the new family units, and which unit contains elderly or disabled members.
4. Recommendations of social service professionals.
5. Which family member was the head of household when the voucher was initially issued, as indicated on the initial application.
6. Which family members are remaining in the assisted unit.

Documentation of these factors is the responsibility of the applicant families. The HACSD will make a determination based on the documentation supplied. Any false or misleading documentation or failure to provide requested information is cause for denial.

The household found not eligible to be processed for assistance will be mailed a notice explaining why and outlining their right to request an informal review within 14 days.

THE BRIEFING

[24 CFR 982.301, 982.302]

INITIAL APPLICANT BRIEFING

A full briefing will be conducted for applicant families determined to be eligible for assistance. The briefings will be conducted in group meetings. If the family includes a person with disabilities, the HACSD will make every reasonable effort to accommodate that person to ensure effective communication. A family needing language services, must provide a written request at least seven days in advance of the scheduled briefing. When necessary, the HACSD may reschedule an applicant's briefing to accommodate language services requests.

The purpose of the briefing is to explain how the program works and to explain the briefing documents to families, so that they are fully informed about the program. In addition, information on desirable areas of the community, how the family may file a discrimination complaint, and some important legal resources will be provided. The briefing will enable families to utilize the program to their advantage and will prepare them to discuss the program with potential owners and property managers. The HACSD will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher.

REQUIREMENT TO ATTEND BRIEFING

The head of household or spouse is required to attend a briefing after initial approval of eligibility. At the briefing, the head of household or spouse must sign the voucher and other required paperwork.

It is the applicant's responsibility to reschedule the briefing if the applicant is unable to attend. If the applicant does not reschedule or misses two scheduled briefings, the HACSD may deny admission. The briefing may be held at a location designated by the HACSD. The briefing may be held in or out of the office, by telephone, or at the applicant's home, upon request by a disabled family as a reasonable accommodation. Also, reasonable accommodation may include accessible offices, inclusion of an advocate, or a home visit. The disabled family's designee will be allowed to participate in the briefing at the family's request.

Applicants who fail to attend the briefing and want to reschedule the briefing must make the request in writing to reschedule no later than seven days after the original briefing date. Applicants will be offered no more than two opportunities to attend a briefing, unless a request is made for reasonable accommodation or documentation of a serious emergency is submitted.

If an application is denied due to a failure to attend the briefing, the applicant will be notified in writing and offered an opportunity to request an informal review.

BRIEFING PACKET

[24 CFR 982.301(b)]

The documents and information provided in the briefing packet for the voucher program will comply with all HUD requirements. The HACSD may include other information and/or materials not required by HUD.

The following information and materials are provided to the family at the briefing:

The HACSD's policy for requesting extensions or suspensions of the voucher (referred to as tolling), and the term of the voucher.

A description of the method used to calculate the housing assistance payment for a family, how the family tenant payment is calculated, and information on the payment standard and utility allowance schedule. Also included is information on how the maximum allowable rent for an assisted unit is determined, and the rent reasonableness standard.

Where the family may lease a unit. For a family that qualifies to lease a unit outside the HACSD jurisdiction under portability procedures, information on how portability works.

The HUD required tenancy addendum, to be included in the lease.

Meeting with fair housing groups or agencies

AFTER THE BRIEFING AND BEFORE LEASE-UP

CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE

Income Decrease

When the family properly reports changes in factors that will reduce the total family share prior to the effective date of the HAP contract at admission, the information will be verified and the reduction in family share will be recalculated. Prior to submission of the RFTA, the intake unit will calculate the reduction in family income. After submission of the RFTA, case management will calculate the reduction in family income. However, the processing of the RFTA will not be delayed in order to calculate a family's income decrease. In some cases, the income decrease will be processed with an interim as soon as possible after the execution of the lease and contract.

Income Increase

All family increases in income will be calculated. Prior to submission of the RFTA, the intake unit will calculate the increase in family income. After submission of the RFTA, case management will calculate the increase in family income. However, the processing of the RFTA will not be delayed in order to calculate a family's income increase. In some cases, the income increase will be processed with an interim as soon as possible after the execution of the lease and contract.

Additions to Family

Additions to the household received after prescreening will not be permitted until the family has been assisted for at least 12 months in accordance with the HACSD's interim policy, unless the additions are due to birth, adoption, court-awarded custody, or return of minor or disabled children to the household.

Family Reporting Requirements

Families must report changes in income, assets, and family composition within 14

days of the change. Families discovered to have provided false, misleading, incomplete or untrue information prior to execution of a HAP contract in order to be found eligible for assistance will have their vouchers rescinded and will not be eligible for return to the waiting list at original date/time of application.

RESERVED

REQUEST FOR TENANCY APPROVAL, OWNER APPROVAL, LEASES AND CONTRACTS

[24 CFR 982.302, 982.54, 982.453, 982.306]

INTRODUCTION

[24 CFR 982.305(a)]

The HACSD's program is designed to utilize available resources efficiently, and maximize HUD funds by quickly providing assistance to as many eligible families as the budget allows.

The program allows families issued vouchers to search for eligible rental units within the jurisdiction of the HACSD, as well as outside the HACSD's jurisdiction, if they qualify for portability. The family must find an eligible unit with an owner/landlord willing to enter into a housing assistance payment (HAP) contract with the HACSD. This chapter defines eligible housing, and the HACSD policies on initial inspections, lease requirements, the HAP Contract, owner disapproval, and the processing of Requests for Tenancy Approval (RFTA).

The HACSD is committed to maintaining a neutral position in issues between owners and program participants and its policy is to strive to recruit new owners to the program, as well as maintain a good relationship with participating owners. The HACSD requires staff to provide owners with prompt and professional service in an effort to maintain an adequate supply of available housing within its jurisdiction. The regulations define when the HACSD must disallow owner participation in the program, as well as the circumstances when the HACSD may use its discretion to disapprove or otherwise restrict owner participation.

REQUEST FOR TENANCY APPROVAL

[24 CFR 982.302, 982.305(b)]

During the term of the voucher, the family must submit the RFTA and a copy of the proposed lease, including the HUD-prescribed tenancy addendum. If the owner's lease is not submitted, the HACSD may use the HUD model lease. The family must submit the RFTA in the form and manner required by the HACSD.

The owner and the voucher holder must both sign the RFTA.

If families are approved to lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an employer identification number or social security number, as well as a validation document supporting the number. Ownership will be verified through assessor's office records or a review of the grant deed. The HACSD will request a copy of the management agreement for owners being represented by a management company. The HACSD may request documentation of ownership such as a grant deed, copy of the current tax bill, or other documentation.

The HACSD will not permit the family to submit more than one RFTA at a time.

The HACSD will review the proposed lease and the RFTA documents to determine if they are approvable. The RFTA will be approved if:

The unit is an eligible type of housing.

The unit meets HUD's housing quality standards (HQS), and any additional criteria identified in this Plan.

The rent is reasonable.

The proposed lease complies with HUD requirements.

The owner is approvable, and there is no owner conflict of interest.

The owner has not been debarred by HUD or the PHA.

There are no shared utilities with the exception of some special housing types, "flat rate" apartment complexes, and mobilehome parks.

The family is not leasing a property owned by a parent, child, grandparent, grandchild, sister or brother of any family member. The HACSD will waive this restriction as a reasonable accommodation for a family member with

disabilities who provides documentation demonstrating a clear and compelling need for accommodation.

The owner's address is not the same as the assisted unit, except for some special housing types and Section 8 Homeownership.

In addition to the above, at the time a family initially receives assistance in the unit (new admissions and moves), if the gross rent exceeds the payment standard, the family share of rent may not exceed 40 percent of the family monthly-adjusted income. Exempt income is included in the 40 percent calculation to enable families with a large amount of exempt income, such as families with foster children, to qualify for adequately sized housing.

UNIT SIZE SELECTED

[24 CFR 982.402(c)]

The family may select a different size dwelling unit than that listed on the voucher. There are three criteria to consider:

Subsidy Limitation: The payment standard for a family shall be the *lower of*:

The HACSD payment standard amount for the family voucher size; or

The HACSD payment standard amount for the unit size rented by the family; or

The contract rent and utilities (gross rent).

Utility Allowance: The utility allowance used to calculate the gross rent is based on the **actual size** of the unit the family selects, regardless of the size authorized on the family's voucher.

Housing Quality Standards: The standards allow a maximum occupancy of two persons per sleeping area as shown in the table below. Sleeping areas would include: living room, bedroom, den, dining room, library, or other rooms that may be used for sleeping.

A sleeping room will only be considered a bedroom for payment standard and utility allowance purposes if it was designed to be used as a bedroom or to be converted to a bedroom, is private with a door that closes and has a window that opens to the outside for light and ventilation. The room will not be considered a bedroom for payment standard or utility allowance purposes if the room is designed for another purpose, used as a corridor to access another room, or if it has something installed that indicates it has another use, such as a water heater, washer/dryer hookups, gas line for a stove, etc., or if it is not accessible from inside the main dwelling unit, such

as in an outbuilding, or if the sleeping room is only accessible through the garage or backyard.

HQS GUIDELINES FOR MAXIMUM OCCUPANTS

Unit Size	Maximum Number Allowed in Household*
0 Bedroom	2
1 Bedroom	4
2 Bedrooms	6
3 Bedrooms	8
4 Bedrooms	10
5 Bedrooms	12
6 Bedrooms	14

*These guidelines are for an average unit. If there is a den, library or dining room or other room that may be used for sleeping, in addition to the living room, these standards may be increased. For example, a two-bedroom house with a living room and a den may have room for up to eight persons without violating HQS space requirements.

RENT LIMITATIONS

[24 CFR 982.507]

The HACSD will make a determination as to the reasonableness of the proposed rent in relation to comparable modest, non-luxury unassisted units available for lease. Rent reasonableness for standard dwelling units will be determined upon approval of a new lease; prior to an owner rent increase; and if the annual fair market rents are reduced by five percent or more 60 days prior to the HAP contract anniversary.

Rent reasonableness determinations must be conducted on rents for mobilehome pads annually. All active participant files must contain a copy of the most current rent reasonableness determination.

By accepting a monthly housing assistance payment from the HACSD, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units on the premises. Units in a tax credit or other types of rent-restricted properties are considered assisted units and are not subject to this requirement. However, when a household receives tenant-based rental assistance (TBRA) provided by the Section 8 Program, Home Investment Partnership Program

(HOME) or another funding source, the maximum allowable rent for the HOME assisted unit cannot exceed the applicable HOME rent limit. This means that the tenant's rental assistance payment plus the tenant's contribution towards rent cannot exceed the HUD-published High HOME rent limit for a High HOME rent unit, or the Low HOME rent limit for a Low HOME Rent unit. The owner may be required to provide the HACSD with information on rents charged elsewhere, such as rent rolls.

At all times during the tenancy, the rent to owner may not be more than the most current reasonable rent as determined by the HACSD. If a unit is determined, during the contract term, to exceed the reasonable rent, the owner and participant will be notified of the reasonable rent amount and the effective date of the rent reduction. The owner may refuse to accept the rent reduction, in which case, the HACSD will terminate the HAP contract with a 30-day contract termination notice.

DISAPPROVAL OF PROPOSED RENT

[24 CFR 982.506]

At the family's request regarding an RFTA, the HACSD will negotiate with the owner to reduce the rent or pay for more of the utilities in the following instances:

The rent is not reasonable.

Upon initial approval of the unit, when the gross rent exceeds the payment standard, it is determined that the rent is not affordable because the family share of rent and utilities would be more than 40 percent of the family's monthly-adjusted income.

If the rent is approved after negotiations with the owner, the HACSD will notate, date, and initial the RFTA and continue processing. If the revised rent involves a change in the provision of utilities, the HACSD will notate, date and initial the changes on the submitted RFTA.

If the owner does not agree to the rent reduction after the HACSD has attempted to negotiate a revised rent, the family and owner will be notified in writing that the lease is disapproved and the family will be issued another RFTA.

ELIGIBLE TYPES OF HOUSING

[24 CFR 982.601]

The HACSD will approve the following types of housing, providing they meet all program requirements:

All eligible structure types. which are defined as a dwelling unit that is designed and used exclusively for permanent residential occupancy.

A mobilehome that is designed to be set-up permanently in one location is eligible for Section 8 rental assistance.

Manufactured homes where the tenant leases the mobile home and the pad.

Manufactured homes where the tenant owns the mobile home and leases the pad.

Congregate facilities (only the shelter rent is assisted).

Single Room Occupancy (SRO).

Shared housing.

Group homes.

Travel trailers, motor homes, or other structures designed to be mobile or temporary **are not** eligible for Section 8 rental assistance. A unit that is registered with the Department of Motor Vehicles rather than the state Department of Housing and Community Development is not an eligible housing type.

A family can own a rental unit but cannot reside in it while being assisted, except in the cases of the family owning the mobilehome and leasing the pad, a Section 8 Homeownership participant, or the owner of a cooperative. The owner of the assisted unit, except in the case of a mobilehome owner leasing the pad, a Section 8 Homeownership participant, or the owner of a cooperative, may never benefit from the assistance. The owner of the assisted unit may never be a live-in aide for the family. In shared housing, the family may never, in any circumstances, reside with a resident owner who is a relative, unless an exception is granted for reasonable accommodation.

The HACSD may not permit a voucher holder to lease a unit that is receiving project-based Section 8 assistance or any other duplicative rental subsidies.

SECURITY DEPOSIT REQUIREMENTS

[24 CFR 982.313]

The owner is not required to, but is encouraged to collect a full security deposit from the tenant.

Security deposits charged by owners may not exceed those charged to unassisted tenants, nor be more than the lesser of legal limitations or the maximum amount indicated on the Lease. The HACSD does not pay or provide assistance for security deposits.

TENANT SCREENING FOR SUITABILITY

[24 CFR 982.307)]

The HACSD will take into consideration any of the criteria for admission described in the chapter on eligibility factors.

The HACSD will not screen family behavior or suitability for tenancy. The HACSD will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in a tenancy.

The owner is responsible for screening and selection of the family that is approved for tenancy. At or before HACSD approval of the tenancy, the HACSD will inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening families based on their tenancy histories, including such factors as [24 CFR 982.307(a) (3)]:

- Payment of rent and utility bills.

- Caring for a unit and premises.

- Respecting the rights of other residents to the peaceful enjoyment of their housing.

- Drug-related criminal activity (including the use of medical marijuana) or other criminal activity that is a threat to the health, safety or property of others.

- Compliance with other essential conditions of tenancy.

INFORMATION TO OWNERS

[24 CFR 982.307(b), 982.54(d) (7)]

In accordance with HUD requirements, the HACSD will furnish prospective owners, upon written or verbal permission from the family, the family's current address as shown in its records and, if known to the HACSD, the name and address of the landlords for the family's current and prior addresses.

The HACSD will provide documented information in the participant file regarding tenancy history for the past five years, if available, upon written permission of the family. Only the supervisors may provide this information. The HACSD will provide the following information, based on documentation in its possession:

- Eviction history.

- Documented damage to rental units.

Other documentation of tenancy history such as warning notices, or three-day notices.

The HACSD will inform owners that it is the responsibility of the landlord to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, payment of utility bills, eviction history, respecting the rights of other residents, damage to units, drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

A statement of the HACSD's policy on release of information to prospective landlords is applied uniformly to all families, and will be included in the family's briefing packet.

The owner may request the HACSD obtain and review criminal or sex-offender registration records for grounds to deny a tenant application or evict a tenant. The HACSD will charge the owner a fee based on the costs incurred by the HACSD, including the costs charged by the law enforcement agency, the HACSD staff time and administrative costs. The owner may not charge the tenant for this fee.

The HACSD **must not** release any criminal information or sex-offender information to the owner, but a housing supervisor will review the information, and if no information relevant to application or eviction is found, will notify the owner. If information relevant to the application or eviction is found, the housing supervisor will present his/her findings in writing to the division chief, who will authorize the findings and sign the letter issued to the owner. The letter will not specify the criminal or sex-offender history, but will merely state that there may be cause for denial or eviction of the tenant. If the owner sends documentation of needing specific information for an eviction, the division chief must approve the release of any information in accordance with the regulations [24 CFR 5.903, 24 CFR 5.905].

The HACSD must **NEVER** release specific personal information to owners regarding their former Section 8 tenants.

OWNER DISAPPROVAL

[24 CFR 982.306, 982.54(d)(8)]

The owner does not have a right to participate in the program. For purposes of this section, "owner" includes a principal or other interested party.

The HACSD will disapprove the owner for the following reasons:

HUD, or another agency, has notified the HACSD in writing that the owner has been disbarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

The HACSD has debarred the owner by providing a notice to the owner, that is signed by the division chief or director, notifying the owner that the owner is debarred from program participation, the debarment period, the address of the property or properties, and the reasons for debarment which may include: abusive or threatening verbal or physical behavior towards HACSD personnel or program participants, safety concerns at the property or properties, or serious or repeated HAP contract violations.

HUD has notified the HACSD in writing that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act, or another federal equal opportunity requirement, and such action is pending.

HUD has notified the HACSD in writing that a court or administrative agency has determined that the owner has violated the Fair Housing Act or other federal equal opportunity requirements.

Unless the lease was effective prior to June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. The HACSD will waive this restriction as a reasonable accommodation for a family member who is a person with a disability and who provides documentation of a clear and compelling need for the accommodation.

In cases where the owner and tenant bear the same last name, the HACSD may, at its discretion, require the family and/or owner to certify whether they are related to each other in any way.

The HACSD will **never** issue a payment to the owner at the participant's address with the exception of some special housing types.

In cases where the payment is mailed to a post office box, and there is a question regarding the relationship between the owner and the tenant, the HACSD may submit a post office request to confirm the owner's physical address.

OWNER RESTRICTIONS AND PENALTIES

If an owner has committed fraud or abuse; is guilty of frequent or serious contract violations; there are safety concerns at the properties; or the owner or management has engaged in abusive or threatening physical or verbal behavior against HACSD personnel or program participants, the HACSD may restrict the owner from future participation in the program for a period of time commensurate with the seriousness of the offense. The HACSD may also terminate some or all contracts with the owner.

Before imposing any penalty against an owner, the HACSD will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance, the seriousness of the violations, and the number of violations. If debarment and/or penalty are warranted, the owner will be notified in writing by the division chief or director of the reason for debarment/penalty, the debarment period or the penalty amount, and the reasons for the debarment/penalty.

Refer to chapter on fraud investigations for further information.

LEASE REQUIREMENTS

[24 CFR 982.308]

The HACSD will review the lease for HUD required lease provisions. The tenant must have legal capacity to enter a lease under state and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the RFTA.

Unless the lease was effective prior to June 17, 1998, the family may not lease properties owned by a parent, child, grandparent, grandchild, sister or brother of any family member. The HACSD will waive this restriction upon verification of the need for reasonable accommodation for a family member who is a person with a disability.

The family and owner may submit a standard form of lease used in the locality by the owner that is generally used for other unassisted tenants on the premises. If the owner does not use a standard lease for rental to unassisted tenants, the owner may use another form of lease, such as a HACSD model lease. The terms and conditions of the lease must be consistent with state and local law.

The lease must specify:

- The names of the owner and tenant; and

- The address of the unit rented; and

- The amount of the monthly rent to owner; and

- The utilities and appliances to be supplied by the owner; and

- The utilities and appliances to be supplied by the family.

The HUD prescribed tenancy addendum must be included in the lease.

The owner's lease must include the lead warning statement, and disclosure information required by 24 CFR 35.92(b).

The provisions required under the Violence Against Women Act (VAWA) for all leases executed after April 30, 2007, must be included.

The lease must state that drug-related criminal activity engaged in by the tenant, any household member, any guest on or near the premises, or any person under the tenant's control on the premises, is grounds for termination of tenancy.

The lease must state that the family may be evicted if the owner determines:

Any household member is illegally using a drug.

A pattern of illegal use of drugs by any household member interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The lease must state that the following types of criminal activities by a "covered person" are grounds for termination of tenancy:

Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises).

Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the residences by people residing in the immediate vicinity of the premises.

Any violent criminal activity on or near the premises by a tenant, household member, or guest.

Any violent criminal activity on the premises by any other person under the tenant's control.

The lease must state that the owner may terminate tenancy if a tenant is:

Fleeing to avoid prosecution, custody, or confinement for a felony (high misdemeanor in New Jersey) after conviction for a crime, or attempt to commit a crime.

Violating a condition of probation or parole imposed under state or federal law.

ACTIONS BEFORE LEASE TERM

All of the following must always be completed before the beginning of the initial term of the lease for a unit:

The HACSD has inspected the unit and has determined that the unit satisfies HQS.

The HACSD has determined that the rent charged by the owner is reasonable.

The landlord and the tenant have executed the lease, including the HUD-prescribed tenancy addendum.

The HACSD has approved the lease in accordance with program requirements.

For the initial lease for the unit if the gross rent exceeds the payment standard, the family share (total family contribution) is not more than 40% of the family's monthly-adjusted income (including exempt income).

A determination has been made the family is eligible for a HAP payment.

SEPARATE AGREEMENTS

Separate agreements are not necessarily illegal side agreements. However, the HACSD must be informed in advance of all separate agreements and must approve or disapprove of separate agreements. Owners are prohibited from collecting or paying, and tenants are prohibited from paying or receiving, additional rent or other credits not authorized by the HACSD. Owners are prohibited from charging for items normally included in the rent of unassisted units.

Owners and families may execute separate agreements for services, appliances, and other items not included in the lease, as well as special purpose charges, such as recycling fees. Any appliances, services or other items, routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease.

The family must pay a minimum of 30 percent of its monthly-adjusted income for rent and utilities and is not allowed to receive rent credits, such as in the case of a move-in special. If there is a temporary rent reduction/credit, the HACSD will compute the reduced contract rent along with the appropriate adjustment in the HAP and notify the owner and family in writing. The family may accept a credit for security deposit.

CONTRACT EXECUTION PROCESS

[24 CFR 982.305(c)]

The HACSD cannot enter into a HAP contract if a family is in zero HAP status. In that case, the HACSD must deny the RFTA. However, if the family is eligible for assistance, an RFTA may be processed.

The HACSD prepares the HAP contract for execution. The family and the owner will execute the lease agreement, and the owner and the HACSD will execute the HAP contract. Copies of the documents will be furnished to the parties who signed the respective documents. The HACSD will retain copies of all signed documents. The beginning and ending dates of the lease and the contract MUST match.

The HACSD may change the amount of its assistance or contract rent with a contract amendment. Changes in lease term and utilities require a new contract.

The HACSD makes every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed (signed and dated) more than 60 days after commencement of the lease term, and no payments will be made until the contract is executed. However, regardless of the execution date of the contract, the beginning and ending dates of the contract must always match the beginning and ending dates of the lease.

The following HACSD representatives are authorized to execute a contract on behalf of the HACSD: Housing Aide or above.

The HACSD may confirm verbally with the tenant the date the tenant received the keys for the unit. If the tenant fails to receive the keys for the unit as of the beginning date of the contract, the HACSD may abate or collect HAPs from the owner and/or terminate the contract.

The owner or owner's representative must provide a telephone number to the HACSD.

CHANGE IN OWNERSHIP

A change in ownership does not require execution of a new HAP contract and lease.

The HACSD will assign the HAP contract to the new owner only upon the written request of the new owner, accompanied by a copy of the escrow statement or other document showing the transfer of title, such as a recorded deed, the employee identification number or social security number of the new owner, and validation documents to verify employee identification or social security number.

The HACSD, upon approval of assignment of the contract to the new owner, will notify the new owner verbally or in writing that the contract assignment was

approved, and the new owner assumes the conditions and obligations of the existing contract. The new owner will be mailed a copy of the contract, upon request.

If the new owner does not want an assignment of the contract, the HACSD will terminate the HAP contract with the old owner, since s/he is no longer the owner. The new owner may offer the family a new assisted lease. The family may elect to enter into the new lease or move to another unit. If the family enters into a new lease, the owner must enter into a new HAP contract with the HACSD.

HOUSING QUALITY STANDARDS AND INSPECTIONS

[24 CFR 982.401]

INTRODUCTION

Housing Quality Standards (HQS) are the HUD minimum standards for assisted rental units for tenant-based programs. HQS standards are required both at initial occupancy and during the term of the lease. HQS standards apply to the building and premises, outbuildings, as well as the unit. Newly leased units must pass an HQS inspection before the commencement of the housing assistance payment.

The HACSD will inspect each unit under contract at least annually. The HACSD will also have a supervisor or other qualified person to perform, throughout the year, a statistically significant SEMAP required random sample of quality control (QC) inspections. The QC inspections will ensure program consistency, and that the HACSD's required standards are being met. This chapter describes the HACSD procedures for performing HQS and other types of inspections, as well as the standards for the timeliness of repairs. In addition, this Chapter explains the responsibilities of the owner and family, and the consequences of non-compliance with HQS requirements. The use of the term "HQS" in this Administrative Plan refers to the combination of both HUD and HACSD requirements.

INSPECTION TYPES AND GUIDELINES

[24 CFR 982.401(a), 982.405]

Inspectors must obtain "effective consent" before entering the unit to conduct an inspection. This means the inspector should:

- Clearly communicate that they seek entry as an inspector of the HACSD and the purpose of the visit is to conduct an HQS inspection.

- Identify who has legal control over the unit and the authority to admit the inspector. A prospective tenant who has not yet moved into the unit does not have the authority to admit the inspector unless written authorization from the owner is provided to the HACSD.
- Conversely, an owner/manager cannot admit the inspector if the tenant has moved into the unit, unless written authorization from the tenant is provided to the HACSD.
- A neighbor or babysitter does not have the authority to admit the inspector unless written authorization from the tenant is provided to the HACSD.
- A minor under the age of 18 never has the authority to admit the inspector.

The HACSD may adopt local requirements of acceptability in addition to those mandated by HUD regulations.

Efforts may be made to encourage owners to provide housing above HQS minimum standards. In addition, the HACSD will not promote any additional criteria likely to adversely affect the health or safety of participant families, or severely restrict housing choice.

All utilities must be in service when the unit is inspected.

If the tenant is responsible for supplying the stove and/or refrigerator, the HACSD will allow the stove and refrigerator to be placed in the unit after the unit has passed all other HQS. The family must then certify, by telephone or in writing, the date the appliances are in the unit and working as designed. The HACSD will not conduct a re-inspection. The term of the lease and HAP contract will start on the date that of the certification by the family that the stove and/or refrigerator are in the unit and working as designed.

There are five types of inspections the HACSD performs:

1. Initial/move-in: Conducted after receipt of the RFTA.
2. Annual: Must be conducted within 12 months of the last annual inspection.
3. Move-out/vacate: May be conducted, upon request, to observe and document reported excessive tenant damage in order to make a determination of tenant violations of the lease.

4. Special/complaint: At request of owner, family, an agency, or another third party.
5. Quality Control (QC): This inspection involves a required minimum random sample of previously completed inspections.

INITIAL HQS INSPECTION

[24 CFR 982.401(a), 982.305(b)(2)(i)]

TIMELY INITIAL HQS INSPECTION

The HACSD will attempt to make telephone contact in a timely manner after receiving an RFTA. The HACSD will inspect the unit, determine whether the unit satisfies the HQS, and notify the family and owner of the determination after the receipt of the fully completed RFTA. It may take longer to inspect the unit and notify the family and owner in instances when the unit is not available for inspection, when the owner or tenant could not be reached, or if the owner or tenant were unavailable for scheduled inspection(s).

The HACSD will make every reasonable effort to conduct timely initial HQS inspections for the family.

The initial inspection will:

Determine if the unit and property meet HQS as defined in this Plan

If the unit fails the initial HQS inspection, the owner and/or the tenant will be advised to notify the HACSD once repairs are completed.

After an initial inspection, the owner will be given at least 30 calendar days to correct the items noted as "fail." Depending on the amount of fail items, the complexity of work to be done, and weather conditions that may delay the work, the owner may request an extension of time to correct fail items. These requests will be considered on a case-by-case basis.

The HACSD is required to conduct a follow-up inspection on initial inspections if the unit does not pass HQS requirements. The owner will be allowed up to three (3) re-inspections for repair work to be completed. If the time period given by the inspector to correct the repairs has elapsed, or the maximum number of failed re-inspections has occurred, the family must select another unit. The HACSD will issue written notification to the family and the owner of the RFTA denial, and will send a RFTA packet to the family.

ANNUAL HQS INSPECTIONS

[24 CFR 982.405(a)]

The HACSD conducts an inspection in accordance with HQS at least annually as required by SEMAP and no more than 120 days prior to the current annual recertification. Special inspections may be scheduled, upon request, between anniversary dates.

The landlord must correct HQS deficiencies that cause a unit to fail, unless the fail is the tenant's responsibility.

The family must allow the HACSD to inspect the unit at reasonable times with reasonable advance notice [24 CFR 982.551(d)]. The HACSD considers a reasonable advance notice to be five days.

Inspections and re-inspections will be conducted on business days only or on weekends as a reasonable accommodation for the disabled.

The owner and tenant may be allowed, in lieu of re-inspection, to sign a Certification of Correction form to certify that a small number of minor fail items that are the responsibility of the landlord and/or tenant to correct have been corrected to the satisfaction of both parties [24 CFR 982.404(a)(3)].

The HACSD will notify the family in writing, or by telephone of a scheduled inspection at least five days prior to the inspection. The HACSD five-day advance notification requirement is not necessary if the family agrees to an inspection with less than five days notice; however, the family will not be penalized for not being available if notification has not been provided.

If the HACSD has made two failed attempts to inspect the unit and/or the family has failed to have their unit inspected within 45 days of the original inspection appointment date, the HACSD will consider the family to have violated a family obligation, and the family's assistance may be terminated in accordance with the termination procedures in the Plan. "Failed attempt" is defined as: (1) No suitable individual present at the scheduled appointment date/time; and/or (2) Rescheduled inspection appointment requested by the family prior to or after the original inspection appointment date.

TIME STANDARDS FOR REPAIRS

Emergency items that endanger the family's health or safety must be corrected by the owner or family within 24 hours of notification.

For non-emergency items, repairs must be made within 30 days.

For major repairs and repairs delayed due to weather conditions or other extenuating factors, the housing specialist may approve an extension beyond 30 days. The extension request should be made in writing by the owner at least one week prior to the due date.

RENT INCREASES OR EXTENSIONS ON 30-DAY MOVE-OUT NOTICES

Contract rent increases or extensions on 30-day move-out notices will not be approved if the unit is in a failed condition.

HQS BREACH

The inspector will determine if an HQS breach as identified in 24 CFR 982.404(b) is the responsibility of the family. Families may be given extensions to cure HQS breaches. However, the family will be issued a notice of termination of assistance if the HQS breach is not corrected by the initial deadline.

MOVE OUT/VACATE INSPECTION

A move-out inspection may be performed, upon landlord request, to observe and document possible tenant lease violations.

SPECIAL/COMPLAINT INSPECTION

[24 CFR 982.405(c)]

The HACSD will conduct a complaint inspection when it receives landlord or tenant notice that the unit does not meet HQS.

The HACSD may conduct a special inspection based on information from third parties, such as neighbors or public officials.

The HACSD will inspect only the items that were reported, but if the inspector notices additional deficiencies that would cause the unit to fail HQS, the responsible party will be required to make the necessary repairs.

QUALITY CONTROL INSPECTION

[24 CFR 982.405(b)]

Housing supervisors or other qualified personnel will conduct the SEMAP required minimum number of quality control (QC) inspections. The purpose of QC inspections is to ascertain that each inspector is conducting accurate and complete inspections, and to ensure consistency among inspectors in the application of HQS.

The sampling of files will include recently completed inspections (within the three prior months) reflecting a representative sample of neighborhoods, types of inspections (initial, transfer and annual), and inspectors.

ADDITIONAL HACSD HQS CRITERIA

[24 CFR 982.401(a)]

The HACSD adheres to HUD HQS, as well as the following local standards:

LOCAL STANDARDS

[24 CFR 982.401(a)(4)]

No interior door double-cylinder deadbolt locks or interior door locks that unlock only from the outside of the room are permitted. An exception may be made as a reasonable accommodation.

No double-cylinder deadbolt locks are allowed on an exterior door unless the unit has another accessible exterior door without said lock. An exception may be made as a reasonable accommodation.

If bedrooms have security bars, at least one window in each bedroom must have no security bars or security bars with a quick release device usable and accessible to a small child. No exceptions.

The heat source must be adequate for the unit, permanently affixed, properly installed and safe. A fireplace alone is not an acceptable heat source. Acceptable sources of heat include: gas or electric wall heaters, forced-air heating systems, electric heat pump, etc.

EMERGENCY REPAIR ITEMS

[24 CFR 982.404(a)]

The following items are considered of an emergency nature and must be corrected by the owner or tenant (whoever is responsible) within 24 hours of notice by the inspector:

Waterlogged ceiling(s) in imminent danger of falling;

Major plumbing leaks or flooding;

Strong smelling natural gas leak or fumes;

Electrical problem likely to cause shock or fire;

Jagged, broken glass where someone could be injured;

Other immediate observable danger(s) to the health and safety of the family.

The HACSD may give a short extension of not more than 24 additional hours whenever the responsible party cannot be notified, or it is impossible to complete the repair within the 24-hour period.

In those cases where there is leaking gas or potential of fire or other threat to public safety, and the responsible party cannot be notified, or it is impossible to make the repair, the proper authorities will be notified by the HACSD. The HACSD will take the necessary steps to advise and assist the family on relocation, providing the hazards were not a result of actions, beyond normal wear and tear, of the family.

If the emergency repair item(s) are not corrected in the time period required by the HACSD, and the owner is responsible, the housing assistance payment will be abated and the HAP contract may be terminated.

If the emergency repair item(s) are not corrected in the time period required by the HACSD, and it is an HQS breach that is a family obligation, the HACSD will terminate the assistance to the family with a 30-day termination notice.

NON-EMERGENCY REPAIR ITEMS

All repair items not described above are considered non-emergency, 30-day repair items.

SMOKE DETECTORS

Inoperable smoke detectors will be treated by the HACSD as 30-day fail items.

The owner must install working batteries in the smoke detectors upon initial lease. After that, the family must replace the batteries, when the need arises.

If the HACSD determines that the family has purposely disconnected the smoke detector (by removing batteries or other means), the family will be required to repair the smoke detector within 30 days.

The HACSD will issue a verbal warning to any family determined to have purposely disconnected the unit smoke detector. The warning will state that deliberate disconnection of the unit smoke detector is considered a violation of the HQS. The family's assistance may be terminated for multiple violations of this requirement.

DETERMINATION OF RESPONSIBILITY

[24 CFR 982.404, 982.54(d) (22)]

Certain HQS deficiencies are considered the responsibility of the family:

Tenant-paid utilities not in service;

Failure to provide or maintain family-supplied appliances;

Failure to allow the owner access to the premises to make repairs after reasonable notice was given;

Damage to the unit or premises beyond normal wear and tear caused by a household member or guest:

"Normal wear and tear" is defined as items that could not be charged against the tenant's security deposit under state law or court practice.

The HACSD will attempt to make a determination of family or owner responsibility. The owner or tenant may appeal the HACSD determination by phone or in writing and must provide documentation from an industry expert, such as a plumber or electrician, to substantiate the appeal.

The owner is responsible for vermin infestation even if caused by the family's living habits. However, if such infestation is serious and repeated, it may be considered a lease violation and the owner may evict the family for serious or repeated violations of the lease. The HACSD may terminate the family's assistance on that basis.

If the family is responsible, but the owner carries out the repairs, the owner will be encouraged to bill the family for the cost of the repairs and the family's file will be notated regarding the family violations.

CONSEQUENCES IF OWNER IS RESPONSIBLE

CFR 982.405, 982.453]

When it has been determined that a unit on the program fails to meet HQS for items that are the owner's responsibility, the owner must complete the necessary repair(s) in the time period specified by the HACSD. If the necessary repairs are not made within the required time period, the assistance payment to the owner will be abated on the first of the following month.

ABATEMENT

A notice of abatement will be sent to the owner, and the abatement will be effective the first of the month following the deadline for correction.

The HACSD will inspect abated units within five days of the owner's notification that the work has been completed.

If the owner makes repairs during the abatement period, payment will resume on the day the unit passes inspection.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS.

EXTENSION IN LIEU OF ABATEMENT

The HACSD may grant an extension in lieu of abatement in the following cases:

The owner has a good history of HQS compliance.

The failed items are major in nature.

There is an unavoidable delay in completing repairs, due to verifiable difficulties in obtaining parts or contracting for services.

The owner makes a verified good faith effort to make the repairs.

The repairs are delayed due to verifiable climate conditions.

The extension will be made for a period of time not to exceed 120 additional days. At the end of that time, at the HACSD's discretion, if the work is not completed, or substantially completed, the HACSD will terminate assistance.

TERMINATION OF CONTRACT

If the owner is responsible for repairs, and fails to correct all the deficiencies cited prior to the end of the abatement period, the owner will be sent a contract termination notice. Prior to the effective date of the termination, the abatement will remain in effect.

If repairs are completed before the effective termination date, the HACSD may rescind the termination if the tenant chooses to remain in the unit. Only one HQS inspection may be conducted after the termination notice is issued.

CONSEQUENCES IF FAMILY IS RESPONSIBLE

[24 CFR 982.404(b)]

If emergency or non-emergency violations of HQS are determined to be the responsibility of the family, the HACSD will require the family to make any repair(s) or corrections within 30 days. The owner's rent will not be abated for items found to be the family's responsibility.

If the repair(s) or correction(s) are not made by the deadline, the HACSD will issue a notice to terminate assistance to the family, along with an opportunity to request an informal hearing, and an owner notice to terminate the HAP contract on the same date. If the family requests an informal hearing, the housing assistance payments must continue until a decision is rendered. In addition, the owner must be notified that the housing assistance payments will continue until a hearing decision is rendered.

Chapter 9

OWNER PAYMENTS, RENT LIMITS AND RENT REASONABLENESS

[24 CFR 982.502, 982.503, 982.504, 982.505, 982.507]

INTRODUCTION

This chapter discusses the HACSD processes and procedures for Housing Choice Voucher rent reasonableness determinations, payments to owners, and rent adjustments. It is the HACSD's responsibility to ensure that the rents charged by owners are reasonable based upon modest, non-luxury unassisted comparables in the area, as specified in 24 CFR 982.507(b).

RENT LIMITATIONS

The rent to owner is limited by rent reasonableness (24 CFR 982.507).

The HACSD must demonstrate that the rent to owner is reasonable in comparison to rent for other comparable unassisted units.

A unit cannot be approved if the family will be in zero HAP status.

At the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, whether it is a new admission or a move to a different unit, whenever the gross rent exceeds the payment standard, the family's rent share may not exceed 40 percent of the family's monthly-adjusted income [24 CFR 982.508]. The HACSD has determined the 40 percent affordability calculation will take into consideration exempt income to better allow families greater housing choice.

During the initial term of the lease, the owner may not raise the rent to the family. After the initial lease term, the owner may request a rent adjustment with a 60-day written notice to the family and the HACSD [24 CFR 982.308(g)]. A rent adjustment is subject to the approval of the HACSD for rent reasonableness. An owner that collects a rent increase from the family without the HACSD permission is in breach of

the contract and subject to collection of HAPs paid during the period of time the owner was collecting the increased rent.

RENT REASONABLENESS DETERMINATIONS

[24 CFR 982.507]

The HACSD will determine and document, on a case-by-case basis, that the approved rent is reasonable in comparison to rent for other modest comparable unassisted units in the market. This applies to all programs.

The HACSD will not approve a lease until initial rent to owner is determined reasonable. The HACSD must re-determine the rent to be reasonable before any of the following:

- Any increase in the rent to the owner
- If there is a five percent decrease in the published FMR in effect 60 days before the contract anniversary (for the unit size rented by the family), as compared with the FMR in effect one year before the contract anniversary.

Rent reasonableness determinations must be conducted annually for mobile home space rents. All HACSD active participant files will contain documentation of the last applicable reasonable rent determination.

The HACSD must redetermine rent reasonableness, if directed by HUD or based on a need identified by the HACSD's auditing system. The HACSD may elect to redetermine rent reasonableness at any other time. At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent as most recently determined or redetermined by the HACSD.

The owner will be advised that upon acceptance of each monthly payment, the owner is certifying that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the area.

If requested, the owner must give the HACSD information on rents charged by the owner for other units on the premises or elsewhere. Units of a density bonus or tax credit property are not considered comparable, because they are considered to be assisted. When a household receives tenant-based rental assistance (TBRA) provided by the Section 8 Program, Home Investment Partnership Program (HOME) or another funding source, the maximum allowable rent for the HOME assisted unit cannot exceed the applicable HOME rent limit. This means that the tenant's rental assistance payment plus the tenant's contribution towards rent cannot exceed the HUD-published High HOME rent limit for a High HOME rent unit, or the Low HOME

rent limit for a Low HOME Rent unit. The HACSD may request additional information, such as owner rent rolls, if it appears the owner has a tendency to charge higher rents to program participants, or if needed for rent reasonableness comparables.

The data for other unassisted units will be gathered from the Go Section 8 Rent Reasonableness System, newspapers, realtors, professional associations, owners, market surveys, MarketPoint Advisors, and other available sources.

The market areas for rent reasonableness determinations are the nearby neighborhoods or communities of the subject unit. Subject units within a defined housing market area will be compared to similar units within the same area. Generally, bedroom size and location of units are the most important rent reasonableness criteria.

The following items may be used by the HACSD for rent reasonableness documentation:

- Size (number of bedrooms/square footage);
- Location;
- Quality;
- Unit age;
- Unit type;
- Utilities provided by the owner.

RENT REASONABLENESS METHODOLOGY

The HACSD will compare the rent to the average or mid-range rents for similar non-luxury, modest units in the locality to determine rent reasonableness. The HACSD uses the Go Section 8 Rent Reasonableness System as the primary tool to determine rent reasonableness. For unusual unit types such as houses, mobile homes, duplexes, townhouses, or rented spaces, the HACSD uses various sources of information. These sources include the internet, newspaper advertising, and information from real estate professionals. If no comparable information is available for unusual unit types, staff will provide information on the closest comparable unit type available.

OWNER PAYMENTS

[24 CFR 982.451]

Once the HAP contract is executed, the HACSD begins forwarding payments to the landlord by mail or electronic deposit. Each month, around the first working day of the month, the County of San Diego will direct deposit or disburse housing assistance payments to the landlords.

Payments not received by the 10th working day of the month will be replaced upon request from the payee, and a stop payment will be put on the check.

The owner must notify the HACSD of a missing or incorrect payment within one year of the payment due date.

Checks not cashed by the owner will be reissued if the HACSD is notified within one year of the issue date of the check.

EXCESS PAYMENTS

The total of rent paid by the tenant plus the housing assistance payment to the owner may not exceed the contract rent. The owner must immediately return any excess payments to the HACSD. The HACSD may deduct the monies owed from future payments to the landlord.

Owners who do not return excess payments may be subject to penalties, as outlined in the "Owner or Family Debts to the HACSD" chapter of this Plan.

LATE PAYMENTS TO OWNERS

In keeping with generally accepted practices in the local housing market, the HACSD must make housing assistance payments to the owner promptly, and in accordance with the HAP contract.

The HACSD will, upon owner request, pay a reasonable late fee for housing assistance payments not mailed to the owner by the first working day of the month. The late fee will conform to the late fee for the tenant on the owner's lease, or a reasonable late fee, as determined by the HACSD.

Proof of date of mailing is:

Date the HAP register was run.

Proof of date owner received is:

Five calendar days after date of mailing by the HACSD.

In the case of payments electronically deposited into the owner's designated bank account, the date the bank shows as the deposit date will be the official date of record and will be the determining factor in cases involving late payment penalties.

The HACSD will not be obligated to pay any late payment penalty if the HACSD determines that late payment is due to factors beyond the HACSD's control, such as a delay in the receipt of program funds from HUD, or a post office delay. The HACSD will use only administrative fee income or the administrative fee reserve as its source of late payment penalty payments.

RESERVED

RECERTIFICATIONS, INTERIMS AND OTHER REGULAR ACTIVITIES

[24 CFR 982.516]

INTRODUCTION

In accordance with HUD requirements, the HACSD will reexamine the income, assets, deductions, allowances and household composition of families at least annually. The HACSD will also conduct an annual Housing Quality Standards inspection. Families will be provided accurate annual and interim rent adjustments, and will be given reasonable notice of rent increases. All annual activities are coordinated in accordance with HUD regulations. It is a HUD requirement that families report all changes in household composition. This Chapter defines the HACSD's policy for conducting annual recertifications and coordinating annual activities. It also explains the interim reporting requirements for families, and the standards for timely reporting.

APPOINTMENTS

In the administration of the programs, families are required to be available for various reasons including eligibility interviews, program review conferences, inspection appointments, or overpayment conferences. Families scheduled for an appointment must attend that appointment, or call to reschedule the appointment. The family will generally receive two appointment opportunities.

If the family fails to attend a scheduled appointment, and fails to call to reschedule, the HACSD may either:

- Reschedule the appointment one final time; or

- Send a notification of termination of assistance, and opportunity for an informal hearing.

The family will not be offered a third appointment, unless it can provide documentation of an emergency situation that prevented it from attending the appointments, or if requested as a reasonable accommodation for a person with a disability.

PERSONS WITH DISABILITIES

Persons with disabilities unable to come to the HACSD office will be granted an accommodation by conducting the interview at the person's home, upon confirmation that the accommodation is appropriate for the disability.

MISREPRESENTATION OF FAMILY CIRCUMSTANCES

If any participant deliberately misrepresents the information on which eligibility or tenant rent is established, the HACSD may terminate assistance, request repayment of housing assistance, and refer the family file/record to the proper authorities for appropriate disposition, including prosecution.

ZERO HAP STATUS

Participants in zero HAP status will remain on the program for 180 days and eligible for reinstatement of benefits if their circumstances change within the 180 days. After 180 days, if the family continues to be ineligible for benefits, the family will be dropped from the program. The family may be transferred to another unit if it is determined the family will be eligible for assistance at another unit, but the family must lease-up within the initial voucher term.

ANNUAL ACTIVITIES

[24 CFR 982.516, 982.405]

There are two activities the HACSD must conduct every 12 months.

Recertification of family income, assets, deductions, allowances, and composition; and

HQS inspection.

The HACSD may conduct these activities together or separately. The HACSD produces a monthly listing of units under contract scheduled for annual review. The participants on this listing are scheduled for housing quality standards inspections. The review of family income, assets, and composition may be conducted through the mail.

ANNUAL RECERTIFICATION

[24 CFR 982.516]

Families must be recertified at least annually. Family members must report and the HACSD must verify the U.S. citizenship/eligible immigrant status of family members.

MOVES BETWEEN REEXAMINATIONS

When families move to another dwelling unit, a reexamination will be scheduled unless the eligibility booklet was signed within 120 days of the execution of the new HAP contract for the new unit. The anniversary date will always be changed to the first day of the month in which the HAP contract was executed.

Income limits are used only upon initial admission to the program, and are not applicable upon reexamination or transfer. However, the 40% limitation rule does apply to a transfer.

Families may not transfer their assistance more than once every 12 months, unless there are special circumstances, such as an owner termination of tenancy or the need for a reasonable accommodation.

REEXAMINATION NOTICE TO THE FAMILY

The HACSD maintains a reexamination tracking system. The household will be notified, in advance of the anniversary date, by mail or telephone. An interview may be scheduled, or the reexamination may be conducted through the mail. If requested as a reasonable accommodation for a person with a disability, the HACSD will contact the person by telephone, through a relay service for the hearing impaired, or in another appropriate manner. The HACSD will also mail the notice to a third party, if requested, as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification of the need presented by the disability.

PROCEDURE

The HACSD's procedure for conducting annual recertifications requires recertification through the mail and a HQS inspection of the assisted unit.

The HACSD will mail recertification forms to the family to complete and return to the office by a due date specified in the notification letter. The HACSD will use the documents to process the annual reexamination, then:

- Schedule the date and time of the inspection appointment and mail an appointment notice to the family; and

- Conduct the inspection and issue appropriate notices.

If family does not make the unit available for inspection, notices of action terminating assistance must be mailed to both the family and the landlord at least 30 days in advance of the recertification date.

COMPLETION OF ANNUAL RECERTIFICATION

The HACSD will complete all recertifications at least 30 days prior to the family's anniversary date, unless a delay is caused by a family action or inaction or because the unit failed inspection.

The notice of rent change is mailed to the owner and the tenant. The HACSD does not require signatures. If the family disagrees with the rent adjustment, it may request an informal hearing.

COLLECTION OF INFORMATION

[24 CFR 982.516(f)]

The HACSD has established recertification procedures that ensure that the income data provided by families is complete and accurate.

The family must complete the recertification forms.

The HACSD may conduct the recertification interview at the HQS inspection appointment.

If no UIV information is available, the HACSD must request written third-party verification of income, assets that exceed \$5000, allowances, and deductions.

REQUIREMENTS TO ATTEND

If an interview is necessary, the following family members are required to attend a recertification interview, show picture identification, and sign a certification in the presence of a housing representative: head of household, spouse, or co-head.

Exceptions may be made as a reasonable accommodation, or in emergency circumstances, such as hospitalization.

DOCUMENTS/INFORMATION REQUIRED TO RECERTIFY

In the notification letter to the family, the HACSD will include instructions for the family to provide the following:

1. Documentation of income.
2. All forms and releases completed and/or signed and dated by all adult family members.
3. Documentation of assets.

4. Documentation of deductions/allowances.
5. Completed personal declaration form.
6. Other information, as requested.

Releases and certifications altered or amended by the family are unacceptable and would be considered "failure to provide."

VERIFICATION OF INFORMATION

The HACSD will follow the verification procedures and guidelines described in this Plan. Verifications for reexaminations must be less than 120 days old as of the effective recertification date.

TENANT RENT INCREASES

An advance notice of a tenant rent increase is mailed to the family at least 20 days prior to the scheduled effective date of the rent increase, unless the delay in notification was caused by an action or inaction of the family.

If a 20-day advance notice cannot be issued, the tenant rent increase will be delayed to the following month, unless the delay in notification was caused by an action or inaction of the family.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there may be a retroactive rent increase processed and a collection notice issued to the family for overpaid assistance.

An approved contract rent increase, in which the landlord provided proper 60-day notices to both the HACSD and the family, will be processed effective the date of the rent increase (even if it must be done retroactively). A contract rent increase will not be approved if the landlord failed to provide proper advance notice to both the HACSD and the family.

TENANT RENT DECREASES

The HACSD will conduct an interim examination to process a family rent decrease upon the family's written request for the interim and submission of the necessary verifications. In conducting the interim, all family information must be reviewed to ensure that the reduction in family rent is correct and reflects all changes in family income and deductions that have taken place since the last examination.

A decrease in tenant rent will be processed in a timely manner. If the family causes a delay in the processing of the tenant rent decrease that results in the reexamination not being completed by the anniversary date, the rent change will be effective on the first day of the month following completion of the reexamination.

If the HACSD is responsible for a delay in processing the tenant rent decrease, the tenant rent decrease may be processed retroactive to the date the decrease should have been effective, and a supplemental payment is generally issued to the owner. In some circumstances, the supplemental payment may be issued to the tenant, as in the case of the tenant no longer residing in the unit.

INTERIM CHANGES

[24 CFR 982.516]

Program participants must report in writing all changes in household composition, income or assets to the HACSD within 14 days of the change. The family must obtain prior HACSD approval for all household additions, except those due to birth, return of disabled or minor children to the household, adoption or court-awarded custody. The owner must approve additions to the household in writing, with the exception of additions due to birth, adoption, return of minor or disabled children to the household, or court-awarded custody.

PROCEDURES FOR PROCESSING THE CHANGES

The HACSD will notify the family and the owner of any change in the housing assistance payment according to the following guidelines:

Increases in the Tenant Rent - If it is determined an interim is necessary to reflect an increase in tenant rent, the increase will be effective on the first of the month following a 20-day reasonable advance notice. However, if there was a delay in processing as a result of family action or inaction, the rent increase may be processed retroactively and a family repayment agreement executed.

An approved contract rent increase, in which the landlord provided proper 60-day notices to both the HACSD and the family, will be processed effective the date of the rent increase (even if it must be done retroactively). A contract rent increase will not be approved if the landlord failed to provide proper advance notice to both the HACSD and the family.

Decreases in the Tenant Rent – These are generally effective the first of the month following the change, unless the delay was caused by family action or inaction. A tenant rent decrease cannot be processed until the family reports the change, requests a rent reduction in writing, and provides the necessary verifications. In some cases, a retroactive adjustment will be processed, providing the family has complied with its obligations. If there is family hardship, a provisional rent reduction may be processed based on the family's notarized statement. In this case, the verifications must be obtained later.

PROCEDURES WHEN THE CHANGE IS PROCESSED BY THE HACSD IN AN UNTIMELY MANNER

"Processed in a timely manner," means that the change goes into effect on the date it should when the family reports the change in a timely manner and provides all necessary verification. If the change cannot be made effective on that date due to an HACSD action or inaction, the HACSD has processed the change in an untimely manner.

In this case, a family rent increase will be effective after the required reasonable advance notice, and after completion of processing by the HACSD.

If the change resulted in a family rent decrease, and the family requested the decrease in a timely manner and provided all necessary verification, the rent decrease for the family will be calculated retroactively to the date it should have been effective, and the owner or participant will be mailed a supplemental payment for that amount.

REPORTING ADDITIONS TO OWNER AND THE HACSD

Reporting changes in household composition to the HACSD is both a HUD and a HACSD requirement.

The HACSD will deny a family's request to add additional family members who are prohibited from program participation for the time period indicated in Chapter 3 of this Plan. In instances where a participation prohibition period is not indicated elsewhere in this Plan, the prohibition period is three years, unless the HACSD determines extenuating factors.

The HACSD will not approve the addition of other adults/children to the household during the first 12 months after program admission, unless the additions are due to birth, adoption, court-awarded custody, or return of minor or disabled children to the household. Thereafter, the HACSD will deny a family's request to add more than a total of two people in a 12-month period, unless the addition is due to birth, adoption, court-awarded custody, return of disabled or minor children to the household, a live-in aide or foster children. Except for birth, adoption, court-awarded custody, return of disabled or minor children to the household, foster children, and live-in aides, each adult person added to the household must have current income and a steady income history for the last 12 months, and if employed, is required to be employed at least 32 hours per week for the past 12 months.

In cases where there is no court-awarded custody of a minor child or children due to the absence of the parent or legal guardian of the child and the child is living with the assisted family, the HACSD will apply the preponderance of evidence standard to determine if the family has physical custody of the minor child or children. The

HACSD will accept documentation including, but not limited to, school records, public assistance payments and notarized sworn statements, that demonstrate that the assisted family has actual physical custody of the minor child or children.

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

An exception to the income requirement may be granted on a case-by-case basis if it would not be feasible to require the person to satisfy the 12 month work requirement. The HACSD may also waive this restriction as a reasonable accommodation to an assisted family member with a disability or offer the family the shared housing option if the family selects a unit that qualifies for shared housing.

Eligible additions cannot be added if the unit will be overcrowded, but the family may transfer to a larger unit.

Participation is always denied to:

Persons who have been evicted from public housing.

Persons who have previously violated a family obligation listed in 24 CFR 982.551 of the HUD regulations.

Persons who were part of a family whose assistance was terminated under the certificate or voucher program for program violations. (Determination will be made on a case-by-case basis depending on the termination reason.)

Persons who commit, or have committed, drug-related criminal activity, that use medical marijuana, or violent criminal activity as outlined in this Plan.

Persons who commit, or have committed, fraud, bribery or any other corrupt or criminal act in connection with any federal housing program, or state or local fraud involving public funds.

Persons who currently owe rent or other amounts to the HACSD, or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Persons who have engaged in, threatening, abusive or violent behavior toward HACSD personnel or have had a pattern of two or more instances observed by two or more staff or other witnesses of abusive, vulgar, demeaning, or hostile written or oral language and/or gestures and body movement that denotes an implied threat, excessive hostility, or intimidation.

Persons who have been involved in any criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity.

Persons who have been involved in any criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the PHA.

Persons who will overcrowd the unit.

Persons who commit fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

The income of the additional member will be included in the family income as applicable under the HUD regulations, once the person's admission to the household is approved by the HACSD and the owner. The HACSD will conduct a reexamination to determine such additional income and all other family income changes, and will make the appropriate adjustments in the housing assistance payment.

If the family does not obtain prior written approval from the HACSD, with the exceptions noted elsewhere, any person the family permits to move in will be considered an unauthorized household member. The family is responsible for full rent for the duration of time the unauthorized person was residing in the unit.

Families are required to report within fourteen (14) calendar days, family additions through court-awarded custody, birth, adoption, or minor or disabled children returning to the family.

A full interim reexamination will be conducted for any additions to the household, except for additions due to birth.

In addition, the family must obtain prior written approval from the owner for additions to the household other than by birth, adoption, a minor or disabled child returning to the family, or court-awarded custody. However, the owner may disapprove any additions to the household unless to do so would be a violation of law.

REPORTING ABSENCES TO THE HACSD

Reporting changes in household composition is both a HUD and a HACSD requirement.

If a family member leaves the household, the family must report this change to the HACSD, in writing, within fourteen (14) calendar days of the change, and certify as to whether the member is temporarily absent or permanently absent.

The HACSD will conduct an interim evaluation for changes that affect the total tenant payment in accordance with the interim policy.

When the family notifies the HACSD, it must furnish the following information:

The date the family member moved out.

The new address, if known, of the family member.

A notarized statement as to whether the family member is temporarily or permanently absent.

ZERO OR MINIMAL INCOME

An interim reexamination does not affect the date of the annual recertification.

Families with zero or minimal income must submit a statement of income and expenses along with receipts every 30 days.

A family with minimal income has monthly income at or below the following level:

Family Size	Minimal income
1	\$200
2	\$250
3	\$300
4	\$350
5	\$400
6	\$450
7	\$500
8	\$550

Changes reported by participants that do not require an interim will be noted in the file by the staff person, or will be reflected on documents/statements provided by the family.

INTERIM REEXAMINATION POLICY

Increases in Income

The HACSD may conduct interim reexaminations when families have an increase in income in certain circumstances. Families are required to report all changes of income/assets, in writing within fourteen (14) days of the change. The HACSD may, at its discretion, conduct interim reexaminations in the following instances:

At the start and conclusion of the second 50 percent phase-in period of a family's Earned Income Disallowance.

If the family had previously been receiving zero or minimal income.

If it had not be possible to anticipate family income at the time of an examination.

If a provisional calculation had been conducted because verifications were not available at the time.

If it had been determined that a calculation error had occurred or the calculation was based on incorrect or incomplete information.

There is evidence or a pattern that the family is manipulating the program by a pattern of reducing income just prior to the annual recertification and increasing its income right after.

If it is discovered a family has a welfare sanction and the rent should not have been reduced.

To admit a family to the Family Self Sufficiency Program.

Upon family request.

The HACSD **will** conduct an interim reexamination when the family's total household income increases over 80 percent of the HUD-published Area Median Income (AMI).

Decreases in Income

Participants are required to submit a written request for review of their rent calculations when they have a decrease in income and other changes that would reduce the amount of tenant rent, such as an increase in allowances or deductions. The HACSD will not process a reduction in family rent until it receives a written request and appropriate documentation of the changes. In hardship cases, the HACSD may process a rent reduction based on the family's notarized statement and obtain verifications later. The HACSD will review all family income and deductions to ensure the interim rent reduction is correct and based on all current family information.

HACSD Errors

If the HACSD makes a calculation error at admission to the program or at an annual reexamination, an interim reexamination will be conducted, if necessary, to correct the error.

An HACSD error that resulted in underpaid HAP will be corrected retroactive to when the decrease would have been effective if calculated correctly. However, since it is

the family's responsibility to notify the HACSD of a calculation error, with the exception of special circumstances, the HACSD will not adjust the family's rent prior to the last action taken. A supplemental payment will be issued to the landlord for the HAP underpayment if the family still has the same owner. If the family has a new landlord, the underpayment will be issued directly to the family.

HOUSEHOLD COMPOSITION CHANGES THAT REQUIRE A CHANGE IN THE VOUCHER SIZE

The family must request in writing an increase in its voucher size. Upon written request, providing the family is eligible for a larger voucher under the current subsidy standards, the voucher size will be increased if the family is in an appropriately-sized unit or if the family is transferring to an appropriately-sized unit.

If it is determined the unit does not meet HQS because the unit is overcrowded, the family must give notice to move, if the family is eligible to move, or the assistance must be terminated within 60 days of the change in household composition that caused the unit to be overcrowded.

If it is determined that a reduction in the voucher size is required, the family must be given a minimum of a 60-day notice of intended action effective the next annual reexamination, or as soon as possible thereafter. If an error is discovered that resulted in the voucher size not being reduced at the appropriate time, the voucher size will be reduced with a 60-day notice. The family must be issued and sign a new voucher reflecting the new voucher size.

NOTIFICATION OF RESULTS OF RECERTIFICATIONS/ INTERIMS

[HUD Notice PIH 98-6]

The HUD form 50058 will be completed and transmitted as required by HUD.

MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

[24 CFR 982.314, 982.353, 982.355(a)]

INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within the HACSD jurisdiction, or to a unit outside of the HACSD jurisdiction under portability procedures. The regulations also allow the HACSD the discretion to develop policies to define any limitations or restrictions on moves. This chapter describes the procedures for moves within and outside the HACSD jurisdiction, and the policies for restrictions and limitations on moves.

MOVES

RESTRICTIONS ON MOVES

[24 CFR 982.314, 982.552(a)]

Families will generally not be permitted to transfer their assistance during the initial term of the lease. Further, families will generally not be permitted to move more than once in a 12-month period. Exceptions to this policy may apply if the family can demonstrate a reason outside of the control of the family; the move is required due to a medical emergency; the move is needed as a reasonable accommodation to a family member with disabilities; there is a change of ownership and the HAP contract is not assigned to the new owner; or the move is the result of a family member being the victim of domestic violence, dating violence, or stalking. The family will also be allowed to move if it receives a valid landlord notice to terminate the family's tenancy after the lease term, providing the family has not committed serious or repeated lease violations.

Families will not be transferred unless the lease/rental agreement was properly terminated after the initial term of the lease with a 30, 60, or 90-day notice to move (issued by the tenant or landlord).

Families will not be eligible to move with continued program participation if they will be in zero pay status at the new unit.

The HACSD will deny the family permission to move if there is insufficient funding for continued assistance.

The HACSD will deny the family permission to move if:

The family has violated a family obligation.

The family owes the HACSD or another PHA money. The housing supervisor may make exceptions to these restrictions as a reasonable accommodation or if there is an emergency reason for the move over which the participant has no control, so long as the participant is current on his/her repayment agreement **and** the family is not moving outside of the HACSD jurisdiction.

The family is ineligible because of criminal history or criminal activities.

PROCEDURE FOR TRANSFERS

[24 CFR 982.314]

EXTENSION/RESCISION OF TRANSFER

If the family does not locate a new unit, it may remain in the current unit if the owner allows the family to stay, the unit meets housing quality standards, and the family and owner submit a written confirmation to the HACSD.

NOTICE REQUIREMENTS

The initial briefing session will emphasize the family's responsibility to give the owner and the HACSD proper 30-day written notice of any intent to move.

The family must give the owner the legally required advance written notice of its intent to vacate, and must forward a copy to the HACSD at the same time.

TIME OF CONTRACT CHANGE

A move within the same building or project, or between buildings owned by the same owner, will be processed like any other move, and there will be no overlapping assistance.

ASSISTANCE TERMINATION AND OVERLAPPING ASSISTANCE

In a move, assistance stops at the old unit on the date the participant has notified the HACSD the participant will be vacating the unit, unless the participant and owner request an extension of the lease termination date in writing.

Unless the HACSD determines extreme documented extenuating circumstances, assistance on the old and new units may never overlap. The HACSD may never pay assistance on a unit beyond the end of the month the family moves.

PORTABILITY

[24 CFR 982.353]

Portability applies to families moving out of or into the HACSD's jurisdiction within the United States and its territories.

OUTGOING PORTABILITY

[24 CFR 982.353, 982.355]

Within the limitations of the regulations and this policy, a participant family has the right to tenant-based voucher assistance outside the HACSD's jurisdiction, anywhere in the United States that has an administering PHA. When a family provides written request to move outside of the HACSD's jurisdiction, the request must specify the area to which the family wants to move, as well as the name and address of the appropriate PHA. Subsidy standards and income limits vary from PHA to PHA, and the HACSD will advise the family to contact the receiving PHA regarding its policies and procedures and the HACSD will make contact with the receiving PHA by telephone, fax, or e-mail.

The HACSD will choose the receiving PHA in instances of more than one PHA in the area the family has chosen.

The HACSD may, if warranted by funding constraints and if permitted under the regulations, deny a family's portability to a higher cost area.

The HACSD will make its billing payments to the receiving PHA within 30 days of receiving Part II of form HUD-52665 from the receiving PHA and subsequent payments must be received by the receiving PHA no later than the fifth working day of each month.

If the HACSD does not receive a billing from the receiving PHA within 60 days of the initial expiration date of the voucher, the HACSD will contact the receiving PHA to ascertain the status of the family. If the family is not under lease, the HACSD may, based on available vouchers, advise the receiving PHA that it will not accept subsequent billings on behalf of the family. If subsequent billings are received after contact with the receiving PHA, the HACSD will return them and advise the receiving PHA to absorb the family. However, if the HACSD is advised at first contact that the family is under a HAP contract and the receiving PHA cannot absorb the family, the HACSD is required to accept the subsequent late billing.

Once the HACSD (initial PHA) sends the family's portability paperwork to the receiving PHA, the HACSD is no longer administering that family's voucher. The HACSD cannot provide assistance for the family beyond their intended move-out date. If the family requests an extension of their assistance, the receiving PHA must return the portability paperwork to the HACSD to reinstate the family's assistance. If the family then chooses to port, they must once again submit a written request to initiate the portability process.

The HACSD cannot accept the return of a family with an expired voucher, but will accept the return of a family with an active voucher, providing that family is returning no later than 60 days after the expiration of the initial voucher term.

Restrictions on Portability

Applicants

If neither the head nor spouse had a domicile (legal residence) in the HACSD's jurisdiction at the date of initial application for assistance, the family may not be permitted to exercise portability upon initial issuance of a voucher, unless the HACSD approves the move.

For a portable family not yet receiving assistance in the HACSD's jurisdiction, the HACSD must determine whether the family is eligible for admission under the receiving PHA's program. In order to make this determination, HACSD will advise the family regarding the receiving PHA's income limits.

Participants

The HACSD will not permit families to exercise portability if:

The family owes money to the HACSD, or if the family is delinquent on repayment of monies owed to any other PHA.

The family is ineligible to move as outlined elsewhere in this Chapter.

The family is being investigated for possible ineligibility for the program.

If a PHA denies a family's move into its jurisdiction, the PHA must offer the family an opportunity for an informal hearing for participants, an informal review for new admissions, and submit its hearing/review determination to the HACSD within 60 days of the hearing/review decision.

A family cannot extend its move-out notice if a portability packet has been issued to the receiving PHA.

INCOMING PORTABILITY

[24 CFR 982.354, 982.355]

Absorption or Administration

The HACSD will accept a family with a valid active voucher from another jurisdiction, and administer or absorb the voucher. The family will be issued a "portable" voucher by the HACSD, if it is administering the voucher. The term of the voucher will not expire before the expiration date of any initial PHA voucher.

The HACSD will reject a family with an active voucher that has less than 30 days remaining on the voucher until the expiration date.

The family must submit a RFTA for an eligible unit to the HACSD during the term of the voucher. The HACSD may extend the voucher in conformance with its policies, but the HACSD must inform the initial PHA of the extension. The HACSD will not extend the voucher if the extension makes it impossible to bill by the billing deadline.

If the family decides not to lease in the HACSD's jurisdiction or moves out of the HACSD's jurisdiction, the HACSD must refer the family back to the initial PHA. Extensions on the voucher granted by the HACSD are no longer valid when a family decides not to lease in the HACSD's jurisdiction.

The HACSD must process the incoming portability and issue a voucher within two weeks unless:

- The voucher has expired. If this happens, the HACSD will refer the family back to the initial PHA

- The family has not contacted the HACSD.

- The family is a new admission and is determined not to be income-eligible.

- The documents provided by the initial PHA are not complete.

- The family fails to comply with the receiving PHA's procedures – for example, refuses to complete disclosure forms or certifications.

The HACSD may not delay processing the incoming portability by requiring:

- The family to attend a briefing not scheduled for three or more weeks.

- A background check or income reexamination that will take more than two weeks.

Although the HACSD may not delay processing and issuance of the voucher more than two weeks, it may take action against a family, including termination of the family's participation in the program, based on the results of a background check or income reexamination, as well as for any other program violations.

The HACSD may absorb incoming vouchers, if the initial PHA absorbs an equal number of the HACSD's incoming vouchers, to further program goals, regulations, or rules.

When the HACSD does not absorb the incoming voucher, it will administer the initial PHA's voucher and the HACSD's policies will prevail.

For an admission to the program, a family must be income-eligible in the area it initially receives assistance.

The HACSD will issue a "portability voucher," according to its own subsidy standards. The family may receive a smaller or larger voucher size, if the subsidy standards of the HACSD differ from those of the initial PHA. HACSD will not extend the Housing Choice Voucher (HCV) beyond the initial PHA's expiration date. Any extensions granted to the portable family will be at the initial PHA's discretion.

Reasonable accommodation to a family member who is a person with disabilities may necessitate port-in HCV extensions by HACSD; in these limited situations extensions to the voucher granted by the HACSD are only valid if the family leases up in the jurisdiction of the HACSD.

Income and Total Tenant Payment of Incoming Portables

[982.353(d)]

As the receiving PHA, the HACSD may conduct a reexamination interview, but will only verify information when the documents are missing, are over 120 days old, or if the family circumstances have changed. The HACSD will request all necessary third-party verifications. In addition, for families who had not received assistance in their original jurisdiction, the HACSD must determine if the family is income-eligible at or below 50% of area median income.

The HACSD interview will not cause a delay in the issuance of a voucher.

If the family's income calculates to zero subsidy prior to lease-up, the HACSD will refuse to enter into a contract on behalf of the family. A notice of action and opportunity for an informal hearing/review will be issued.

Requests For Tenancy Approval

When the family submits an RFTA, the RFTA will be processed using the HACSD's policies. If the family does not submit an RFTA, or does not execute a lease, the HACSD will notify the initial PHA within 14 days after the voucher expiration date.

If the family successfully leases, the HACSD will notify the initial PHA, within 10 working days of the execution of the HAP contract and no later than 60 days after the initial voucher expiration date, and the billing process will commence.

If the HACSD denies assistance to the family, it will notify the initial PHA within 10 days of the effective date of the termination, and if the family requests an informal hearing/review, within 10 working days of the hearing decision.

The HACSD will notify the family of its responsibility to contact the initial PHA, if the family wishes to move outside the HACSD jurisdiction under continued portability.

Regular Program Functions

The HACSD will administer the family's assistance on behalf of the initial agency in accordance with its Plan and HUD regulations, including performing the following activities:

- Annual reexaminations of family income, assets, and composition;
- Annual inspection of the unit;
- Interim examinations, as necessary;
- Family transfers from one unit to another, within the HACSD jurisdiction.

The HACSD will notify the initial PHA within 10 working days of the effective date of the following changes:

- Change in billing amount;
- A decision to absorb the family;
- Termination of housing assistance payments.

Terminations

The HACSD will notify the initial PHA in writing of termination of assistance within 10 working days of the termination effective date. If an informal hearing/review is required and requested by the family, the HACSD will conduct the hearing/review

using the regular hearing/review procedures in this Plan. A copy of the hearing decision will be furnished to the initial PHA within 10 working days.

If a family owed money prior to porting, the initial PHA will be responsible for collecting amounts owed by the family for claims and for monitoring repayment. If the initial PHA notifies the HACSD that the family is in arrears, or the family has refused to sign a payment agreement, either the initial or the receiving PHA will terminate assistance to the family, and either the initial or the receiving PHA will conduct an informal hearing, if requested.

Required Documents

The initial PHA must forward to the HACSD the documents listed on the HUD portability billing form.

Billing Procedures

As receiving PHA, the HACSD will bill the initial PHA monthly for housing assistance payments, administrative fees, and special claims.

The HACSD will bill 100% of the housing assistance payment, 100% of special claims, and 80% of the administrative fee (at the initial PHA's rate) for each "portability" voucher leased on the first day of the month.

If administering the portability voucher, the HACSD must issue its initial billing notice to the initial PHA no later than 60 days following the original expiration date of the voucher and within 10 working days of the date it executes the HAP contract.

The HACSD must complete the HUD-52665 and 50058 form and return to the initial PHA by the initial billing deadline.

The HACSD will notify the initial PHA of changes in subsidy amounts, and will expect the initial PHA to notify the HACSD of changes in its administrative fee.

The HACSD must send the initial PHA an updated HUD-50058 each year, regardless of whether there is a change in the billing amount.

The HACSD will promptly notify the initial PHA in writing of late payments and must send a copy of the notification to the local Office of Public Housing. If the payments are late the following month, the HACSD may petition HUD to transfer the units to the receiving PHA.

PROGRAM REVIEW AND PROGRAM INTEGRITY

[24 CFR 792.101 to 792.204, 982.54]

INTRODUCTION

The United States Department of Housing and Urban Development (HUD) conservatively estimates that \$600 million are paid annually to program participants who falsify, provide, or omit material facts in order to gain more rental assistance benefits than they are entitled to under the law. HUD further estimates that 12 percent of all HUD-assisted families are either totally ineligible, or are receiving benefits which exceed their legal entitlement.

The HACSD is committed to assuring that the proper level of benefits is paid to all participating families, and that housing resources reach only income-eligible families. The HACSD will take all steps necessary to prevent fraud, waste, and mismanagement, so that program resources are utilized judiciously.

This chapter outlines the HACSD's policies for the prevention, detection and investigation of program abuse and fraud. In addition, this chapter discusses quality control procedures taken to ensure the program is operated in conformance with the regulations, as well as industry standards.

COMPLAINTS TO THE HACSD

The HACSD will respond promptly to complaints from families, owners, employees, and members of the public. All complaints will be documented. The HACSD may request complaints be submitted in writing. HQS complaints may be reported by telephone.

The HACSD hearing procedures are provided to families in the Family Handbook. The Family Handbook is presented to families at briefings, transfers, upon request, and frequently at recertifications.

CATEGORIES OF COMPLAINTS

Complaints from families: A family disagrees with an action or inaction of the HACSD, or owner.

The housing specialist will make every effort to resolve complaints from families. If the complaints are not resolved, they will be referred to the housing supervisor. The housing supervisor will make every effort to resolve the complaints. If the complaints are not resolved, they will be referred to the analyst and if not resolved, to the division chief.

Complaints from owners: An owner disagrees with a family, or HACSD action or inaction.

The housing specialist will make every effort to resolve owner complaints. If the owner complaints are not resolved, they will be referred to the housing supervisor. The housing supervisor will make every effort to resolve the complaints. If the complaints are not resolved, they will be referred to the analyst and if not resolved, to the division chief.

Complaints from staff: A staff person reports an owner or family for either violating or not complying with program rules.

The complaint will be referred to the housing supervisor.

Complaints from the general public: Someone from the public complains about staff, participants, owners, or other matters.

Complaints or referrals from persons in the community in regard to the HACSD, a family, or an owner will be referred to the housing supervisor. If the complaints are not resolved, they will be referred to the analyst and if not resolved, to the division chief.

Complaints from the press, politicians, supervisors or other high profile individuals

High profile complaints will be referred to the division chief.

CRITERIA FOR INVESTIGATION OF SUSPECTED PROGRAM ABUSE AND FRAUD

The HACSD expects participating families to comply with HUD requirements, provisions of the Housing Choice Voucher, and other program rules. The HACSD staff will make every effort to orient and educate all families to avoid unintentional violations. However, the HACSD has a responsibility to HUD, to the community, to

the taxpayer, and to eligible families in need of housing assistance to monitor participants and owners for compliance and, when indicators of possible abuse come to the HACSD's attention, to vigorously investigate such claims.

The HACSD will initiate an investigation of a participating family in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips: The HACSD will follow up on credible written, telephoned, or in-person referrals from other agencies, companies or persons, which allege that a family is in non-compliance with the program, or otherwise violating family obligations or any other program rules. Such follow-up will be conducted providing the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file.

Internal File Review: A follow-up is made when the HACSD staff discovers (as a function of a certification or recertification, an interim determination, or a quality control review) information or facts which conflict with previous file data, the HACSD's knowledge of the family, or is contrary to statements made by the family.

Verification of Documentation: A follow-up is made if the HACSD receives independent verification or documentation, which conflicts with representations in the family's file (such as UIV, public record information, credit bureau reports, or reports from other agencies).

Routine Program Review Activities: The HACSD may routinely conduct criminal history verification of program participants on a regular or random basis.

If the investigation is beyond the scope of the housing specialist, a referral is given to the Program Review unit (Program Review).

PREVENTION OF PROGRAM ABUSE AND FRAUD

The HACSD management and staff will employ various methods and practices (listed below) to prevent program abuse, non-compliance, and willful violations of program rules by applicants and participating families. The policy of the HACSD is to minimize family and owner non-compliance by providing clear and concise program education to eliminate violations that occur as a result of a misunderstanding of the program rules and requirements.

Participant Orientation Session: All prospective program participants will attend a mandatory orientation session provided by HACSD staff prior to

and/or upon issuance of a voucher. At the conclusion of all program orientation sessions, the family representative will be required to sign a confirmation that all rules and pertinent regulations were explained to them.

Owner Orientation Session: Owners may attend informational workshops held periodically to orient owners on program rules and requirements.

Participant Conferences: The HACSD will routinely provide information to participants, to clarify any confusion regarding program rules and requirements.

Review and Explanation of Forms: Staff will explain all required forms, and review the contents of all certification documents prior to the participant's signature to affirm that all information provided is true, complete, and correct.

Use of Instructive Signs and Warnings: Information may be posted in the HACSD common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

Participant Certification: All adult family representatives are required to complete and sign an eligibility declaration that discloses important eligibility information such as family members, income, assets, criminal history and other eligibility information.

OTHER PROGRAM INTEGRITY ACTIVITIES

All adults are required to sign an authorization for release of information

All adults are required to sign "An Important Points to Remember" listing of things they should know.

Credit report and Department of Motor Vehicles (DMV) inquiries may be conducted.

A Family Handbook is given to all participant families.

The Family Handbook advises the family of the HACSD policy of zero tolerance for property damage.

DETECTION OF PROGRAM ABUSE AND FRAUD

The HACSD staff maintains a high level of awareness to indicators of possible abuse and fraud by assisted families.

QUALITY CONTROL FILE REVIEWS

Prior to initial certification, and at the completion of annual recertifications, a number of files will be reviewed to meet SEMAP requirements. Such reviews shall include, but are not limited to:

- Assurance that verification of all income and deductions is present;
- Changes in social security numbers or dates of birth that were previously reported;
- Authenticity of file documents;
- Signatures consistent with previously signed file documents;
- Forms for signatures and correct dates;
- Rent reasonableness documentation;
- Records of successful HQS inspections completed prior to execution of HAP contracts.

OBSERVATION

The HACSD staff, including HQS inspectors, will maintain high awareness of circumstances that may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

Observations will be documented in the family's file.

Management and staff may review public record bulletins.

STATE WAGE DATA RECORDS

Inquiries to state wage and employment record-keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made on a case-by-case basis, in order to detect unreported wages or unemployment compensation benefits.

CREDIT BUREAU INQUIRIES

Credit bureau inquiries may be made (with proper authorization by the participant) in the following circumstances:

At the time of final eligibility determination.

Upon transfer from one unit to another.

When a participant's expenditures exceed the participant's reported income and no plausible explanation is given as to how the participant is receiving the income to cover the reported expenses.

Upon allegations of unreported income, or the family living above its apparent means.

Upon an inspection that indicates the family's unexplained acquisition of expensive items such as, furniture, electronics, vehicles, or boats.

ALLEGATIONS OF PROGRAM ABUSE AND FRAUD

The HACSD staff will encourage all participating families to report suspected abuse to the Program Review unit. All referrals, including referrals from community members and other agencies, will be thoroughly investigated, documented, and placed in the participant's file. All allegations, complaints and tips will be carefully evaluated in order to determine if they are credible and warrant follow-up. Program Review will not follow up on vague or non-specific allegations. It will only review allegations that contain one or more independently verifiable facts.

FILE REVIEW

An internal file review will be conducted to determine:

If a program participant is involved in activities that violate program rules or regulations.

The HACSD will then determine the appropriate authority to follow-up on the alleged illegal behavior (e.g., police or social services). Any file documentation of past illegal behavior, as well as corroborating complaints, will be evaluated.

Complaints made to Program Review will be investigated by Program Review staff and Program Review has the responsibility to review the files. Complaints made to case management will be investigated by case management personnel and case management staff will review the files..

CONCLUSION OF PRELIMINARY REVIEW

If at the conclusion of the preliminary file review there are facts contained in the allegation which conflict with file data, and the facts are independently verifiable, the housing specialist will initiate an investigation to determine if the allegation is true or false.

INVESTIGATION OF ALLEGATIONS OF PROGRAM ABUSE AND FRAUD

When the HACSD determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file or a person designated by the executive director to monitor program compliance will conduct the initial investigation. That person may refer the case to the HACSD's Program Review unit,

if it is determined that further investigation is warranted. The investigative steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the HACSD will secure the written authorization from the program participant for review of confidential information.

CREDIT BUREAU INQUIRIES

In cases involving previously unreported income sources, a credit bureau inquiry may be made to determine if there is financial activity that conflicts with the reported income of the family.

VERIFICATION OF CREDIT

In cases where the financial activity conflicts with file data, a verification of credit form may be mailed to the creditor in order to determine the unreported income source

EMPLOYERS AND EX-EMPLOYERS

Employers or ex-employers may be contacted to verify wages that may have not been previously disclosed or previously misreported.

WITNESSES

Witnesses may be interviewed regarding facts pertaining to the HACSD's review.

OTHER AGENCIES

Investigators, caseworkers or representatives of other benefit agencies may be contacted.

PUBLIC RECORDS

If relevant, the HACSD will review public records. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records, postal records, school records, or other types of records.

INTERVIEWS WITH HEAD OF HOUSEHOLD OR FAMILY MEMBERS

The HACSD may discuss the allegation (or details thereof) with the head of household or family member by telephone, or by scheduling an appointment for the family to come to the HACSD office. The HACSD staff members will conduct interviews with a high standard of courtesy and professionalism. The HACSD staff members will, under no circumstances, use inflammatory language, accusations, or any unprofessional conduct or language in the course of doing business. If possible, more than one staff person will attend the interviews.

OVERPAYMENTS TO OWNERS

When the landlord has been overpaid as a result of fraud, misrepresentation or violation of the HAP contract, the HACSD may terminate the HAP contract, and arrange for restitution to the HACSD and/or family, as appropriate. In addition, depending on the seriousness of the offense, the landlord may be debarred from future program participation for a limited or an unlimited period of time.

The HACSD will attempt to recover overpayments resulting from landlord fraud or abuse. Payments due from the owner may be debited in order to repay the HACSD or the tenant, as applicable.

In instances where it is found the family rented from a relative without the required HACSD permission, or if the family was approved to rent from a relative based on a misrepresentation of material facts, an overpayment will be collected from both the owner and the participant – each party responsible for repayment of 50% of the HAPs paid.

DOCUMENT AND/OR EVIDENCE HANDLING

Documents and other evidence obtained by the HACSD during the course of an investigation will be considered "work products" and will be kept in the participant's file. The participant's file shall be kept in a secure location. The cases under review will not be discussed among HACSD staff members, unless they are involved in the process, or have information that may assist in the investigation.

CONCLUSION OF THE HACSD'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will place the findings in the participant's file. The findings in the participant's file will narrate if a violation has or has not occurred, or if the facts are inconclusive.

EVALUATION OF THE FINDINGS

When it is determined that a program violation has occurred, the HACSD will review the facts to determine:

- The type of violation (procedural, non-compliance, fraud);

- Whether the violation was intentional or unintentional;

- The amount of money (if any) owed by the family;

- The family's eligibility for continued assistance.

PROCEDURES FOR DOCUMENTED VIOLATIONS

When a program violation has been documented, the HACSD will propose the most appropriate remedy based upon the type and severity of the violation.

PROCEDURAL NON-COMPLIANCE

This category applies to a family "failure" to observe a procedure or requirement of the HACSD, but the family did not misrepresent a material fact and there are no retroactive assistance payments owed by the family.

Examples of procedural non-compliance violations are:

Failure to appear at a pre-scheduled appointment;

Failure to return verifications in the time period specified by the HACSD.

Warning Notice to the Family. In such cases a notice may be sent to the family that contains the following:

A description of the non-compliance and the procedure, policy or obligations violated;

The date by which the violation must be corrected;

The action that will be taken by the HACSD, if the violations are not corrected by the deadline;

The consequences of repeated (similar) violations.

OVERPAID ASSISTANCE

When the family owes money to the HACSD for failure to report changes in income, assets, family composition, or if the family has an unauthorized person in the household, the HACSD will issue a notification of overpayment of assistance. This notice will contain the following:

A description of the violation and the date(s);

Any amounts owed to the HACSD.

Participant Fails to Comply with the HACSD Notice. If the participant fails to comply with the HACSD notice, and a family obligation has been violated, the HACSD will initiate termination of assistance.

Participant Complies with the HACSD Notice. When a participant complies with the HACSD notice, the staff person responsible may meet with the participant, or telephone, to discuss and explain the family obligation or program rule that was violated. The staff person will narrate in the tenant record, and may ask the family to write a statement of understanding of the requirement that was violated for the family's file.

INTENTIONAL MISREPRESENTATIONS

When a participant falsifies, misstates, omits or otherwise misrepresents a material fact, the HACSD will evaluate whether or not:

The participant had knowledge that his/her actions were wrong; and

The participant willfully violated the family obligations or the law.

Knowledge that the action or inaction was wrong: The facts will be evaluated by determining if the participant was made aware of program requirements and prohibitions. The participant's signature on various certifications, briefing certifications, personal declaration, and other documents that reflect the participant's knowledge of program rules, are adequate to establish knowledge of wrongdoing.

The participant willfully violated the law: Any of the following circumstances will be considered adequate to demonstrate willful intent:

An admission by the participant of the misrepresentation;

The act was done repeatedly;

A false name or social security number was used;

There were admissions to others of the illegal action or omission;

The participant omitted material facts, which were known to him/her (e.g., employment of self or other household member);

The participant falsified, forged or altered documents;

The participant uttered and certified to statements at an interim or annual (re)determination which were later independently verified to be false.

DISPOSITION OF CASES INVOLVING MISREPRESENTATIONS

In all cases of misrepresentations involving efforts to recover monies owed, the HACSD may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Criminal Prosecution: If the HACSD has established criminal intent, and the case meets the criteria for prosecution, the HACSD will:

Refer the case to the local state or district attorney, notify HUD, and terminate rental assistance.

Administrative Remedies: The HACSD will:

Terminate assistance and demand payment/restitution in full.

THE CASE CONFERENCE FOR SERIOUS VIOLATIONS AND MISREPRESENTATIONS

When the HACSD has established that material misrepresentation(s) have occurred, a case conference may be scheduled with the family representative and the HACSD staff person who is most knowledgeable about the circumstances of the case. This conference may be held if there is some indication of extenuating circumstances, or upon family request.

This conference may take place prior to any proposed action by the HACSD. The purpose of such conference is to review the information and evidence obtained by the HACSD with the participant, and to provide the participant an opportunity to explain any findings that conflict with representations in the family's file. Any documents or mitigating circumstances presented by the family may be taken into consideration by the HACSD.

A secondary purpose of the participant conference is to assist the HACSD in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the HACSD may consider:

The duration of the violation and number of false statements;

An admission by the participant of the misrepresentations;

Repetition of the misrepresentation;

The family's ability to understand the rules;

The family's willingness to cooperate, and to accept responsibility for its actions;

The amount of money involved;

The family's past history;

Whether or not criminal intent has been established;

Notification to Participant of Proposed Action

The HACSD will notify the family of the proposed action no later than 30 days after the case conference, if one is held.

TERMINATIONS, DENIALS, HEARINGS AND REVIEWS

[24 CFR 982.552, 982.553, 982.311, 982.314]

INTRODUCTION

The Section 8 Program operates through a relationship between the public housing agency, the owner and the participant. These parties enter into agreements with each other in the form of the lease between the owner and the participant, the contract between the owner and the public housing agency, and the Housing Choice Voucher between the public housing agency and the participant. Each party to these agreements is obligated to comply with certain requirements of the program and the agreements may be terminated under program guidelines. This chapter describes the process for termination or denial of assistance, as well as the process for termination of the HAP Contract and the policies and procedures for such terminations.

The HACSD may deny or terminate assistance for a family because of the family's action, or failure to act. The HACSD will provide families with a written description of the family obligations under the program, the grounds under which the HACSD can deny or terminate assistance, and the HACSD's informal hearing or informal review procedures. For more information on family eligibility, please refer to Chapter Three.

The informal hearing or informal review requirements defined in HUD regulations apply to participant or applicant families who disagree with an action, decision, or inaction of the HACSD. This chapter describes the policies, procedures and standards used when families disagree with a HACSD decision. It is the policy of the HACSD to ensure that all families have the benefit of all protections due to them under HUD rules and regulations governing the Section 8 program.

DENIAL OR TERMINATION OF PROGRAM PARTICIPATION

FORM AND FORMAT FOR DENIAL/TERMINATION

Denial of assistance for an applicant may include any or all of the following:

- Denial of placement on the waiting list;
- Denying a voucher or withdrawing a voucher;
- Refusing to enter into a HAP contract or approve a tenancy;
- Refusing to process or provide assistance under portability procedures.

Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a tenancy;
- Terminating housing assistance payments under an outstanding HAP contract;
- Refusing to process or provide assistance under transfer or portability procedures.

EXTENUATING CIRCUMSTANCES

Extenuating circumstances may be considered by the Division chief if the responsible family member has no prior history of program violations and/or complaints, the violations did not involve violent or drug-related criminal activities, and only if the family member provides compelling medical documentation indicating the family member was incapacitated during the time the program violations occurred to such a degree that the family member was clearly incapable of understanding program requirements. Furthermore, the means of violation detection and subsequent family truthfulness and cooperation will be taken into consideration.

The HACSD will not take action to deny or terminate assistance for lease violations, criminal activities, or other good cause if the violations occurred as a result of a family member being the victim of domestic violence, dating violence, or stalking, unless the HACSD can demonstrate that the act poses an actual or imminent threat to other tenants or those employed at or providing service to the property. When a participant family is facing housing assistance termination because of the actions of a participant, household member, guest, or other person under the participant's control and a participant or a participating family member claims to be a victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the PHA will require the individual to submit documentation affirming

that claim. If the HACSD can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's program participation is not terminated, the HACSD will bypass the standard process and proceed with the immediate termination of the family's assistance. The HACSD will take action to exclude the perpetrator from the assisted household if it is found that one assisted family member has committed an act of domestic violence against another assisted family member.

In the case of lease violations, the family must make full restitution to the landlord as demonstrated by a landlord's full release and proof of payment. In addition, if the violations resulted in overpaid housing assistance payments, the family may, depending on the size of the repayment, be allowed to remain on the program if the family enters into a repayment agreement and the payments are kept current.

If a family is found ineligible due to non-compliance as a result of a disability, the HACSD may delay the denial or termination in order to determine if the problem could be corrected by reasonable accommodation in conformance with this Plan's reasonable accommodation policy.

LEASE VIOLATIONS

The following criteria will be used to decide if serious or repeated violations of the lease will result in termination of assistance:

- If the owner terminates tenancy through court action for serious or repeated violations of the lease.

- If it is found the family violated the lease as determined by the following evidence:

- Court judgment or settlement between the family and the owner in which the family agrees to vacate the unit and/or pay a settlement amount; or

- Police reports, neighborhood complaints, pictures, a HACSD inspection, or other verified third-party information that confirms serious or repeated lease violations; or

- Non-payment of rent is always considered a serious violation of the lease.

- The participant cannot withhold rent under the program for uninhabitability since it is a family responsibility under the program (24 CFR 982.515) to pay the family share of the rent. Also, the HACSD must be notified along with the owner of conditions needing repair in the unit (24 CFR 982.551(b)); the owner must be given an opportunity

to remedy the problems; and the HACSD must be given the opportunity to conduct a special inspection to determine if the unit fails HQS (24 CFR 982.405(a)). If the participant fails to pay rent without permission of the HACSD, the participant's non-payment of rent will be considered a serious lease violation and violation of a family responsibility.

In addition, it will always be considered a serious lease violation if the participant causes the landlord to incur expenses for cleaning and/or damages which exceed the amount of the security deposit paid to the owner at the beginning of tenancy, or \$500 if no security deposit was paid. The damages must be verified by a preponderance of evidence supported by an independent expert's cost estimate or photographs taken by HACSD staff. HACSD photographs of an obviously dirty unit, or damages above wear and tear, or debris left in or around the unit may be considered a serious lease violation. If the participant does not make full restitution, the participant may not be transferred and will be issued a notice of termination of program participation.

If the participant has already moved into a new unit when a full determination of damages by HACSD staff occurs, the tenant will be issued a notice of termination of program participation.

With the exception of a unit being "red tagged" as being uninhabitable by a governmental entity, the family may not move during the term of the lease without the owner's and the HACSD's permission.

The participant cannot move during the term of the lease, even if the participant claims uninhabitability, as the HACSD must be notified along with the owner of the problems in the unit; the owner must be given an opportunity to remedy the problems; and the HACSD must be given the opportunity to conduct a special inspection to determine if the unit fails HQS (24 CFR 982.406). If the participant abandons the unit during the term of the lease without permission of the HACSD, the participant's action will be considered a violation of a family obligation under 24 CFR 982.551(b), (e), and (f), and a serious lease violation.

NOTIFICATION OF EVICTION

If the family requests assistance to move, but has not notified the HACSD of an eviction within 14 days of receiving the notice of lease termination, the move will be denied (24 CFR 982.551(g)).

ZERO (\$0) ASSISTANCE TENANCIES

[24 CFR 982.455(a)]

The HACSD has no liability for unpaid rent or damages, and the family may remain in the unit at zero assistance for up to six months after the last HAP payment. If the family is still in the unit after six months, program participation will end. If, within the six-month timeframe, an owner rent increase or a decrease in the total tenant payment results in the family becoming eligible for assistance, the HACSD will resume assistance payments for the family upon documentation of the change.

If the family moves from the unit during the six-month period and the family is eligible to move, the family will be issued a voucher. If the family becomes eligible for assistance during the term of the voucher, the family will be leased into a new unit. However, the family cannot be leased in a new unit, if the family is in zero HAP. Also, a family in zero HAP is ineligible for voucher extensions.

A family that requests portability during the six-month period may be issued a voucher to port, but the receiving PHA will be advised that the family is in zero HAP.

OPTION NOT TO TERMINATE FOR MISREPRESENTATION

[24 CFR 982.551, 982.552(c)]

If the family has misrepresented information so that an overpayment of assistance was disbursed, the HACSD may choose to allow the family to continue participation, if the family executes a repayment agreement for overpaid assistance and makes payments in accordance with the agreement. The determination to not terminate family participation depends on the seriousness of the misrepresentation and the family's history of complying with the program and the lease.

MISREPRESENTATION IN COLLUSION WITH OWNER

[24 CFR 982.551, 982.552(c)]

If the family intentionally, willingly, and knowingly commits fraud, or is involved in an illegal scheme with the owner, such as an unauthorized side payment agreement, the HACSD will usually deny or terminate assistance. The HACSD may consider extenuating circumstances in making its determination.

MISSED APPOINTMENTS AND DEADLINES

[24 CFR 982.551, 982.552(c)]

It is a family obligation to supply information, documentation, and certification as needed for the HACSD to fulfill its responsibilities. The HACSD schedules appointments and sets deadlines in order to obtain the required information. The

family obligations require that the families allow the HACSD to inspect the unit with a reasonable advance notice.

The HACSD may issue a notice to deny or terminate assistance when an applicant or participant fails to keep an appointment, supply information by the deadline, or fails to allow a scheduled HACSD inspection.

The family will be informed of the requirement to keep appointments.

Appointments or deadlines may be required in the following circumstances:

- Eligibility for admissions;
- Verification procedures;
- Voucher issuance and briefings;
- Housing quality standards and inspections;
- Recertifications;
- Appeals;
- Conferences.

The following documented extenuating circumstances may be considered for missed appointments or deadlines:

- Medical emergency;
- Incarceration;
- Family emergency.

Procedure when Appointments are missed or Information not provided

The family may be given two opportunities before a notice of termination of assistance or denial of participation is issued. The family must call to reschedule a missed appointment and, if not, a termination of assistance or denial of participation may be issued. The HACSD may rescind the notice, if the family then calls to reschedule the appointment.

The HACSD may rescind a notice, if the family offers to correct a breach in program requirements prior to the date of termination of assistance. The notice may not be rescinded, if the family has a history of non-compliance. The notice will not be rescinded if assistance has terminated.

PROCEDURES FOR NON-CITIZENS

[24 CFR 5.514, 5.516, 5.518]

Denial or Termination due to Ineligible Immigrant Status

Applicant or participant families with neither U.S. citizens nor eligible immigrants are not eligible for assistance and must have their assistance terminated. The HACSD must offer the family an opportunity for a hearing.

Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

False or Incomplete Information

When the HACSD has clear, concrete, or substantial documentation, such as a permanent resident card or information from another agency, that contradicts the declaration of citizenship made by an applicant or participant, an investigation will be conducted, and the individual will be given an opportunity to present relevant information.

If the individual is unable to verify their citizenship, the HACSD will offer an opportunity to provide a new declaration as an eligible immigrant or an opportunity to elect not to contend their status. The HACSD will then verify eligible status and deny, terminate, or prorate as applicable.

The HACSD may deny or terminate the family's assistance, if it is apparent that the applicant or participant deliberately provided incomplete, false, or incorrect information.

Procedure for Denial or Termination

If the family (or any member) claimed eligible immigrant status and the INS primary and secondary verifications failed to document the status, the family may make an appeal to the INS and request a hearing with the HACSD, either after the INS appeal or in lieu of the appeal with the INS.

After the HACSD has made a determination of ineligibility, the family will be notified of the determination, the reasons for the determination, and informed of the option for prorated assistance (if applicable).

The HACSD may deny or terminate the family's assistance, if it is apparent that the applicant or participant deliberately provided incomplete, false, or incorrect information.

REASONABLE ACCOMMODATION

[24 CFR 982.552, 982.553]

If denial of admission, or termination of assistance, is based on behavior due to a disability, the HACSD will delay the denial or termination in order to determine if the problem could be corrected by reasonable accommodation. For example, a visually impaired person fails to return information because the request for information was in writing. The HACSD then makes a reasonable accommodation, upon request, to call the person to tell the person the information that is needed.

However, a reasonable accommodation will not be granted if to do so would result in a fundamental alteration in the nature of the program, such as to waive the prohibition on criminal acts, the requirement to not commit serious or repeated violations of the lease, or the requirement to comply with the program's family obligations and responsibilities.

FORMAT FOR DENIAL/TERMINATION NOTICES

Applicants and participants will be notified of denial or termination of assistance in writing on HACSD-approved notices and advised they will have 14 days from the date of the notice to request an informal review or hearing.

The notices will contain: the effective date of the action; the family's right to request an informal hearing or review; the deadline for the family's informal hearing/review request; a full explanation of the reason(s) for termination/denial, including a full description of crimes or actions of the family, and the sections of the Code of Federal Regulations that provide authority for the denial or termination of assistance. A request form will be provided for applicants or participants to request informal reviews or hearings.

If the HACSD proposes to terminate assistance for criminal activity based on a criminal record, the HACSD will allow the family to make an appointment to review a copy of the criminal record.

The HACSD will provide written notice of the contract termination to the owner to coincide with the termination of assistance. The notice to the owner will not include any details regarding the reason for termination of assistance.

REQUIRED EVIDENCE

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability or a violation of family obligations, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered

credible evidence. Other credible evidence includes documentation of drug raids, arrest warrants, or an inspection of the unit for violations of family obligations.

If the HACSD determines, based on a preponderance of the evidence, that a household member, or guest, has engaged in prohibited criminal activity or violated family obligations, regardless of whether the household member or guest has been evicted, arrested or convicted for the activity, the HACSD will terminate assistance.

The HACSD will pursue fact-finding efforts, as needed, to obtain credible evidence.

TERMINATION OF CONTRACT OR LEASE

[24 CFR 982.311, 982.314]

The term of the HAP contract between the HACSD and the owner is the same as the term of the lease. The HACSD or the owner may terminate the HAP contract, or the HAP contract terminates upon owner or tenant termination of the lease.

The HACSD will terminate payments on behalf of the family to the owner upon contract termination. The owner must reimburse the HACSD for any subsidies paid after the contract termination.

If the family continues to occupy the unit after the contract is terminated, the family is responsible for the total amount of rent due to the owner.

After contract termination, if the family meets the criteria for a move with continued assistance, the family may lease another unit.

TERMINATION BY THE FAMILY: MOVES

[24 CFR 982.314(c)(2)]

Family termination of the lease must be in accordance with the terms of the lease. The family may not be eligible to transfer its assistance to another unit, depending on the circumstances of the termination of the lease.

TERMINATION OF TENANCY BY THE OWNER: EVICTIONS

[24 CFR 982.310, 982.455]

The owner is required by law, and under the lease, to provide a proper termination notice.

During the term of the lease, the owner may not terminate the tenancy except for the grounds stated in the HUD regulations.

During the initial term of the lease, the owner may terminate the lease for:

Serious or repeated violations of the lease including, but not limited to, failure to pay rent or other amounts due under the lease, or repeated violation of the terms and conditions of the lease.

Violations of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises, or criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity of the premises, or any drug-related criminal activity on or near the premises.

Other good cause.

During the initial term of the lease, the owner may not terminate the tenancy for "other good cause," unless the owner is terminating the tenancy because of something the family did or failed to do (see CFR 982.310).

The HACSD will not be involved in termination of the lease, nor will advise the landlord or the tenant regarding the legal process. If the family is eligible to transfer, the HACSD staff will immediately issue transfer papers to the participant and act to expedite the transfer process.

Evidence of Criminal Activity

The owner may terminate family tenancy and evict by judicial action for criminal activity by a covered person if the owner determines the person has engaged in criminal activity:

Regardless of arrest or conviction.

Without satisfying the standard proof used for criminal conviction.

Release of Sex-Offender Registration Information or Criminal History Information to the Owner

The owner may request that the HACSD obtain and review criminal or sex-offender registration records for grounds to deny a tenant application, or evict a tenant. The HACSD will charge the owner a fee based on the costs incurred by the HACSD, including the costs charged by the law enforcement agency, the HACSD staff time and administrative costs. The owner may not charge the tenant for this fee.

The HACSD **must not** release any criminal information or sex-offender information to the owner, but a housing supervisor will review the information and, if no information relevant to application or eviction is found, will notify the owner. If information relevant

to the application or eviction is found, the housing supervisor will present his/her findings in writing to the division chief, who will authorize the findings and sign the letter issued to the owner. The letter will not specify the criminal or sex-offender history, but will merely state that there may be cause for denial or eviction of the tenant. If the owner sends documentation that supports the need for specific information for an eviction, the division chief must approve the release of any information in accordance with the regulations [24 CFR 5.903, 24 CFR 5.905].

Termination of Tenancy Decision

The owner can decide whether to take an action against a tenant, if the law and the regulations permit. The circumstances to be considered by the owner include:

- The seriousness of the offense;
- The effect on the community;
- The extent of participation by household members;
- The demand for assisted housing by families who will adhere to responsibilities;
- The extent the tenant has taken personal responsibility;
- The extent the tenant has taken all reasonable steps to mitigate the offending action(s);
- The effect on the integrity of the program;

Exclusion of Culpable Household Member

The owner may require the tenant to remove a household member in order to continue to reside in the assisted unit.

Consideration of Rehabilitation

When determining whether to terminate the tenancy for illegal drug use (including medical marijuana), or alcohol abuse, the owner may consider whether the member:

- Is no longer engaged in the offending activities;
- Has successfully completed a supervised drug or alcohol rehabilitation program;
- Has otherwise been rehabilitated.

The owner may require the tenant to submit evidence of rehabilitation.

Actions of termination must be consistent with fair housing and equal opportunity laws as stated in 24 CFR 5.105.

The owner must provide the tenant a written notice specifying the grounds for termination of tenancy, at or before the commencement of the eviction action. The notice may be included in, or may be combined with, any owner eviction notice to the tenant.

The owner eviction notice means a notice to vacate, or a complaint, or other initial pleading used under state or local law to commence an eviction action.

The owner should specify lease violations and cite some, or all of the ways the tenant has violated the lease, as documentation for the HACSD's decision regarding termination of assistance.

Housing assistance payments are paid to the owner under the terms of the HAP contract. If the owner has begun eviction and the family continues to reside in the unit, if the family is eligible for assistance, the HACSD must continue to make housing assistance payments to the owner until the tenant has moved, the owner has obtained a court judgment, or otherwise evicted the tenant. By endorsing the monthly check from the HACSD, the owner certifies that the tenant is still in the unit, the rent is reasonable, and the tenant is in compliance with the contract. Rental assistance cannot be paid if the unit has an HQS violation that is the owner's responsibility.

If the action is finalized in court, the owner will be asked to provide the HACSD with the documentation, including notice of the lockout date.

The HACSD may issue a new voucher to the family and process its transfer, if the family is found to have been in compliance with the lease, and all program requirements.

TERMINATION OF THE CONTRACT BY THE HACSD

[24 CFR 982.404(a), 982.453, 982.454, 982.552(a)(3)]

The HAP contract terminates when the lease terminates; the HACSD terminates program assistance for the family, or when the owner has breached the HAP contract.

The HACSD may also terminate the contract if:

Funding is no longer available under the HUD Annual Contributions Contract

The contract will terminate automatically 180 days after the last housing assistance payment to the owner.

Notice of Termination

In most instances, the HACSD will terminate the contract the end of the month following the month the owner is issued a termination notice. However, the contract will terminate the end of the month the family vacates the unit and may terminate the end of the month that serious, life-threatening conditions are noted.

When the HACSD terminates a contract, transfer papers will be forwarded to an eligible family.

INFORMAL REVIEWS

DENIALS OF WAITLIST PREFERENCES

When the HACSD denies a preference to an applicant, the family will be notified in writing of the specific reason for the denial and offered the opportunity for a meeting with the HACSD staff to discuss the reasons for the denial and to dispute the HACSD's decision.

The person who conducts the meeting will be:

The admissions supervisor or designee;

An employee of the HACSD, who is at or above the level of Housing Specialist II, but not the employee who made the decision.

INFORMAL REVIEW PROCEDURES

[24 CFR 982.54(d)(12), 982.554]

Informal reviews, with one exception, are provided for applicants who are denied assistance before the effective date of the HAP contract. Informal reviews are intended to provide a "minimum hearing requirement," and need not be as elaborate as informal hearing requirements. Informal hearings are provided to applicants denied for citizenship or eligible immigrant status.

Upon HACSD determination of applicant ineligibility, the family must be notified in writing. The notice must contain:

The reason(s) the family is ineligible;

The procedure for requesting a review, if the applicant does not agree with the decision;

The deadline to request a review.

When denying admission for criminal activity as shown by a criminal record, the HACSD will allow the family to review the criminal record at the HACSD office upon family request.

The HACSD must provide applicants the opportunity for an informal review when they are denied for the following reasons:

- Denying listing on a PHA waiting list;

- Denying or withdrawing a voucher;

- Refusing to enter into a HAP contract or approve a lease;

- Refusing to process or provide assistance under portability procedures.

Informal reviews for applicants are not required for established policies and procedures, and HACSD determinations such as:

- Discretionary administrative determinations by the HACSD;

- General policy issues or class grievances;

- A determination of the family unit size under the HACSD subsidy standards;

- Refusal to extend or suspend a voucher;

- Refusal to grant approval of the tenancy;

- Determination that unit is not in compliance with HQS;

- Determination that unit is not in accordance with HQS due to family size or composition.

Notification of Review

The HACSD will ensure applicants receive all the rights afforded by laws and regulations. When the HACSD receives a request for an informal review, the informal review shall be scheduled within 30 days of receipt. The informal review may be conducted by telephone, or in person. The applicants will be advised of the time and date of the informal review, and the right to submit oral or written objections to the HACSD decision.

Requests for Postponement

Requests for postponement will be granted only if there is evidence that indicates the postponement is necessary due to reasons beyond the control of the parties involved (for example: hospitalization, auto accident, etc.). Verification of the reason(s) must be provided to the HACSD in writing and must cover the review date before a new review will be scheduled. A reasonable accommodation request must be provided in writing prior to the scheduled informal review.

Processing the Informal Review

A written request for an informal review **must** be received at the HACSD offices by the close of the business day, no later than 14 days from the date of the HACSD's notification of denial of admission. The informal review will be scheduled within 30 days of the date the request is received.

Those involved in the decision under review, or their subordinates, may not conduct the informal review.

The review may be conducted by:

A Housing Specialist I, or above;

An individual from outside the HACSD.

The applicant will be given the option of presenting oral or written objections to the decision. The HACSD and the family may present evidence and witnesses. An attorney or other representative may accompany the family at the family's own expense.

The review may be conducted via mail and/or telephone, if acceptable to both parties.

A notice of the review findings will be provided in writing to the applicant within 20 days after the review. It shall include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation and a copy of the final decision will be retained in the family's file.

INFORMAL HEARINGS

[24 CFR 982.555(a-f), 982.54(d)(13)]

The HACSD must notify participants, and applicants (for citizenship or eligible immigration issues), in writing, upon a decision regarding eligibility and/or the amount of assistance. The HACSD will give the family prompt notice of such determinations, which will include:

The proposed action or decision of the HACSD;

The date the proposed action or decision will take place;

The family right to an explanation of the HACSD decision;

The procedures to request a hearing, if the family disputes the action or decision;

The deadline to request the hearing;

Where the hearing request must be submitted.

When terminating assistance for criminal activity as evidenced by a criminal record, the HACSD will allow the participant to come into the office to view copies of the relevant criminal record(s). In addition, the termination notice will provide specific information on the criminal history discovered.

The HACSD must provide participants the opportunity for an informal hearing for decisions related to any of the following:

Determination of the family's annual or adjusted income;

The computation of the housing assistance payment;

The utility allowance schedule used;

Family unit size determination under HACSD subsidy standards;

Termination of assistance for any reason.

Informal hearings are not required for established policies and procedures and HACSD determinations such as:

Discretionary administrative determinations by the HACSD;

General policy issues or class grievances;

Establishment of the schedule of utility allowances for families on the program;

Determination not to approve an extension or suspension of a voucher term;

Determination not to approve a unit or lease;

Determination not to grant an increase in Voucher size;

Determination not to grant a reasonable accommodation;

Determination not to approve additions to the household, including a live-in aide;

Determination of owner violation of HQS (HACSD must provide a hearing for termination of assistance for a family breach of HQS);

Determination that the unit is not in accordance with HQS because of the family size;

Determination to exercise, or not exercise, any right or remedy against the owner under a HAP contract;

INFORMAL HEARING PROCEDURES

Notification of the Hearing

It is the HACSD's objective to resolve disputes at the lowest level possible to avoid the most severe remedies. However, if this is not possible, the HACSD will ensure that applicants and participants receive all of the protections and rights afforded by the law and the regulations.

When the HACSD receives a request for an informal hearing, a hearing will be scheduled within 30 days. The notification of hearing will contain:

The date and time of the hearing.

The location of the hearing.

The family's right to bring evidence, witnesses, legal or other representation at the family's expense, providing the family notifies the HACSD in writing at least seven business days in advance. If the family fails to notify the HACSD in writing at least seven business days in advance, HACSD reserves the right to cancel and reschedule the informal hearing.

The family's right to view any documents or evidence in the possession of the HACSD upon which the proposed action was based, providing the family requests the review at least seven business days in advance.

A notice to the family stating the HACSD requires copies of any documents or evidence the family will use at the hearing, it must be received by the HACSD at least seven business days in advance.

Requests for Postponement

Requests for postponement will be granted only if there is evidence that indicates the postponement is necessary due to reasons beyond the control of the parties involved (for example: hospitalization, auto accident, etc.). Verification of the reason(s) must be provided to the HACSD in writing and must cover the hearing date before a new hearing will be scheduled. A reasonable accommodation request must be provided in writing prior to the scheduled informal hearing.

After a hearing date is scheduled, the family may request to reschedule only upon showing "good cause," defined as: an unavoidable conflict that seriously affects the health, safety, or welfare of the family.

Processing the Informal Hearing

A written request for an informal hearing must be received at the HACSD offices by the close of the business day, no later than 14 days from the date of the notification of denial or termination of assistance. The informal hearing will be scheduled within 30 days of the date the request is received.

Informal hearings regarding rent calculations, utility allowances, and subsidy standard determinations, due to the specificity and/or complexity of these determinations, will be heard by an employee of the HACSD who is a Housing Specialist I, or above, and who was not involved in making the original determination, or a subordinate of that person. Informal hearings regarding this subject will be more informal than outlined below and may be conducted over the telephone or in person.

Families may, during or before the hearing:

- Present written or oral objections to the HACSD's determination.

- No sooner than seven business days after the date of the notice of informal hearing and no later than seven business days prior to the hearing, request copies at the family's expense of any unprivileged documents in the file that are directly relevant, as determined by the HACSD, to the issues to be considered at the hearing which form the basis for the HACSD's action, and all documents submitted to the hearing officer.

- Present any information or witnesses pertinent to the issue of the hearing.

- Request that HACSD staff be available to answer questions pertinent to the case.

Be represented by legal counsel, advocate, or other designated representative at his or her own expense, providing the family notifies the HACSD in writing at least seven business days in advance. If the family fails to notify the HACSD in writing at least seven business days in advance, HACSD reserves the right to cancel and reschedule the informal hearing.

In addition to other rights contained in this chapter, the HACSD has a right to:

Present evidence and any information pertinent to the issue of the hearing.

Be notified if the family intends to be represented by legal counsel, advocate, or another party.

Examine and copy any documents to be used by the family at least seven business days prior to the hearing.

Have staff persons and other witnesses familiar with the case present.

With the exception of informal hearings regarding disputes concerning rent calculations, utility allowances, and subsidy standard determinations, the HACSD may appoint hearing officers who are:

Professional mediators or arbitrators.

Managers from other departments in the County of San Diego.

Managers from other PHAs.

The HACSD management.

HACSD Analysts.

HACSD Supervisors.

Hearing officers will never be anyone who was involved in making the original determination or that person's subordinate.

The informal hearing shall only concern relevant issues. Evidence presented will be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

Documents or witnesses not provided to the HACSD at least seven business days in advance shall not be admitted without HACSD approval.

Witnesses not provided by the HACSD in advance shall not be admitted without the opposing party's approval.

With the exception of informal hearings regarding disputes concerning rent calculations, utility allowances, and subsidy standard determinations, the family may request an audio recording of the informal hearing, if desired, within 90 days of the hearing.

The hearing officer may NOT request additional information, nor reconvene the hearing for a later date. The decision must be based solely on allowable pertinent evidence presented at time of the informal hearing.

The hearing officer will determine, based on allowable pertinent evidence and testimony, if the action, inaction, or decision of the HACSD is in accordance with HUD regulations and this Plan. Factual determinations will be based on a preponderance of relevant allowable evidence.

A notice of the hearing findings provided in writing to the HACSD and the family within 20 days shall include:

- A clear summary of the decision and reasons for the decision.

- The effective date of the decision.

- A statement that the tenant may seek judicial review by filing a petition with the San Diego Superior Court, pursuant to section 1094.6 of the California Code of Civil Procedure. The petition must be filed within 90 days of the date of this decision.

The HACSD is not bound by hearing decisions that:

- Do not require an informal hearing.

- Conflict or contradict HUD requirements or regulations.

- Exceed the hearing officer's authority.

- Are overturned by the HACSD Deputy Director.

The HACSD shall, within 30 days of the decision, send a letter to the participant, if it determines it is not bound by the hearing officer's determination. The letter shall include the HACSD decision.

All requests for an informal hearing, supporting documentation, and a copy of the final decision will be retained in the family's file.

HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"

[24 CFR Part 5, Subpart E]

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision under the United States Citizenship and Immigration Services (USCIS) appeal process.

Assistance to a family may not be terminated or denied while the HACSD hearing is pending, but assistance to an applicant may be delayed pending the HACSD hearing.

The notice of denial of assistance for non-citizens must advise the family:

That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.

The family may be eligible for proration of assistance.

For a participants, the criteria and procedures for obtaining relief is under the provisions for preservation of families [24 CFR 5.5 14 and 5.518].

The family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.

That the family has a right to request an informal hearing with the PHA, either upon completion of the USCIS appeal or in lieu of the USCIS appeal.

For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS DETERMINATION OF INELIGIBILITY

If a family member claims to be an eligible immigrant and the USCIS SAVE system and manual search do not verify the claim, the HACSD must notify the applicant or participant, within 10 days, of their right to appeal to the USCIS within 30 days or to request an informal hearing with the HACSD, either in lieu of or subsequent to the INS appeal.

If the family appeals to the USCIS, it must give the HACSD a copy of the appeal and proof of mailing, or the HACSD may proceed to deny or terminate. The time period to request an appeal may be extended by the HACSD for good cause.

The request for a HACSD hearing must be made within 14 days of the date of the notice offering the hearing or, if an appeal was made to the USCIS, within 14 days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in this chapter for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members, the HACSD will:

- Deny the applicant family.

- Defer termination of a participating family that qualifies for deferral.

- Terminate the participant, if the family does not qualify for deferral.

If there are eligible members in the family, the HACSD will offer to prorate assistance or give the family the option to remove the ineligible members.

Other matters related to eligible citizen/immigrant status are:

- If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide documentation or certifications, the family will be denied or terminated for failure to provide.

- Participants whose termination is carried out after temporary deferral may not request a hearing, since they had an opportunity for a hearing prior to the deferral of termination.

- Participants whose assistance is prorated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of tenant rent and total tenant payment.

- Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

MITIGATING CIRCUMSTANCES FOR APPLICANTS/PARTICIPANTS WITH DISABILITIES

[24 CFR 982.204, 982.552(c)]

When applicants are denied placement on the waiting list or program admission, or the HACSD is terminating assistance, the presence of a disability is considered a mitigating circumstance during the informal review or informal hearing process, if the applicant did not respond to a request by the PHA for information due to a disability.

However, the presence of a disability is never considered a mitigating factor for violations of the regulations, criminal activities, violations of the lease, or for violations of the requirements of program.

RESERVED

OWNER OR FAMILY DEBTS TO THE HACSD

[24 CFR 982.552]

INTRODUCTION

This chapter describes the HACSD's policies for the recovery of monies overpaid to families and owners. In addition, this chapter outlines the collection methods and guidelines for the handling and collection of different types of debts. The HACSD's policy is to communicate program guidelines to owners and families so as to minimize HACSD overpayments. The HACSD clearly documents, in the tenant file, the amount and nature of owner or family debts, as well as the method of calculation. Owners and families may receive copies of all relevant documentation regarding their debts, upon request.

The HACSD will make every effort to collect delinquent family or owner debts. The HACSD will use a variety of collection tools to recover debts including, but not limited to:

- Request for lump sum payments;
- Small claim or civil court actions;
- Payment agreements;
- Termination of family program participation;
- Reductions in HAP to owner;
- Abatements;
- Collection agencies;
- Referrals to the County Department of Revenue and Recovery.

PAYMENT AGREEMENTS FOR PARTICIPATING FAMILIES

[24 CFR 982.552 (c)]

All adults in the household must sign the repayment agreement. A payment agreement or repayment agreement, as used in this Plan, is a document entered into between the HACSD and a person who owes a debt to the HACSD. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of payment, any special provisions of the agreement, and the remedies available to the HACSD upon default of the agreement.

A family who fails to report an income increase within the 14-day reporting period is subject to a retroactive interim effective the first of the month following the income increase, and collection of overpaid housing assistance. A family will be allowed to remain on the program and enter into a repayment agreement if there are no other issues, the unreported income was less than \$15,000, and providing the family did not deliberately provide false, misleading, incomplete, or incorrect information to the HACSD.

If the HACSD offers a repayment agreement, it will determine the terms. The family may be offered a repayment agreement of up to 36 months, providing the family repays each month a minimum monthly payment that is the greater of 10% of the family's gross monthly income or \$50.00. The monthly payment amount for an elderly or disabled family with excessive medical deductions is the greater of 10% of the family's adjusted monthly income or \$40.00. A repayment schedule of longer than 36 months may be authorized by a supervisor as a reasonable accommodation to a person with disabilities.

A family not current on repayment will be issued a 30-day notice of intended action to terminate assistance and given an opportunity to become current on their payments. If the family becomes delinquent more than three times, this will be considered a breach of the repayment agreement, and the HACSD will take action to terminate assistance.

A family may not move if it is not current on its repayment agreement.

A family may not port to another PHA until its debt has been repaid.

A family may not enter into more than one repayment agreement. The family may be allowed 30 days to pay the second debt in full.

PAYMENT AGREEMENTS FOR FAMILIES NO LONGER ON THE PROGRAM

A family whose program participation has been terminated will be offered a repayment agreement. The repayment agreement will ask the family to repay its debt within 120 days, but a longer period may be approved, upon request, when family circumstances make it difficult to honor a repayment agreement of a shorter duration.

A calculation of the estimated participant debt will be issued after assistance is terminated.

DEBTS OWED TO THE PHA

[24 CFR 792.103, 982.552(c)(v-vii)]

DELINQUENT PAYMENTS

A payment will be considered to be in arrears if:

The payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's payment agreement is in arrears, and the family has not contacted or made arrangements with the HACSD, the HACSD will:

Require the family to pay the balance in full.

Pursue civil collection of the balance due.

Terminate the housing assistance.

A transferring family, delinquent on its payment agreement, is required to pay the balance in full prior to the issuance of a voucher.

DEBTS DUE TO MISREPRESENTATIONS / NON-REPORTING OF INFORMATION

[24 CFR 982.163]

HUD's definition of program fraud and abuse is a single act or pattern of actions that:

Constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Section 8 program funds in violation of Section 8 program requirements.

PROGRAM FRAUD

If a family owes money as a result of program fraud, the case may be referred for prosecution. The family's program participation will be terminated. The HACSD will set up a collection for the family for the full amount of housing assistance payments issued from the time the family first committed fraud to the time the family's assistance was terminated.

UNAUTHORIZED PERSONS

A family found to have unauthorized persons residing in the subsidized unit will be required to repay all housing assistance payments issued during the time the unauthorized person(s) was/were residing in the subsidized unit.

VIOLATION OF FAMILY OBLIGATIONS

A family found to have violated its family obligations may be required to repay all housing assistance payments issued during the time the family was violating its family obligations.

RENTING FROM A RELATIVE

In instances where it is found the family rented from a relative without the required HACSD permission, or due to approval based on misrepresentation, an overpayment will be collected from both the owner and the participant – each party responsible for repayment of 50% of the HAPs paid.

DEBTS DUE TO MINIMUM RENT TEMPORARY HARDSHIP

If the family owes the HACSD money for rent arrears incurred during the minimum rent period, the HACSD will calculate the total amount owed and arrive at a reasonable payback amount that the family will be required to pay to the HACSD

monthly. The family will be required to pay the increased amount until the debt is paid in full.

If the family goes into default on the repayment agreement for back rent incurred during a minimum rent period, the HACSD will reevaluate the family's financial situation to determine if the family has the ability to pay the increased rent amount. If not, the existing repayment agreement will be restructured.

OWNER DEBTS TO THE HACSD

[24 CFR 982.453(b)]

If the HACSD determines that the owner has retained housing assistance or received payments the owner is not entitled to, the HACSD may reclaim the amounts from future housing assistance or claim payments owed the owner for any units under contract.

When the landlord has been overpaid as a result of fraud, misrepresentation or violation of the HAP contract, the HACSD may terminate the HAP contract, and arrange for restitution to the HACSD and/or family, as appropriate.

In instances where it is found the family rented from a relative without the required HACSD permission, or approval was based on misrepresentation, an overpayment will be collected from both the owner and the participant – each party responsible for repayment of 50% of the HAPs paid.

If future housing assistance or claim payments are insufficient to reclaim the amounts owed, the HACSD will seek one or more of the following remedies:

- Require the owner to pay the amount in full within 30 days.

- Pursue collections through collection agencies and/or the local court system.

- Restrict the owner from future participation.

WRITING OFF DEBTS

The director may write off uncollectable debts. In determining whether a debt is uncollectable, the lack of success in collecting, along with the following factors will be considered:

- The debtor's whereabouts is unknown.

- The debt is more than one year old.

The debtor is judgment proof.

The debtor is deceased.

The amount is less than \$250.

The writing off of a debt does not remove the debtor's responsibility to repay, or the HACSD's ability to collect the monies owed. The HACSD will always deny program admission to an applicant who has failed to repay monies owed, whether the debt was written off or not.

Chapter 15

SPECIAL HOUSING TYPES, SPECIAL PROGRAMS, AND SPECIAL CLAIMS

INTRODUCTION

The Section 8 regulations allow assistance to be paid on behalf of special housing types. It is the intent of the HACSD to provide as great an opportunity as possible for affordable housing and wherever possible will allow assistance to be paid on behalf of permissible special housing types. This chapter describes the special housing types recognized by the HACSD and how these special housing types are handled. In addition, this chapter explains how the HACSD handles special housing types, special programs and allowable special claims.

The HACSD will not set aside any program funding for any special housing type. A family may choose to rent housing that qualifies as a special housing type, or to rent other eligible housing in accordance with requirements of the specific program.

DISASTER HOUSING ASSISTANCE PROGRAM (DHAP)

The Disaster Housing Assistance Program (DHAP) was enacted through an interagency agreement between HUD and FEMA in July 2007, to commence in September 2007. The program provided housing assistance and supportive services to displaced income-eligible families impacted by Hurricanes Katrina, Rita, Ike and Gustav that had been receiving transitional assistance through the Federal Emergency Management Agency (FEMA) into the HCV program. These families are referred to the local participating PHAs to process and provide assistance. The program would provide assistance to families impacted by Hurricanes Katrina and Rita until at least March 1, 2009, and for families impacted by Hurricanes Ike and Gustav until at least March 1, 2010. The HACSD has implemented DHAP and reserves the option to implement any other disaster programs that are fully funded, at a later time. The HACSD has adopted the published guidelines and developed separate policy documents for DHAP.

FAMILY SELF-SUFFICIENCY PROGRAM

[24 CFR 984]

The Family Self-Sufficiency Program (FSS) is a program for HACSD Housing Choice Voucher Program participants who are committed to becoming economically self-sufficient.

ACTION PLAN

Introduction

This Action Plan was developed as required under Section VIII of the Federal Register, Vol. 56, No. 189, dated September 30, 1991. In consultation with the Chief Executive Office of the County of San Diego and the Family Self-Sufficiency Program Coordinating Committee (PCC), the Action Plan describes the activities the Housing Authority of the County of San Diego (HACSD) will carry out in the implementation and operation of the Family Self-Sufficiency Program (FSS).

Modifications to this Action Plan are made in compliance with provisions of Federal Register, Vol. 58, No. 101, Thursday, May 27, 1993, Rules and Regulations.

This Action Plan was updated September 2011.

Family Demographics

The HACSD will select FSS participants from current Housing Choice Voucher participants.

In September 2011, there were 128 active FSS participants. They fall into the following categories:

HCV Participants		FSS Participants
27%	Elderly/disabled households	15%
87%	Small families (1-4 members)	83%
12%	Large families (5+ members)	16%
66%	Non-Hispanic	70%
34%	Hispanic	29%
81%	White	53%
15%	Black	41%
1%	American Indian	3%
3%	Asian	2%
<1%	Pacific Islander	0%

32%	families receive Food Stamps	55%
18%	receive TANF	32%

It is anticipated that the ethnic and racial representation in the FSS Program will reflect that of the Housing Choice Voucher participant population in the jurisdiction of the HACSD.

The need for supportive services for the low-income families living in San Diego County is no different from the daily challenges of low-income families living elsewhere. Some of these families lack the education or job skills to find a well paying job; these families lack knowledge of the job market, financial resources to pay for child care while seeking a job and transportation to seek and maintain a job. However, in San Diego County these problems are compounded by extremely high housing costs. As a result, San Diego County's low-income households will require, among other services, higher education opportunities and transportation services in order to compete in the current job and rental market.

Estimate of Participating Families

As described in CFR 984.105, HUD has established a calculation for a minimum program size for an agency's FSS program. This calculation is based on the number of FSS Incentive units funded in 1991/1992 and additional funding received from 1993 through October 20, 1998.

The HACSD was awarded 75 incentive units to begin the FSS program. Additional funding of 86 units in 1993 and 185 units in 1993 make the original size of the FSS program 346 families. Beginning October 21, 1998, Housing Authorities could reduce the minimum program size by one for each successful graduate of the agency's FSS program.

A successful graduate is one who fulfills their contract of participation obligations. From October 21, 1998, through September 1, 2011, there have been 238 successful graduates from the FSS program. As of September 1, 2011, the minimum program size for the FSS program is 108 families. There were 128 families receiving services as of that date.

The HACSD will continue to maintain an FSS Program of at least the number of participants required to meet 80% of the minimum program size and will exceed it, if staffing and funding are available to do so.

Eligible Families from other Self-Sufficiency Programs

It is estimated that less than one percent of the eligible families from other self-sufficiency programs will agree to execute an FSS Contract of Participation.

Incentives to Encourage Participation

An integrated services approach is essential to enhancing the self-esteem of low-income families who have the desire to work but lack the belief that they will be successful. Additionally, this approach will make them aware of new career possibilities, and then provide them with the education and training necessary to achieve their heightened aspirations.

To encourage participation in the FSS program, the HACSD is providing the following incentives:

FSS Escrow Account

The HACSD will establish an escrow account for each FSS participant. The amount deposited into an escrow account represents the increase in rent resulting from an increase in earned income from the initial FSS contract start date. This amount is deposited for the benefit of the participant into the escrow account by HACSD. The escrow account becomes available to the family after they have fulfilled their obligations under the contract, or if the family meets interim goals and needs the escrow funds to complete their contract.

One-Stop Service Bank

The HACSD, through its PCC and local efforts, will provide information and referrals to the FSS participant for an array of support services. These services will assist participants in removing barriers to self-sufficiency, and may include:

- Transportation
- Child Care
- Nutritional Education
- Career Counseling
- Parenting Skills
- Financial Management
- Treatment and Counseling for Substance and Alcohol Abuse
- GED, High School Diploma, and/or College Education
- Vocational Training
- Job Training, Preparation and Placement
- Homeownership Counseling

Moral Support

Newsletter

The HACSD has developed and distributes a newsletter for FSS participants. This newsletter highlights program accomplishments, resources, and available services. This newsletter is distributed by mail, email and is posted on the website.

Scholarships

The HACSD may award up to five scholarships per semester, once in the spring and once in the fall, to FSS participants and their family members during the academic year, depending on funding. As of December 1, 2011, the FSS Scholarship Program has awarded 30 scholarships to FSS participants and their families. These awards total \$28,400 in funds that can be used towards school-related expenses including: tuition, books, transportation, room and board, and more. Scholarships are available in the following amounts: \$1,250 for undergraduate and graduate level studies; \$750 for associates and technical level studies; \$150 for GED and high school certifications.

Scholarship recipients are chosen based on certain criteria including: successful completion of the application, completion of an essay, submission of a class schedule and good standing with the Section 8 program. Additional requirements vary by year.

Outreach Efforts

Currently the HACSD serves over 10,000 low-income families under the Housing Choice Voucher program. Outreach for the FSS program may be done by sending applications with annual renewal packets, by making presentations at briefings, and/or by providing program information to supportive service agencies. Outreach efforts will target both minority and non-minority groups. Referrals may also be accepted from Housing Specialists and other program staff. When staffing and/or funding does not allow families to be added to the FSS Program, a waiting list will be maintained. When staffing/funding resumes, families will still be served based on the date their application was received.

As provided under the regulations, 50% of the FSS slots may be made available to eligible families who have one or more family members who are: currently enrolled in public assistance benefits such as CalWorks (formally known as TANF); are in any of the job training programs provided by PIC; are in any other FSS-related service program; or are on the waiting list for such a program. The other 50% of the FSS slots will be allocated to other families on a first-come, first-served basis.

FSS Activities and Supportive Services

As identified in the Incentives Section, services already committed that may be provided to FSS participants include:

- Opportunities of Higher Education
- Transportation
- Individual Counseling by Trained Social Workers
- Skills Assessment Services
- Job Development Counseling
- Housing Assistance
- Job Training and Referral Services
- Child Care
- Vocational Training
- English as a Second Language Classes

Through existing County of San Diego services, the participants may be referred to and have access to other services such as:

- Career Development Services
- Health and Preventive Health Care
- Nutrition Classes
- Consumer Rights
- Budgeting Skills
- Parenting Skills
- Legal Services
- Housekeeping and Appliance Maintenance

The HACSD will continue to provide rental assistance to families who meet eligibility criteria and otherwise comply with HUD program requirements and HACSD policy. Participants will be provided information on how to select appropriate housing that meets housing quality standards, and referrals to participating landlords will be furnished whenever possible. Participants will have access to a Housing Specialist assigned to manage their rental assistance contract.

Method for Identification of Family Support Needs

The FSS Program will identify the needs of the interested families by requiring each family to complete a Family Self-Sufficiency Application. The answers provided by the applicant will be evaluated by HACSD staff, and the family will be referred to appropriate resources. Resources may include service providers who assess the

specific services the participant would need to meet their particular plan and/or goal in order to lead them to economic self-sufficiency.

Assurance of Non-Interference with the Rights of Non-Participating Families

As described in the Outreach Efforts Section, participants of the Housing Choice Voucher program will be invited to participate in the FSS program. The invitation will make it very clear that non-participation in the FSS program in no way will affect the family's right to continue rental assistance or their participation in the Housing Choice Voucher program.

Timetable for Implementation of FSS Program

The HACSD is committed to begin the operation of the FSS Program within 12 months of HUD's notification of approval of the first increment of funding in support of the FSS Program. Outreach is in process. It is anticipated that eligible families selected to participate in the FSS program will begin to receive supportive services within 12 months of the implementation of the program.

Certification of Coordination

The HACSD certifies that the development of services and activities under the FSS program has been and will continue to be coordinated with the JOBS Program; the programs provided under the JTPA, and any other relevant employment, child care, transportation, training, and educational programs to avoid duplication of services and activities.

Optional Additional Information

The HACSD successfully developed, administered and operated the Project Self-Sufficiency Program and the Operation Bootstrap Program. Through these efforts the HACSD assisted more than 100 participants, reducing public dependency by providing them the opportunity of education, training, and other supportive services.

Throughout the more than 35 years of experience with housing programs, the HACSD has implemented the Section 8 Existing Housing Assistance Program, Housing Choice Voucher and Moderate Rehabilitation Program, the Section 17 Rehabilitation Program, the Conventional Public Housing Program and developed local rental assistance programs for participating cities. In addition, the HACSD has participated with the Department of Health in implementing the National Institute for Mental Health Program, which provides comprehensive services to mentally ill homeless.

The HACSD will operate individually. This FSS Action Plan, unless otherwise modified, will apply to the Section 8 Housing Choice Voucher FSS Program only.

Former Participants

Beginning April 1, 2008, the HACSD will deny participation in the FSS program to a family that previously participated in an FSS program with the HACSD or any other housing authority.

If a family has participated in and successfully completed any FSS program, the family may not participate in the HACSD's FSS program.

At its discretion, the HACSD may permit a family who has previously participated in any FSS program, but did not successfully complete their contract, to reapply for the FSS Program no sooner than one year after the termination date of their contract.

Individual Training and Service Plan Goals

The Individual Training and Services Plan (ITSP) will be developed with the individual FSS participant. HACSD FSS program staff will work with participants to develop employment-related goals that span the term of their contract. Goals may also include homeownership preparation.

Two types of goals will be developed: Long-term or final goals and short-term or interim goals. Goals, both short-term and long-term, will generally follow the "SMART" format:

- **S**pecific, stretch
- **M**easurable, meaningful
- **A**ttainable, agreed upon, action-oriented
- **R**ealistic, reasonable
- **T**ime based, tangible

Contract Changes

A newly executed FSS contract is not to have a retroactive start date. The contract start date can be as soon as the beginning of the next following month. Participants will be allowed to change their goals no more frequently than once per year, and no changes will be allowed in the last six months of their contract term. Only two changes will be allowed in the five-year term of the contract, unless extreme hardship can demonstrate the need for additional changes of goals.

Contract Extensions

The initial term of the FSS Contract of Participation is five years. If a family cannot meet their goals within the five years, they may request an extension. The request must be in writing and be made during the last 12 months of their contract. The request must be received at least 30 days before the contract end date. An extension may be granted to a family if they are unable to meet the terms of their contract due to circumstances beyond their control and an extension of time will allow them to complete their contract goals successfully. An extension may be granted to allow the family to meet the goal of being off of welfare for at least 12 consecutive months. Under no circumstance will the total duration of extensions exceed a total of two years, or a maximum of seven years from the initial contract start date.

Requirement to Seek and Maintain Suitable Employment

The FSS head of household is required to seek and maintain suitable employment throughout the term of their contract. The HACSD FSS program may require the FSS head of household to provide written verification of these activities. FSS participants whose goals include full-time employment must be working at least 32 hours per week for at least 60 days before the completion of the contract. The 32 hours per week may come from one single full-time job or two or more part-time jobs.

Participants that are self-employed must demonstrate hours and earnings equal to 32 hours per week at the current California minimum wage rate.

Employment-related goals for disabled participants will be based on their ability to work.

Program Completion

The FSS Contract of Participation will be considered complete when the family has:

1. Met the goals established in their Contract of Participation; and
2. Made advancement in their career during the time on the FSS program; and
3. Not received any kind of welfare benefit for the last 12 months of their contract.

OR

1. If the family's monthly net adjusted income is equal to or greater than the fair market rent for the unit size for which they are eligible; and

2. The family has not received any kind of welfare benefit for the last 12 months of their contract.

Program Termination

The FSS Contract of Participation will be terminated if the family's participation in the Section 8 Housing Choice Voucher program is terminated. The FSS Contract of Participation may also be terminated for non-compliance or non-participation in the FSS program. A family may voluntarily request that their FSS contract be terminated. The family's rental assistance will not be terminated for non-compliance or non-participation in the FSS program.

If a family's FSS contract is terminated (for any reason), any and all money in the family's FSS escrow account will be returned to the HACSD to be used for rental assistance for other families. The family will not be entitled to this money, nor will it be applied to any money owed to the HACSD.

Hearing requests

A hearing will be offered to the participant at the time a negative action is taken including:

- The denial of participation.
- Termination of the FSS contract.
- Forfeiture of FSS Escrow account monies.

The hearing request process will be the same as for the Housing Choice Voucher Program and is described in Chapter 13 of the Section 8 Housing Choice Voucher Administrative Plan.

Escrow Payouts

Upon successful completion of the terms of the contract, the HACSD will begin the process to pay out the balance of FSS Escrow account. If the family owes the HACSD money, the debt to the HACSD will be paid first from the escrow account and any balance remaining will be paid to the family.

A family may request an interim payout from their escrow account before they have completed their contract. Interim payouts are intended to help the participant achieve a goal that they would not otherwise be able to achieve. An interim payout will be considered if each of the following criteria are met:

1. The family makes the request in writing explaining the need for the money, the amount requested and who the check should be made payable to; and

2. The family has made demonstrable progress towards their goal; and
3. The amount requested is not more than 30% of the balance of their escrow account at the time of the request; and
4. The family can demonstrate how the money will help them meet their final goals.

A maximum of two interim payouts from the FSS escrow account will be allowed per contract term for the participating FSS family.

FSS Portability

If a family is exercising the portability option and is moving into the HACSD's jurisdiction and is a participant of the initial HA's FSS program, the family may be admitted to the HACSD's FSS program. The family must sign a new FSS contract with the HACSD; however, the original contract information and dates will be continued. The goals and activities will be re-evaluated.

If the HACSD is administering vouchers on behalf of the initial Housing Authority for families porting into the HACSD, the family will not be admitted to the HACSD's FSS Program. The family may remain with the initial agency's FSS program, if permitted. The HACSD will maintain a list of FSS families with portability vouchers that are administered for other agencies. If and when those vouchers are absorbed, the families will be contacted to see if they would like to be admitted into the HACSD's FSS program. If the family wishes to continue their FSS program, the initial Housing Authority will be contacted for a copy of the family's original FSS contract and escrow account balance. When both have been received, a new FSS contract will be executed with the family to continue the term of their original contract. If the HACSD has absorbed the voucher of a FSS family who has ported in, the family will be contacted to see if they would like to be absorbed into the HACSD's FSS program. If the family agrees, the initial Housing Authority will be contacted for a copy of the family's original FSS contract and escrow account balance. When both have been received, a new FSS contract will be executed with the family to continue the term of their original contract.

If a FSS participant wishes to port out of the HACSD jurisdiction, they may take their FSS contract with them, if certain circumstances are met:

1. The family must have been enrolled in and participating the HACSD's FSS program for at least 12 months before porting out.

AND

2. The receiving Housing Authority will absorb the family's voucher and FSS contract.

If the family decides to move before the end of the 12 months or if the receiving agency will not absorb their voucher and FSS contract, the family's FSS contract will be terminated and any escrow money will be returned to the HACSD.

AFFIRMATIVELY FURTHERING FAIR HOUSING – FSS Program

In the administration of its Family Self-Sufficiency program, the HACSD will follow the processes and procedures already established in the Section 8 Housing Choice Voucher Program Administrative Plan (Chapter 1) and:

- Market the Family Self-Sufficiency program equally to all eligible Section 8 Housing Choice Voucher families, including to persons with disabilities and to persons with limited English proficiency.
- Ensure buildings and communications that facilitate applications and service delivery are accessible to persons with disabilities.
- Provide referrals to fair housing agencies as needed or requested.
- Inform participants how to file a fair housing complaint including providing the toll-free number for the Housing Discrimination Hotline.

Records will be maintained in individual case files and in FSS Coordinator files that document participant referrals to fair housing agencies. Information on race, ethnicity, familial status, and disability status of FSS program participants and all Section 8 Housing Choice Voucher participants is kept and transmitted to HUD regularly via form HUD-50058.

MAINSTREAM VOUCHERS

The Mainstream Voucher Program involves the administration of Housing Choice Vouchers designated for disabled families (head, spouse, or sole member is disabled). The HACSD must closely monitor the families on the program and provide additional assistance to the families to enable them to obtain and retain assisted housing. In all other respects, these vouchers are administered in conformance with this Plan. The participants for this program will be selected off of the Section 8 waiting list and eligibility is contingent on the head of household, spouse or sole member being a person with disabilities.

MODERATE REHABILITATION PROGRAM

[24 CFR 882]

The HACSD administers the Section 8 Moderate Rehabilitation (Mod Rehab) Program, which is a project-based assistance program that has long-term contracts with

private rental housing owners to set aside a number of rental units for eligible low-income families. The program also, initially, provided loans to rehabilitate the rental units.

Rental assistance is paid to landlords on behalf of eligible tenants similarly to the Section 8 Rental Assistance Program, although additional assistance may be paid to landlords to assist in repayment of Mod Rehab loans provided to rehabilitate the units. The size of the program is reduced as the long-term contracts expire and are not renewed.

The Mod Rehab Program is administered in compliance with the regulations, and all discretionary activities are administered, wherever possible, in conformance with the current Section 8 Administrative Plan.

MOD REHAB WAITLIST

The HACSD administers a Mod Rehab waiting list and eligible tenants for placement in vacancies will be taken from this waiting list whenever possible. This list must be requested from the HACSD by the owner, or owner's designee, prior to the upcoming vacancy. Interest letters and surveys are mailed to the applicants whose household composition meets the vacant unit's bedroom size. Applications are reviewed by HACSD staff to ensure program compliance. If it is impossible to fill vacancies from the waiting list within the prescribed period of time, the HACSD may accept the owner's, or owner's designee's recommendation of an eligible candidate for placement on the HACSD's waiting list and for immediate eligibility processing.

VACANCY LOSS CLAIMS

The HACSD may deny vacancy loss and take action to terminate the Mod Rehab contract, if there is evidence the owner or designee is circumventing the fair and impartial process of placement of a referred waiting list candidate into the vacant unit by engaging in the following activities:

- Not contacting a waiting list candidate referred by the HACSD.
- Not being available when a waiting list referral repeatedly attempts to make contact.
- Not returning the calls of waiting list referrals.
- Refusing to show the unit or offering to show the unit at unreasonable times.
- Not having the unit cleaned, repaired, and ready to show within the prescribed time.

- Not providing applications to waiting list referrals.
- Not providing information on why applications were denied.
- Denying applications based on illegal or inequitable reasons.
- Being rude, discourteous, unpleasant and/or hostile to waiting list referrals.
- Otherwise engaging in actions or inactions that discourage an eligible waiting list referral.

Special Claims/Vacancy Loss must be in accordance with the requirements set forth elsewhere in this plan.

INFORMAL REVIEW REQUESTS

A Mod Rehab participant is not entitled to an informal review if the landlord takes action to terminate the lease. A Mod Rehab participant is entitled to an informal review if the HACSD makes the determination that the participant is no longer eligible for participation in the Mod Rehab Program in accordance with the eligibility requirements addressed elsewhere in this Plan. The participant must submit the request for an Informal Review within 14 days from the initial notice of action date.

CONFLICT OF INTEREST

The HACSD will neither approve nor accept an owner referral for placement in a vacancy if any family member is a close personal friend of the owner or the owner's designee, or if any family member is related to the owner or owner's designee by blood or marriage. These families may be placed on the Mod Rehab waiting list, but all preferences apply, and they must properly wait their turn for fair and impartial selection from the Mod Rehab waiting list.

If the HACSD determines if the owner or the owner's designee is circumventing the waitlist referral guidelines, then the following action(s) will occur:

- A warning notice will be sent to the owner and/or the owner's designee, informing them of the proper waitlist procedures.
- The HACSD will not accept future waitlist referrals from the owner and/or the owner's designee if a pattern of referral abuse has been determined.

SPECIAL HOUSING TYPES TO EXPAND AFFORDABLE HOUSING OPPORTUNITIES

The HACSD will consider requests for special housing types on a case-by-case basis. The HACSD is open to special housing types for all families, if their use will expand affordable housing opportunities. In all cases, the HACSD will authorize the use of special housing types as a reasonable accommodation to those with a disability, so that the program is readily accessible and usable.

The requested housing type must be approvable by all other HUD standards and HQS requirements in accordance with 24 CFR 982 Section M - Special Housing Types.

SINGLE ROOM OCCUPANCY

[24 CFR 982.602]

The HACSD will use a separate lease and housing assistance payment contract for each assisted person residing in a Single Room Occupancy (SRO) unit. [24 CFR 982.603]

SRO RENT AND HOUSING ASSISTANCE PAYMENT

[24 CFR 982.604]

Payment Standards

The HACSD SRO payment standard is 75 percent of the zero bedroom payment standard. For a person residing in an exception area, the payment standard is 75 percent of the HUD-approved zero bedroom exception payment standard amount. For all SRO housing, the SRO payment standard must be used to calculate the housing assistance payment.

Rent Reasonable

The rent must be rent reasonable in accordance with the rent reasonableness policies in this Plan.

Utility Allowance

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

Housing Quality Standards

The HACSD will ensure that all SRO units approved for the program are in compliance with all of the HQS for SROs as regulated in 24 CFR 982.605.

CONGREGATE HOUSING

[24 CFR 982.606]

Only elderly person(s), or a person(s) with disabilities, may reside in a congregate housing unit. Other families are not eligible for this special housing type.

The HACSD may approve a family member or live-in aide to reside with the elderly person or person with disabilities.

The HACSD will approve a live-in aide, if needed, for an elderly person, or as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

CONGREGATE HOUSING LEASE AND HAP CONTRACT

[24 CFR 982.607]

Congregate housing requires a separate lease and HAP contract for each assisted family.

The payment standard for a family that resides in a congregate housing unit is the zero-bedroom payment standard, unless the participant has a live-in aide.

However, if there are two or more rooms in the unit (not including kitchen or sanitary facilities), the payment standard for a family that resides in a congregate housing unit is the one bedroom payment standard amount.

The HACSD will approve applications for congregate housing on a case-by-case basis. The HACSD may require the names of the unassisted household members, and may not approve the application for congregate housing if it is determined the living arrangement may result in a circumvention of the program regulations, such as in the case of unassisted household members who were barred from program participation.

If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

RENT REASONABLE

The rent must be rent reasonable in accordance with the rent reasonableness policies in this Plan.

HOUSING QUALITY STANDARDS

The HACSD will ensure that all congregate housing units approved for the program are in compliance with all of the Housing Quality Standards for congregate housing as regulated in 24 CFR 982.609.

GROUP HOMES

[24 CFR 982.610, 982.612]

A group home must be licensed, certified, or otherwise approved in writing by the state, or the state's licensing department. The license or certification must specify that the group home is for elderly persons or persons with disabilities.

Elderly person(s) or a person(s) with disabilities may reside in a state-approved group home. If approved by the HACSD, a live-in aide may reside with a person with disabilities. Other persons are not eligible to reside with the participant.

The HACSD must approve a live-in aide, if needed for an elderly person or as a reasonable accommodation, so that the program is readily accessible to and usable by persons with disabilities. Except for live-in aides, all residents of a group home must be elderly persons or persons with disabilities.

The HACSD will not approve assistance for a person to live in a group home if documentation indicates that the person is in need of continual medical or nursing care.

No more than 12 persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aides.

GROUP HOME LEASE

[24 CFR 982.611]

A separate HAP contract and lease is required for each assisted person living in a group home. For a group home, the term "pro-rata portion" means the ratio derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any HACSD-approved live-in aide.

GROUP HOME RENT

[24 CFR 982.613]

The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home.

The reasonable rent for a group home is determined in accordance with CFR 982.507. In determining reasonable rent, the HACSD will consider whether sanitary facilities, and facilities for food preparation and service, are common or private.

RENT REASONABLE

The rent must be rent reasonable in accordance with the rent reasonableness policies in this Plan.

MAXIMUM SUBSIDY

The family unit size is usually one bedroom. If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

The payment standard for a person who resides in a group home is the lower of the payment standard for the family unit size, or the pro-rata portion of the payment standard amount on the HACSD payment standard schedule for the group home size.

UTILITY ALLOWANCE

The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

HOUSING QUALITY STANDARDS

The HACSD will ensure that all group home units approved for the program are in compliance with all of the Housing Quality Standards for group homes as regulated in 24 CFR 982.614.

SHARED HOUSING

[24 CFR 982.615]

OCCUPANCY

An assisted family may reside in shared housing. In shared housing, an assisted family may share a unit with another resident or residents of a unit. The unit may be a house or an apartment.

The HACSD may approve a live-in aide to reside with a family in order to care for an elderly or near elderly person, or a person with a disability. The HACSD must approve a live-in aide, if needed as a reasonable accommodation, so that the program is readily accessible to and usable by persons with disabilities.

Other persons who are assisted or not assisted under the tenant-based program may reside in a shared housing unit. The owner of a shared housing unit may reside in the unit, but may never be related to the family by blood or marriage, unless the living situation warrants a reasonable accommodation.

The HACSD will approve applications for shared housing on a case-by-case basis. The HACSD may require the names of the unassisted household members, and will not approve the application for shared housing if it is determined the living arrangement may result in a circumvention of the program regulations, such as in the case of unassisted household members who were barred from program participation for violations of the program.

A resident owner may enter into a HAP contract with the HACSD. However, housing assistance may not be paid on behalf of an owner. A live-in aide may not be an owner.

There will be a separate housing assistance payment contract and lease for each assisted family residing in a shared housing unit.

RENT AND HAP CONTRACT

For shared housing, the term "pro-rata portion" means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit. For example, for a family entitled to occupy three bedrooms in a five-bedroom unit, the ratio would be 3/5. In this case, suppose the owner rents a five-bedroom house for \$1500. The assisted family's contract rent is \$900 (3/5 of the total rent).

The rent to owner for the family may not exceed the pro-rata portion of the reasonable rent for the shared housing dwelling unit. The reasonable rent must be in accordance with the standard Section 8 regulations in this Plan.

If the family is renting a room or rooms from a resident owner, the rent for the rooms must be rent reasonable. The rents on comparable rooms for rent must be reviewed, as well as the pro-rated reasonable rent for a like unit.

MAXIMUM SUBSIDY

For a family that resides in a shared housing unit, the payment standard is the lower of the payment standard amount on the HACSD payment standard schedule, or the pro-rata portion of the payment standard amount on the HACSD payment standard for the actual shared housing unit size. For example, if the family is in three bedrooms of a five-bedroom unit, a comparison will be made of the three-bedroom payment standard vs. 3/5 of the five-bedroom payment standard. The HACSD will use as a payment standard the lower of the two.

If the HACSD approves a live-in aide, the live-in aide will be counted in determining the family unit size. The live-in aide may **never** be the owner of the assisted unit.

UTILITY ALLOWANCE

The utility allowance for an assisted family living in shared housing is the pro-rata portion of the utility allowance for the shared housing unit. For example, there are five bedrooms in the unit, the family occupies three of the five bedrooms and pays for its share of the total utilities. In this case, 3/5 of the total five-bedroom utilities would be given to the family as a utility allowance deduction.

HOUSING QUALITY STANDARDS

The HACSD will ensure that all shared housing units approved for the program are in compliance with all of the housing quality standards for shared housing as regulated in 24 CFR 982.618.

A zero or one-bedroom unit is ineligible for shared housing. The housing unit must have an adequate number of bedrooms to house both the assisted and unassisted family and the assisted family must have an adequate number of bedrooms so it is not overcrowded. Alternate sleeping areas will not be considered in shared housing.

COOPERATIVE HOUSING

[24 CFR 982.619]

The HACSD will approve a family living in cooperative housing if it is determined that assistance under the program will help maintain affordability of the cooperative unit for low-income families. The HACSD will not approve assistance for a family in cooperative housing until the HACSD has also determined that the cooperative has adopted requirements to maintain continued affordability for low-income families after transfer of a cooperative member's interest in a cooperative unit (such as a sale of the resident's share in a cooperative corporation).

The reasonable rent in cooperative housing is determined in accordance with the Section 8 regulations in this Plan. For cooperative housing, the rent to owner is the monthly carrying charge under the occupancy agreement/lease between the member and the cooperative.

The carrying charge consists of the amount assessed to the member by the cooperative for occupancy of the housing. It includes the member's share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. However, the carrying charge does not include down payments or other payments to purchase the cooperative unit, or to amortize a loan to the family for this purpose. Gross rent is the carrying charge, plus any utility.

For a cooperative, rent adjustments are applied to the carrying charge similarly to regular Section 8 rent adjustments described in the rent reasonableness section of this Plan.

The lease and other appropriate documents will stipulate that the monthly carrying charge is subject to Section 8 limitations on rent to owner. The housing assistance payment will be determined in accordance with the standard Section 8 guidelines in this Plan.

The HACSD may approve a live-in aide to reside with the family to care for an elderly or near elderly person, or person with disabilities. The HACSD will approve a live-in aide if needed as a reasonable accommodation, so that the program is readily accessible to and usable by persons with disabilities. If the HACSD approves a live-in aide, the live-in aide will be counted when determining the family unit size.

HOUSING QUALITY STANDARDS

The HACSD will ensure that all cooperative housing units approved for the program are in compliance with all of the Housing Quality Standards outlined in the "Housing Quality Standards and Inspections" chapter, and regulated by 24 CFR 982.401.

MANUFACTURED HOMES

[24 CFR 982.620]

The HACSD will permit a family to lease a manufactured home and space with assistance under the program just as a house or apartment may be leased. The HACSD will provide assistance for a family that owns the manufactured home and leases only the space.

The HACSD may approve a live-in aide to reside with a family to care for an elderly or near elderly person, or a person with disabilities. The HACSD will approve a live-in aide if needed as a reasonable accommodation, so the program is accessible to and usable by persons with disabilities. If the HACSD approves a live-in aide, the live-in aide must be counted when determining the family unit size. A live-in aide may **never** be an owner of the manufactured home or the park.

HOUSING QUALITY STANDARDS

[24 CFR 982.621]

A manufactured home must meet all the HQS requirements outlined in the Housing Quality Standards and Inspections section of this Plan and regulated by 24 CFR 982.401. In addition the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage.

The HACSD has a HUD waiver of the tie-down requirement for manufactured homes.

MANUFACTURED HOME SPACE RENTAL

[24 CFR 982.622]

Rent to owner for a manufactured home space will include payment for maintenance services the owner must provide to the tenant under the lease for the space.

Rent to owner does not include the cost of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

REASONABLE RENT

During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined by the HACSD.

The HACSD will not approve a lease for a manufactured home space until the HACSD has determined that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, the HACSD will re-determine that the rent is reasonable.

The HACSD will determine whether the rent to the owner for a manufactured home space is a reasonable rent in comparison to rents for other comparable manufactured home spaces. The HACSD will consider the size and location of the space and any services and maintenance provided by the owner in accordance with the lease. The HACSD will evaluate reasonable rent annually whether the rent has increased or not.

By accepting each monthly housing assistance payment from the HACSD, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park, or elsewhere. If requested by the HACSD, the owner must provide the HACSD information on rents for other manufactured home spaces.

PAYMENT STANDARD

There is a separate fair market rent (FMR) for a family renting a manufactured home space. The payment standard, based on the FMR, is used to calculate the monthly housing assistance payment for a family. While the FMR for a manufactured home space rent is generally 40 percent of the published two-bedroom FMR, historically, the San Diego County region has been awarded a higher FMR for space rent than the standard formula.

SUBSIDY CALCULATION

During the term of a voucher tenancy, the amount of the monthly housing assistance payment for a family will equal the lesser of:

The payment standard minus the total tenant payment; or

The gross rent for rental of the real property on which the manufactured home owned by the family is located (the space rent), minus the total tenant payment.

The space rent is the sum of the following as determined by the HACSD:

Rent to owner for the manufactured home space;

Owner maintenance and management charges for the space;

The utility allowance for tenant-paid utilities.

UTILITY ALLOWANCE SCHEDULE FOR MANUFACTURED HOME SPACE RENTAL

[24 CFR 982.624]

The HACSD will establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowances will include a reasonable amount for utility hook-up charges payable by the family, if the family actually incurs the expenses because of a move.

Allowances for utility hook-up charges do not apply to a family that leases a manufactured home space in place.

Utility allowances for manufactured home space will not be applied to cover the costs of digging a well or installation of a septic system. The HACSD has adopted separate utility allowances for water, sewer and trash, but other utilities are the same for manufactured homes as for other housing types of the same size.

HOMEOWNERSHIP

[24 CFR 982.625]

GENERAL

The HACSD Housing Choice Voucher Homeownership Program is designed to expand homeownership opportunities for voucher participants. This program will assist HCV participants as they transition from rental assistance to homeownership using their voucher assistance. The HACSD has adopted the homeownership option, although it may not be readily workable given the high cost of housing within the HACSD jurisdiction. The Homeownership Program will be administered as follows:

- The HCV Homeownership Program is available to voucher holders who meet the minimum qualifications set forth in this plan and who have the ability to independently secure a mortgage loan. Co-signers are not allowed. The number of participants served through the HCV Homeownership program is currently limited to the parameters set forth in the HACSD Agency Plan.

- The HACSD must approve a live-in aide, if needed, as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities, and/or are elderly or near elderly.
- The HACSD may limit homeownership to a maximum number of searching families at any time, reduce the program size, or suspend the program.
- The HACSD may provide homeownership assistance in the form of monthly payments, or as a downpayment assistance grant. The HACSD will offer the form of assistance it determines to be the most beneficial to the family.
- A family that includes a person who was an adult member of a family that previously received either form of homeownership assistance may not receive any other form of assistance from the HACSD.
- The HACSD will offer homeownership assistance only to those families who qualify under the guidelines, policies and regulations stated in this chapter.

ELIGIBILITY REQUIREMENTS

[24 CFR 982.627]

The family must meet all of the requirements listed below before the commencement of homeownership assistance.

- The family must be receiving rental assistance through the HACSD's Housing Choice Voucher program for the last 12 months.
- The family must qualify as a first-time homeowner, or be a cooperative member.
- The family must provide seasoned asset verification of a minimum of \$1,000 in a savings account. The term "seasoned asset" is defined as having been in the savings account for a year or longer.
- The PHA has established a minimum income requirement based on the most recent County Median Income figures. To meet the gross Annual Earned Income requirement, the family must earn at least 50 percent of the current County Median Income for the family's size. The family may contact the HCV Homeownership Program Coordinator for the most recent County Median Income figures.

- In the case that the family meets the federal minimum income requirement, the adult family members who will own the home must have a gross non-welfare annual income equal to the federal minimum wage multiplied by 2000. Unless the family is elderly or disabled, income from welfare assistance will not be counted toward this requirement.
- The family must meet the federal minimum employment requirement.

At least one adult family member who will be on the mortgage document to own the home must be currently employed full-time (no less than 30 hours per week), and must have continuous employment for a period of no less than 12 months prior to the application of the HCV Homeownership Program.

HUD regulations define "full time employment" as not less than an average of 30 hours per week.

Part-time employment by both parties, totaling over 30 hours per week, does not constitute full-time employment by either party.

The applicant head of household, spouse or adult on the mortgage document must remain continuously employed (no less than 30 hours per week) while participating in the program.

A family member will be considered to have been continuously employed even if that family member has experienced a break in employment, provided that the break in employment:

- Did not occur within the last nine-month period immediately prior to the family's request to utilize the homeownership option;
- Did not last more than four weeks; or,

- Has been the only break in employment within the past 12 calendar months.

HACSD has the discretion to interpret small gaps in employment. Permissible gaps can only occur if loss of employment resulted from measures beyond the employee's control (layoff, medical emergency); and did not result in an employment gap of more than four consecutive weeks.

Documentation of the initial employment requirement for the HCV Homeownership program will be completed using the *Employment Verification Form*. All verifications will be completed via EIV, third-party written or oral communication with the applicant's employer. Annual documentation of the full-time employment requirement will be completed at the annual reexamination.

Lenders may have separate requirements, and may further require participants to demonstrate a history of full-time, continuous employment of no less than 24 months at 40 hours per week.

The federal minimum employment requirement does not apply to elderly or disabled families who must meet the minimum income requirement of the current monthly Supplemental Security Income benefit multiplied by 12.

Welfare assistance payments for adult family members who will own the home will be included in the determination of the minimum income requirement in the case of families with an elderly or disabled head, spouse or sole member.

Families meeting the HUD federal minimum income requirement must nevertheless be considered to meet the PHA income requirement if:

- The family meets the applicable HUD standards; and
- The family demonstrates that the family has been pre-approved or pre-qualified for financing in an amount sufficient to purchase decent, safe and sanitary housing of modest design in the PHA's jurisdiction.

The pre-approved or pre-qualified financing must further meet any PHA requirements for financing in general, including the qualifications of the lender and the terms of the loan.

- Any family member who has previously defaulted on a mortgage obtained through the homeownership option is barred from receiving future homeownership assistance.
- An applicant must be in good standing with their landlord and HACSD with regard to their family obligations and contracts.

The family must satisfy the prerequisite of being in "good standing" prior to receiving a Certificate of Eligibility for the homeownership program. For the purposes of the homeownership program, "good standing" is defined as meeting all of the conditions prior to and during the homeownership shopping period, as outlined below.

A landlord reference(s) indicating that during the prior year the family has an uninterrupted record of paying monthly rent in full and on time, and satisfactorily meets all other lease obligations as documented on the *Homeownership Landlord Reference* form. All verifications will be completed via third-party written or oral communication with the applicant's landlord.

The HACSD will impose the following additional initial requirements:

- The family has no family-caused violations of HUD's housing quality standards within the last year.
- The family is not within the initial term of the lease.
- The family does not owe money to the HACSD.
- The family has not committed any serious or repeated violations of a HACSD-assisted lease within five years.
- The family has not had any arrests for violent or drug-related criminal activities over the last five years.

RANKING PREFERENCES

When there are program vacancies, program participants will be recruited from the HACSD's Family Self-Sufficiency Program. Other preference groups will not be actively solicited, but will be mailed an application to the program's waiting list upon request. Candidates who receive top ranking will be those who have the largest amount of non-committed seasoned savings to apply toward down payment and closing costs.

Program participation will be offered to eligible candidates in the following priority order, with date and time of application to the program's waiting list to be the deciding factor among priority groups:

- (1) Family Self-Sufficiency (FSS) program participants who have not yet received FSS escrow account full payout or who had received FSS escrow account payout within 30 days of the date they completed the Qualification Questionnaire.
- (2) Section 8 program participants displaced from an assisted rental unit that is undergoing a condominium conversion, are pre-qualified for a loan to

purchase their units, and who meet the Homeownership Program requirements are eligible for participation.

- (3) Portability Homeownership participants who were found eligible for the Section 8 Homeownership program at the initial agency and the initial agency certifies they are porting as Homeownership participants and not porting for rental assistance.
- (4) A family with a person with disabilities that has been pre-qualified for a loan and identified a property in the jurisdiction of the HACSD that the family has sufficient resources to purchase.
- (5) Housing Choice Voucher program participants who will graduate from a training or educational course within the next six months and expect their annual earnings to increase within the next year. Candidates who receive top ranking will be those who have the largest amount of money to apply toward down payment and closing costs, and then by those who have the highest annual income.
- (6) Other Housing Choice Voucher program participants who are pre-qualified for the purchase of a residence and have identified an eligible residence.
- (7) Other Housing Choice Voucher program participants.

HOMEOWNERSHIP COUNSELING REQUIREMENTS

[24 CFR 982.630]

When the family has been determined eligible, it must attend and satisfactorily complete homeownership counseling sessions. HACSD staff or another counseling service will hold the counseling sessions. Such counseling shall be consistent with HUD-approved housing counseling.

The following topics will be included in the homeownership counseling sessions:

- Home maintenance (including care of the grounds).
- Budgeting and money management.
- Credit counseling.
- How to negotiate the purchase price of a home.
- How to obtain homeownership financing and loan approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing.
- How to find a home, including information about homeownership opportunities, schools, and transportation in the HACSD jurisdiction.

- The advantages to purchasing a home in an area that does not have a high concentration of low-income families, and how to locate homes in such areas.
- How to identify and avoid loans with oppressive terms and conditions.

ELIGIBLE UNITS

[24 CFR 982.628]

Eligible homes must be located within the respective geographic boundaries that govern the HACSD's HCV rental program.

A family approved for homeownership assistance may purchase the following type of homes:

A new or existing home;

A one-unit property or a single-family home;

A condominium;

A home in a planned-use development, a cooperative, a loft or live/work unit; or

A manufactured home, if situated on a privately-owned lot or on a leased pad in a mobile home park.

If the family does not own fee title to the real property on which the home is located, the family must have the right to occupy the site for a period of at least forty (40) years and the home must have a permanent foundation.

A unit can be under construction at the time a family enters into the contract of sale. A unit is considered to be "under construction" if the footers have been poured. The PHA will not commence Housing Assistance Payments until the unit has satisfactorily passed an HQS and an independent inspection (performed by an independent inspector designated by the family), and meets all other program requirements.

The unit may not be any of the following:

A public housing or Indian housing unit;

A unit receiving Section 8 project-based assistance;

A nursing home, board and care home;

A facility providing continual psychiatric, medical or nursing services;

A college or other school dormitory;

A penal, reformatory, medical, mental, or similar public or private institution;

A manufactured home in a park, with the exception noted above.

The HACSD must not approve the seller of the unit, if the HACSD has been informed that the seller is debarred, suspended, or subject to a limited denial of participation. The HACSD may disapprove the seller for any reason provided for disapproval of an owner in the voucher program.

HACSD SEARCH AND PURCHASE REQUIREMENTS

[24 CFR 982.629]

The HACSD has established the maximum time that will be allowed for a family to locate and purchase a home. The HACSD may, at its discretion, allow a reasonable extension of the maximum time, if requested in writing with justification.

The family's deadline date for locating a home to purchase will be 210 calendar days from the date the family's eligibility for the homeownership option is determined.

The family must obtain financing for the home within 120 calendar days of the date the home was located.

The family must purchase the home within 270 calendar days of the date the home was located.

The HACSD will not require periodic reports on the family's progress in finding and purchasing a home.

If the family is unable to purchase a home within 600 days from the date the family's eligibility was determined, the HACSD will place the family's name on the voucher waiting list at the bottom. The HACSD may extend the deadlines for locating and purchasing a home upon request.

INSPECTION AND CONTRACT

[24 CFR 982.631]

The unit must meet HQS, and must also be inspected by an independent professional inspector selected and paid by the family.

The independent inspection must cover major building systems and components. The inspector must be qualified to identify physical defects and report on property

conditions, including major building systems and components. These systems and components include, but are not limited to:

Foundation and structure;

Housing interior and exterior;

Roofing;

Plumbing, electrical and heating systems.

The independent inspector must not be a HACSD employee or contractor. The HACSD will not require the family to use an independent inspector selected by the HACSD, but the inspector selected must hold credentials required by the lending industry.

Copies of the independent inspection report will be provided to the family and the HACSD. Based on the information in this report, the family and the HACSD will determine whether any pre-purchase repairs are necessary.

The HACSD may disapprove the unit for homeownership assistance based on information in the report.

The family must enter into a contract of sale with the seller of the unit. A copy of the contract must be given to the HACSD. The contract of sale must specify the price and terms of sale, and provide that the purchaser will arrange for a pre-purchase independent inspection of the home. The contract must also state the following contingencies, as there are **NO EXCEPTIONS**:

- State the purchaser is not obligated to buy the unit unless the inspection is satisfactory.
- State the purchaser is not obligated to pay for necessary repairs.
- Contain the seller's certification that he or she has not been debarred, suspended or subject to a limited denial of participation.

FINANCING

[24 CFR 982.632]

The family is responsible for securing financing. The HACSD has established financing requirements, listed below, and may disapprove proposed financing if the HACSD determines that the debt is unaffordable. Co-signers are not allowed.

The HACSD will, on the primary loan, prohibit the following forms of financing:

- Principal and interest payment increases (e.g., interest-only payment or at the beginning of the loan)
- Balloon payment mortgages
- Variable interest rate loans
- Adjustable interest rate loans

The above restrictions do not apply to secondary financing offered through first-time homebuyer closing costs and down payment assistance programs.

The HACSD requires a minimum cash down payment of one percent (1%) of the purchase price to be paid from the family's **own seasoned savings**. The total down payment must be at least three percent (3%) of the purchase price. The 2% requirement is satisfied by receiving funds through first-time homebuyer down payment assistance programs, **as long as repayment is forgiven or deferred**.

Closing costs must be reasonable when compared to the standard industry practices of major reputable lenders backed by FannieMae or FreddieMac.

A participating homeownership family may not refinance for an amount greater than the current loan balance, and the new loan is subject to the above restrictions.

DOWNPAYMENT ASSISTANCE GRANTS

[24 CFR 982.643]

The HACSD may not offer the down payment assistance grant option until HUD publishes a notice in the Federal Register announcing that appropriated funds are available.

The HACSD may provide the alternate mutually exclusive option of a single down payment assistance grant for an eligible homeownership participant. The family that is given this option is no longer eligible for rental assistance, once this option is utilized.

Most of the regulations governing monthly homeownership assistance apply to down payment assistance grants. However, families receiving these grants are not subject to the regulations concerning continued assistance, family obligations, the maximum term of assistance, amount and distribution of payments, or moves with continued assistance.

Eligibility for down payment assistance is limited to current participants in the voucher program. The maximum down payment assistance grant is the HACSD's payment standard, minus the TTP, multiplied by 12.

Down payment assistance must be applied to the down payment for the purchase of the home. The HACSD may allow the grant to be applied to reasonable and customary closing costs as defined by the HACSD and based on standard industry lending practices. The closing costs on an FHA loan are subject to FHA requirements.

The down payment assistance grant may be applied to the down payment for the home and the following closing costs:

- Loan origination fees
- Credit report fees
- Escrow fees
- Title insurance fees
- Recording fees
- Appraisal reports

The down payment assistance grant shall be paid at the closing of a purchase of a home.

For each down payment assistance grant, HUD will pay the HACSD a one-time administrative fee equal to six months of ongoing regular administrative fees under the voucher program.

A family that had received a down payment assistance grant may apply to the waiting list and receive tenant-based rental assistance, in accordance with program requirements and PHA policies. However, the HACSD may not commence tenant-based rental assistance so long as any member of the family owns any title or other interest in the home purchased with homeownership assistance. Further, 18 months must have passed since the family's receipt of the down payment assistance grant.

CONTINUED ASSISTANCE

[24 CFR 982.633]

Homeownership assistance will only be paid while the family is residing in the home. The family or lender is not required to refund homeownership assistance for the month when the family moves out.

Continuous Reporting Requirements

A family must disclose all changes in income within fourteen (14) business days of the change and at the annual reexamination. Failure to disclose or accurately report changes will jeopardize a family's continued participation in this program. A family may not add an adult household member without prior HACSD approval. HACSD will deny admission to any individual who would otherwise not qualify for admission to the program due to criminal history, drug-related history, or registry on a sex-offender list.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.
- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to CFR 982.551 (h) and (i).
- The family must provide required information regarding income and family composition in order to correctly calculate the total tenant payment (TTP) and homeownership assistance, consistent with the HCV requirements as specified in CFR 982.551(b), and any other information requested by HACSD or HUD concerning financing or refinancing, the sale or transfer of any interest in the home, or the family's homeownership expenses.
- The family must notify the HACSD before moving out of the home.
- The family must notify the HACSD if the family defaults on the mortgage used to purchase the home.
- No family member may have any ownership interest in any other residential property.

The payment standard will be increased when the applicable payment standard increases, but the payment standard will never be less than the payment standard at the time of home purchase.

Families are subject to annual and interim examinations in accordance with the policies elsewhere in this Plan. The limitations on household additions do not apply.

No annual HQS inspections are conducted. The family agrees to maintain the condition of the home to comply with the minimum HUD Housing Quality Standards (HQS). HACSD reserves the right to conduct interim HQS inspections before

continuing to provide yearly homeownership assistance. HACSD may exercise this option if it has reason to believe the home would no longer meet HQS standards, or has reason to believe that unauthorized individuals are living in the household.

A PHA inspection is required if the PHA has granted as a reasonable accommodation an additional bedroom size for medical equipment or for a live-in aide. The inspection is to verify that the additional bedroom is being used for its intended purpose. If the extra bedroom is not being used for the intended purpose, the PHA must reduce the subsidy standard and corresponding payment standard at the family's next annual recertification. Special HQS inspections may be conducted if there is information indicating the unit is violating HQS.

Before commencement of homeownership assistance, the family must execute a statement in which the family agrees to comply with all family obligations under the homeownership option.

Continuous Employment Obligations

- The applicant head of household or spouse must remain continuously employed (no less than 30 hours per week) while participating in the program.
- Part-time employment by both parties, totaling over 30 hours per week, does not constitute full-time employment by either party.

For continued eligibility purposes, continuous employment is defined two ways:

Continuous employment by the head, spouse or co-head defined as full-time employment (average of 30 hours per week) with no gap in employment lasting more than four weeks total (30 hours x 48 weeks = 1,440 hours).

Or, earned income received by the head, spouse or co-head during the past year greater than the state minimum wage times 1560 hours.

The employment requirement is not applicable to elderly families or those whose head or co-head of household, spouse or sole member experience permanent disability.

Guests and Changes in Family Composition

All changes in family composition must be reported to the Housing Program Specialist. All new family members must be approved as eligible residents before moving into the residence.

Family guests are permitted for a period not to exceed 30 days in any calendar year. HACSD may consider persons who exceed the 30 day occupancy limit, or who use the residence as a personal mailing address, unauthorized family members. The family may be in violation of their family obligations and HACSD may take appropriate action up to and including termination of assistance.

MAXIMUM TERM OF HOMEOWNERSHIP ASSISTANCE

[24 CFR 982.634]

Except in the case of elderly or disabled families, the maximum term of homeownership assistance is:

- Fifteen years, if the initial mortgage term is 20 years or longer; or
- Ten years in all other cases.

The elderly exception only applies if the family is qualified as elderly at the start of homeownership assistance. The disabled exception applies if, at any time during receipt of homeownership assistance, the family qualifies as disabled.

If the family ceases to qualify as elderly or disabled during the course of homeownership assistance, the maximum term becomes applicable from the date assistance commenced. However, such a family must be afforded at least six months of homeownership assistance after the maximum term becomes applicable.

Upon the death of a family member who holds, in whole or in part, title to the home, homeownership assistance may continue, pending settlement of the decedent's estate. The home must be solely occupied by remaining family members in accordance with 24 CFR 982.551(h).

For a non-elderly/non-disabled family, the total homeownership assistance received by a family, whether on different homes or through different public housing agencies, cannot exceed the eligible term of assistance based on the of the initial mortgage loan.

HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES

[24 CFR 982.635]

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, the HACSD will use the same payment standard schedule, payment standard amounts, utilities,

and subsidy standards as for its Section 8 Rental Assistance Program. However, the payment standard may never be below the payment standard applicable at the time of home purchase.

The HACSD will pay the homeownership assistance payment directly to the lender.

Some homeownership expenses are allowances or standards determined by the HACSD in accordance with HUD regulations. These allowances are used in determining expenses for all homeownership families and are not based on the condition of the home.

Homeownership expenses include:

- Principal and interest on mortgage debt.
- Maintenance and major repairs expenses calculated at \$1 per square foot of the residence. For example, annual maintenance expenses for a 1500 square foot home would be \$1500.
- Mortgage insurance premium.
- Taxes and insurance.
- The HACSD utility allowance used for the voucher program.
- If the home is a cooperative or condominium, expenses also include operating expenses or maintenance fees assessed by the homeowners' association.

Annual expenses are calculated and then divided by 12 to calculate monthly homeownership expenses.

Participation in the HCV Homeownership Program shall continue until such time as the assistance payment amounts to zero for a period of 180 consecutive days. At that time the family will no longer be eligible and the HAP will be terminated. However, should the family go to zero HAP for 180 consecutive days, the HACSD reserves the right to extend the period past 180 days, should there be documented extenuating circumstances for an extension to the time period. Such documented extenuating circumstances include but are not limited to:

- Death in the family;
- Loss of employment or income due to no fault of the family;
- Documentation of a medical or financial hardship beyond the control of the family for a member of the assisted household.

After receipt of verification, the HACSD may reinstate the family into the program subject to available funding and other program requirements.

PORTABILITY

[24 CFR 982.636, 982.353(b) and (c), 982.552, 982.553]

Subject to the restrictions on portability included in HUD regulations and this Plan, the family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families.

The receiving PHA may absorb the family into its voucher program, or bill the initial PHA. The receiving PHA arranges for housing counseling and the receiving PHA's homeownership policies apply.

The HACSD will accept incoming portables into its Homeownership Program, so long as they are identified as Homeownership participants by the initial PHA and they are porting for the sole purpose of home purchase.

MOVING WITH CONTINUED ASSISTANCE

[24 CFR 982.637]

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance. Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home.

The HACSD will deny permission to move with continued rental or homeownership assistance, if the HACSD determines that it does not have sufficient funding to provide continued assistance.

The HACSD will require the family to complete additional homeownership counseling prior to moving to a new unit with continued assistance under the homeownership option.

DENIAL OR TERMINATION OF ASSISTANCE

[24 CFR 982.638]

Termination of homeownership assistance is governed by the policies for the Housing Choice Voucher program contained in this Plan. However, the provisions of CFR 982.551 (c) through (j) are not applicable to homeownership. The provisions not applicable are:

(c) HQS Breach caused by the family;

(d) Allowing PHA inspection;

- (e) Violation of the Lease;
- (f) Family notice of move or lease termination;
- (g) Owner eviction notice;
- (h) Use and occupancy of the unit;
- (i) Absence from unit;
- (j) Interest in unit.

The HACSD will terminate homeownership assistance if the family is dispossessed from the home due to a judgment or order of foreclosure due to family defaults on the mortgage.

The HACSD will permit such a family to move with continued voucher rental assistance. However, rental assistance will be denied if the family defaulted on an FHA-insured mortgage, and the HACSD will not permit such a family to move with voucher rental assistance if the family fails to demonstrate that:

- The family conveyed title to the home as required by HUD; and
- The family moved within the period required by HUD.

The HACSD will terminate homeownership assistance if the family violates any of the family obligations contained in this section, this Plan, or the regulations.

The HACSD will terminate homeownership assistance if the family violates any of the following family/homeowner obligations:

- Transfer or conveyance of ownership of the home;
- Providing requested information to the HACSD or HUD;
- Notifying the HACSD before moving out of the home;
- Refusal to meet continuous work requirement.

The HACSD may terminate a working family's homeownership assistance based on a willful refusal to adhere to, or properly document, the full-time employment requirement.

RECAPTURE OF HOMEOWNERSHIP ASSISTANCE

[24 CFR 982.640]

HACSD will not recapture the Homeownership Voucher payments unless there was an act of fraud or misrepresentation of a material fact in order to obtain a benefit. The HCV Homeownership recapture provision does not apply to any other program funds that may be used in the transaction.

PROJECT-BASED HOUSING CHOICE VOUCHERS

[24 CFR 983]

GENERAL PROVISIONS

The project-based component of the Housing Choice Voucher (HCV) Program allows rental assistance to be attached to a specific unit and/or project instead of to a particular eligible assisted family. The project may be owned by any individual, corporation, trust, partnership, non-profit entity, as well as by the Housing Authority of the County of San Diego (HACSD), excluding those sanctioned from participation.

HACSD may allocate, for a term to be identified by HACSD and in accordance with all current applicable guidelines and regulations, up to 250 Housing Choice Vouchers through the Section 8 Project-Based Housing Choice Voucher Program. HACSD may issue project-based vouchers in limited increments and in a manner consistent with a varied geographical distribution. These increments will be targeted to special needs populations within the HACSD jurisdiction as defined in the County of San Diego Consortium 2011-2015 Consolidated Plan.

EXCEPTIONS TO THE OCCUPANCY CAP

[24 CFR 983.261, FR Notice 11/24/08]

The PHA may not pay housing assistance under a PBV HAP contract for more than 25 percent of the number of dwelling units in a project [24 CFR 983.56] unless the units are:

- In a single-family building;
- Specifically made available for elderly or disabled families; or
- Specifically made available for families receiving supportive services as defined by the PHA. At least one member must be receiving at least one qualifying supportive service.

If a family at the time of initial tenancy is receiving and while the resident of an excepted unit has received Family Self-Sufficiency (FSS) supportive services or any other service as defined as defined by the PHA and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit.

A family (or remaining members of a family) residing in an excepted unit that no longer meets the criteria for a "qualifying family" in connection with the 25 percent per project cap exception (e.g., the family does not successfully complete supportive services requirements; or, due to a change in family composition, the family is no longer elderly or disabled), must vacate the unit within a reasonable period of time established by the PHA, and the PHA must cease paying housing assistance payments on behalf of the non-qualifying family.

If the family fails to vacate the unit within the established time, the unit must be removed from the HAP contract unless the project is partially assisted, and it is possible for the HAP contract to be amended to substitute a different unit in the building in accordance with program requirements; or the owner terminates the lease and evicts the family. The housing assistance payments for a family residing in an excepted unit that is not in compliance with its family obligations to comply with supportive services requirements must be terminated by the PHA.

NON-COMPLIANCE WITH SUPPORTIVE SERVICES REQUIREMENT

[24 CFR 983.257(c), FR Notice 11/24/08]

If a family is living in a project-based unit that is excepted from the 25 percent per project cap on project-basing because of participation in a supportive services program (e.g., Family Self-Sufficiency), and the family fails to complete its supportive services requirement without good cause, such failure is grounds for lease termination by the owner.

HACSD's goal is to utilize project-based vouchers to address the specific housing needs of special needs populations in conjunction with available supportive services. This is consistent with HACSD's objective of expanding housing opportunities for low-income households.

PROJECT SELECTION PROCESS

The HACSD may advertise the release of a competitive application soliciting proposals from owners/developers of affordable rental housing developments who are interested in receiving project-based Section 8 vouchers. This application will be announced via the HACSD website, in publications of general circulation, and via HACSD's industry partner organizations.

In accordance with program regulations, the HACSD may also engage in non-competitive selection of proposals for project-based vouchers for projects which have previously received assistance under a federal, state, or local government housing assistance, community development, or supportive services program that requires

competitive selection (e.g., HOME, or properties which have received competitively awarded Low-Income Housing Tax Credits). To be eligible, these projects must have been selected in accordance with such program's competitive selection requirements within three years of HACSD's project-based voucher proposal selection date and the prior competitive selection proposal must not have included any consideration that the project would receive any project-based voucher allocation.

Of importance to HACSD in reviewing project-based applications is:

- The extent to which the project contributes to the geographic distribution of affordable housing throughout the County of San Diego, promotes de-concentration of poverty, and furthers fair housing objectives;
- The project's ability to demonstrate local community support;
- The extent to which special needs populations will be served and the level of corresponding supportive services.

Further description of HACSD project-based voucher application criteria will be included in any public notification or application released. These vouchers will be allocated in accordance with all current and applicable guidelines and programmatic regulations.

All projects are subject to an environmental review under the National Environmental Policy Act or are subject to a determination of being exempt or excluded from the requirements of the Act. Projects applying for project-based vouchers may also be subject to a subsidy layering review.

PROGRAM ADMINISTRATION

Inspection of the Projects and Units

In order to ensure that the projects meet the appropriate level of Housing Quality Standards (HQS), the project must be inspected for conformance with Section 8 HQS prior to the execution of the Project-Based Voucher Contract (the Contract) with the project owner or designee.

Corrections to HACSD identified deficiencies, including those noted on either the housing quality standards or the independent inspection, must be completed prior to execution of the contract.

Individual units must be inspected by HACSD prior to approval of a tenant lease and the commencement of project-based assistance for that unit.

An annual random inspection of the units must take place in accordance with all current and applicable program regulations.

Maintenance of projects

Project must be maintained in conformance with Section 8 (HQS).

Occupants of assisted units may be required to make repairs to correct violations in HQS that were caused by tenant abuse or neglect.

Project must be in compliance with all relevant federal, state and local laws, as well as all zoning and other regulatory requirements. Taxes, fees, assessments, insurance, mortgages, or any other debts related to the projects must be kept current. The project must be maintained in accordance with the provisions of the contract. Project owners must take prompt action against residents engaging in illegal activities on the premises.

The Contract will be a HUD standard contract, if available. If not available, the Contract will be based on contracts currently in use by other public housing agencies, and must include the following:

- The Contract must state the remedies for non-compliance with the contract.
- The Contract must state the term.
- The Contract must contain provisions for termination by either party.
- The Contract must allow for termination by the HACSD if funding becomes unavailable.
- The Contract must state the duties and responsibilities of all parties.
- The Contract must state that the owner may request a rent adjustment once a year unless extraordinary additional expenses warrant a special rent adjustment.
- The Contract will not provide for vacancy payments to the owner.
- The Contract may be renewed at HACSD discretion, for terms as outlined in the application or public notification and in accordance with all current and applicable program regulations.

Waiting List

Separate waiting lists may be maintained for project-based assistance.

In-place tenants will be given an absolute preference for selection off of the HACSD's waiting list for the project. A preference may be given for services offered at a particular project and a preference may be given to persons with disabilities whose disabilities significantly interfere with their ability to obtain and maintain themselves in housing; who, without such services will not in the future be able to maintain themselves in housing; and for whom such services cannot be provided in a non-segregated community. Disabled residents cannot be required to accept the services being offered. The project may be advertised as being for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from the services being offered.

If the HACSD determines a need for separate waiting lists, all those on the regular Section 8 waiting list will be notified and given the opportunity to place their names on the project-based waiting lists. Families will be selected off the waiting list in accordance with HACSD-established selection preferences. Families selected off the waiting list will be processed for eligibility in conformance with the regulations and the HACSD Section 8 Administrative Plan.

Families must meet income targeting guidelines in place at the time of selection off the waiting list. Families denied admission to the project will be returned to the waiting list, if eligible, with the appropriate selection preferences and original date and time of application.

Assistance

Assistance will be paid on behalf of eligible families in eligible project-based units. Assistance will be the difference between 30% of the family's monthly-adjusted income and the lower of either the gross rent or the applicable payment standard.

A Project owner cannot be the spouse of an assisted family member or a relative, as defined under the regulations for the HCV Program.

Initial, Annual and Ongoing Activities

All Families:

Annual eligibility determination will be made of all families in units receiving project-based assistance.

Annual review will be made of the progress families are achieving in meeting educational, job training, and/or employment goals established at the time of initial eligibility.

An annual random inspection of the units must take place in accordance with all current and applicable program regulations.

All activities, unless indicated otherwise, or superseded by the regulations, will be in conformance with the Section 8 Administrative Plan.

Families may request tenant-based Housing Choice Vouchers after one year from the date that the lease is fully executed. At that time, the next available tenant-based Housing Choice Vouchers or other assistance, such as HOME tenant-based rental assistance, will be offered to eligible families.

In cases where, after initial tenancy, the family is occupying a wrong-sized unit or a unit that has accessibility features not required by the family and the unit is needed by a family that requires this accessibility feature, the HACSD will promptly notify the owner and the family of this determination and offer continued assistance:

- In another appropriate-size unit (in the same building or in another building);
- In other project-based housing assistance;
- In tenant-based assistance under the voucher program;
- In other comparable public or private tenant-based assistance.

Rent adjustments to the owner may be processed once a year, provided the new rent is rent reasonable and the owner gives at least a 60-day advance notice to the tenant(s) and the HACSD. No special rent adjustments will be allowed.

SPECIAL CLAIMS

Some HACSD programs, such as Moderate Rehabilitation (Mod Rehab), may in some instances allow owners to make "special claims" for damages, unpaid rent, and vacancy loss. Except for project-based assistance, the Housing Choice Voucher Program does not have a "special claims" provision.

Owner claims for payment for unpaid rent, damages, or vacancy loss will be reviewed for accuracy and completeness and compared with records in the file. The HACSD establishes standards by which to evaluate claims, but the burden of proof rests with the owner.

If vacancy loss is claimed, the HACSD will ascertain whether or not the family gave proper notice of its intent to move. The file will also be reviewed to verify owner compliance at the time the contract was terminated.

The HACSD will pay properly filed claims to the owner as a function of the contract, but the tenant is ultimately responsible to reimburse the HACSD for claims paid to the owner.

UNPAID RENT

Unpaid rent only applies to the tenant's portion of rent while the tenant is in residence under the assisted lease. It does not include the tenant's obligation for rent beyond the termination date of the HAP contract.

Separate agreements are not considered a tenant obligation under the lease and the HACSD will not reimburse the owner for any claims under these agreements.

VACANCY LOSS

In some special programs, vacancy loss is paid if the move was in violation of the notice requirements in the lease, or the result of an eviction. However, project-based Housing Choice Vouchers have vacancy loss provisions unique to the individual contracts with the owners.

In order to claim vacancy loss, the unit must be available for lease and the landlord must:

- Notify the HACSD within 48 hours, excluding weekends and holidays, upon learning of the vacancy, or prospective vacancy; and

- Pursue all possible activities to fill the vacancy, including, but not limited to:

- Contacting applicants on the owner's waiting list, if any;

- Seeking eligible applicants by listing the unit with the HACSD;

- Advertising the availability of the unit; and

- Not rejecting potentially eligible applicants except for good cause.

In the event that a unit becomes vacant because of the death of the tenant, the HACSD will permit the owner to keep the HAP for the month in which the tenant died.

If the tenant moves *after* the date given on their notice of intent to vacate, the landlord may claim vacancy loss by providing acceptable documentation that there was a bona fide prospective tenant to whom the unit could have been rented.

To ensure valid claim processing, the HACSD will conduct a thorough move-in inspection noting "conditions" as well as HQS deficiencies, take pictures of questionable items, and send a report of all items to the owner and tenant.

MOVE-OUT AND CLOSE-OUT INSPECTIONS

The Housing Choice Voucher Program has no damage claim provision.

For older voucher contracts and other special programs that have a damage claim provision, the owner must notify the HACSD of the move-out and request an inspection within 48 hours of becoming aware of the damages. Otherwise, the owner cannot submit a claim for damages. If the contract was terminated due to owner breach, or the owner was in violation of the contract at the time that it was terminated, there will be no entitlement to claims and therefore no inspection.

The owner and tenant will be notified of the date and time of the inspection. If the owner or his authorized agent is not present, the move-out inspection will not be rescheduled.

The HACSD will not conduct a move-out inspection upon a tenant's request, if the owner does not also request an inspection.

A damage claim will not be approved *unless* the move-out inspection is requested and completed prior to any work being done.

In the event that the HACSD is unable to inspect within five days, the owner will be permitted to use date-stamped photographs to substantiate the claim.

PROCESSING CLAIMS

Any amount owed by the tenant to the owner for unpaid rent or damages will first be deducted from the maximum security deposit which the owner could have collected under the program rules. If the maximum allowable security deposit is insufficient to reimburse the owner for the unpaid tenant rent or other amounts that the family owes under the lease, the owner may request reimbursement from the HACSD up to the limits for each program.

If the owner claims vacancy loss, the security deposit that s/he collected or could have collected will be deducted from the vacancy loss claim.

The HACSD reviews claims for unpaid rent, damages, or vacancy loss and makes a preliminary determination of amount payable. The family is informed that a claim is pending (a notice is sent to last known address.) The notification will state the preliminarily determined amount, the type of claim, and describe the procedure for contesting the claim.

The HACSD will offer the family 14 days to contest the claim. If the family disputes the claim, the HACSD will schedule an informal meeting with the owner and tenant in order to resolve the differences.

If the tenant fails to attend the meeting, the HACSD will proceed with its original determination.

Meetings will not be rescheduled if neither the owner, nor the tenant attends.

Meetings will not be rescheduled if either the owner or the tenant fails to attend.

After a determination has been made, the HACSD will notify the family in writing of the decision. If it has been determined that the family owes money, the HACSD will pursue collection to repay either in a lump sum or through a payment agreement. The notice will warn the family that their assistance may be terminated and they may be denied future participation in the program if they do not reimburse the HACSD as required.

OTHER REQUIREMENTS FOR CLAIMS PROCESSING

The HACSD will require proof that the owner has complied with state and local laws applicable to security deposits before making payment on any claim.

All notices to tenants during the processing of a claim must include proof of mailing or of personal delivery.

Costs of filing eviction to remove the tenant or any other legal fees may not be reimbursed.

No claims will be paid for a unit that is vacant as the result of the landlord voluntarily moving a family to another unit owned by the same landlord.

All unpaid rent, damage, and vacancy loss claim forms must be fully complete when they are submitted, and they must be submitted within 30 days of the date the owner learned of the move-out.

VETERANS AFFAIRS SUPPORTIVE HOUSING (VASH)

BACKGROUND

The HUD-VASH program combines HUD HCV rental assistance for homeless veterans with case management and clinical services provided by the Department of Veterans Affairs (VA) at its medical centers and in the community. Ongoing VA case management, health, and other supportive services will be made available to homeless veterans at Veterans Affairs Medical Center supportive services across the nation.

The HUD-VASH HCV program will be administered in accordance with the HCV tenant-based rental assistance regulations set forth at 24 CFR part 982. However,

the Act allows HUD to waive or specify alternative requirements for any provision of any statute or regulation that HUD administers in connection with this program to be necessary for the effective delivery and administration of the HUD-VASH program. In addition, the HACSD may request additional statutory or regulatory waivers that it determines are necessary for the effective delivery and administration of the program.

The HACSD has adopted the published guidelines and is developing separate policy documents for VASH.

If the agency does NOT apply a ratable reduction, this is the maximum a public assistance agency COULD give a family for shelter and utilities, NOT the amount the family is receiving at the time the certification or recertification is being processed.

If the agency applies a ratable reduction, welfare rent is a percentage of the maximum the agency could allow.
